J. B. STONER, MC:

We are loyal, white citizens to the left and we are appose to all the enemies of the white race. Applause. Let us discuss our society for a short time now. I'll be speaking tonight, along with other members of the National States Rights Party and tonights (inaudible) it will be announced before we do (inaudible) and at the present time, I would like to introduce to you the director of the National States Rights Party here in Duval County who has done a good job in organizing, with the help of other good members here, of several chapters in this area of the National States Rights Party. At this time, I would like to introduce to you my old friend Mr. Willie Eugene Wilson. Applause.

In opening here today at the National States Rights Party, I would like to welcome each of you from each area of the country. I know you've traveled a long way. Some of you are still tired from the driving. We're happy to see each of you here, hoping that your conveniences in the motels around Jacksonville have been arranged, that you're comfortable now and any of you who are not happy now, meet me after we recess back here and I'll assist you in getting these rooms. I hope you found the State of Florida everything you expected it, the people to be a real hospitable to you and if we can help you in any way, call on us, we'll be glad to and having this many white people assembled for one.

common cause and for the State of Florida is a great honor to have each of you here. So if, I know that we want to (inaudible) our convention with the real power to organize and to build the strongest organization of white Christian Americans ever to exist. We're all dedicated to this cause. That is why we're here. I know you've traveled a long ways to make this possible and we want to see it become a real reality. We can elect white Americans to public office, both national, local and state offices. This is our purpose. We're having a great international conspiracy, the Jewish conspiracy to (inaudible) to speak. We have our nigger Americans and Negroes from Africa that has invaded us here. We have to destroy the others and move them back to the native Africa, out of our midst and build with white America with (inaudible) for what it stood for and is designed. We layed out the pattern to go by and it is your job and mine to let's build here and build with great America to be won. So we're not going to open in a great long speech. I know we have some other members here that are going to speak this evening. I want to welcome you again and hope you're comfortable for the weekend. Any of the times you would like to be in Jacksonville, contact me at the (inaudible) this afternoon. I will try to help you locate these areas and there will be refreshments during the evening, so I'm going to ask (inaudible). We have other

speakers coming up and it's a real pleasure to have each of you here. Applause.

J. B. STONER:

Thank you Mr. WILSON. Now, at this time, we're going to have a speaker who does one of the best jobs in the country speaking for the National States Rights Party. He is a loyal member of the National States Rights Party, who knows that the National States Rights Party is the only organization which deals with all of our major and basic issues without knocking them. He also knows and he also follows the party programs that we see. All of the minor issues are issues that will lead us down a side street with a dead end to it. That's a, he's one of our best speakers. I hope that he can get out to more places in the country this year. If you have any meetings and you want him out there, why get in touch with us in time and we'll try to make arrangements and a more familiar to you in passing, before we continue, I'd like to mention our old friend, CONNIE LYNCH is up in the penitentiary in Baltimore, Maryland, but we hope to have him out this coming week. There is so many Jews on the parole board and so many niggers working in the offices, that they can't keep their faces straight, especially whenever it comes to dealing with a white face. Now, CONNIE LYNCH up in Baltimore has been very happy in the penitentiary up there and has been a good rest for him and he's expecting to get out and go

back to fighting Jews and niggers again as soon as he can. Applause. Now I think we're highly honored tonight at the National States Rights Party to have a patriot from Ohio, a good Northern state, as our national organizing. He works over quite an area up there. He travels anywhere in the country that he has time to and made a trip down here to this convention, along with all those other good Northern people. It's really an honor to introduce to you the national organizer of the National States Rights Party, Mr. R. D. ELDRIDGE. Applause.

Mr. Chairman, ladies and gentlemen, for this great convention of the National States Rights Party, it is indeed a great honor to come back to Jacksonville, Florida and associate with these fine people from all over the country. We need millions of them in this organization that can serve to take our country back. Today, I would like to dwell on the organization of the National States Rights Party, what we have been doing across the nation to build this organization. The National States Rights Party has only a short while been in the organizational work. It's only been growing across this nation a short while. When you stop to think about it in terms of years, looking at the Democratic and Republican Parties and the other minority parties across this nation, we of the National States Rights Party have built and have willed together men and women across this great nation that are determined to take our country back and put it into the hands of white, Christian Americans.

For a few moments I would like to say to you about some few sad hours that I had to spend with a good friend of mine. (inaudible). I know today, a lot of you people remember the situation down in Berea, Kentucky. Now a friend of mine (inaudible). I'd like to talk just a moment about this situation. There was a group of white people in a peaceful rally. This could happen anywhere. This could happen in your church. This could happen to your home if we don't work to stop these things. In Berea, Kentucky, the white people assembled there to have a peaceful rally. Remember, the niggers have a rally and we don't move to break them up but yet, they come down and they were not shooting at the men, they were shooting at the little children in the crowd, showing you the cowardice that they have about them. They were trying to destroy the little children, little girls and little boys there. Now a great friend of mine gave his life for those children and a great friend of mine gave his life for you and I. So that we would have the right to meet and assemble here together as free white humans.

Now, wife, which is widowed she today has sent a cable, a telegram, and am gonna read it to you and I'd like for you to know that she is grateful to everyone in the National States Rights Party that helped her in the great time of need, so I have this telegram here I believe I'd like to read. Dear National States Rights Party Members: I want to thank you for your support and your help during the past year. I really appreciate your support. I am sorry that I was unable to attend the convention this year. I was looking forward to meeting so many of you. I am counting on being able to attend next year. Thank You. Mrs. Joann Rucker. Mrs. Rucker from Kentucky. That was a sad hour my friends. When Mrs. Rucker looked in the face of her husband laying there in the gravel and shot all to pieces by buckshot from those niggers, that was a sad hour to remember for the National States Rights Party. Now, can we, can we stop for just a moment and look at this thing? Can we allow this thing to go on? Will we allow this to happen over and over again without having the (inaudible) to build an organization where we can drive these beasts from our land? We must drive them from our lands. They have acted like beasts, they are acting like beasts. They're walking into the churches; they're demanding \$500,000,000 from your churches, demanding \$500,000,000. I think it's time that us white people started demanding the millions of dollars that

they owe us for keeping them for all these years in America.
(Crowd applauds loudly).....(portion of speech inaudible
due to applauding).....but yet they want to walk into our
churches, enter our private establishments and demand
\$500,000,000. We don't owe them one cent. Only thing we owe
them is a trip on a boat back to Africa. Some people say
oh, you'll not be able to do that, but we are gonna do it.
You see, we're (inaudible) people, we're National States Rights
Party people, and we accomplish a job we set out to do and
we're gonna do it. How are we gonna do the job? What action
are we gonna take? First of all, we must remember that we
must build our organization powerful and strong. Not in
Florida; not in Ohio, but in all fifty states. We have got
to unite the white people into this organization and build an
organization of steel that we can come back and take our
country back and we can put a man up in the White House.
Incidentally, it's called a black house now but we would
like to (crowd laughs and drowns out portion of speech) in
Washington, D. C., but I tell you we would like to put a
white man up there. This is not too far off either my friends
because the white people over this nation now are talking and
they are realizing what is happening to their people. Like
in Dayton, Ohio. I'd like to refer to Dayton for just a
moment. Poor, one old nurse there had just come out of the

hospital where she had been in there working for maybe eight or ten hours. Now, I was in the hospital. I spent about three weeks in there for an operation and I know how they have to work and one of the nurses said to me--one of them said looka here Mr. Eldridge, here are twelve niggers in this ward. See 'em smoking them cigars? She said, I have to wait on them. I have to wait on them hand and foot and I have to carry everything to them and she said, you know what? The taxpayer is paying for them and there I was over there paying \$50 a day for a room. Me, I was having to pay them out of my pocket. Now, this is what is happening in America. This little old nurse walked out of the hospital, tired, and walked over to catch a bus to go home. Seventeen of these beasts grabbed this little nurse and molested her. Seventeen, not one. Seventeen of them. (Inaudible)...they couldn't stop it. They had to take their knives and jab knives into her and stab her and throw her out in the alley for dead. This happened in Dayton, Ohio. This happened in America. This is what's happening. This is that kinda thing. It's happening in Florida; it's happening in Ohio, Michigan, Chicago. We must stand together and drown these people from our land. I apologize, these are not people. These are some type of animals. A human being could not act like these people have acted in our lands where we have gone and given them so much great freedom. Now, man, we have the power in our legislature to set them in

their own land. Can you imagine the tax dollars that we're pouring into the legislature? Can you imagine the tax dollars we're pouring into the state house? Can you imagine the tax dollars that we're spending for our city government? I think it's time we did some acting to build our cities, to clean up our schools. To know what's going on in the (inaudible). (Inaudible)...going over there to support them and their illegitimate children. Now, if they want a raise on their welfare check, what do they do? They have another child out of wedlock and get a raise on their welfare. It was up in Michigan, I believe, it was, or New York, one woman, one nigger woman was receiving \$2,000 and putting up in a hotel and paying her way on welfare. Welfare. Do you know what it is? We're the welfare. Our taxes. We're the ones that are doing that. So, we have no other route to go but to unite together as white people under the banner of the National States Rights Party. Why the National States Rights Party? Okay. Because over these years, over these hard years, over this rough road, that we've been traveling, and this FBI Agent and the President of the United States, and the Attorney General of the United States, have been trying to destroy this organization. Why? Because we know the truth and they're trying to cover the truth up. Stop the truth. The National States Rights Party is the truth. That's why we must stay in the line of the

National States Rights Party. Again, after all this rough road that we've been over, and the kind of security destroyed we are still together. We are stuck together and we are winning today. We have won today by just being here. By being able to unite and meet in a meeting of fellowship with one another. (Crowd applauds) Now, we see our people coming out of the dark corners of mystery. They're coming into the light. They're coming into the National States Rights Party and they're asking what may I be able to do: What can I do to do something to save my country? My race? I tell them join the National States Rights Party. Don't just join, but be a member. And what do you do to be a member? You must be an active member. What can you do to be an active member? There's not a minute or hour in a day that there isn't something you can do. We have the greatest newspaper in the land. We have the greatest newspapers in the land. You can pass out our Thunderbolt to the people and wake them up. You can show them the program that we have to rid this nation of its corruption that is upon us. Now, we must have the masses of people before we can do these things. And the only way we can get these masses is by going out and working and showing them our program. Now, you people here today, have come here to hear speakers, but I would like to point out to you, remember

this organization is only as big as its members. It's only as good as its members. You are the organization. You are the organizers. Each and everyone of you are an organizer.

Your job is to go into the fields of these great white masses and bring them into the organization. Show them our program that we must save white America. I'd like to point out to you that America is a guiding light to the world. However America goes, so goes the rest of the world. We must be that light.

We have (inaudible) twenty years that you have come in and turned our lights (inaudible). He has put the curtains and shadows over our lighthouse. You see, now the entire world is confused and wanting to know what is going on in America. We must go about breaking these chains of Jewish slavery. We must go about letting the people know that we are white people. We must stand up in America and say I'm proud to be a white American. I'm proud to be a white Christian American in this land and I will not tolerate what the Jew is doing. I will not tolerate what this nigger is doing to my race and to my country. I will not allow these things to happen. And we must go about stopping them and the best way I know (Crowd applauds). I would be so, I would be so unwise as to go (inaudible) to come here today and tell you that since Mr. Rucker has passed away in the line of battle that I'm afraid to go back to a rally and I think that I'll just hide back.

I want to come here today and tell you of his death, the blood that he spilled on the face of the great beloved country of mine, that I will take that blood and I will carry it across America, 'til the day that we once again have a white America that there will not be no more Elza Rucker die from a nigger's gun in this land. We must have (Crowd applauds and drowns out portion of speech). When I looked at those little children's faces, one of them said to me, when I grow up, I will join the National States Rights Party and I'll carry on my daddy's fight. I will never forget those (inaudible) telling me that. Now, he told me, he said, I know that you will carry on the fight. He told his mommy, I want you to carry on the fight and I'm happy today that in the State of Kentucky, the fine members that I was working with when this great thing, this great phase was brought upon the State, they didn't shy away, but they put more unity and spirit into their soul and wore the (inaudible) across the State of Kentucky and bring the entire State into the National States Rights Party and I'm happy that in the last little (inaudible) that we've opened new offices and new chapters in the State of Kentucky and that people are joining and that thousands and thousands of our papers are being passed out over the State. Even the Governor is sitting up there wringing his hands

wondering what's going on. The Jew is wringing his hand
and wondering what's going on. They write it in the paper.
They say, oh them state writers, those awful state writers.
One minister wrote into the paper and said those awful state
writers, but yet the people want to see the name of the National
States Rights Party in the paper and are willing to clap
their hands and stop to enjoy because they can see a little
hope when they see the name of the National States Rights
Party across the headlines in America. That's a light of
hope for our people. Our people are looking for leaders
and every man and every woman and every child that's here
today must become a leader in this country. They must become
a leader for our race because we need leadership. We need
members to free America. Our purpose is to free America,
to free our race and to clean up our lands. We have allowed
them (inaudible) corruption. We have allowed the Jews to
take over. We have allowed the niggers to walk into our
homes, even into our churches, and demand, these things must
come to a stop now. We cannot continue on. We cannot allow
them to come into our schools like we have had. We must
start a program in this land to stop this so called integration,
this mongrelization. What this is, is nothing in the world
but a Jewish Communist plot to deteriorate and destroy the

Christian work. What we have built and the and that we have built up. That is a Jewish wish. I would like to point out just in case there might be a FBI pimp slip into our meeting or something (Crowd laughs). We'd like to point out that we know that their purpose and their cause is nothing other than to slip around and arrest white people. We know that they have done it. We'd like to tell them that when the National States Rights Party comes into power there will be no more nigger babysitters and no (Crowd laughs and applauds). We'll not even need the FBI because we won't have no niggers for them to babysit with. Now, you see, in a situation in Kentucky, and I keep referring back to it because you see the FBI got in on that. They did not want to put this old boy away. They wanted to put him in a prison. They even asked my attorney, our great attorney, Mr. J. B. Stoner, when Mr. Eldridge goes to prison, are you going to write this up in the victory of the white race, and I'll never forget what Mr. Stoner said. He said, he's not going to prison. (Crowd applauds) You see, as I stood on the witness stand in Berea, Kentucky, I had a great determination as I looked back over the crowd as I'm looking at here today, and when the actual thing was brought out to the people, we seen the niggers began to stay away from the (inaudible) or from the (inaudible). So, you see,

some white people came to town that day. At that time, I looked back over the crowd and I could see a whole lot of .38s sticking out from under their white bellies. You know, those niggers just don't like those kind of filters that those .38s have and so, that was what happened. The judge, he got real nice, and he says he didn't think us white boys oughta go to prison. So, we're here today and we're gonna continue on this great fight and we're gonna continue on in Kentucky, Florida. We're gonna continue on in all the fifty states because the National States Rights Party is not just a fly-by-night organization. I remember when I joined this organization there wasn't too many members, but I met the people that had determination. When I met men like Doctor Fields, J. B. Stoner and Ned Dupes. When I met those people, I met real people, determination, people with determination to win the fight that we're in. My friends, there's a lot of good organizations in the land, there's a number of them but I don't believe that they have the program that the National States Rights Party has. You see, we are a national organization working in unity all over this nation. We have people here today from Ohio, Illinois, Pennsylvania, California, and all over the nation, we have in the audience here today and you see we have the same

program workin all these cities, in a these states and the Jew don't know what to do. You see, when he goes down in Florida and he sees thousands of these Thunderbolts going out and when he goes up in Ohio and he sees thousands of them going out and when he passes through Kentucky, somebody probably hands him one. So you see, that's what's happening. That's what's got the Jews scared in this land because they know that the time is before them that us white Americans again will raise our flag of white (inaudible) in America (Crowd applauds). I would like to call upon everyone of you today when they go back to their respective states, when they attend their chapter meetings, I would not like for you to think of coming here just to hear speakers, but I would like for you to think of coming here to build a great determination to go back into your chapter and sit down and see the ways and the means that you can build this organization greater and stronger, and I'd like to bring to your mind that that little son or little daughter is not gonna get an education at school that you're gonna have to bring about at home. I'd like for you to tell your little son or daughter that they're white and that they want to stay white and that you want white grandchildren. I would like to point out to them that the only way they're going to do this is to maintain white dignity in our land. That we must forever, forever, in

America keep that Constitution and keep the things that our forefathers gave us. We have allowed to try and hide them in the eyes of our children but we cannot allow this to happen any longer. They're bringing now such things as sex and education into our schools. This is ridiculous. This is a shame. This is an insult to the intelligence of our children. Now, I have papers showing some of the pictures that they were teaching our children in school and I look at these filthy pictures and did you know that the people that took those pictures, I looked at their names and everyone of them was a Jew. I'd like for you to look at the sixteen million magazines that are going out in America each month and I'd like for you to look over who put them out. Those filthy magazines, everyone was by a Jew. Everyone. I'd like for you to think of the newspaper and the news media. When you look at who controls the news media, it's the Jews. When you look at who controls your newspaper, it's the Jews. Now, I'd like to bring this important point to you my friends, if you were to lose \$10 in Tennessee, you wouldn't go to Texas to hunt for it, you would go back to Tennessee. Now, we have lost a great portion of our freedom through the news media and I think the greatest way we can find our freedoms is back through the news media and what are we gonna do and how are we gonna get it in the

newspaper? We ~~have~~ the paper. We have the literature to awaken our people and it's our job to pass out and give out our literature to the people through the Thunderbolt. There is no paper, nowhere, considering the Jews hate people. Really, they are hate people. Hate people with white faces in America. They cannot compete with our Thunderbolt. I'd like to point out that the millions and millions and billions of dollars that the Ford Foundation and others have poured into these nigger organizations. That there are many who have poured millions and millions of dollars into these organizations. A nigger does not have to be poor when he considers the money that's passed through (inaudible), but we've taken a few dollars that we've been able to put together as white people and now the people in the National States Rights Party, look what we've done. Look at the things that we've done to stop this great flood of Jew money. We've been able to take one dollar and head off a million dollars of that Jewish money and that Federal Reserve money that's been poured into these things. I would like to tell you, my friends, I'm happy again to be here. I'm going back to Ohio and I'm going to work harder to build a greater organization. I'm going to work harder over America to build a greater organization, and when we meet again in the next coming year at the National States

Rights Party co~~o~~tion and we shake hands~~o~~n, let's be able to rejoice for the many, many victories that we've won under the banner of the National States Rights Party and its beliefs. I thank you and God bless you. (Crowd applauds)

J. B. STONER, MC:

It's nice to hear a good white Yankee get up and make a (inaudible) white racist speaker. That's one thing about the National States Rights Party, we're not divided over North or South and we're not divided over East and West. We are of the white race, we're loyal to the white race. It doesn't make any difference whether a person is a Protestant, a Catholic or Presbyterian, or what kind of Christian faith he has. What counts with us is whether he is white or not. (Crowd applauds) Not only that, we don't care where a white man was born. He could be born in China or India, or Africa or Germany, or England or Scotland or Ireland, Canada, the United States, or anywhere else. That white man born on the other side of the world is our racial brother and this nigger living right down the street here, just a half a block away is an alien and enemy of ours. (Crowd applauds) Now, that's my theory that we've always talked about damn Yankees but we never have had a word for Westerners down here. I don't know what we'd call a Westerner, but our next speaker is a Westerner

from California, an old friend of mine and is an old friend of (inaudible) and he's long been active in the National States Rights Party and he and Bob Barber speak the most. They speak from one end of California to the other end and sometimes at southern California at National States Rights Party meetings. Now, this old friend of mine is here today. Unfortunately, most of our members out in California did not have the time or the money to make a trip out here, all the way 3,000 miles across the country to be at the convention in Jacksonville here today. Just like most of our members up in Ohio could not take off. They either had to work or else they were having to pay too many taxes and support the Jews, the niggers and the (inaudible). This next gentleman used to be called an extremist and a white racist, but I hear he's mellowed a little bit. I hear he's softened up and mellowed a little bit and I'm anxious to hear him speak again. Cause I haven't heard him speak in about a year, to find out whether I've been getting true reports on him or not. And if he has mellowed, we'll just throw him out the window there. It's my pleasure to introduce to you one of the best white men in the United States, our old friend Neuman Britton from California. (Crowd applauds)

NEUMAN BRITTON:

It indeed is a pleasure to be with you here again in the beautiful city of Jacksonville and I might say also in this great part of the United States that we call Florida. I feel that this afternoon that I am sitting among the strong, the ones whom God has chosen to bring about this great reformation that is about to happen in America. The distance is not too far nor any sacrifice too great for me to be with you and indeed it's my pleasure. Now, there is much to be said. There is much to be done in America. Right now I feel to call you to the words of Our Lord Jesus Christ pointing to the era, the time, that you and I now live. He said during this time arrows will abound and because of the arrow that will be abounding the love of many would grow cold. This is where we find ourselves this afternoon. Ordinarily, the reason why that the United States and all these white races of the world are under the dominion of the (inaudible) force is from the lack of knowledge. So, it's the purpose of the National States Rights Party to unify all the white people in America. Do you think that we can do it this afternoon? (Crowd applauds) When I tell my friends what I propose to do in America, they say this is impossible. (Inaudible)...religious arena. They say this is impossible Neuman. I say to you it may look impossible, but with God

nothing is impossible and I believe with a heart that we of the National States Rights Party are called by Almighty God and I tell them you just watch me. You just watch me inflame and stir and inspire the white youth of America and and point them to the symbol of the National States Rights Party. The symbol of the Thunderbolt. It's a dynamic symbol, a heavenly symbol for a heavenly people. (Crowd applauds) This trial is not too great. It's not too great. It's going to be a glorious, glorious mission. Alleluia. Because I have seen and my eyes have beheld them coming and I'll tell you one thing for sure. The party is going to grow and the only trouble that we are going to have in the days to come is to find room to put the people. With confidence I go and I know that the Lord is with me because an arrow would abound. The love of many would grow cold. Did you know that in America because that this arrow has abounded they appointed our youths miles away from nationalism, from a love of race, from a love of scripture, and we are now in the depths of hell. If it wasn't for this standard of the National States Rights Party being raised there would be no hope for our white race. (Crowd applauds) This is why the devils, the white devils of you who you call Jews tremble when we speak and that they see and they feel the determination of a dynamic power and glory of

Almighty God thos with us. So, they can stand Connie Lynch. They cannot stand Neuman Britton, Buddy Reese or J. B. Stoner because they feel their determination and I'll tell you right now there are many Jews in America that are now preparing to leave our shores. (Crowd applauds) This has not been the mistake of our forefathers in generations past. They have built beautiful white civilizations and they have seen the menace of this Jew and they have driven them out and I, this afternoon, am not proposing driving them out, I propose that their bodies (inaudible) in America. (Crowd Applauds) I propose that we build ovens. Yes, and this time there won't be no America for them to plead to. There won't be no refuge. We're gonna see to it this time. (Crowd Applauds)awakening in America, turning the hearts of these children of ours back to the promises made in this book we call the Bible. Made to our race. Yes, and we shall also discover the purpose of Jesus Christ and why He came. Yes, to redeem us, the white race and nobody else. There was not a drop of blood shed at Calvary for any other race besides mine and your race and you know that. It was our folk who came with Moses to the Red Sea. It was our race. Yes, and we're gonna turn the hearts of these people of ours throughout America, throughout these fifty states, to them. This is not a

religion. This the glory of God and the knowledge of God being ushered in as it should be through the leadership to the people of rulership in America and we shall experience in gathering together. And we shall also see all that is founded on these religions fall. Therefore, we shall experience in America no more division from the Presbyterian and the Methodist. We shall be unified in one and then all of the glories and all of the abundances and material things that have been promised by all the holy prophets we shall experience because we shall take the yoke from off of our people. Yes, we are a prosperous people. Yes, we are a producing people. We produce good things for good living but in my lifetime I have seen our people in need. I have seen them naked and I have seen them in want here in our abundant land and it's also the purpose of the National States Rights Party to rectify this. Do you think we can? (Crowd applauds and answers with yea)

I am not talking about any Communist order. I am talking about shepards ruling in America who love their sheep, who would give their life for their sheep. This is what I am talking about. Men who govern who love their constituents and we have this here in the National States Rights Party. We have men who love our race, who dedicate their lives daily to the preservation of this glorious race, without any pay, without any glory,

without any hon~~or~~ That's right, and for ~~the~~ purpose we have dedicated our lives. Yes, they are trembling in Washington because they know there is a resurgence of glory that is happening here in America, a turning to the (inaudible). So, I'm happy to be with you this afternoon in this great cause. I am happy if my work inspired you in this great cause. I know that each one of you have a job to do and I want to extend glory, honor and praise to all of you for the job that we are doing. We are doing a magnificent job my friends, a magnificent job we are doing, because I want to draw your attention to the magnitude of this. Every Thunderbolt that is printed from our press, every word that is spoken from the symposium has its dynamic power. There are those in America who are alive. Do they sleep? They're sound asleep. They pick up the Thunderbolt and it causes a change and here comes the speakers that are going to gather here today and we're going to get the job done. We're gonna have to (inaudible). We're gonna execute vengeance on these niggers and these Jews. (Crowd applauds) I am convinced that the blood of Elza Rucker is crying out, crying out to you and I this afternoon for us to go forth to accomplish this job. We love America and we love the white race and I know that there are glory in loney places for us to see. Thank you. (Crowd applauds)

J. B. OONER, MC:

Well, I'm glad we got a false report about Neuman Britton. (Crowd laughs) I'm glad he hasn't melted after all and he's still as extreme as he has been ever since I've known him and it's nice for him to come all the way here 3,000 miles from California, to make a good white racist speech. Now, you've been listening to some good looking and handsome party members speak, so now it's time we have a change of scenery and I introduce to you a lovely young lady who is Assistant Secretary of the Party's National Executive Committee and secretary of much of the work. In Savannah, you know, women think they enjoy work more than men do anyhow. Now, this lovely young lady is not a southern girl. You know, I'm a southerner. I'm a native born southerner but we southerners are not quite as energetic as we should be but to make a really first class secretary, why we have to go all the way up north to Ohio. So, now we present to you a very lovely Yankee girl, a young lady that we're proud to have in the party and that renders invaluable assistance to the National States Rights Party in our headquarters in Savannah. At this time, I present to you Miss Jane Arnold. (Crowd Applauds).

JANE ARNOLD:

Thank you. I am happy and proud to be a member of the party and working at the national headquarters in

Savannah. I enjoy my work and am very happy to be with you today and to be able to say a few words to you. All things in the world change and all changes accept the values of right and wrong. These are absolute truths given to us by God. Our movements, National States Rights Party, stem upon the truth of rights. Our program, our policies, are based upon what is right. We all believe this and we know this in our hearts. Our party alone has a foundation of righteousness. The democratic and republican parties are constantly changing. From year to year, you never know where they are going to stand, what their platform will be, but you do know that it will be further and further to the left and they'll be doing more and more for the niggers and more damage and injury to our race and to our nation than (inaudible). It's never certain where the other parties or any other political organization stands, but the program, the platform of the National States Rights Party, stays constant because we know that it's right. How can we change to compromise with evil? We stand forever on our righteousness and principals for the white race and against race fixing and Jewish Communism in control. (Crowd applauds) How many great and good men do you know of who have had descendants who have done evil and the opposite of their fathers' work in his life? There should be no reason for this. Here we see the need to lead our youth, our young people, to

teach them what right. It's the parents to train their children to party principals so that they can continue their parents work against the Jews, against race fixing and for the white race. I know as a young person, myself, how many young people are searching for values. They're looking for guidance today. So many of them don't find the values. Our movement answers the need of the young white people. It gives them a cause to fight for. It's our job to awaken the youth of America. You party members who have families, who have children, can start with your own. Let us not forget when we're doing our party work the most important resource America has is white youths. Let's be sure that your children are not forgotten. So many young people are looking for someone older to talk to them, to give them values to teach them what is right. Our party members should be sure we do this job. The women of the party--the greatest good that they can do in party work is to back their husbands, show enthusiasm, encourage his work. The men of the party fighting the front lines for their wives and children, our nation, the future of the white race. There is a risk involved but every great man involves a risk. What if the men who signed the Declaration of Independence hesitated to put their names on this document? They knew that when they signed it many of them would be hunted

down and killed. They knew the risk involved and they took it. The deed that we are seeking to do is the greatest of all. We are trying to save our white race. The trouble will be one of our lifelihood. It comes on you to do this thing. There is a risk involved, yes, but any great task involves a risk. We of the National States Rights Party are willing to take any risk to save our race, to save our nation because there is nothing of value without it. (Crowd applauds) As party members, we each represent the National States Rights Party and it is important that we remember when we meet people for the first time and they learn that you are a party member that perhaps you are the only (inaudible) they have of the party and the only representation. So, it is very important for us members to be good examples of the white race. It's not good enough to be born a white person. It's necessary to live as a white person. (Crowd applauds) We live our lives, our thoughts, our deeds continually, and should be thoughts and deeds that are worthy of white people, the white people who are God's children.

We have the responsibility and we are thankful that it is still possible to save our nation because we are going to do this great deed. We know that our work is necessary and we are very grateful we have the opportunity to serve this cause. The individual personality of our members is most important. The National States Rights Party has many gifted leaders, many of whom are with us today and who will have a chance to meet and many who are not hear today because of other responsibilities these individuals (inaudible). Unification of the great white man under the banner of the National States Rights Party under the symbol of the Thunderbolt will lead us to victory and white power will be ours. (applause).

MC - Thanks to Miss Arnold.

MC - It is always a pleasure to hear from young ladies, well I guess all ladies are young ladies and for them to speak forth for the white race. Too often women are concerned only with what goes on in their homes and inside their fences around their yards. Its nice to hear ladies and to see ladies here today and I know some good ladies here in the audience who I have known for quite a few years who have always stood up for the white race. I think if we could get out enough women out here working we think we could still win this fight. (applause). In Savannah we have

in addition to the requirements of efficiency for secretaries we have two other requirements, one is that they are beautiful and the other is that they be real mean. (laughter). That is the way white women should be. We need more white women that are pretty and mean because when you have the kind of incidents we have, the kind of Jews, Niggers and all we have to fight, you need some tough women, (applause) and women can be tough and mean and still keep on with their feminine charms as it is easy to see. Now at this time we are going to have a little presentation, or a great presentation I should say, and after that we will have a recess of about 20 minutes, so that everybody can get some refreshments in case there are no jigaboos over in the dining room. (laughter). So at this time on this occasion for a very distinguished party member, I present Dr. Edward R. Fields (applause from audience).

DR. FIELDS

Thank you my friends, it is good to be here. I am going to give my talk this afternoon and after supper in the evening session. Right now I have this more important task. The National States Rights Party has many wonderful organizers and officers on the local level throughout America. They are performing an outstanding job. Many of them have many times gone beyond the call of duty for the National States Rights Party. It is a

difficult task for us to try to pick out one individual who has really done more than his part. One who stands as an example to all other members of the National States Rights Party. Through his personal fortitude, courage, ability, to his hard and diligent work in carrying our messages to the white people of America we seek to give a very important award to an individual whom we feel is the ideal of the National States Rights Party man, our man of the year. This National Executive Committee has chosen as our 1969 man of the year Mr. Jerry Pope of Covington, Kentucky. Jerry --- (applause). Jerry, I want to extend to you and Mrs. Pope (inaudible) for being our man of 1969 and for the outstanding job you have done for the National States Rights Party. Now, Mr. Pope has just returned from London, England, where he represented our organization and he will give his main speech later. Jerry Pope-I would like to say thank you to Mr. McNay and several others in my office who are here for their help (inaudible). Because without their help the National States Rights Party in Kentucky could have not doubled their membership in the State of Kentucky this last year. (applause).

MC - We are now going to have a 20 minute recess and like I say if there are no black beats in the dining room in there you get something cool to drink, otherwise there is a water fountain down here. We would like to have those

party officers present to come up to the platform while we are having our 20 minute recess. Please be kind enough to have refreshments. We will resume with the white racist anti-Jewish convention at about quarter till four or 3:45. I would like to see all the party officers up here. (several people talking making it inaudible).
MC - (inaudible) -

I know that we are discussing some obnoxious subjects here today - Jews, Niggers and FBI men but the unfortunate things in life have to be discussed as well as the pleasant things. It doesn't make any difference whether we like unpleasant things, we can't live a life where everything is pleasant all the time. Actually, it is like a doctor. If a doctor didn't want to work on sick people then he would have to quit being a doctor. Here in America we white racists of the National States Rights Party and the doctors are working and doctoring your America so we will end up with a healthy America without any Jews or Niggers. (applause). Naturally we like big juicy steaks - we like to eat ice cream and cake, we like the good Florida orange juice. We like to look at pretty girls and all that. Those are some of the pleasant things in life such as Florida's beautiful beaches over here but all the good things here in America are not going to be here for us to enjoy unless we discuss the dirty, obnoxious, filthy things and get rid of

those dirty, filthy, obnoxious things we have in the country known as Jews and Niggers. (applause). Next on the program this afternoon we will have an evening session tonight and another session at 2 o'clock tomorrow.. We will have a business session tonight and a business session tomorrow afternoon. This afternoon is for the purpose of getting acquainted and hearing reports of different officers, speakers and about their activities and so forth. Our next speaker is a real old friend of our old friend Connie Lynch. The next speaker is Mr. Bob Barber from California, another good member of the National States Rights Party who was able to come 3,000 miles to be here with us today. Come on up Mr. Barber (applause).

MR. BARBER

Good evening ladies and gentlemen.. I wish to tell you one thing, I consider it an honor and a privilege. I'm not just speaking from my mouth I am speaking from my heart. I think it is an honor and privilege to be in your presence this evening, to see so many people that are concerned of the thing. that is taking place in this great land of ours today. My friends you know when you are by yourself and you are walking and going down the road or even possibly talking to people about the everyday happenings of this conspiracy that are going on, why we all get a

feeling of being a little lonesome once in a while and it seems like we are tired of fighting this battle by ourselves but people on the whole are not concerned but why not - because at this great hour this evening I see all these white faces which is an encouragement to me. Now I am only human as you are and there is nothing better for us than we can do but encourage each other than to have these conventions. Getting to know what is going on and let you know that you are not in the fight by yourself because we are all with you (applause from audience). We are living in the greatest turmoilic age and time of decision that the white man has ever known before. Sure you remember about the decision when God spoke to Moses when he was on the hillside. He spoke to him and he said Allah, here am I, the people are calling down in Egypt. Moses said who am I to go, he said Moses you go anyway because you are the man I have chosen. Moses said, I am a poor speaker, etc. He said I'll tell you I will fix that, I will give your brother Aaron for a spokesman. I want you to know that its by mere accident that you people are interested in what is going on in this great country today or you wouldn't be here at this convention because God has done something in your minds and in your hearts to make us be urgent in trying to correct the thing that has happened to us. (applause). (Inaudible) You can't mix religion in politics.

I will never mention religion in politics again. I'm mixing, putting together Christianity and you. God's plan is order for his people. (applause). Where God is he will go all the way. I want you to know about the National States Rights Party a little bit, I am a man that God has blessed through my life, I am 51 years old and make an easy living. Oh, I have worked hard, make pretty good money --- a dollar a day and more (laughter). Oh that is right, I have worked for a dollar a day but I have done my obligation, but Connie Lynch is the one which we need more of to go out. I imagine I have traveled easily a half of million miles with Connie Lynch. Twenty years ago he and I got behind this organization and we went out over the country and we didn't have anybody to stand up to or could handle what were saying or advocating at that time because everybody thought we was extremists even at that time and shucks we wasn't even saying one tenth what we are saying now but we finally came to a time when we had to make a change and couldn't stay in the religious organization that we were in and carry on and speak our convictions. (Inaudible) At one time, about four or five years ago Connie came out to the west coast and he said, called me down south and said, Bob, I will be out in three hours time, I have got something to tell you. I said, oh what is it. He said I have found a place, I have found the organization that we can do something in, that we can work

in, express our beliefs and tell the people the truth. I said what organization is it, he said its not an organization, its a political party. He said its the National States Rights Party. I said I have never heard of them but I said if they will let me express my beliefs and what I know are the facts that are happening. I said I will join the party and I'll tell you one thing, the National States Rights Party has been more than he said and its the only voice, the Jews are organized, the Communists is organized, the Niggers is organized, but the National States Rights Party is the only voice for the white man in the world today let alone America. (applause). Where else in America can you get up and say the things that my friends have said and advocated here this evening. I want you to know one thing, that they haven't seen. They may think of the National States Rights Party as a small group of people and organization but we may be a small voice today but I want you to know one thing men, tomorrow we will be a roaring hell of a lot. (applause). We are going to build a force. We are going to build a force from the lookers of these men that is right here today. If we come into power, we got the running. We would not have to go anywhere out of this building to get the men to run this great U.S. of American today because I'll tell you we have some of the greatest minds in

captivity today right here. (applause). We good men
want you and God on our side, that is all that is
necessary. (applause). I have something to tell you and
I want you to take it home with you. Thousands of years
ago one time God looked out over the scene and he spoke
to our forefather Abraham. He said I will make you a
promise boy, if you will do what I tell you to do, if
you will follow my orders and if you will keep those
races clear and don't you mix and mingle with other
races I will promise you the moon and stars, the suns and
the heaven, there will be a white man on the face of the
earth. (inaudible) (applause) (drowns out portion of speech).
I don't have to go anywhere to ask anybody about whether
we are right or not because I will tell you one thing
(inaudible) that the white man has got to go by this
day ---- a lot of people say that you can't bring the
Bible in this --- the hell I can't. (laughter and applause
loudly, drowns out portion of speech.) I tell you one thing
the Bible is the only gate left for the white man. (applause)
The only (inaudible) that the white man, now listen real
good, the only (inaudible) that the white man can commit is
to mix and mingle with the other races. (applause) (inaudible
due to applause and yelling by speaker). The Jews, the
Niggers, the Jews are the real (inaudible). The Niggers
we will take care of. Most people say we are going to ship
the Niggers back to Africa. Sure we are going to ship
them back to Africa, we will bury them but there is not a

country in the world that wants a Jew so have got to annihilate them. (applause). Let me tell you something about these times we are living in. Never have a group of people been present or been conferring with greater decisions and a greater job to be done than there is today in America. (This portion of speech inaudible due to yelling of speaker and applause and comments from the audience). Our great kinsmen, 200 years ago in 1776 said, let me tell you something fellows, they had a meeting something similar to this. They said, let us drive these Jews from our shores and this was 200 years ago. This is what they said. We are going to drive these Jews from our shores. 200 years from now we will be out in the sun working and the Jews are going to be sitting in the shade waiting for us to bring our money to them. (comments from the audience) (inaudible). I am fortunate, I have my family raised. My youngest boy is 22 years old (inaudible). I have deciated my life to this thing because I see the conspiracy coming and my little granddaughters that I have have no future unless we stop this thing from happening because what we intend to do and we are well on schedule. (inaudible). I will tell you what -- go back and ask your grandfather if he thought that it would be forced in America today that your children would have to sit by a damn Nigger. (comments from the audience). They don't care too much about me and you (inaudible). Its yours

and my responsibility, people of our ages and if people of this generation don't do it then there is not much hope for the white man. But I know one thing that I said a while ago. We are going to do the job; I am as convinced of this as I am standing here, and if you don't want to go then you stand over to the sides and I will to the job cause I have started this thing to finish it. Like I said a while ago, me and you are not a majority. This thing is going to grow. I will tell you one thing we have just begun. I was talking to my mother just before I came down here, she said son don't go down there. I said why Mom, she said well you just keep thinking things you say publicly (laughter) and those Niggers are going to kill you. (applause). The Bible tells me one time about the lepers that sat outside the gate and it looked like it was impossible situation where they couldn't get out and they said if we stay outside we will die and if we go back inside they are going to kill us so which way are we going to go. (laughter). There is only one way that we have to go and that is forward. (applause). I consider it an honor. This is an honor to be with you because we are undertaking the biggest undertaking the white people have ever known. God is on our side and we are going to win. Mr. Barber turns meeting over to Mr. Stoner (applause):

MR. STONER

It is a pleasure to hear a great man like Mr. Barber get up here and spell out the facts that we either have to win or die in this fight. We either have to take back our country or be destroyed. Now at this time we have another distinguished guest with us who has come a long way and we are honored to have all of you good people who have come so far down here to the Sunshine State and I hope the sun keeps shining for a few more days. Anyhow, at this time, I would like to introduce you to a gentleman I met a couple of years ago and who is now a National States Rights Party organizer, in Arkansas. From North Little Rock, Arkansas, Mr. Norman K. Anspach.

MR. ANSPACH

Thank you. It is a pleasure to be here and it is unusual to be in front of a large group of people that I don't have to start as a front to explain the conspiracy to. You people all know what its about. I don't have to stand up here and try and tell you and believe me if you knew what a pleasure that was because where I come from in Arkansas you have to start at the beginning and go all the way through. Some of it sits and some of it doesn't and you have to go all the way through again. Arkansas, at one time, was a very very properous state. Arkansas, however,

in the last ten years, thanks to the two party system, the Republicans and Democrats, has gone so far down (inaudible) the Democratic Party under the leadership of A. Fortas became corrupt and it was voted out. The Rockefeller Party, it became corrupt. The word now in Arkansas of the situation in the last ten years has changed to where you wouldn't know the state. Today in Arkansas we probably have the most militant group of Niggers in the south. Our Niggers in Arkansas are more militant than your Niggers in Mississippi. They are more militant than your Niggers in Alabama. Our Niggers in Arkansas are putting out newsletters to the people of Arkansas saying band open season on whites. Open season, get your guns, get yourself a white man or two. You want to know what the people in Arkansas are doing. They are saying, gee its bad they are saying mean things like that, let's hope they will change their mind, let's give them some money, let's vote for Mr. Rockefeller because Mr. Rockefeller is liberal and he will come right down to their level and he'll save us from these Niggers. (laughter from audience) Mr. Rockefeller and Mr. Fullbright in 1968, had the same campaign staff, I know because I fought both of them. They had the same people working in the Fullbright Headquarters as they did in Rockefeller Headquarters. Rockefeller took the State of Arkansas, has taken whites out of state jobs, has transplanted Negroes. Rockefeller has made it possible for a white man to get a state job. He is

clearing out all the whites and getting ready for the people he wants. Because the people who back Rockefeller are the people who back International Jewish itself. (applause) Whenever I tell people Communism is Jewish, people say well look at Rockefeller, you're against Rockefeller and he isn't a Jew. I come back and tell them that an (inaudible due to comments from audience) I don't care if he is white or not. I don't care if he is German, English or French, if he is sold out to the Jews then he is a Jew and he gets what the Jews have got coming to them. (applause) Last month I was at a local meeting in Arkansas for some of the service, the chicken council meeting (laughter from audience) and they all got together and say, Oh boy, these Niggers are bad, what are we going to do about these Niggers. One of the local chickens, who's got a little more guts than the rest, got up with this newsletter and he said, lookie right here, they're going to come out and say open season on whites, they are out to get us and I said, well hell, I think that is a good idea, if they want to burn down some of Little Rock, I will buy their gasoline, maybe it will wake some of these people up. (applause). The key to organization, I think, of course this may be because I am young, is because we need youth bad, the Left Wing is got all the youth they need, they are up to their ears in youth and the Right Wing doesn't have them. The reason the Right Wing doesn't have them

is because there aren't enough people to realize what is coming off that are there to lead. But, I think this is changing now. This year a lot of talk about people being against the establishment is going. That is what these hippies say. They say they are sitting here and wearing beards because they are against the establishment. Well, I kinda agree with them because I'm against the establishment. Because you know what the establishment is - its Rockefeller - its Rock Child (laughter), its the people who back the President, the Jews who own the press, own the radio, own the publishing shops, thats the establishment. People talk about being middle class, well there isn't any middle class left in this country. You are either rich or you are poor. You are either a Rockefeller or poor and I'm poor and I'm proud of it. (applause) I've been to middle class neighborhoods and I see two cars parked in front and I see a big house and its full of furniture. Those people don't own a thing, they rent, they're nomads. The middle class of this country is dead. When your middle class dies and its time for a change in the government, a radical change in the government and the only changing today that can save this country is changing to the right. Now when you make a change you can't go half way, you have got to go all the way, (applause) If you purge half of the traitors, if you purge 9% of the traitors, if you only purge 99% of the traitors, that other 1% will come back to haunt you, they will destroy you. Its good to be total. (applause)

Now I hear people in Arkansas say, I would like to come to one of your meetings and I would like to go out with you somewhere and I would like to (inaudible) Thunderbolt, but I would like to do all of this because it sounds like you have a groovey time man, but I would like to believe but I might lose my job and they might get mad at me or my wife won't let me go out (laughter). They are serious but once you keep going out they will start to follow then you have the other kind. They are afraid that if we got out and do this these Niggers are going to find out about it and when they find out about it they are liable to come after us and boy I sure don't want them coming after me. My answer to this is simple. My name is Norman K. Anspach and I'm from the State of Arkansas and I won't be satisfied until every damn Nigger in the State of Arkansas wants to shoot me. (applause) I'm a little bit slender because I work 15 hours a day. I will be a little bit hard to hit but (inaudible, laughter and applause). When I was a young child I saw a movie by the name of High Noon. In this movie the good guy, Gary Cooper, was having some of his past coming back on him. There were four gunmen coming into town on the train and he went around to all of his friends and he said there are some gunmen coming in and they are going to shoot me and I would kinda appreciate it if some of you would stay around and help out. Well as he was going around they were packing. (laughter)

The clock is moving to High Noon, we're the National States Rights Party and we're staying in town. You go around you go into the (inaudible) they are packing men. You go to the chicken council and they are in there having a chicken roast. (laughter) Anywhere you go they got excuse to be somewhere else. (laughter) But the National States Rights Party is there. We're there, I'm there you're there and when High Noon strikes and the white people start looking around, looking for somebody to lead them and looking for somebody to help them, as they already are, they are going to look maybe to the Republican Party but there is no hope there's no hope to the Democratic side. They may even look to the right. When the Niggers are coming in getting ready to burn down their block they'll go to the merchants and say what can we do about these Niggers and they are going to say, well you can write your congressman (applause and laughter - inaudible). The National States Rights Party is going to be standing there and say fight man, fight. (loud applause from audience) (Comments from Mr. Stoner inaudible due to comments from audience). Mr. Stoner introduces Mr. Buddy Reese from Oklahoma (applause from audience). Mr. Buddy Reese is an old co-worker with Connie Lynch so since he is an old buddy of Connie Lynch you know he is a rabble rouser, (laughter) and that is what we need more of to rouse white people

to stand up for their rights. (applause from audience).

BUDDY REESE

Its good to be here and, really I haven't been out in circulation very long and it kinda scares me to come and get up in front of a crowd like this but I'd much rather it be white folks instead of black folks. (laughter)

My part of this - I haven't been a member of the National States Rights Party very long but I have been a friend of Connie Lunch ten or twelve years and I'm certainly glad to be connected with a group of people like this. I know that God has a plan and I know that plan and I know that plan is for our party and for our people and this plan, its not a religious order but its an order of God, God ordained, God planned, even before the foundation of the earth. I don't want you to classify me in the religious organizations and in the religious party but I am a part of God's family in the earth called and predistined and fully ordained for the purpose in which God has called me and God (inaudible) for its the greatest her our folks have known since we made our appearance on the earth.

(applause) I want to say I would like to bring a little bit of the Bible to you. I don't want to get too difficult but I would like to bring some of the promises that God has made and if I asked you folks here today if you believed, in God I am sure everyone would raise your hand and that

makes a promise to you. The promises are only made to those who can believe. Can you understand that the promises are made to those that can understand it and actually grasp hold of it by faith and believe that God is and is rewarding them in. (inaudible) I pray for that today but that cuts all the other races out for the book tells us that we. (inaudible) So we find over in a little portion of the scripture that Peter recorded, it says that he would not be negligent but that he would always remind us to be a family in the (inaudible) of truth. I'm not so interested in truth that Noah had of building an ark to save the salvation of him and his household. I am no so interested in what has happened down to the other boys that we have a record of in the Bible. (inaudible due to yelling of speaker and applause and comments from audience) We find that you and I, not by accident but by divine purpose are here today. Theys millions of places that we could be, theys million of things that we could do but God's plan has been ordained and God's plan and purpose is to be and shall be and will be (inaudible) at this hour. That is the reason you are here. It is not because of an inspiration, not because of a divine (inaudible) that God has placed in you that you are not self willed but (inaudible). I got this from my good friend Connie. He said the Lord and I are a majority, the

Lord and I are a majority. I think that with all the world conditions and everything that faces us at this hour and you take this group of people that are called the States Rights Party and (inaudible due to yelling of speaker). God has a plan and God's plan is working today if we could just let our minds grasp hold of why we are (inaudible) to go out and annihilate this race off the face of the earth. There is a time element involved and it has been involved ever since the foundation of this earth because God had a plan and its working exactly like God said its going to work. Its going to be carried out and its going to be carried out by patriots like you and I that (inaudible due to yelling of speaker - applause). Let me tell you one thing, the book says and I quote that there is only one thing that will make me free and that is that you shall know the truth and the truth shall make you free. (applause)

J. B. STONER

I don't like Jews and I don't like Niggers so I like to joke unfavorably to Jews and Niggers. (Crowd laughs.) Today we are fortunate to have a speaker with us who is one of the most prominent toastmasters throughout the South. In fact, other places where he speaks he's paid a big fee for speaking because he probably don't rate as the highest paid toastmaster in the South, but he's nice enough to come here today and honor us with some good Anti-Jew and Anti-Nigger jokes, among others. At this time I'd like to introduce to you our old friend, Mr. Jim Wilson. (Crowd Applauds).

JIM WILSON

Mr. Stoner's introduction reminds me of one time after I was talking and a fellow says you must like to talk, I see you around all over the country talking. No, I says, I don't like it. He says why you talk so much? I say I like to hear myself introduced, you know. (Crowd laughs.)

(Mr. Wilson continues with jokes). Concluded by saying It's nice to be with you.

MR. STONER.

We thank you Mr. Wilson. Now we got bad news last night. Mr. Dupes was driving down from Tennessee. His car broke down up on Interstate 75. He should be here by the time we resume the convention at 8:00. Now, we will also be.

taking up some business at that time. We hope everybody returns then and we will continue the convention. Three hours should give you time to go swimming in the pool and also should give you time to eat and even take a little nap, but please be back on time at 8 o'clock, because if there's two or three people here we might as well go ahead and start at 8 o'clock. Now, but before we go, we have an honored guest here today and while he's our guest I don't want you to be asking him questions you shouldn't ask him. But it's very kind of him and we're very highly honored and in fact we couldn't be more highly honored than to have Mr. Jerry Ray here. Would you stand up Mr. Ray? (Crowd Applauds). So, since Mr. Ray's here and you know what he looks like now, and I'm convinced some ladies think he's a very good looking man. While you can go around and shake hands with him and talk with him during the dinner period, so we'll see you again at 8 o'clock. Thank you. (Crowd Applauds).

MR. STONER

The Convention of the National States Rights Party is now back in session. Our white race's Anti-Jewish Convention. I don't think you can go anywhere else in the United States to a convention where they have a white race Anti-Jewish Convention so you're at a unique convention, the only one like it in the country. And you don't find conventions like this in foreign

countries because they're illegal in most, typically every other country, but we really don't have too much freedom in this country. We only have as much freedom as we exercise. Anytime you can't exercise your freedom it doesn't make any difference how many Constitutions or Bills of Rights that are written down, you don't have any freedom unless you can exercise that freedom. So, to continue with our white race's Anti-Jewish Convention of the National States Rights Party, I would like at this time to call upon a good patriot from California who's been in the fight for many, many years and who will be in the fight until he does, to come up at this time, Mr. Rufus Britton from San Bernadino, California. (Crowd Applauds).

MR. BRITTON

It is certainly good to be with you fine people in Jacksonville and from all over these great 48 States. This is the place this country's issue is gonna be settled, and Mongrels shall have this country (inaudible) whether the generations to come shall be (inaudible) and their bloodline shall be polluted. The people can't settle this. And I can't think of a higher honor than this - than to be associated with you in this struggle. This is the final struggle, this is the struggle to be settled for all times. This is the day prophets wrote about and the Protestants did not participate in something like this and your fathers never seen a day like today coming upon this generation. And only those that are determined who have bought a one-way

ticket is gonna s in this. If they have rabbit blood in them they're gonna go back. We're already appearing to the Stars. If they're mediocre, let them go some other direction. If you're going to be in the forefront of this Nation politically, religiously and in social life, in days to come. These things, these revelations were brought to us before the problem arrived. Some of them. I have known the leaders of the past, perhaps, or the men in the past, perhaps I've known them all most of my adult life. I've known them to be honorable men, men that are not out self-seeking. The man, the leadership in this is not seeking for himself like we have seen others in the past. People in this are dedicated people and what you put into the party goes for the purpose that it was intended for and not to fatten the pockets of anyone individual and I want you to know this. This is definite. This party is established on truth through Scriptures of the Bible and the New Testament. The Lord demanded (inaudible) when he walked on the Shores of Galilee he talked to the people and he told them about this day that was coming upon the earth. And, also, if you think he was a man of peace and a man of extreme love to all, you're just, you'd better read that book again. Because he wrote, he was a man of violence and he talked about violence. He talked about a race that had to be exterminated that lived among the people. That's right. He looked at those Jews and he said, now if you were my, if you were my offsprings you could hear my words, but since you're not you

can't hear my word and you have no part in this matter. Since I come from above and you're from beneath, just how in the hell can you say that they were any part of the family of God? We understand these things and we don't know where we're going (inaudible) and we understand today the troubles that's coming upon the earth. We know these things. We know that all of the non-white worlds and the Nations of the non-white worlds are rated against us and they have a lot of influence in this country and they have to be separated from us. It's just a real pleasure to me to participate in this struggle. Thank you. (Crowd Applauds).

MR. STONER

We have quite a few people here from quite a few states and our next speaker, who's been active in the leadership of the National States Rights Party in Illinois for quite a number of years. He's spent much time and much of his money promoting the National States Rights Party. In fact, I would say everywhere and every locality where the National States Rights Party is most active, it is because local leaders take money out of their own pockets and spend it to promote the Party. This gentleman from Chicago believes in the principles in the program of the NSRP. He's always dependable and reliable and he's always expended his efforts and his money in Chicago to promote the NSRP and elsewhere as well. Sometimes he even

makes trips to appear on television and radio programs for the National States Right Party. At this time, I would like to introduce to you our old friend from Chicago, Mr. Mike Landis. (Crowd Applauds).

MR. MIKE LANDIS

Thank you J. B. While I just wish that I could come up to that introduction, I couldn't help but think as I looked down at the Thunderbolt recently and I saw all of those speakers listening to R. D. Eldridge, to Britton, Anspach and many others. Let me say this to you when you talk of leaders in the community. No leader can be successful without the darn good (inaudible) and it's this type of man you have to have. I don't care how hard you work or what you do. But we have to say NSRP can be thankful for this that our National leadership is just what we need. We have dedicated people at the top. As some of the other speakers have said to you, but I don't think it's something we can do without repeating. In this day of feet of clay it's nice to have somebody with (inaudible) feet that are running and are running for us. And this is what we have to have. Mr. Stoner and Dr. Fields. We have people that have dedicated their lives to our being. I got my dedication, basically is what brought me in here is setting next to Edward R. Fields in the front row as a child. He was eight years old. I want to ask you just what do you think of a child's chances 20 years from now if you and I don't

do something. We've in the State of Illinois today a billion dollar a year annual relief loan. It's a lot of sheckles and a lot of money. Curtis Canning Company just recently in the Chicago Tribune printed great big ads, all in the newspapers, radio and TV guaranteeing free transportation and would hire anybody that would get on their bus down in the middle of the black country. The first time that bus was there they had two or three lined up. They thought they were going to have a crowd. They got four people. The second day they had two people and the third day they didn't have anybody. For this we're spending a million dollars at a time (inaudible) signs in every factory in Chicago. We are the building people, the Army doesn't want, the factories can't accept us, that don't work, and the Government is forcing the employer to take us. We have a city government, call it Democrat, call it Republican, that is go afraid of the Black Panthers in their lion skins strutting around that they don't know what to do. We have more police than I think Mussolini had black shirts. Because our administration cannot tell the difference between the roar of a lion and the bray of an ass. (Crowd laughs and applauds). I'm happy to see today that we have some official men of (inaudible) joining our cause because our cause is becoming a crusade. It's going to be the need for freedom. Only but one man that claims in a million will go down in history. But I want you to look around you and you'll see a lot of people that won't have their

name in a history book but they are the heroes. The lady sitting next to you that says to her husband, go down and get that NSRP fellow out of jail even if you miss a day's work this week. (Inaudible) to go help him get out because the Jews will have some of us in there. They've had us in the past, they had our boys in Chicago, and they're going to have some again. We need financing worse than any group. We're not much different than the ones in the past, than the catacombs on down. This is what we're going to have to do. Each of us have to come find out because we're going to have in this country a dictatorship just as sure as we're sitting here. Did you ever ask yourself why you have a dictatorship? You have it because the Government doesn't have enough people working to produce money to pay the taxes so that they can pay the non producers, the people on the public payroll and the people on relief and that's exactly what we're having in Illinois and that's what we're having Nationally. We don't have enough people producing to support the non producers. They're now trying to give us another 4% sales tax in the State of Illinois. As an example, I (inaudible). We're no different than California, Georgia, they're all hungry. The French Revolution came along at a time where there was 35% of a gross income going for taxes. We've already passed 55% in the United States. We are going to have to go back to the Puritan standard and those who do not eat - who do not work, do not eat. (Crowd Applauds). Thank you very

much. Please support our leadership, try and then the financing they need. We need it. It's going to have to have it. Chicago's doing a little, doing the best we can. I'm not talking about Chicago, I'm talking about the National leadership because when that totalitarian system comes, even if you'd never known of the National States Rights Party, it's accredited you and your husband, you ladies and your husbands, and all the rest of us. It's better we be behind the machine gun than up against the wall and we're gonna have that much choice. That's all. Thank you very much. (Crowd Applauds.)

MR. STONER

We thank you Mr. Landis. Now ordinarily we'd stay off religious subjects but I'd like to point out that Mr. Landis is a good Catholic and he's the leader in the National States Rights Party in Chicago, which is an example that the National States Rights Party unite white Catholics, white Protestants together in this struggle because it's the Bible of the white race is what counts. If the white race doesn't survive there won't be any Christianity, there won't be any America, there won't be any Constitution, there won't be any Bill of Rights, and there won't be anything worth living for. We are a white racist party and we do not let religious beliefs divide us in our struggle for the preservation of the white

race. (Crowd Applauds). We have some speakers who belong to the Kan, for example, and we're proud to have our Catholic ^{here} leaders in the National States Rights Party/because we're white people and we're not going to discriminate against white people just because of which church they belong to, because if you discriminate against white people on account of which church they belong to or which union they belong to, or which Chamber of Commerce they belong to, we'd have to keep everybody out of this fight. (Crowd laughs and applauds). Now our next speaker was one of the founders of the National States Rights Party, in fact, he had more to do with founding the National States Rights Party than any other single individual. I've known him since he was a teen-ager. He's now married and has several children. His wife and children are here today. He's Editor of the Thunderbolt, Dr. Edward R. Fields. He and I have been friends for years and years and he, like myself, has dedicated his entire life to fighting for white Christian America and against all the enemies of white Christian America, so it gives me great pleasure at this time in introducing to you Dr. Edward R. Fields. (Crowd Applauds).

DR. FIELDS

Thank you J. B. It's nice to be here. I'd like all of you, who are perhaps new to the Party, who are here for the first time, to meet my wife and children. I think

my daughter's here. My wife, Delores, come and stand up.
(Crowd Applauds). My youngest son Keith (Crowd Applauds).
And that's my daughter (inaudible) (crowd applauding). Now
Allen's in the front row, you couldn't see him over the podium.
First of all before I get into message I want to say that we
had a very nice long distance phone call from an active party
supporter in Montreal, Canada, Mr. John Dwyer, who was planning
on attending (inaudible) and sends his best wishes to the
Convention. Dwyer has been a supporter even though he's a
Canadian. He's been a supporter of the Party for over six
years. And I have a telegram here from the Secretary of
Chapter 14, an active National States Rights Party Chapter
in New Jersey, which is addressed to National States Rights
Party Convention, Jacksonville, Florida. Says regret not
able to send a delegation. We pledge our loyalty to National
leaders of our great Party and trust the Lord richly blesses
this Convention for a white Christian America. Signed Jerome
Hineman, Secretary of Chapter 14 in New Jersey. A very active
group and I hope to be up there to address one of their
meetings, a series of their meetings in the very near future.
Now, I'm gonna break my talk into two specific subjects I
want to cover. One is the racial question and one is the
continuous question and irritating problem, that anyone who is
a white Christian American and opposes Jewish-Negro domination
of this country. You know before we can get to our enemies -
the Jews - or the Niggers, we first have to fight our way past

their bodyguard, FBI. That's right. Over and over again we find them as the baby sitters for the revolutionists (inaudible) pretend that they're opposing. And I will tell you right now that they are the protectors of the revolutionists, the hippies, and the creeps and Communists for demonstrating, for ravaging our cities and they are the oppressors of every white man who actively takes to the street and engages in any open activity to stop the black revolution in America. You've got the FBI's storm troopers out in the street protecting the worst enemies America's ever seen. And our press has turned the fact upside down, inside out to make you believe, the general public, not our members, that the FBI is the guardian of a democracy. They are actually a secret police which will enslave us and put in charge of America to (inaudible) beatniks, Jews, hippies, creeps you see marching through our streets today. They are out there in everyone of those demonstrations protecting this alien enemy to make sure that no white man gets out in the street and rips their communist flags out of their hands and sends them running back where they came from. They're out there protecting them. They're standing on tops of buildings, looking out windows with field glasses to make sure no one picks off those communist leaders. They're the protectors of communists and the harassers of those of us who are trying to save this Republic. J. Edgar Hoover proposedly wrote an anti-Communist book called "Masters of Deceit" and in "Masters of Deceit" he

proves that he himself, J. Edgar Hoover, is a real master of deceit in America. Toward the end of the book there's one chapter -- and this book was published right after McCarthy and Senator Williams (inaudible) investigation which exposed numerous spy rings which were 98% Jewish, communist spy rings operating in America. Communists who had infiltrated our State Department, Defense Department, they're all Jews. So right at that time J. Edgar Hoover come out with this book, "Masters of Deceit," and he says that the Jews are persecuted in Russia. Now (inaudible) just completely ripped apart a current issue of the Thunderbolt? If you haven't seen a copy they're over there by the table. The Jews control Communist Poland, Communist Russia, and every Communist Party in the Nation today in the world today, including here in America, but J. Edgar Hoover whitewashed the Jews. Said they were not responsible for communism and then low and behold he stated and he listed a number of organizations which he said were the most effective organizations in America combating communism today. You know what groups he listed? (Inaudible), the anti-government league, the America Jewish Committee, groups who are not fighting communism, who are supporting it. They're fighting every true white Christian patriot who actually is trying to fight communism and Hoover did not mention in other group, any other white Christian group, he just picked out only Jew groups. Said they were the greatest groups, right

in the forefront the battle against communism. Now for years America, particularly the right wing, has been fed a constant stream of propaganda to brainwash us into believing these Jewish lies. The FBI is against communism, that the FBI is the land laying the defense against communism, that the Jews are against communism, that by supporting the State of Israel we're fighting communist. All lies. Opposite of the truth. Why is it? Now many, even specifically the John Birch Society, has been in the forefront of the campaign to praise the FBI, to build them up, practically worship them as saints. Organizations like the John Birch Society are infiltrated and controlled by our enemies. But, the Editor of the American Opinion Magazine, being a Jew, by the name of Allen Thang, who's attacked this Party over and over again, without cause, with no justification and who's attacked this Party in the last two issues of the American Opinion, which we're going to thoroughly expose with reasons behind it in a Thunderbolt issue to be published in the very near future, perhaps the next issue. But again why is it that J. Edgar Hoover is so pro-Jew? Why does he lean over backwards to whitewash the Jews and write a whole book, have hundreds of thousands of copies distributed and sold all over America? And one of the main functions of the John Birch Society when it was first founded was to distribute, to mass distribute, including tens of thousands of free copies to the schools and

colleges "Maid of Deceit". The book if you boil it down, it's sole purpose is to whitewash (inaudible). To say the Jews have no part in the Communist move is the fact that they are the main enemies of Communism. Just why would Hoover go to this extra length? During the past week we have found the complete answer. These facts which haven't been published in any of the regular newspapers and not a single one in the South, have been revealed through investigation in Washington of these foundations, and we have put two and two together and I'm going to give you some facts and I will not even have to condense them for you, because it's going to be as plain as the nose on your face. There is a foundation called the J. Edgar Hoover Foundation. The goals of the J. Edgar Hoover Foundation are to perpetuate the ideals and purposes of J. Edgar Hoover's life, which seems to me a regimented society in America where there's no freedom of speech or thought. If you want to discuss the race question of the Jew question. The J. Edgar Hoover Foundation was formed and organized by Mr. Louis Rosensteal, President of the (inaudible) million dollar Schenley Industry, Schenley Liquor Industry, which produces about 15 different brands of liquor. And Louis Rosensteal took over because various companies right after the prohibition era when these whiskey companies were forced

out of business. But most of them were Christian-owned before prohibition but he took complete control after prohibition when they weren't worth anything. The J. Edgar Hoover Foundation - I've followed it as closely as possible and there's lots of names, facts and figures here. The President of the J. Edgar Hoover Foundation is Louis B. Nichols, formerly number two Agent in the FBI, the number two man, Hoover's personal assistant until 1957. In 1957, he resigned from the FBI, Louis B. Nichols, and went to work for Louis Rosensteal of Schenley Industries to become the Executive Vice President to Schenley Whiskey, Liquor Industry. That's the second highest job under Louis Rosensteal. And he is one of the best friends of Richard Nixon. (Inaudible) stated in the press that Louis B. Nichols may be the next Director of the FBI when J. Edgar Hoover steps down. A complete puppet of his employer, Louis Rosensteal. Louis B. Nichols, Vice President of Schenley Liquors is now the President of the J. Edgar Hoover Foundation. All right. Now Mr. Rosensteal helped a Jew by the name of Roy Cohen organize the American-Jewish League Against Communism. Rosensteal financed it. Roy Cohen is the Jew who is Senator Mc Carthy's Chief Aide and who sabotaged Senator McCarthy's investigation. He made some wild charges, came up with some material that could not be documented and it reflected

on Joseph McCarthy, the late Senator McCarthy, the Anti-Communist crusader. It discredited the complete investigation and led eventually to a Congressional citation against Senator McCarthy. Now Rosensteel, besides setting up the J. Edgar Hoover Foundation, financed Roy Cohen to establish the American-Jewish League Against Communism. Now mind you, this is going right hand in hand, the same as the "Masters of Deceit" book. Now, there are almost no members in the American-Jewish League Against Communism and they only issue a resolution of statement every once in a while mildly against Communism to let the American people think this is a big gigantic organization called the American-Jewish League Against Communism. Now Roy Cohen, Rosensteel and Nichols are very closely associated and they are very close friends of J. Edgar Hoover. Rosensteel has bought several hundred thousand copies of J. Edgar Hoover's book, "Masters of Deceit", which says Communism isn't Jewish, for mass distribution to colleges and universities. In 1966, Louis Rosensteel gave the J. Edgar Hoover Foundation \$50,000. In 1968, this last year, Rosensteel gobbled up another white Christian company, the Glen Alden Corporation, and he gave one million dollars in bonds to the Glen Alden Corporation. The J. Edgar Hoover Foundation - it's very interesting to note that of all the money that has been contributed to the

J. Edgar Hoover Foundation, the foundation, has spent almost no money whatsoever, just a couple of thousand dollars. It is worth several million, with the main contributor being Louis Rosensteel. Now, there are two men who are designated as Director and Vice President of the J. Edgar Hoover Foundation. Both men are ex-FBI Agents, Donald J. Parsons, and William G. Simon. William G. Simon is probably a Jew and they're members of the ex-FBI Agents' Association, an organization made up of FBI Agents who leave the FBI who want to continue to help the FBI. They have formed an organization. Recently they had a convention in Atlanta. An FBI - one of the Inspectors of the FBI - one of the highest jobs you can get, spoke to them and told them that it's their job in various communities to keep their ear to the wall, to listen to rumors, to seek out people who, in their opinion, who are not supporting the democracy and report back to the FBI. That's why we never support a former, an ex-FBI Agent, to run for Mayors and Sheriffs. Quite often they run for office and their only qualification that they give is the fact that they were an ex-FBI Agent. Well, that is the reason to vote them down. Right? (Crowd applauds and makes remarks inaudible). The Secretary of the J. Edgar Hoover Foundation is Mr. C. D. DeLoach, who is presently the number three man in the FBI and also often mentioned

as the possible successor to J. Edgar Hoover when he retires - if he ever does. C. D. DeLoach - there he is. He's Secretary of an organization totally controlled by Louis Rosensteel. The officers of the J. Edgar Hoover Foundation. Their Headquarters are located in the law office of a Washington lawyer, whose name is Robert Fagle. We believe that very strongly could be a Jewish name, a Jewish lawyer, and we're going to check that out further. Most of this information is just coming to light. The Treasurer of the J. Edgar Hoover Foundation is Mr. M. J. Piper, formerly an officer with Schenley Liquor Industry. The Assistant Treasurer of the J. Edgar Hoover Foundation is Patricia Cochran, who is employed by Schenley Industries as Mr. Nichols (inaudible).

secretary. She is the Assistant Treasurer. So there we have a foundation set up whereby Louis Rosensteel can give money to control the J. Edgar Hoover, completely control the J. Edgar Hoover foundation with over 80 per cent of all contributions ever being made to the foundation all being made by Louis Rosensteel and his present employees and former employees run the foundation, no money has been spent by the J. Edgar Hoover foundation so still they will probably build a monument to J. Edgar Hoover when he dies or retires. So here's the point to tie all this in now. We have J. Edgar Hoover writing a book, published a book, saying the Jews are not connected with communism, that Jewish organizations are the main organizations fighting communism. We have Rosensteel buying hundreds of thousands of copies for free distribution. We have Rosensteel financing a foundation, through that he controls Hoover and everyone admits that Hoover, J. Edgar Hoover, has an ego which knows no match. He thinks he is a man of destiny whose sole power is to protect Americans, from really freeing ourselves, to keeping Americans under Jew domination. So Rosensteel sets up a foundation to perpetuate the ideals and purposes of J. Edgar Hoover which is to white-wash Jews. Rosensteel started the American Jewish League against communism, headed by Roy Cohen, a letterhead organization. All to protect the Jewish image in America and to aid Americans into believing

by helping Israel our conscience is clear because we are defending the free world against communism. These are all very important facts which we are going to publish and you can digest further in the "Thunderbolt" but I wanted to bring them out because any man who is active, an active leader and stands out in the community in the National States Rights Party or any other right wing organization that mentions and fights the real enemies of America is going to be visited by these agents. Now we have here tonight actually the cream of the crop of the National States Rights Party. Many of our foremost leaders and people who will be leaders in the future, are here tonight, and I want you to know personally that your ideals and your character must always be so high that you are above reproach by those who seek to make purgers and traitors out of white leaders, because if you are a leader in your community, and you are in an anti-communist organization, eventually you will be visited by an agent of the FBI who will ask you to sell out and become an employee of this Jew controlled monster which is actually eating away at the freedom of Americans. We wouldn't have the integration in the schools we have today in the South and in the North. We wouldn't have the intimidation if it wasn't for the FBI. Just a week ago in Memphis, the truest words I've heard on the subject were spoken when

Mr. JERRY RAY was here, that the FBI tried to question him. He told the press later, he said, "I refused to talk to the FBI because I believe in talking to my friends not in talking to my enemies." Amen (applause) Anytime these enemies of America come around to subvert your ideals in the right wing and they will come, have nothing to do with them. Tell them we know you, we know who you are working for, we know all about the J. Edgar Hoover foundation, the whiskey czar Louis Rosensteel, who controls the foundation and through that the FBI. We know you are not the all imposed protector of American freedom, and they're going to help you and they're even going to help the right wing, they'll tell you any kind of a lie but tell them that you know what they are, you know how they stand and that you are going to oppose them and oppose their work. Then tell them to leave your premises, don't even let them in your screen door, always keep it locked, tell them to get off your property or you will have to phone the local authorities and sign a warrant to have them arrested for trespassing and not to return and if they should return and give you any type of trouble or lip, you may phone Attorney J. B. Stoner collect and he'll give you the proper advice as to how to handle them or come out personally and help you handle them, but to build this movement, to save America, you must be ever vigilant to

subversion by the forces of Jewry, the sharp troops of Jewry, which is the FBI, an organization which has been completely and totally subverted by the Jews and controlled by the Jews and is out to wreck every organization. Now our people have been more immune to any infiltration or subversion because we know the whole matter. We know the race question, we know the Jewish question, we know the money question, therefore, we are not subject to the subversion. We know the truth. Our people are not likely to sell out as in weaker organizations which do not have the high principles behind which they fight for. For those reasons we are immune from the harassment others suffer but you must always keep in mind these facts. New people are always coming into the National States Right Party. It is your duty in turn to tell them, to warn them so they're prepared to get rid of these subverters when they come around and try to buy out and buy off real white Christian patriots. (applause) The second half of my talk will deal with the immediate problems Americans face today. Many Christian patriots, conservatives, right wingers, average down-to-earth men and women in the United States of America voted for Richard Nixon for president because they thought that they were going to get a change. Millions of Americans are disillusioned because there is not one iota of change in Washington, D.C. The Supreme Court has just issued a decision within the last couple of weeks ordering a small

private club in Arkansas be integrated, Alate Nixon, which is an ironic name (laughter) to a park in the private recreation area. They said private clubs and private parks and private resorts and private swimming pools must integrate but in front of this, just two weeks ago, Nixon had his Attorney General Mitchell file a suit to integrate the private swimming pool in Maryland. It is interesting to note that in their decision they noted that legitimate private clubs are not covered by this ruling. But what is a legitimate private club, the Capital City Club in Atlanta, the Jewish Standard Club in Atlanta, your great big rich country clubs where the Chamber of Commerce element which is always catering to the Niggers and the Jews gather. What is a legitimate private club? Whether you pay 50 cents or a dollar or five dollars so your children can swim in a private swimming pool, free from Niggers who would pollute the water or whether you pay \$1,000 a year to be in the Capital City Club, with its private golf course and swimming pool, which is a legitimate private club, is a continuous attack and assault on the white race of America to destroy our blood. The Chamber of Commerce element who feels that with their money they can isolate themselves from race mixing, are willing to sell the middle class and the white working class down the river to mongrelization and see us destroyed. Over and over again I hear this Chamber of Commerce element

saying, "Don't rock the boat, don't hold a demonstration against the Niggers in my town." I called both the newspapers this morning. We weren't going to have newspaper reporters in here but we were going to give them an interview to tell them about our party's philosophy and what we are doing. The "Times Union" and "Jacksonville Journal" said, "No we're not, both the editorial desks, no we're not covering your convention." I said, "There aren't any news reporters? Every convention where individuals travel as delegates from all over the country makes news. We never appeared in any city where we didn't receive local publicity. News of the convention being held is noteworthy and important." "No, no we're not going to cover it. We're not interested." "Why?" "Because the Niggers have been raising living hell in this town." They don't want anyone to know there's opposition to them. They're catering to the Niggers. Businessmen say, "Don't hold your meeting in our town. Don't have a demonstration. Things are getting along right now." Even in towns where they're having a lot of trouble. "We want things to calm down. We are trying to appease the Niggers. We're going to give them more jobs. We're going to give them more money, more welfare, free food." The Chamber of Commerce element. No wonder our Lord said that it is harder for a rich man to get to heaven than for a camel to pass through the eye of a needle. Their

greed puts them in the class with the Jews where. Niggers slaves is more important than principles, ideals and race. So the assault is on. And they claim that the Nixon administration is an administration of big business and capitalism and commerce and Jews because the Jews control the Chamber of Commerce, all they have to do is snap their fingers in every city and the Chamber of Commerce is jumping up and down like a puppet on a string pleasing the Jews and their demands. But we, the white working people, the middle class people, the over-taxed, the over-burdened, we are the people who are going to be trampled under by our enemies. But, I say to you as the previous speaker said, we're living in glorious times because the white man's revolt is here and now. The people are sick of it. (applause) The signs are good despite Nixon's increased guidelines for his ATW Bureau concerning all forced integration. They came up with a new thing where you have to have certain ratios of Nigger children in white schools and ratios of Nigger teachers in schools and this means more busing. You couldn't have fifty - fifty-one school houses busing children all over town and Nixon campaigned on a promise that there would be no busing in America. He lied to the American people. (applause) But the trends are higher. Recently the elections reported, several of them, school board election in New York, local election in Cicero, Illinois, where

all out white segregationists were elected. The upset election of Mayor (inaudible) who was not being a right wing individual by any means was still being opposed by all the powers of the left who decided they couldn't use him any longer and he actually was the first politician to come to the people with an open white racist appeal to win and on that basis the people did rally behind him and he was elected Mayor despite the fact that all the polls said he couldn't be elected, despite TEDDY KENNEDY flying out there and campaigning (inaudible due to applause), the Democratic Party support, all the movie stars in Hollywood campaigning for Bradley, (inaudible) won by 54,000 votes. Just last week primaries were held by the Democratic - Republican parties in New Jersey. There was a so-called, in both branches, conservatives supposedly and an out and out far leftist factor, and in both the parties the man who was more right wing won and they said that the nomination of a Democratic successor to former Governor MAYNOR in New Jersey was a slap in the face to Mc Carthyites and the Teddy Kennedyites who campaigned in New Jersey which shows a second feat for their opposition. They've been knocked down twice. There is an election for Mayor in which the Kennedyites and Mc Carthyites have been active in New York and they say a rejection for a third time early in the game could end Teddy Kennedy's bid for the Democratic presidential

nomination. (applause) Just look how far they've gone, Teddy Kennedy could be knocked out of the thing this summer. The American people are under assault at all angles, from the unprecedented filth in our movies, television, magazines, other Hippie scum that is marching in our streets led by the Jews burning our flag. The white man has his back to the wall. Our race is the most tolerant race of people in the world but when our backs are to the wall, we will stand and turn and fight to save the white race (applause.) Its going to take a superhuman effort on our part. The American people are looking for leadership. As the previous speaker said, the masses of the people in America are not going to be led by the Birch Society who say support J. Edgar Hoover as the answer to crime and communist in the state or sit at home and do nothing and the revolution will come to your town. Hide under the bed or something. American people are looking for real leadership. There is only one organization that completely is for white races and against Jews, communism, Jew monopoly of our money, and Jew mongrelization of our race, is organized nationwide that has active chapters all over the country, that has the leadership in depth that the National States Rights Party has. If the National States Rights Party gets (inaudible due to applause). We are the last ray of hope for America. This party, this organization, there is no other

on the horizon that can get the job done that will stick to the truth, stick to the line, never deviate, never weaken, never falter, the National States Rights Party is the only organization that is set up as a growing concern nationally supported with the tools to do the job, with the program if implemented would totally solve the race question, the communist question, the money question. A superhuman effort is needed on the part of everyone of our people. We have got to get out, we've got to organize chapters in every single community across the face of this land. We have many people here representing various groups of the National States Rights Party. Chapters of Chicago, Los Angeles here tonight, you have many supporters back home. Each one of you is actually chosen. You are the chosen people, chosen to save America and save the white race. Jesus Christ himself has ordained us as real 20th Century apostles to save Christianity and the white race which otherwise will be obliterated by atheistic Jew communism and time is running out, that's why the task is so great. The program, the plans of the National States Rights Party are so vast and the need is so immense. We're planning programs and operations and rallies and meetings and speakings that if a certified public accountant were to look at our books he would say its impossible, it can't be done, you don't have the finances, you can't do it.

We're going to move forward. We're going to get out in the streets and byways all across this country, we're going to put more publications out, more men traveling and working for the party because we believe that God will provide for this movement and God has never let us down (applause.) So despite every problem that faces us, all obstacles will be cast aside and we're going to go forward because it is our destiny to save America and every single one of you are part of this movement and you're going to have to work harder, you're going to have to sacrifice more, you're going to have to take more chances, you're going to have to fight filth, crusade and you're going to have to have the spirit of the Holy Ghost within you to carry this message throughout America to awaken the people to get them behind this movement so we can drive (inaudible due to yelling) to Washington and replace this country under the control of white Christian Americans so that future generations of unborn white children and our children living today can live free and not as slaves, not as dead mongrels, but as alive, God fearing, crusading white people who will build a civilization so great that the light of what we do will radiate to the entire world (applause). Thank you.

MC: Thank you Dr. Fields.

We have another white racist here from Chicago. You know in some respects we have more white racists up

North than we do down South. Everytime we start talking about sending the Niggers back to Africa or some of these black revolutionaries to the graveyard, why some southerners say that's alright with other Niggers but don't do that to my Niggers (inaudible due to laughter) but when it comes to moving the Niggers out we have more problems with some southerners than we do with Yankees, so at this time it is a great pleasure to introduce a good white racist Yankee from Chicago who's long been active as a leader in the National States Rights Party in Chicago, Roy Wake. (applause)

Rather than making a speech here tonight, I prefer to give a little report on what we have been doing locally and I think some of my ideas can be used in other areas. Now about a month or two months ago, Dr. Fields was in Chicago so Jack Long, are local news media relations director, took on the task of contacting our local television and radio stations to see if we could get Dr. Fields on television. We did get two television programs, one which he appeared on by himself for 45 minutes and then another one that was sitting around tables, debate type deal. Since that time we have been contacted by these stations asking when will Dr. Fields be back. They have been receiving some calls and letters. They want to know more about the National States Rights Party. The one program has offered us a full hour and a half, the full

length of the program, just for Dr. Fields, and J. D. they also want to know when you're going to be there, (applause) and also a few others. Now we have to get across to the masses of the people. We can stand here all night long and give speeches of encouragement but what about the people out there. We're just a few people here. What about the kids on the street. Now I've been finding out a lot of things lately about these kids, in the out and out hippie outlet, but these new ones their getting in. Why do they come to these hippies? We have places that are called coffee houses in Chicago where they have more than coffee but they operate in church basements, YMCA's, any place they can get. Now why do these kids go there. I asked some questions, I found out some answers. For one reason, its a place to go, its a place off the street, its a hangout. Well, if the world can get them this way, why can't we? Why can't we open up youth centers and get these kids in them. You cannot (inaudible) but you can't give a kid on the street a book and say here read it. Its hard enough to get them to read a (inaudible due to laughter). If you can get them in a youth center you can have your paper there and you can give them a little bit at a time and before you know it they're going to it. Now one of the things I think a lot of people have seen here made, I believe, nationwide headlines about an attack, although it wasn't credited to the Minutemen, on the University of Chicago where they had a sit-in and several

people went in and just started pounding away on them. It wasn't the Minutemen — it was a coordinated effort among some groups but I say ~~the~~ the National States Rights Party had the majority of ~~the~~ people in it. (Inaudible) who is the National Secretary, SDS, was speaking at a college, anyway was supposed to be there, we went to the college and we shut it down. It can be done (applause). There was a Nigger Reverend from SCLC speaking at the same college on another date and he got up in front of this crowd and he gave his revolutionary pitch and he had his black brothers out there in the audience, saying we're going to get whitey and we're going to do this and we're going to do that. We were in the audience. We stood up and we said, "Let's get the revolution started now." (applause) After the meeting we overheard this Nigger Reverend talking with some of his friends and he said, "I've never been so worried in my life. Every place I go the white people get down on their hands and knees to me, they bow to their big black brother. I've never had this happen before." Get out there, give it to them. (inaudible due to applause). I believe in violence, all the violence that is necessary to free America (inaudible due to applause). I mean I've had it up to here, I'm young, I'd like to be out there enjoying life but I can't. I have within me, once you get this in you, you can't quit, that's it, you've got to get out there and give it to them. I've never had the FBI

come to my house, I have had the Secret Service and I'll never forget that because one of the remarks a fellow made was, "so you know what's going on, but keep your mouth shut." Well, I told him, "Mister, if you want to shut me up, do what they do in Russia, take me out to that cornfield and shoot me because I'm not going to be quiet." (applause) I have never been bothered by them anymore. The thing to do though is don't talk to them. Throw them out of your house (inaudible due to applause). Now maybe you don't hear too much about the National States Rights Party in Chicago, we don't have a headquarters, we have been operating out of a front organization. We have other organizations we are controlling. Through these organizations we are able to convert youngsters into our group and get them into the National States Rights Party. Recently we made our first attempt in southern Illinois. We don't have too many people there but we made some very good contacts. In the near future we're going into the east St. Louis area. Things are real hot down in Cairo, Illinois. I don't know if that's made national headlines down here but their bombing and shooting down there everyday. (applause) Things are hot in Illinois. Last week a twenty year old Nigger kidnapped a 16 year old white girl and raped her, called up her home and asked for a \$400 ransom. Well, the police did catch this Nigger. He was out on bail for kidnapping. Well, they said this Nigger was a mental case,

so you know what that means, they're going to let him back on the street. I'm certainly lucky myself, I don't really live in Chicago. I live in Logan, Illinois. If any of you folks are every up there, my name is in the phone book, call me up but its all white out there, mostly Christian, however, next to Cicero (inaudible due to people in audience talking). A fellow in Chicago in throwing a benefit dinner for Cicero fans had a little difficulty lately, he's been nicknamed by the press Robin Hood. He attacked hippie coffee houses. Two weeks ago with a (inaudible due to laughter). There are two things I don't like to do. I don't like to get in front of people and speak, I don't like taking airplanes and I've done both this weekend.

(laughter and applause) I want to thank J. B. here because I don't know any other lawyer that would get me out of jail in (inaudible) Georgia at 3 o'clock in the morning. (Laughter and applause)

MC: Thank you Mr. Wake.

Mr. Wake was talking about once getting started its hard to quit because he's not going to quit and, of course, we are in a struggle, but life always has been a struggle and always will be a struggle so while we're struggling I think we should enjoy our fighting and be happy soldiers, happy warriors and have a lot of fun while we're out here fighting Jews and Niggers. (applause and laughter). Now the next speaker was at a Kentucky rally on September 1

when a bunch of bloody black savages drove in and made a surprise attack against our members after the open air rally was over and most of the people had left and those remaining were about to leave. He was there with his wife and four children and the Niggers did more shooting at his wife and four children than they did at all of the men up there, the black devils. He's fortunate to be alive today. His wife and children are fortunate to be alive today. In fact, R. D. Eldridge, who was a speaker there that day, is fortunate to be alive because of some murdering black savages, black beast and they're not human beings (applause). When I was up there in the court room with a cold and having to drink cough medicine all during the trial and the Niggers were standing in the court room there I told them they were a bunch of murdering black savages and that's what they were. (applause) He's also our man of the year this year and I'm happy that he and his wife and his four children and all of the other white people there survived. Unfortunately we lost one good patriot (inaudible) Rucker who otherwise would be here today and tonight and tomorrow. One Nigger was killed though and several Niggers were injured. Those Niggers came down there and made a surprise attack against white people. Rucker happened to have a shotgun handy and other guns and shot back and once the shooting started the Niggers turned chicken and ran. Those that didn't run and get away were trying to get up before the police got there, the

sorry rotten no good police. They say support your local police, which local police are you going to support, the ones that shake down the prostitute, the ones that shake down the gambler or the ones that shake down the bootleggers. Now I know there are some good local police officers, I know a few, a few, I know that most police officers have more trouble with Niggers then anybody else. I know that the average local police officer who has to deal with Niggers basically agrees with us. But, whenever these bosses in City Hall which are controlled by the Jew dominated Chamber of Commerce (inaudible due to yelling). They are like a bunch of dogs, they'll try to bite and that was our trouble there in Berea. The FBI was running the state police and that's where the trouble came in. Protected black murders, that's what the FBI did. That is what they're doing from one end of the country to the other today, protecting black murders and the FBI, it people (inaudible) scummy rats that are crawling around out here. (applause). Some people like the great Senator McCarthy exposed homosexuals in the state department and a few other departments but they never did get around to exposing the homosexuals in the FBI because it has more homosexuals than every other government Bureau combined. (applause) The Federal Bureau of Integration. If it weren't for the Federal Bureau of Integration we wouldn't have any race mixing today. We wouldn't have all this Jew Congress breathing going on out in the street because

we would go out in the street and stop it all ourselves,
(applause) and they know we'd stop it. So like I say the
next speaker is fortunate to be alive after the Niggers,
the black beasts tried to murder him and his family and
other good white people there that day, so its an honor
now to present to you as the next speaker, who just made
a trip over to England, a trip that has brought back more
information to us about how white people over there are
carrying on their struggle for preservation. Our white
brothers over in England, so at this time it is an honor
to introduce to you my good friend Mr. Jerry Pope from
Covington, Kentucky. (applause)

I think the greatest honor that can happen to a
person is what happened to me today is to be picked the
number one racist in the United States today. (applause)
The National States Rights Party in the State of Kentucky
has doubled in size and its subscription to "Thunderbolt"
and we intend to in the next year double again if God's
willing. We have throughout this state distributed thousands
of copies of the "Thunderbolt" and other pieces of literature
which we put out to the people. We have urged many of our
friends, every person that we come in contact with, to join
the National States Rights Party and to carry on the fight
against the Jews, Niggers, communist conspiracy within our
country. We constantly write letters to the paper. We try
to keep in the news. We're always after the preachers who

are teaching and preaching race mixing, who try to take our children and teach them this is the thing to do is to mongrelize. This we cannot accept, we will not accept, we will constantly fight against this. As J. B. Stoner just mentioned, I was in Berea, Kentucky, with my wife and four children on September 1, 1968, and we were having a peaceful rally there that day. R. D. Eldridge, Connie Lynch was speaking there. There had been no trouble at all. When the rally was over we were preparing to leave. They had waited until this opportune time when we were defenseless, we were fixing to leave the speaking grounds. This rally was lawful, legal. We had every right in the world to be there. We had rented the property. They had no right to come there at all. They had not been there when the rally was going on but they come driving up, they opened fire. Women and children were standing all over the lot when they began to fire at us. Elza Rucker, who was the State Sergeant at Arms, and who was a long time legal Deputy Constable in Fayette County, which is the next county over from Madison County, was armed to where he could get his gun and when they came across the road at us they were carrying their guns and they were cursing and calling us white, anything in the world that you can imagine, they were hollering at us. When they opened fire, Rucker returned their fire. They ran back across the road like the cowards they are, some of them ran off down to the field like a

bunch of jack rabbits. Other took cover behind their cars. On that day Elza Rucker gave his life which I consider the greatest honor that a person can do. To lay down their life so that their fellow white brothers, sisters and children might live. Maybe many more of us will give our lives, I hope not but if that needs be, I am certain that there will be people around who will sacrifice their life so that the white race might continue. When this was over, this was a surprise attack by black militants, bunch of murdering black savages, the police came down approximately half an hour after the first shot was fired. Before the battle took place they had come by every five minutes, you never seen so many police in your life, they were constantly checking on us but suddenly for a whole half hour not one policeman to be found and I'll swear this that it was in a distance of five minutes away there was at least 15 to 20 law but yet not one could find their way down there while the shooting was taking place. One little Deputy Sheriff in Madison County by the name of (inaudible) little coward, he parked his automobile up on the corner about a block or two blocks away from where the shooting was taking place and turned his blue light on and he didn't even have the nerve to turn his siren on because he was a coward and I called him such in the court. I named him a coward and a liar and I'll do the same thing anytime this man runs for office, I'll be out there someplace

fighting against him and others of his kind (applause)

When the fight was over, it is true we lost a great patriot, Elza Rucker, lie dead, his wife and children stood around looking at his lifeless body laying there covered with blood. When I looked down at Elza, I swore to myself that I'd fight on no matter what they did. I didn't care. It doesn't make any difference to me because I believe that someday we will have ultimate victory over these people and someday we'll stand in the court, we'll render the justice due these traitors who sold us out. (applause) They told us to come on down to the police station and give your report on what these people did to you. The police that were there knew that we were on legal rally grounds, that we had every right in the world to be there and the black did not belong there. So they said come on down, everything will be all right, give a few words about what happened. We got down there, everything was all right. The Sheriff and the Constable got hold of us and arrested us all for murder. That's the kind of courts we've got in the land today. Thank God I'll say one thing, we had a white patriot, J. B. Stoner, there to defend us. (applause) The prosecutor was Redwine. He constantly pushed and pressed for an indictment against us for murder but I am happy to report one thing, Redwine never lived to prosecute us, God took him, he died of a heart attack. Of course they took us down the road, they persecuted us, they lied. The lying Jewish liberals

controlled communist press never mentioned, once mentioned, that there were white women and children there as targets for these black beasts. Not once did they ever mention it. When the whole affair was over, the only thing they could get us for, they had to completely (inaudible) blue ribbon jury for it. Almost 90 per cent of them there were either associated with or were teachers or in some way connected to Berea College or Eastern State College and even with this liberal blue ribbon jury, the only thing they could get us for in the end was littering the highway with a bunch of filthy black trash. (applause) Recently, I took a trip over to London, England, where I met with the members of the National Front and this is their paper right here that they put out. It is called the "Spearhead." They also put out another paper called the "Condorse." These papers are white racist papers similar to ours except in England they are not as fortunate as we are here today. They can't say Jews, because if they do they go to jail for about six months. They can't say bad things against the Niggers. They can only insinuate that they don't like them, that they ought to be sent back to Africa, but even working under all these hardships, all the pressure that has been put on by the Jews there in London and throughout England, they have constantly grown. They follow along the same course as the National States Rights Party. There has been a constant merge of other right wing groups coming together

and forming the National Front. These groups are striving forth in the same manner as we do today. It is nothing unusual for them to find 500 to 1,000 people for big mass street demonstrations and rallies in London, England or in other towns throughout England. Their main goal is the deportation of the Niggers and the non-whites to the countries where they came from. I think this is the greatest thing that can happen is to send all these people back to where they belong. (applause) In London I will have to say that I was very disappointed. It is pathetic what's going on over there. Its nothing to walk down the street and see white girls, beautiful blond headed white girls, walking down the street holding hands with some filthy Nigger or with some mongrel Indian from India. Its sickening to see. But, thank God in England the National Front is doing the same thing we are and they're growing in size as the National States Rights Party in America is doing. I know there are many people that say about me that I'm an anti-Jew. But, I tell you I for one am proud to be called an anti-Jew. (applause) The Jews are anti-Christ and that's a thousand times worse than being anti-Jew. (applause) Briefly I'd like to mention a few minutes ago I heard a comment made about the John Birch Society. I read a book put out by the John Birch Society which they flooded the country with which they called, "Its Very Simple." (Inaudible) his documentation was beautiful. He went on through almost the whole book to explain how (inaudible)

on down the line. His documentation was beautiful. But then we got over to the back pages, the last two or three pages and he said these are the communist groups also. With no documentation he called the Klan, the Minutemen, the States Rights Party, all communist front groups and no documentation whatsoever. But he did more to divide the right wing and conservative people in this country than any other man in the history of this nation and it was one Jew (inaudible). There was one other comment I wanted to make about London, England, the boys in the National Front told me only about two weeks before I got over there that in the west side of London the police raided this house where these Indians were living. They lifted up the lid on the pressure cooker and there was a leg in there, cut in four pieces and they were cooking it, and they tell me that this is nothing unusual, that these Niggers and these other mongrels practice cannibalism and I am quite certain probably the same thing goes on in this country and I tell you as I look around this audience tonight I am positive that we will attain total victory in this country. That once again the white people will return the law back to where it belongs, follow in the right tracks which some of us may not live but I am certain that most of us will be here when total victory is achieved. Thank you. (applause)

MC: I want to hear more about his trip to

England before he goes back to Kentucky. always
sickening to me to read and hear about how Niggers and
Asiatics pour into our mother country such as England,
Scotland, Ireland, Germany and France and the Scandinavian
countries, Holland and Belgium, go over there where our
white race has lived before part of them moved over here,
go over there and mongrelize and destroy the white race
just like they're doing over here in America today.

There's one thing about it, some people want to go to
Australia and some want to go to South Africa and some
want to go to other places but in this struggle that
will determine the future of the entire world, I don't
want to be in Australia, or South Africa or Rhodesia,
I want to be on the main battle front, right here.

(applause) At this time we're going to hear another
Britton brother. Some of the meanest white people in this
country are the Britton brothers (applause) and I like
good mean white people. I know they're mean (inaudible
due to yelling). He whipped a whole bunch of Jews and
Niggers out there (applause). Some of his brothers were
there and (inaudible) was there and we were out there for
the trial, I think that was 1963, it was a misdemeanor
case that lasted for one week on into the next week
(laughter). Those high school Jews and Mexicans would
get up and without anybody asking them every once in a
while one of them would say so and so is a half Jew right
on the witness stand and the other full blooded Jews and

they'd talk about others of them who were in this Jew mongrel gang beating up white people. I wasn't there but I say us because I was there in spirit (laughter) but they talk about some of them being the boxing champions at the local high school. Well when these mean Britton brothers got through with those Jew boxing champions at the high school well they were lying on the ground and they had to be hauled off. (applause) Then up in Berea whenever they set \$10,000 bonds on our white people, eight white people. All the Niggers there made property bonds, the property put up for the bonds for all six Niggers arrested wasn't worth \$10,000 yet white people had \$10,000 bond each. We had to pay for bonds. There are some Ohio people here that put up several thousand dollars without batting an eye. I called Neuman Britton on the telephone and told him we needed \$2,700 more. He wired it the very next morning. Now you can't find many people like that. (applause) Now some people have to buy a new automobile or go out and sell the home they have and buy a bigger home or some other way to spend their money. But, Neuman Britton puts his money where his mouth is and if enough white people would do that, why we'd soon have a (inaudible). At this time one of these mean Brittons that has whipped those Jew mongrels out there is here tonight and since he will fight I am going to introduce him now, Mr. Jimmy Britton. (applause)

Thank you J.B. I hope I can live up to our reputation because I feel very strong and most important is all of us working together as a body as a unit, we'll get the job done. Remember this is not a one man job. This is us, everyone of us and everyone of us have a job to do, a great job to do. Now in our company, our plastering business, we have what we call the Britton Brothers Plastering, and every man in that crew masters a job, and he has to be the best because our work is competitive and when we get a job done the inspector looks at it and its got to be perfect and as time goes on its more demanding that we do the best. I was watching the other day some of God's little creatures. I sat down by an ant hill and watched the ants. Did you ever sit down and watch the ants work? You get a good lesson if you sit down and watch the ants work. They all work without a guide or overseer but they work for one common cause and that is the colony. Now you and I as white men and women, we're going to have to work for this one common cause and give everything we've got to this cause. One little ant may pick up something ten times his size and start lugging it off, another will grab something else and they'll all work for the cause to put the food in the colony. Then I took another look and I watched the bees as they worked so hard and they worked according to a system. They have a perfect colony. They have a perfect system they work by and

they will fight. It needs be (inaudible) a whole or experience what bees do. But now these are some little creatures that God made. Now you and I are creatures that God made and put on this planet to govern this planet and to take over kingship and rulership of this planet and we've got to do it according to a system and I can well see that we are going to have to have a party and I want to right now praise the Party real highly because I know that when I praise the Party I praise the men that put out this literature. The men that are the backbone, the muscles behind this paper, behind this movement. I like to watch a fighter that is aggressive fight. When he is aggressive we know we're going to see a good fight because this man is going to put his best into it and he always keeps his enemy right up in front of his face and he always keeps him where he can always keep a good left and a good right to the middle. The Party has never (inaudible due to yelling) and I am glad they always keep the enemy out front. They always keep a good right, right in his middle. They never miss the mark. Just keep on shooting at him and if we keep on hitting like we've been hitting in America, we're going to turn this thing up side down and its going to fall back in the hands of (inaudible due to applause). I watched the bees start a new colony. Did you ever see bees start a new colony? You'll get a wonderful lesson out of these bees if you watch them starting a new colony. They move out, they pick their queen and they move rapidly and swiftly and they move right

in and they will sting anything that gets in the way and incidentally when we hit this shore here we didn't get this flag by chance. See the white stars? Why all the white stars? And, why were there 13? Did we get them by chance? Are we here by chance or are we here by desire? If you are here by desire then we are going to do what we are desired to do and God told Adam he said I want you to subdue the earth and restock it. I want you to subdue it, now that's war. You have to subdue something. You have to have an enemy, you have to have something that you're going to conquer. This planet when Adam was put here was inhabited already. It was inhabited already. You want to be a star? You always wanted to be a movie star? Turn around, take a good look at yourself again, you are one. You are a star. This represents the heavenly body that came from heaven. We came from heaven to subdue this planet and take over rulership and kingship and be kings and priests on this planet and inhabit it. If a man has a farm, a Cadillac and if he wants to restock it, it takes out the stock he has and restocks it with new stock and we are the new stock. The stars they came from heaven. I wonder where they got the first king of the 13 tribes of Israel. It didn't happen by chance, I wonder why (inaudible) because the old prophet crossed his hands and when he passed the blessing on and the birthright blessing went to the younger son contrary to the law and we are the 13 and it didn't happen by chance it happened by desire and

and God. As we move and we're going to win this fight in America. We didn't start to lose and the best organization I know anything about is the National States Rights Party (applause). Its going to take men and women who work like ants and work like bees for the colony for the common purpose and give their lives if needs be in the battle. They will take and empty their pockets to the cause and give it to the men who are going to do the job. (applause) I know I'm not the best speaker. I don't intend to be but over my years of time I've learned a few things. If you start to build a house you want to get the best architect you can find and there's none better than the old book to look into for a good place to start. If you want to work and then become a good worker the Party is a good thing to work with a good vehicle.

You have to have it. If you're going to build a home you start and make a plan for it. If you're going to raise a family you start looking out for a good wife and this is the best that you known anything about. This is the best, these men are the best that I know anything about and you wouldn't do wrong at all by giving them the best support you have and work like bees and work like little ants until we get the job done because we are not going to do it sitting down on a pad. We're going to win this fight by getting up and fighting. (applause). This is why we win in our business at home, we know so many yards of mud

have to be put on for so many dollars and when we go out we hit it as a unit as a team and without team work we wouldn't accomplish anything. The man on the machine has to know what he is doing and incidentally, we don't put it on anymore by hand like the old way like we used to. We put the mud on now with guns. This man's mind has figured out a better way and when we hit the wall we put it on by the thousands of yards and this works out real good and there are some good lessons in these things and we're going to use everything that our company can produce, every bit of the finances we can to promote this message. I know that some of you have money you are sitting on that if you'd just loosen up a little bit you could put us over. Don't tell me, I know you can and I know that several of us have been sitting on money that should have been loosened up just a little bit. When they come to the apostles and they'd be asking for money and they brought the money, two of them did, to the Apostle Peter and he said is this all of it, is this all of it, well it was just a minor thing but they died over their lie and they took them out and buried them and we are going to take some of you out and bury you (applause). Did you know that its a serious thing to take a stand against a man of God that's moving that God called to do a job. We are as important as Moses was that led the children of Israel across the Red Sea. We are as important as

George Washington was when he was in his day, he fought his fight. We are as important to America to the white man's cause as the apostles were and Jesus Christ himself (inaudible) that these men are, America will go down but I am sure that we are going to save America with our efforts and with our guidance and with our hard struggle. A lot of times when we go to work we use up every bit of our physical strength on the job. I'd rather load 500 (inaudible) and when the end of a day comes maybe I'll spread nine houses, maybe I'll spread ten, whatever I can get off the end of the nozzle because I know we are going to have to have money to put this thing over and we use it then and we made it and other boys come around and they share their part of the load and sometimes we'll run 16, 18 or 20 tons of sand through a mixer in one day and you when you get on your job if you got a legal way to steal from the FBI and from the Government and from (inaudible), if you know any way, do it, start doing it (applause). Like I told the woman when we went down to rent the car so we could have an automobile to drive while we're here, we came down on a jet, I told the lady in there, have you ever heard of the KKK. Did you ever hear of the National States Rights Party. We have a card and we were trying to get this car through some of the credit cards because then we can use it for income tax deduction. If we use cash they got the cash. We're going to have to use every means we know to beat this thing that's got us

involved. We're going to have to use everything we know to break the yoke off of us. They've got us all strapped down. You know what this white represents, purity, white, white man, righteous. You know what the red represents, blood, suffering, sweat, labor, and very important is the blue and it didn't happen by chance friend, the blue represents eternal life, the blue represents the heaven, eternal. We are the heavenly people. We are the star people and we are (inaudible due to yelling). Destroy me tomorrow, burn my body and fling my ashes to the wind they won't stop this cause. (applause) (inaudible) every family in America is affected today by this mongrel mess. You can't find one family that's not affected by it. You won't find one family that hasn't got at least one grandparent that is mongrel. You won't find one family that hasn't got some part of this in it, that's gonna cut you deep when you try to take it out cause I know I have been wrestling with these problems and when you start taking them out you're gonna feel the effects of it and we white people are going to take them out. In the days of old our forefathers sat down and got the records and started reading. They found out that there were some in there that were not supposed to be in there. They found that some had strange wives, they found that some had strange husbands and they had to leave them and their children or else go with them and be recognized on the other side. This is a very serious problem. When you

start searching for a companion for your daughter and for your son be very careful that they get a white one, (applause) and these genes that are in this white man are very important. Our forefather when he was looking across the land where he was living at that time said, I want my son to get a good one and I'm gonna send him back to the original stock so he can get a good wife cause we want some good children for him. In this country here where we live I am almost afraid for my little daughter and my little son to grow up because there are so many mongrels. Its hard to find a good white person. You almost have to travel from the center of our nation to find a good white one anymore. There's hardly an organization or movement or a family that hasn't got in it at least one Jew. And, then once in a while you look up and see this crowd of big Niggers coming along. They pass for white but they're not and God won't accept them. God won't accept them. I'll be glad to see when I can look across America and see nothing but white people. (applause) Well, I hope I have encouraged you. I hope I haven't been offensive in my speech, not being very educated I feel like some of the apostles. I got a lot of mine down in the hills of Oklahoma, that's where I was born and raised and my mother said to me one time, son, birds of a feather block together and this is the best little thing you ever seen. If you got somebody you are kind of suspicious about

see who their friends are, see where they go, watch them a little while, you'll find out about them because birds of a feather they just naturally like to get together. Jews just love to get down in the ghetto with all of their friends, the Niggers really love to hoop it up down in the Nigger part, the same reason they're not happy around white people if you really want to know the facts about it. And, a white man, he's just loves to get with his kind because that's something that God put in him. Birds of a feather flock together, and I am glad we got birds of a feather. Thank you. (applause)

MC: Well, you know I'm not lying. These Brittons are mean boys. (inaudible due to yelling). We still have a lot of mean people here and our National Chairman, Mr. Ned Dupes, from Knoxville, Tennessee, was driving down last night and his car broke down on the Interstate and you know you can't break down on a worse place than on the Interstate. He just arrived in town and he will be making a speech tomorrow afternoon, but we prevailed upon him to say a few words tonight so right now I would like to introduce you to one of my best and oldest friends, Mr. Ned Dupes of Knoxville, Tennessee. (applause)

I thank you folks. I've only had about six hours sleep in the last two nights so I am a little bit tired but I've got something to tell you folks tomorrow but I don't want to start tonight because I don't feel like I can

put enough life in it but tomorrow I hope to be rested so I can really tell you folks what's been going on around Knoxville. Tomorrow I'll be with you and I got some other things I want to tell you about too. I want to tell you about that Federal Reserve Bank in case you don't know about that. I want to get you straightened out on that thing and I want to tell you about some Jew boys I've been mixed up with lately. They haven't been looking for me, I've been looking for them (applause) and I found them (laughter) and I came looking for a hole and if I have my way about it I'm gonna dig them one. (laughter and applause) I'll see you tomorrow folks before I get wound up. I'll talk to you tomorrow. (applause)

MC: We have a matter that everybody has heard about and expects to be brought up; at this time I'd like for Bob Barber to bring up the situation and explain it.

We've heard a lot of good things said today and tonight and I don't know of anything that could be added to it but has been said before. You heard these men who are dedicated men. A lot of you have only had the pleasure of meeting them yesterday and today and incidentally while I think of it, I sure have met a lot of good people from Ohio. If I leave California, I think I'm heading there. (applause) (inaudible). I know its a little late and somebody might be a little bit hungry and sleepy but bear with us just a minute because its not often we get together like

this. These Britton boys talking brought to my mind about this little incident. We had had a meeting at a little town about three miles out of San Bernadino and I drove from (inaudible due to speaker mumbling) started to get out of the cars and we were on the parking lot where the action took place. There was a big Mexican that came at Neuman with a knife like this. There were about thirty people mixed up in this. There was a lot of activity going on there but this Mexican came at Neuman with a knife and there was a fellow with us who happened to have a little air pistol. It should have been a .38. He shot this Mexican in the face about five times with this little air pistol and the Mexican just kept coming at him. He was a big Mexican, he was a big greaser. He had just about blood all over and this other little guy dodged him and he made a pass at Neuman with this knife (inaudible). Rufus, this other big Britton over here, he threw a hammerlock on this big Mexican with his hand locked in holding that knife, blood was just flying, blood was getting on Rufus. Neuman turned and saw this blood on Rufus and he thought Rufus was hurt and he said Rufus are you hurt and Rufus said no. Well he said hold the Mexican. He said hold him just a minute (inaudible due to laughter and applause). We don't like to fight. We're peaceful people but if we have to we will (inaudible due to applause). I want to see the hands in the audience tonight of the people that don't know Connie Lynch, that don't know him. Alright, to you who don't know

him I want to tell you just a little bit about him.
Just a little bit. I knew him (inaudible) he's a man
that has dedicated his life to this cause and this purpose
and to your cause and purpose and the benefit and the
preservation of the white race. I think that you will
agree with me and the people that know him there's not
a more dedicated man than Connie Lynch (applause). When
we have a gathering and meeting and Connie isn't there it
creates a vacuum that no one can fill. Mr. Stoner had a
letter from Connie this morning. Connie had his parole
approved but he's got to put up a \$1,000 cash bond. I know
there's about 100 people here tonight and \$10 is not going
to hurt anybody and if you don't have the \$10 with you, you
leave me your name and address when you can send it. Send
it and we'll go ahead and put up the \$1,000. (applause)
I want one of you boys to come up here and help me a minute.
I want everyone that can afford it tonight to give me \$10.
I want you to help me. I want about three guys here and
you help me in the back. I want everyone of you. I've
never taken up a collection before like this but this is
for a good cause, for a dedicated man and \$10 isn't gonna
hurt you. If I have to, I'll go out and pick cotton if we
can't get it but I know we can get it. Ten dollars won't
hurt anybody. There's \$100. Here's \$10 (inaudible) Let
me tell you something about this bond. This bond will be
put up. Listen real good now. This bond will be put up
until the necessary time, until its not necessary to be

there and then it will go into the legal fund to help our white fighting (inaudible due to applause). We get the money back in, I think, its April of 1970 his parole will be up because he's being probationed to the State of California across the state lines. The bond must be posted a cash bond and at the end of the parole, which I believe will be about a year or a year and a half, the bond will be refunded to the National States Rights Party whereby the money would go into our Patriotic Legal Fund. A fund to defend white patriots who find themselves in difficulty in the line of duty. It ought to be a very easy thing for you. Ten dollars to go toward help getting you out too. Any of us could wind up in jail tomorrow. You could even go this evening. They could trump up some charge on you just for your being here.

(inaudible due to small talk, noise and confusion)

Little announcement I'd like to make while these boys are counting. In the morning there are several of us people getting together over at the II Covenant Church. We're going to get together a little bit in the morning. Right over here on McDuff Street, 241 South McDuff Street. If you are interested you are invited and I think it would be worth your while to come out. We're gonna have a good speaker there so if you can you come out for a little while. Ten o'clock in the morning and we'll let you out before noon and we'll be back here at 2:00 tomorrow. That's 241 South McDuff Street. (inaudible due to noise and confusion).

Being an extremist organization we naturally have more, or so called extremist, depends on how you determine it, I call it a white extremist organization when an organization stands up 100 per cent for the white people and 100 per cent for the right and 100 per cent against the wrong, so when it comes to a definition I don't see anything wrong with being extremist. However, since we take an out and out stand for what's right, we expect more persecution than some organizations that don't have guts enough to take a stand. That's why we have these legal problems and have to pay out money on bond and other things like that.

Collect \$487. I know Connie Lynch will do all he can for it. We got \$500. A man told me to give \$50. I'll tell you I am 3,000 miles away from home and I got \$50 but I need that \$50 to get back home on but you go my promise that I'll send it to you next week. If you can spare a little more or give some next week, that's just as good. Its gonna be about a week before we have him out. So, I need a little more money. (inaudible due to small talk in audience) We're up to about \$800. Any of the rest of you later on the Lord moves on you and you feel like in the next week or ten days you want to give any (inaudible). Okay we've got it. (applause). Know what, the good Lord's gonna bless you over there. Now we won't be here much longer tonight but we do have some business to take up. You know we don't have arguments in the National States Rights Party like in some other organizations because we

already agree with each other. We agree with what we are, who we are. We agree for what we stand for. We know who we're for and we know who we are against. We know what we're for and we know what we're against. On the whole, our program is so clear that the only business we have at this convention other than the business (inaudible) is the election of a National Executive Committee for the National States Rights Party for the next four years and in regards to that matter I'll now introduce Dr. Fields again. (applause)

I'd like to say one thing before I get into this that everyone who's wearing their National States Rights Party uniform with the patch on it like I have here, tomorrow we want a formal picture. We will have a camera here and have all the men and ladies (inaudible) and take some photographs of all of us together and all those who don't mind their picture being published in our newspaper, "Thunderbolt." (inaudible) Wear your symbol in the morning. Be here at 2:00 tomorrow afternoon. The business at hand is our election of officers for the members of the National Executive Committee which we hold once every four years. Now your National Executive Committee and your National Chairman make the following nominations to guide and serve the members of the National States Rights Party during the next four years. As new National Chairman, Attorney J. D. Stoner; as National Vice Chairman Ned Dupes; as members

of the National Executive Committee J. D. Stoner, Ned Dupes, Neuman Britton, James Wilson, Kenneth Adams, Peter Xavier our Treasurer, R. D. Eldridge, myself Dr. Fields. Those are the recommendations from our National Executive Committee. Do we have any nominations to the contrary from the floor. All in favor of this slate indicate by saying I. All opposed nay. It is unanimously carried and our new National Chairman is Attorney J. D. Stoner of Savannah, Georgia.

I will try to do as good a job as Mr. Dupes did during the last two terms he served. During the next four years we are going to have some hard fights and I expect to be in the middle of the fights along with every other active member in the National States Rights Party. Tonight I don't want to make a speech because I have been presiding today since Mr. Dupes has arrived in town but by popular demand and popular request we have been asked to have one of our earlier speakers make the last speech of the evening and I think it would do us good to hear from Mr. Neuman Britton that one of those mean Britton boys again has been subpoenaed to close up and we will close the meeting and adjourn until 2:00 o'clock tomorrow. Mr. Britton--(Applause)

I truly don't feel very mean. (Laughter) He is though. (Laughter) Which involves the issues, as (Inaudible) as we can see them though, concerning our race, conspiracy against our race, our God and our nation, certainly we become furious and I think that this pleases our heavenly father because I think that he is becoming furious and more furious each day. Before I go into my speech, I would like to take this privilege to introduce to you the father of these Britton brothers. (Applause)

(Inaudible) (Laughter) (Applause) Indeed, we do have great pleasure in gathering together. This is the highlight, I believe, of the whole year for me, the National Convention of the National States Rights Party, and I know that we're going to have great pleasure in the days to come as we see our forces enlarge as we see this movement grow, because it's going to grow. It is growing now. Our influence is being felt more and more all the time. Tonight the States Rights Party is a movement. It is a very dynamic movement. We see that the enemy has come in as our (Inaudible) into our nation and primarily the reason why that this enemy has come in is because that we have allowed truth to fall into the streets. The Lord said and he spoke this great admirably in the prophets that when he comes that he will preach to us in parables and he would reveal unto us mysteries that have been hid from the foundation of the world. Now in these parables, we have misunderstood them. I would say that most of the parables were about either the kingdom of God on earth or (Inaudible) and he spoke this in parable language so that the enemy would not understand but that we might understand, and we do understand this dynamic force that was let loose in these parables. One of the parables

was that the kingdom of God was like unto a net which was cast into the sea and when it became full, he said the fishermen took and they separated the fish. They threw back which was not good and I want to tell you that this represents definitely the time in which we live now. The National States Rights Party is a vehicle that will separate the good from the bad. The responsibility is upon us. There is nothing left but blood for America over their dead cause I know for a sure thing that there will never be any peace, there will never be any abundant joy nor tranquility in America. The youth of our land will never really enjoy God and a country which God has given us until we remove from these shores the serpent race and this beastly race that is so prevalent among us. We find this all the way through the scriptures from the Revelation (Inaudible) was charged by the angel to pick the vine of the earth and to throw this cluster of grapes represented into the wine press of the wrath of Almighty God and blood flowed out in the wine press up to the (Inaudible). And I want to say that in large that in metropolitan areas such as Los Angeles, we are going to confront this enemy and we are going to serve as leaders for our American white people. We are going to arouse,

to inspire, to encourage them in the days to come.

Come conflict, come hell or high water, come FBI or ADL or whatever, we do not fear because we know that our heavenly father is with us and we are walking in truth, the greatest and dynamic force that all races (Inaudible) is in

truth. Truth is the force that brought Jesus Christ

out of the grave. The resurrection came about because

of truth and the enemy of our race cannot withstand

truth. He cannot withstand truth concerning him taking

the cloak off of him that he represent the children of

God in earth than he represent the people with whom God

colored. I want to say to you and make it very clear

that it's our people, the white race, who carved out of this great wilderness this great and mighty nation which

we are blessed so with. It was they, our forefathers,

who God made both old and new covenants and sealing the

second covenant with his own blood. We have arrived at

the apex of this age. We have arrived at the end of

this age and we are experiencing a great spiritual awakening

and we are going to move and move and move and the people

in Jacksonville are going to feel the dynamic force of

this meeting right here this day. We love the white race.

We believe that we are called to be the shepherd of the

white race, one of the shepherds. We appreciate this dynamic movement. It's very appropriate this flag, the flag of the Confederates and with great deep feeling I carry this flag. I say that all the conflict in which our race has participated has been of truth. Now truth has not always won. Error has conquered and has continued to conquer because we have been in darkness for so long but we are living in a time where truth is going to cry "error" and both error and darkness upon our people is going to be erased from off of it. For the knowledge of the Lord shall cover this nation as the water covers the sea. This is a glorious mission that God has given unto us and I am going to enjoy and I am at present enjoying every bit of it even if I have to kill 10,000 (Inaudible) (Applause). Did you know that this God of ours the God of (Inaudible), the God of (Inaudible), is the God of battle? We came to this earth fighting, our forefathers have always fought and we are never going to shirk the duty that God has placed upon us in this respect. I want to say to you that blood is going to flow in the (Inaudible) and streets of these issues because we are in and we are with a great determination. We have set our faith that our sons and our daughters are not going to grow up facing this black force, the force of the Federal government to submit their bodies to them and be submitted to them.

This is the reason why the fury rises so much and they call us hate mongers. I know that the religionists in America do not understand me and if I please them, I will tell you one thing for sure, I would consider myself hated by God. This love story that they teach our children in Sunday School to love all mankind, that God created all mankind equally, that the Sermon on the Mount withdraws mankind, this is what they teach. This is the error that must be erased because we are a superior race. (Applause) We are a holy nation. It was holy men, white men, which set about and brought about this great document known as the Constitution and the Preamble to this Constitution is like this: We the people of the United States in order to form a more perfect union, we establish (Inaudible), we insure the domestic tranquility, this is the purpose for unifying these colonies under one union but in our time there is no justice, the justice for which they fought and they died, has been taken away from us through this decree of the United Nations and all of this was brought about by this Jew Roosevelt. (Applause) (Inaudible) tranquility, the police force by (Inaudible) or by the pressure, I do not know which they persecute white people. They favor the Niggers all the time. The principals in our high schools let the Niggers loose on our white daughters

because they dare not to say anything against them. The main reason why most white people do not now join themselves with our party is because of fear but there is going to be such disaster strike them as this Nigger mob moves in directed by the Jews and the FBI until they are going to be forced to arise like we had and it will be not only the Britton brothers but it will be the (Inaudible) brothers, it will be all the families of Anglo-Saxons in America that are (Inaudible) and not unless you leave me and we shall (Inaudible) in the streets if necessary and it is going to be necessary. Yes, and we shall arouse our Naval forces and we shall arouse our Army and we shall speak to them and we shall see and we shall awaken the mighty men and we shall (Inaudible) people from the law and this Constitution and this flag of ours is never going to go down but we are going to (Inaudible) and we are going to array a new glory in the air and the feeling and spirit that we have here in this meeting is going to prevail throughout this great and abundant land of ours and the youth of our land are going to be directed in a new path, yes, until there is something else to satisfy them besides dope and drinks. They're going to be satisfied by compassion and the love for our nation and our rights. (Applause) There's not a thing in the world wrong with the civilization that our forefathers has given to us

by their sweat and blood. There's not a thing in the world wrong with the beautiful cities of Jacksonville and Atlanta, the only thing that is wrong here is that we have a lot of certain things that come and take dominion over us. (Inaudible) in the streets of Jacksonville. (Applause)

And don't you ever despise the small things in the now way that we have come. This is a blessed path which God has chosen for us to come. We see in America, and it makes our heart bleed, how that our people are in bondage and the yoke is heavy upon them. They worked and they toiled, both man and wife, in many cases, and they barely take home enough to sustain themselves and the thought comes to many in this great war when our forefathers wrote 'beware a man whose soul is so dead, who never unto himself has said, this is my home, my native land, this is our land.' And it is up to me and you to take dominion, to take ownership that this part is lifted from off of our people. This is the better land folk and we have all the living sources at our disposal for (Inaudible), everything for a joyful living. We can produce everything here, everything that we need. The only thing before that our people cannot get it (Inaudible) and our Lord spoke of the day of vengeance on this evil race, this (Inaudible) seed. For out from the Garden of Eden came these two seeds, the seed of the woman and the seed of the serpent, and this seed of the serpent bruised the heel of the seed of the woman at Calvary, but this is not the end of the story. The seed of the serpent is going to cross the head of the seed of the (Inaudible)

and this is the peacemaker and then we're going to have peace and tranquility because all tentative characteristics are going to be removed from our shores and after we get our shores cleaned up, we are not going to stop, we're going to cleanse all the white nations of the world, Germany, we're going to apologize for their (Inaudible) (Applause) and if they want the swastika, let them have it. (Applause) For me, I'll take Old Glory forevermore. (Applause) The stars and stripes fly forever and ever and ever. (Applause) The only thing we're ever allowed is to be polluted but we're going to clean it up and it will fly forever. I love you this evening and I know how much you feel responsible for your nations and this great cause. It has been indeed a pleasure to be with you, to inspire you and to inspire myself. I will long remember this meeting in Jacksonville. I believe that now it would be good if we would stand. The Chairman has asked that we dismiss now.

Thank you Mr. Britton for that very fine speech. Mr. (Inaudible), I would like to see you after the meeting, please. Reverent Price, would you say a closing prayer for us now, please?

Our eternal God (Inaudible) with you, we come before Thee realizing that we are but children of the most high. O God, we realize, O Father, that we are the

holders of Thy covenant which Thou hast given us. O
God, we pray that Thou would open the eyes (Inaudible)
spirit upon you and keep it on their minds and their hearts
as we go forth and open the minds and the hearts of the
other white people and in our own household. We realize
that if we put on the (Inaudible) above all people, you
said your glory you give unto another. We ask you to
keep Thine hand upon us and guide us to (Inaudible) that
has invaded our land. You warned us again so many time
not to allow strangers to rule and reign over us. We
take the blame for allowing this to happen and come before
Thee asking Thee to guide us, to open our minds and
hearts as Thou dost guide us. We ask it all in the
precious name of Thy son and our Savior, Joshua, Jesus
Christ of Nazareth, Emanuel. Amen

Thank you and we'll meet again tomorrow after-
noon at 2:00.

Our Father who art in heaven thank you for this great honor, this privilege of being here, standing here and honoring you before this great multitude of people from throughout the United States. These great white men that have traveled for many long miles that have come here to try to do thy work and they will do thy work. They are dedicated. They are the men in the front lines, the men that will lead and the men that will go back to their respective places and do the job that they hast set out for us to do. We thank thee oh God for the safe arrival of all the people here and we hope to have success in returning to our homes. Help us dear father to further this work to carry on thy work, to do the things that they would have us to do to set up in this nation a great white nation, a nation of superior men that thy hast made on this earth and designed for us to do. Help us to do that job. We have the men here that are dedicated now and we can go forward and we hope with thy help that we can multiply many, many times in the next year and be ready to do whatever is necessary to do in order to regain the great principals, the great rules of Government laid down by our forefathers in this great nation and we thank thee again in the name of Jesus Christ for ever and ever. Amen.

Folks I am going to say just a word or two. My name is Stephens. I have been in this organization for a long time. I have not taken very much of an active part in the organization except on the local basis, local organizing, but I am hoping that within the next year I will be able to go about helping this organization. This is my plans, my hopes and if it is God's will I intend to go about this nation and help to organize the people into a great force to return our country to our people. (applause). I don't think there is any question among you people here today any of you that are gathered here as to who the enemy is. Everyone knows that the Jew from the time they killed Christ until the present day have been working feverishly to eliminate pure white people from this earth and they have gone a long way while we were asleep. They have done a lot of things and got by with and we have been hoping for a long time that these things that they have done, these bad laws, unconstitutional laws, illegal laws that they have made would not be made but the legislators have proved that they cannot withstand the pressure from the Jew who insist on the making of these bad laws. We will move forward. I know I believe all the men who run the National States Rights Party and I know personally that these are the greatest men that I have ever come in contact with. There is no greater men in this world today than these men who are leading the National

States Rights Party and they will by their dedication, their determination and by their dedication to their God, do this job and do it well. (Applause). I am not going to take any more time. I am going to turn the platform over now to Mr. Wilson I believe. The convention (inaudible) who made this convention possible, Mr. Gene Wilson. Let's give him a big hand. (Applause).

It is a real honor to have you people as guests of the National States Rights Party and myself having you come here to Jacksonville to our city. We certainly look forward to you extending your time here in visiting with us after the business of the convention ends. You know it is real good to have you here as a personal visitor and to have you in this audience but you know how the business of the convention is to be held and carried out. This is all being carried out real smooth and real nice so after the convention, all of you that can stay on a week or so we will be glad to have you in the State of Florida especially in Jacksonville. There is a lot of those fish out there that haven't been caught yet, we would like to have you good folks stay and help us catch them up. (Applause). Just a few words starting in here. It is sort of hard you know after such wonderful men and great speakers that travel all over the nation come to our city and speak and then they say well we have got to water

this down normal so they will (inaudible) (laughter) so we will start out in that manner. We have got to taper it off somewhere don't we? So let's do it this way. I'll say that you know the problem which was given to you yesterday in our convention. You know what is confronting us. The battle is yet to be won. You and I will wind up being the soldiers that carries the forefront through the line to win the fight. So if we leave this fight out against the Jewish, nigger revolution that we are in and it is a revolution they sort of proclaim it to be a revolution, you and I are only going to end this revolution. When the battle starts, you and I will be the first ones there. We will be on the front lines and when this smoke does clear away from this battle, then we should see nothing but white faces left on our nation. (Applause). They promised us and assured us and we will win and have that victory to be ours. Won't it be a great day when you can draw your pay check and there won't be a Jewish pass on you to pay a nickel a welfare check. (Applause). How would you like to take your whole pay check home with you on Friday evening? How would you like to take the whole pay check and just take it home and say I earned it. (laughter). You know for sure that you are not feeding a group of illegitimate niggers over at a niggers house and for you to draw your pay check to pay your taxes to run our Government. You know what I

mean? You paid your rightful taxes to run our military and our police force should only be about one tenth of the size it is today. If we reduced all the nigger population out of our nation, I believe the problem should be down to a minimum of a few men. We don't have to have a great force. We have an army of civilian policemen that can be federalized in a moments notice such as to keep their eye on you and I so we won't harm their relatives over in nigger town. If we could just reduce this nigger pupulation down to a zero figure, the police department and the cost of running this department would be almost to nothing, down to nothing almost and then you would take your whole pay check and you would go home with it and be with your family and work about an hour and a half a day and make more money and be proud of the good nation to be ours. The white race for people it was intended for which our forefathers built for us to enjoy and leave without these problems. Somewhere they figured that we would be smart enough not to allow this to happen like the Jews have taken over all of Europe and put them in bondage and packed them to death so that they would go over and take a new land and start new. So where will we go from here? We can't go to a new land and start. We are to the wall. We are ready to fight back and

take our country back and reduce these fightings so you and I will enjoy the good of our nation. This is the job that is ours. The battle is in front of us. All we have to do now is continue the efforts of the National States Rights Party by putting a chapter in your community or in your neighborhood. If you look around you and you don't have a chapter of the National States Rights Party in your community, it is your job to do something about it to have one there before the next convention. Have these people sign their applications, get their membership into the National States Rights Party. This is the white man's party. It is white, Christian, American and it is our job to keep it that way and you are the thing that has happened to it. (Applause). If we intend to have an organized smooth operation when the battle clears, you and I, the people that survive and continue to live have to care the (inaudible) in America, and let's be sure that you and I are not part of that organization. So let's keep up the work, be organized for something to turn to when the job is done. You know if we want complete victory and have nothing of an organization to lead up to or nothing to run our Government smooth, we wouldn't be much better off would we? So within our midst, we have men that can run that great organization by putting the white America back where it belongs without being hungry for attack to starve you and I to death. This is what they

have done to us. You count up the many tax dollars that this group alone will be paying nationwide. Think of all the businessmen, the people that work from 8 until a certain given time in the evening that could go home with only a few hours of that day instead of him and his wife and all their kids having to try to earn enough to pay this hungry Jewish taxes that we pay. Wouldn't it be a real blessing if we had a nation that we could enjoy. We have all the worldly goods around us that we need. We could go out and catch all those fish and enjoy that food for all our families for a picnic and things we wouldn't have to be worrying and sweating about every hours of every day trying to meet a commitment that they tied on you and I and we let our politicians down us out into this situation way back starting no earlier than 1913 but the real bad year that sold our Federal Reserve Banking System over to the International City Bankers and they continue to be hungry for our money and you and I are providing for the good of them and their workers that are niggers over here on welfare, you and I are providing that money. How many of you like to pay them their taxes every week? Wouldn't you think if at one time we had a few honest white men in Government and they got down there and said look the best

way to kill off these Jewish tax collectors would be that instead of having a law that the employer have the money taken out before the man sees his pay check, think of all these hard workers over in the shipyards that never see but one (inaudible) on his pay check certainly all these (inaudible) wouldn't mean anything as he wouldn't put them in his pocket but at the end of that pay line he will have given them every dime of his money and say this is yours and (inaudible) you have to give me this much of it. How long do you think they would live? (inaudible) (applause). Now I would like to say I am not going to take up a lot of your time. We know what the problem is and we know what the job is to be done. It is your job and mine. We have to get out and do it. Sign up ten members each of you before the next convention. That will help. Then we still have the job to do. So at the next convention, I am going to look forward to seeing each of you, no matter what part of the nation it is in. I have been to the last few conventions and I expect to be at the rest of them and am looking forward to seeing each one of you there. Now if you do stay in Jacksonville, contact me and we will try to get something that you can enjoy yourself while you are here. Will be looking forward to seeing you. Organize a chapter next door to you. Thank you very much. (applause).

Now without any further delay, I want to introduce the gentleman who has been waiting to speak here all this time, our new National Vice Chairman from Knoxville, Tennessee, Mr. Ned Dupes. (applause).

Thank you folks. I hope I didn't disappoint you. It is not as hot as it was last night but I don't feel too good any how but I am going to stay here with it. I first want to tell you about something that happened over in Knoxville. We all read the article in the Thunderbolt about the schools and I want to tell you about it then. If you really want to know, there is the teacher. (inaudible). She brought this black nigger in there to talk to the children about the cowboys and Indians. What he talked on was to teach the children to hate their parents. Your parents are responsible for what has been done to me and you ought to hate them. (inaudible) to talk like that in the school. We put out the Thunderbolt with that letter in there and I want to tell you something, we stirred up a hornets nest. (applause). We put out about 1,500 Thunderbolts in that vicinity of that school house. We went up to the doors and rang the door bells and talked to a lady and gave her the Thunderbolt. That is how we started the thing and the woman who is head of the county schools, they say she is not right. I don't know. They say some funny things about

her (laughter) but I believe they are right because she is very mannish and that doesn't look very womanish to me, and she is the head of it because she put up a big haul right quick that she didn't want that information put out. No one can take the truth. The truth hurts. She was trying to find out who had sent the letter in. I know who sent it in but I didn't do it but I know who did. I ain't going to tell you who sent it in. She has been trying to find out all week long about who sent it in but she can't find out anything. Then she tried to find out who published the paper. Somebody said that is no secret, the man's name is on there. Other than that the States Rights Party is headed by Dr. Fields. Do you want to write him a letter? He'll answer you. (laughter). I don't know whether I want to write him or not. He'll burn you up, He will really burn you up. (laughter) (applause). At a school board meeting, a friend of mine said are you going to go and he said yeah I am going down to get me some land. I went down and that thing was packed. They were standing in the halls all around the wall they were standing and some preacher got up and he really was complaining about the school thing and about this sex business. I have a book here that is so filthy I woudn't show it to you people and that one is mild to the one that I have gotten is mild. You

ought to see the others, they really stink. The worse filthy language I have ever heard in my life being put in print. If anyone read that book in other countries they would say this is dirtier than that. That is what they ought to teach the children in school, the little white girls and boys and that is what we try to protect through the white children and colored of this country, the up coming generation. (applause) No man but a feather minded person would ever write a thing like that. There was a man asked who was ready to fist fight. He called them all on that school bus, I said you ain't fit to be there because none of you are Christians (applause). There ain't a one of you I am afraid of if you want to take me on come on out in the hall. I will make this place look like a cyclone has hit it. Nobody opened their mouth. Finally, one of the fellows got up who I knew quite well as I have known the man for years, Mr. William Jones, (inaudible) in the repair shop for the past 20 years and the owner of a \$30,000 building in the hart of the city of Knoxville where he had a shoe store and he was going to give it up with no rent at all for a patriotic organization to use. He took the blow and when he got through with that woman, I want to tell you something, he turned her every way but loose. He said nobody has got any right to set on the

school board, to teach in a filthy school or to hold a public office that is not of a Christian faith and neither one of you are fit to be here. (applause). She finally got up and the man said are you going to leave now, you going to run out, you can't take it. She stood there and took it but I want to tell you something, I wouldn't have done it. That woman was really taken. In fact, all three said that is all I have got to say and now I am going home to get myself something to eat. That is the end of that. Now we have pledged the whole part of East Tennessee and Middle Tennessee with the Thunderbolt and people didn't know the load of the Thunderbolt but they sure know it now.

(laughter)(applause). Now it is good that we understand about the Thunderbolt. How would you like to go to a Federal planning office and have a \$50,000 bill which is the largest denomination that we furnish and take that over to the traders department and get a bomb for \$50,000 at 6%, how would you like to do that. After your fellow friend observes the scenery, the best piece of scenery in America and the children are given a gold certificate and for every house of gold we have in this country, they give that to the Jews. Now who did that. Woodrow Wilson (inaudible), now that is who did that. They kept the men there right around Christmas time when they wanted to

go home when they just barely had enough people there to put it over all of the Federal Reserve systems. Ninety cents of every dollar you pay into the Federal Government every year is put in the hands and the pockets of a lousy Jew. That is right. Every bit of it. We don't owe no National debt. What do we owe to the Jews? I wonder if we should pay him any tax. That is where your money is going. Right into the Federal Reserve System. They are taking your money and buying up the business of America. All these years of (inaudible). That is right, they vote it with your money. Every year they made up a coupon of how much would you make. You can have so much and you give us the rest of it. How about them taking what you keep and you take what they take. You would be better off wouldn't you. That is what is going on. How much longer are we going to stand it. I am surprised that American people haven't raised up before now. I have been knowing about this thing for the last 20 years or longer. I have told people until they thought I was crazy. Why the Government just wouldn't do that. I said they wouldn't? They have already done it brother. You have been living under it for a long time. You are under a one world Government but you don't know it. They haven't told you yet but when they get your gun boy they may kill

you. Now if you have got a gun, you know what to do with it, don't you? If you don't, see me after the meeting and I'll tell you what to do with it. Don't give it up and don't register it. They said we didn't pass no kind of law for registration but they did pass the law to register ammunition. What's the difference. You buy a box of ammunition, they know what kind of a gun you have got. How silly can people get? (inaudible) niggers and Jews. Certain comments are acceptable because they are as loud as ever. The last decent man in our White House was Calvin Coolidge and he didn't chose to run. Somebody asked him why and he said because they have turned this country over to the Jews and I don't want any part of it. Somebody should have told him the advantages. I went to see him and I said did you say that and he said I certainly did. Why did you say it? Take a look at your money. Take a look at these papers. That is what happened. This is some that was pulled out from the pulpit and he died very mysteriously after that and so did Calvin Coolidge. That is what happened. The same guy on the floor of the house that exposed the Federal reserve bank and in three days time the man was found dead. He said he died of natural causes, no investigation. That wasn't a natural death cause the man was killed because he had exposed them. (inaudible) occupies my state vote. That is the name I got for him. (laughter)

I figure that is a good name for him. All LBJ is about as dirty as a low down white man that has ever walked the face of this earth. That's right. (applause). He knows that thousands (inaudible) nigger. (applause) Nixon is not any better. We don't need people like that. We need somebody with integrity. Somebody with respectability. Somebody who respects the people and that always can respect him. They are called politicians. There is a lot of difference between a politician and a states man. A states man is a man of integrity. A man who respects the people of the next generation. A states man is not interested in the next generation, he is only interested in that little old office job where he can fix for himself a big salary, tax free. He ain't paying no taxes, but instead you have got to pay it. They voted themselves an increase in pay, that increase alone would have been a good salary for them. They don't earn what they are getting now. They don't represent us, they represent the niggers and the Jews. Now we are 85% of the population that are scared to death of them, they had better get scared to death of us. I bet if 10% of the American people is as mad as I am, all hades would break loose. (applause) I have been made for a long time. The more I see of this thing the madder I get. The Jew is not as (inaudible), the American people are stupid, and

still we are the most intelligent people on earth. In the past 60 or so years we have come from a little flying machine and have only lit a few feet. We have built a machine that flies in space and went around the moon. We have intelligence and still were stupid. How do you figure that, because they won't believe what you tell them. You tell the people about the Jew. Oh, they are God's chosen people. Let me tell you something, there ain't no place in the scripture that the Jew is God's chosen people or the Jews fight with the Jews. Even Christ was bound and sent to the House of David and there ain't a man that can stand in the pulpit and tell you Christ was a Jew or the Jews is God's chosen people, that man is a liar (applause). It is not true. Jesus Christ told you about the Jews. (inaudible) was a liar and a murderer from the beginning and the love of his work he should do also. Ye are not of my sheep, if you were you would follow me. (inaudible) Well, they found out and they will find out more as it goes on. I am getting tired of being pushed around by niggers and Jews and white trash politicians. I think it is time that we took this country back from the niggers and Jews and white trash politicians and put it in the hands of white people where it belongs. (applause) - This thing is ridiculous. Every

businessman in this country is penalized for what? .

Because he has got enough sense to make a living. You put Congress on their own, they couldn't even get a Greyhound Bus ticket home. That's right. (applause)

(inaudible) He speaks to the high heaven and Baker, Jr.

he is worse then what his old daddy was and his daddy talked plenty. (laughter) He would that before he even got up there. He sold out and when he got up there he had him right in his hand. Before long he heard this guy was Burger. I don't know. He may be Lemburger, Hamburger or I don't know but if it is Burger I don't like it.

(laughter) It could be Steinburger. I don't know whether he was a Jew or not but I am suspecting he is because that is all Nixon appointed was niggers and Jews. Let's talk about Communism. Let's call it what it is folks, it's Judaism. Judaism is (inaudible) and Communism is the polite name for it and then come on with the word democracy. Boy, that is a stinker. (Inaudible) If you don't think so, look at what is going on. That is (inaudible) rules a republic of the United States is our form of Government. You won't find the word democracy in the constitution in the (inaudible). He said republic. Republic of the United States of America in democracy. That word makes me mad. I had a man disagree with me that one time right in a meeting. He disagreed with me and he

is suppose to be in the United States. Less than 30 minutes the man came around and apologized. That was Mr. Murphy. He was killed. The Lord he knew too much but he liked what he knew from the National States Rights Party and he admits he went to see (inaudible) about a case. He said that if that is what is going on Doctor, come out of the office. The doctor came out of the office and began to show him some things and the man got his eyes opened. He read and learned from us what was going on. I think the Thunderbolt was the best newspaper that was ever published in America. (applause) It is all the same sort of fruit. (inaudible) That man is a wheel horse. I only met him recently at a job, he works for the independent food store and the party he works for thinks just like we do. He has about 1,500 Thunderbolts. He is wondering when we're going to put them out. We are putting them out so his boss let him off. He went by himself, he covered Columbia, Tennessee; Nashville, Tennessee and Chattanooga, Tennessee coasts. When he got back down to Knoxville, he sent down and covered all of towns between Knoxville and Chattanooga and out of all those towns, he found one person which wouldn't take the paper. He found just one that wouldn't take it, oh, I don't want to read that, I know it is bad but I don't want to hear about it. Don't listen about it

brother because you will read it from somebody. One time somebody said downtown that I am going to the Courthouse. He laid a Thunderbolt on the desk of everyone in that Courthouse in Knoxville. While they were coming out they were reading them and about a couple of hours later somebody in the Courthouse contacted somebody that was working with the Thunderbolt and asked where can they get the Thunderbolt. They haven't got enough. (applause and laughter) It just so happened the man they contacted happened to have about 25 or 30 Thunderbolts which he let him have. How many do you want? How about 10 or 15. Come on down and I will give them to you. He went down and put them out at the Courthouse. The other day a friend of mine come to me and said you know the editor of the Journal? I said no I don't know him. He said he called me to see if I knew where he could get a Thunderbolt. He said I want to read it. He said if you actually want to read a Thunderbolt, I will bring you one. He said I'll read it because I have heard so much about it that I want to know what kind of a newspaper it is. He said I will bring you two. I took him one about Nixon and all of Nixon's department and then I took him one with (inaudible) story.

Next day he called me and he said that he would like to meet the guy who is the head of that paper. He said he is a nut or he had more damn sense than he had.

(laughter) That is what the editor of the paper said.

So you see that Thunderbolt is really going along well and doing something. I have been (inaudible) for a good many years just on my own. I have been telling people, talking about the NAACP, the ADL, the (inaudible) telling them all about it. None of them would agree with me.

Couldn't be this because they wouldn't tolerate it. This is the only country on earth that has ever tolerated the Jew and I just would like to know what we are waiting for. I sometime wonder. Every country on earth run him out not only once but two or three times. There must be a reason. Why should we tolerate it. Why should we allow him to have control of our money? Or control of anything? Let him have a bush garden and go out and pick up rags, bottles and bones like they use to do. That is the kind of job good enough for him. Let us get together folks like we ought to and let us take this country back. It belongs to us. It doesn't belong to them. Let us get it back into our hands and run it the way

it ought to be run. † Let's get rid of them. Whatever it takes to do that folks, I am for it. (inaudible)

It is going to take a lot of doing to get it done cause we can, we will and we must get our country back in our hands. If we don't God pity us all. We will be sorry.

With God's help and if you all give us your support, we will stay out front and keep on fighting and we

won't give up. Now I am the last man (inaudible) meetings so if nobody shows up but me I will be there. Now I thank you folks for your attention and I hope to see you all again somewhere next year. I thank you. (applause)

Thank you Mr. Dupes, thank you. Next we will hear a few words from a gentleman whose come along ways from the top line, has had a lot of experiences and working closely with Joe Carroll and Bob Lyons. I would like Mr. Ron Rhoad to come up here and talk a little about the work of the National States Rights Party in Baltimore. He is the manager of our Headquarters there and I know he has a lot of practical knowledge and information to give us. (applause)

I have never spoke before to anybody. We have a pretty good organization up there in Baltimore. Joe Carroll is planning on getting back to it if he can come April. Right now he is held down a little just

(inaudible). He is still coming to our meetings and helps deliver the newspaper and things like that and he just can't wait to get back here to a rally. He will tell the Jews and niggers exactly how he feels. The day before he got out of jail a nigger guard asked him if his views had changed any and he told them they had. This nigger guard's eyes lite up and he was real happy. He said they have huh. Joe said yes from a hundred times worse than when I first went in there. (applause) Now I think that is how we all feel. I don't know what to say. (laughter) (applause) Up in Baltimore we have a pretty good youth organization. We are trying to get as many young people as we can (inaudible), lead them away from (inaudible). Up there they have been having a lot of trouble with the hippies and the local communist in the area there. Well, we're praying and we are going to continue to pray that come April Joe gets back to (inaudible). We are going to pray twice as hard. That is about all I have got to say. (applause)

I would like to hear just a few words from another young gentleman who was a close friend of mine, Mr. Weiss from Augusta, Georgia. He is in the service

and has had a lot of experiences. I would like for you to say a few words to the folks here. (applause).

Good afternoon friends, I want you to know this is a total surprise to me because I hadn't had any advance in commission and so I am speaking this afternoon but I do have a few things to say especially relating to the six weeks in the military. Within seven weeks I will have completed 3 years in the U. S. Army. Now at the time that I joined, I was a (inaudible) kid. That was what I was basically. I wanted to get away from the areas of the hippies and so forth and liberals and so forth that intend to dominate our schools where all my friends were going to college and one night the thing to do I decided instead that I would fight the (inaudible) and I thought the best thing I could do was join the Army. Well, I was wrong but never the less I will say that at the time I knew about the race and about the Jewish situation. In other words I knew the whole story as far as the trouble we're facing but it was only an academic area. It was not a personal thing to me. As I remember, thinking back 3 1/2 years or so I was advised by one I believe he was a (inaudible) involved with the ROTC Program on (inaudible) University where my father was

at that time professor and he waid when he came to visit us one night and my dad called me down and wanted me to meet him and he said how do you know you are going to join the Army. Well I got a question for you. Now remember I didn't have any (inaudible) on this so he said what to you think about niggers? Well, I said they are (inaudible). You know this already and I explained the (inaudible) and so forth that I had read but that is as far as I went with him. He said you are ahead on that because I never even considered that when I was in but I will tell you what, I hate them now because I don't know how many years you had of it but having been in all of these years I know what (inaudible). Well, I didn't even know it but I do now. I have been in and out of difficult situations. Largely a 100% in fact are my own responsibility that is you see I take the blame for it. I have never (inaudible) in one minute and stand up for white race in any circumstance in the past three years. First one was a Jew and my second was a nigger so I got a good start. (laughter) A lot of (inaudible) that I figured had dropped them by the wayside. In other words I woke up and it became personal. At one point they led me to an area of conflict with the Army and they locked me up. Well, I was not guilty of any-

thing but never the less they put me away for a while.
At that time it was just like the man says this (inaudible)
here when they asked me whether it had changed my opinions
down here to these things (inaudible) and I said yea it
has changed me alright. It is personal now and I know I
am going to have to do something about it when I get out.
I realize I can't do much at the present but when I do
get out you had better look out. (applause) I can tell
you my hands are tied at the present time in fact I would
like to say that if it weren't for the fact that they
know I am dedicated while I am struggling through any
length they probably would have tried to prevent me
from coming down here today. In fact I am sure they would
have if they thought they could, never the less, I
personally (inaudible). Oh, I say a year and a half
ago or so when I first made the acquaintance of J. B.
Stoner and told him about some of the difficult situations
I have been involved in previously he said any time you
need my help, anytime they try it again, you let me know
and I will be right with you. So they know this. They know
they are not going to be able to put (inaudible) on me.
(applause) We have a great deal of success with the
Thunderbolt on the port and also I found one great tactic
you ~~might~~ ^{might} consider for your own use. Look through your

local papers and see who is writing the good letters to the editor. You will find that there are some people who are getting good conservative, intelligent letters printed and these are the people who to our measure are thinking right but just don't have the right direction. So what you do is send them a copy of the Thunderbolt which is at no expense. We agree with your argument and so forth here is somebody that is doing something about it. Well, I have been doing this for some time and having good luck with it and getting discouraged and what not and one afternoon I was called on the phone there and a fellow from Augusta from Fort Gordon and the man said I got your paper you sent me. I want you to know first of all that the address they printed there was the wrong one. I am not the man who wrote that letter in the first place but I agree with you and I want to thank you for sending me this and it put me in the right direction and we talked for perhaps 10 or 15 minutes and I got his address and then ironically a few minutes later (inaudible) called me in and he said now here is a difficult problem we have. The general doesn't like for this paper to be put out so from now on you cannot receive but one copy of it because your

subscription (inaudible). You can't put out any more of them. You will just have to remember the theory of the fact that they would only do this if you were actually beginning to affect them in a positive way so I congratulated myself on that and so I have been restricted since then as far as putting out the paper and should not but it has restricted me from speaking and engaging in various activities. Just last week I might mention that they threw there (inaudible) lost 3 weapons over the weapon and the FBI man came in to talk to me because the CID which is the military police (inaudible) couldn't handle it so they called on the FBI and the FBI man came to me and asked me what he knew about these weapons and I told him that it was not my responsibility (inaudible). Well, we already know that. How does that relate to you (inaudible). Well, you know your politics here and you could have predicted it and it would have been brought out because we know who you are and we know that you know where we stand. The only thing I can probably do is bring charges against you and these people that are responsible because of negligence. Well, he said that is probably true stealing your weapons back won't involve me because you can do it. He said yea but

I can charge you if I could. He said you just go ahead and try it and you can talk to J. B. Stoner. J. B. Stoner but (inaudible) (laughter)(applause). I don't anticipate any problems in that respect any more. (laughter) The next few weeks I hope that I can do more then just try to wake people up in the limited capacity that they are in now. I want to be able to do something full time. I am tired of it. It has been building up and building up three years living with niggers. It is almost, almost too much to bear. I think that if the young people of this country have to have lessons (inaudible) I want to carry out the message and bring this to them. I want to be able to help other people, especially young people to face these decisions, benefiting from the experiences that I have had and I sure have had my share of it. I want to thank you Dr. Fields for allowing me to speak this afternoon. He surprised me like I said. I didn't have any prepared remarks or anything else and that's all I can say for it. Thanks alot. (applause).

We will look forward to the day when he does get out of the Army, when he is discharged in about 7 weeks.

Now our next speaker who is our new National Chairman Attorney J. B. Stoner. Let's give him a big hand. (applause)

A few of our visitors had to leave just a few minutes ago to catch the airplane for Chicago. I guess there are a few others here that will have to soon be leaving so I will do you a favor, I won't talk too long. During the next forthcoming year we have elections coming up in various parts of the United States for local offices and especially State Legislature. We especially want to work with all those party members throughout the country and every county and state where there are enough active members and where they can get enough other people to help them put on some effective candidates and some effective efforts and effective campaigns and election of candidates for the State Legislatures in other local offices. I mentioned this in starting so you could be thinking about it because it won't be too long until we have these elections in 1970. In many places we cannot get on the general election ballot because we have the election laws rigged against us third parties and in favor of the Jews controlling the two party system that they are always boasting and talking about the wonderful two party system.

Well naturally it is Jews and the Jew propaganda maybe with (inaudible) about the two party system since it is their system. So when we cannot get a hold of a general election ballot, we run our candidates as if he is a Democrat or the positive primary openingly as candidate to the National States Rights Party and openingly on our white races, anti-Jew, anti-nigger, anti-FBI, anti-communist platform, on our white Christian American platform. So during the forthcoming year let's get ready for some of these elections and let us elect some candidates next year and once we elect a few candidates, we will show the right wing and the white people in this country that our kind of program can win once we show them that our kind of program can win. I don't think we will have any trouble winning after that. (applause) Now this is a long fight. It is a hard fight and if anybody wants to join up and expect to win the fight in two or three weeks or two or three months, he shouldn't join up, don't even send him up in the National States Rights Party. This is a kind of fight to which he is fighting for his life because look at the Jews. The Jews have been conspiring and carrying on their campaign on top of the world for centuries. For centuries the Jews have been out here working for the world and they still don't have it. If they are smart when it comes to using their money to gain power to gain political, social,

religious power they know how to use their money to do that. They know how to stick together against us but they still have a big stupid streak in them. If Jews were as smart as they think they are, they would already rule the world and we would already be dead, if the Jews were as smart as some people think they are. They are our worse and most vicious enemies. They are God's work done within this world. The Lord Jesus Christ himself called the children of the Jews the children of the devil and that is what they are, the children of the devil. (applause). To hear some of these preachers preach that the Jews are God's chosen people, that is one of the worse insults anybody could give God inspite of men, to call the devil's children God's chosen people. It is plain in the Bible that the Jews are not God's chosen people that they are the devil's chosen people. His own children. They are satan's kids. Now they have been fighting a long time so we have got to fight for quite a while. We can't have a short time fight here. We can't expect to win the fight in a few weeks or a few months when the Jews have been after it for centuries and they still haven't completely taken over the world. They keep corrupting us though. Down through our history they have always been good to mix the races in every

country and destroy that country. They have been the greatest race mixers in history and throughout the known history of the world they have controlled the slave trade and, of course, by controlling the slave trade they bring the niggers into every white country and sell them to people so they can have some cheap nigger labor and that is what you get when you have a nigger working for you. You have some cheap nigger labor. (applause) Of course, here in the South we have customs and traditions that are carried over from slavery days and people are in the habit of having their (inaudible) coons to mow their grass and to do their yard work (laughter) and then they are in the habit of having those apes in the house, house-cleaning it and back in the kitchen with their filthy hands in their food, their food and (inaudible) in your food. (laughter) That stuff could really get to a lot of people. (laughter) Yes, that is what you call good old Southern cooking but I don't like that good old Southern cooking. I am tired of eating that nigger sweat and that nigger (inaudible) (laughter) (applause. We never did need the niggers in this country in the first place. If it hadn't have been for the Jew slave traders up in Newport, Rhode Island who own the slave ships and have an Agent bring them

over here and hiring white people to sail the ships and selling them to a bunch of greedy white people, a bunch of greedy white people who brought those black animals from Africa. They were no good too. If you have any addresses who were slave owners, there is a lot of them. Excuse me, I am not holding anything against you (laughter) but I am just saying that they brought them on over. Now the Jews are using the niggers but I am not just going to blame the Jews and I am not just going to blame the niggers it doesn't make any difference. (inaudible) All the Jews drop dead and the niggers stay here biologically while our white race (inaudible) die on account of mixtures with that poisonous (inaudible) Of course, that is why they have the niggers here, they are wanting to poison our blood stream with that jungle blood. The reason they want integration in the schools, the reason they want integration in the hotels, the motels, the swimming pools and the parks. There is one purpose why the Jews go along with that kind of thing is because they hate the white race. They want to mix our blood stream with that of the African blood stream so that the white race will cease to exist. (applause) They talk about hate. All of these Jew devils and all their (inaudible) they say we hate. I don't know of anybody with more hate in their hearts than the Jews

and these Jew (inaudible) that are running around loose. They are the ones with hatred. They hate God, they hate the white race, they hate America, they hate every white country and then they say we hate. Well, when it comes to God's enemies. You know what, he was on a TV program up in Cleveland, there was a clergyman on the program on the (inaudible) and he said well how can you as a Christian hate Jews and niggers. He said that is not a Christian. The Lord's Bible says to forgive your enemies and it is like I told him I forgive my enemies, my white brothers that I have trouble with and all but there is one thing that I cannot do and I wouldn't insult God by doing it and that is I would not get up and forgive God's enemies for his sake. (applause) I (inaudible) (applause) the sooner they get there the better. (laughter) We have this Jewish conspiracy and separate from most conspiracies because it is not secret. This kind of conspiracy that is going on is against us today is a secret according to some people in those law books the conspiring secret thing and only a little of it shows like a little iceberg showing up at the top of the water but not this Jew conspiring, it is different from any other conspiracy because they are right out there with it. Of course, they can write in their Jew publications and we read their magazines and newspapers

that are published by Jews to read. I am not talking about the Jew control labor, friends I am talking about that bunch of newspapers and magazines published by the Jew or Jews that are still in English. They have to be a little careful as to what they say since we know that they read them but in those publications they take the niggers side 100%, they take the Communist side and yet some people say that (inaudible) they fight communism. If you fight the Jews or niggers you are in favor of communism. Communism is Jewish. It always has been ever since it was started by those Jews right by Moses help and called (inaudible) (inaudible) among the other Jews that has been run by the Jews down to the present time when here in the United States you have your Communist Daily World which is edited by a bunch of Jews and with \$2,000,000 left to us by Jews who died and left \$2,000,000 to watch the New Communist Daily World Newspaper in the United States.

Yes, here the Jews are, Jews and Communists Jews and Niggers, the black mob, against us white people. In their own papers, they brag how they're on the Niggers side, they brag about friendship with Russia, building more bridges over there and you hear LBJ talking about building bridges to Russia. Here the other day, you have that nincompoop Nixon up in the White House entertaining the Russian Ambassador at a garden party. That's the kind of a traitor we have in the White House now, another one just like LBJ. (Applause) - Yes sir, the Jews they can publish in their own papers that they're for race mixing, that they're for Communism, that they're for world government, then when we get up here and say the same thing, we're a bunch of hate mongers. (Inaudible) admitted it because we get there and tell the truth about the Jews themselves say about themselves. The Jews have been after power for a long time and the object of the National States Rights Party is to destroy the power of the Jews and we come to find this country will have some real prosperity because when the National States Rights Party is elected to power, we'll confiscate every bit of wealth the Jews have, every piece of property, every stock and bond, dollar, and I mean that we're taking the shirts off of their back. (Applause) Here we have the richest.

country in the world today because white people are here and doing the producing, the inventing and the producing, and yet the Jews rake in all the proceeds instead of the white people whose brains and efforts produced the wealth, then, they take the money away from us, the Jews get their cut, they give the Niggers a cut and the politicians steal the rest and still they're not satisfied and they want to higher taxes all the time.. You have a Governor here in Florida who's supposed to be a conservative, and since he got in, I can't tell the difference between him and Robert King High. Up in Georgia, we got Lester Maddox and now he's trying to tax and outbid the new deal. (Laughter) Whenever your politicians won't (Inaudible), when you can't befriend them and get them to come out and (Inaudible) for the white people against the Jews and the Niggers, you shouldn't waste your time working for them or campaigning for them or voting for them. (Applause) We of the National States Rights Party are fighting for a white Christian America and we want other countries to be white Christians, too. I think that once we're elected to power in this country, we ought to help England and Germany and all the rest of those countries get rid of their Jews and Niggers. (Applause)

They talk about peace, and when I see the Birch Society, I don't mean to reflect on any of their members because in the Birch Society, most of the members, I think, are good patriots, but the leadership of the Birch Society is rotten and they hopefully take the Jews' and the Niggers' side. What about us? They denounce anybody who takes the stand for the present nation of the white race. Now if anybody who takes a stand against the Jews, they say Jews and Niggers are good, we ought to work with them, we ought to cooperate with them to stop Communism. The Birch Society says Communism could not succeed without resistance. It's in their own (Inaudible) letter that I've read that the Birch Society has said that Communism has to have resistance to be able to win, that somebody has got to stir up some opposition to have conflict. Well now some traitors over there in Cuba, some Birch Society (Inaudible) type over there in Cuba told the Cuban people that so they just laid down and did nothing to stop Communism so now they're under a Communist dictatorship, if they're still alive. And yet, the Birch Society preaches unto us to surrender to Communism. They say study, read a few books about Communism, learn all about it. Well, Khrushchev will tell you to do the same thing, Kosygin and all the rest of the Communist leaders

will tell you to study Communism. Like one legislator here in this county, (Inaudible) ran in the legislature anymore, has got a bill plastered in the State Legislature to require that Communism be taught in the schools and, of course, his point was that the teachers would teach that Communism is bad. Well, how anybody could think that the Communist and Pro-Communist and Jew elements, they control our public school system, are going to think that Communism is bad, they think. They do the history classes, (Inaudible) classes, English classes, and what other classes in the schools to teach Communism already. Many of you put in a special program to teach the so called evils of Communism that don't think the evils of Communism. It's just like fighting the law. They have segregation and then the NAACP (Inaudible) you don't have any. Why fight (Inaudible) more laws when we have enemies who are the ones administering the laws against us. Everybody is talking about let's fight the new laws to stop Communism or new laws to stop something else. The only people they're going to use any new law against is us white, Christian, patriotic Americans. It doesn't make any difference what they call the law. When (Inaudible) government and when it comes to Congress and the Federal

Government and we have a bunch of [Inaudible] running our government, from top to bottom. (Inaudible) in Congress, you can count all of the (Inaudible) of good Congressmen on the fingers of one hand. On the fingers of one hand, you can count every decent Congressman that is up there. That's right. Even those that you count on the fingers of one hand are all weak but the rest are a bunch of (Inaudible) bums. They're not even fit to be out here cleaning the streets, let alone running the Congress. (Applause) Yeh, the Birch Society says do nothing but study Communism. We say do something about it. We hope to win the political power by being elected to political power and using the powers of government to get rid of the Jews, the Communists and the Niggers. Of course, practically all Communists are Jews, except the handful of stupid Gentiles who are stupid enough to fall for that Jew-Communist propaganda. They say don't do anything to stop it. Well, we're going to try to gain political power to stop it. If we don't, we'll end up in a revolution and (Inaudible) in a war in this country, just like Spain had. (Applause) Now the Birch Society (Inaudible) Communism. Our kind of people were the kind over in Spain that told the people to fight back against Communism. (Inaudible)

kill the Communists, so Spain is not for a Communist dictatorship. So what are we going to do, follow the Birch Society line and go Communist like Cuba? Don't resist, because they say resistance helps Communism. Well, there wasn't any resistance in Cuba and they took over easily. There was resistance to Communism in Spain and Communism was stopped. Then the Birch Society says we're troublemakers. Well we ought to be troublemakers. With all the crime and treason, Jewism, Communism, Niggerism going on, somebody needs to stir up some trouble against it all. (Applause) Everywhere white people go, they hold rallies, they (Inaudible) holler outside agitators. Well, the Niggers had plenty of outside agitators to travel all around the country stirring up the Niggers against us. You got outside agitators like Richard Nixon and Lyndon Johnson and Hubert Humphrey and Edward Kennedy going around the country, a bunch of outside agitators going everywhere to agitate the Niggers and stir up against us white people. So what's wrong if we white people have a few agitators (Inaudible) agitators, outside agitators going around the country stirring up the white people to stand up for their rights. There's nothing wrong with it.

The more outside agitators we have (Inaudible) everything would be all right but it doesn't work that way. We will never have racial peace or any kind of civil order in the United States again. We won't have any kind of peace in the United States until we get rid of the Jews and Niggers, move them on out somewhere. (Applause) And they talk about law and order, well, we had law and order when we were under the British crown. We had law and order so if we're going to fall on the law and order line, we ought to go back under the British flag, forget about the Constitution. After all, George Washington, Patrick Henry, Thomas Jefferson (Inaudible) there would have never been any signing of a Declaration of Independence if they hadn't believed in law and order because law and order was loyalty to the British king. (Applause) Used to in the school books they taught us to believe in freedom and liberty. They've dropped that, now they say believe in law and order. Well, Germany has always been able to uphold law and order. You never hear of Germany without law and order, and that's what law and order is, with their spy, unjust rulers. Unjust rulers, when they have law and order, have guns. It's that simple. So if you believe if freedom is guaranteed by a Constitution

of the United States, the Bill of Rights, the Declaration of Independence, inspite of some of its misinterpretations, you can't believe in the kind of Jew-Communist-Nigger law and order that's going on today. The Birch Society and somebody ought to say we should uphold local police, we should believe in law and order. Well, do you know what law and order is? Law and order is all these white children out here that have to go to school with Niggers, they have to go in swimming in the same swimming pool, they have to go to school cafeterias and eat with the Niggers, they have to go to the playground with the Niggers, they have to go to the bathroom with the Niggers, they have to go to (Inaudible) with the Niggers. That's law and order. Now for the kind of law and order that George Washington and Patrick Henry and Thomas Jefferson and those other great Americans believed in, and Benjamin Franklin, among others. As for their kind of law and order, and I say the kind of law and order that's being imposed on us today is Jew-Communist law and order that's contrary to the Constitution of the United States that's been made a dead letter by these same Jew-Communists who holler law and order all the time. (Applause) But regardless of how much they holler law and order, and, of course, one reason for the founding of this country was to ask peace and tranquility. Well, we believe in love,

we believe in peace, we believe in unity, we believe in justice, but we'll never have it as long as God's worked enemies are allowed in our country, the Jews. And, we will have no law and order, real law and order, just law and order. We'll have no peace and tranquility in this country as long as these black feets are allowed to roam around in this country anywhere. (Inaudible) all we can have is love and peace and tranquility. (Applause) (Inaudible) law and order. (Applause) and that's our goal. A white Christian America and that's what I'm going to keep working for and I hope all of you good white people will do the same. I thank you.

(Inaudible) long ways to go. We're very happy that all of you could be here. We're going to be around after this meeting to talk to you individually and privately. Before we close, I have an announcement here by our National Organizers and (Inaudible).

Ladies and gentlemen, again I would like to say it's been a great honor to be back in Jacksonville, Florida, being with all you good people. The last couple of hours, we've had great speakers here but I would like to point out one thing. A lot of our people in the National States Rights Party, the biggest majority of them, are working people, unable to attend every convention that

comes along. Thousands of people with the National States Rights Party and they could not come to Jacksonville, Florida, today because they did not have the money as the other organizations, like the Democrat and Republican Parties. They don't have Jew money handed to them because they have to go into the factories and they have to earn a living, about \$125 a week. So, talking with some of the people from the State of Kentucky, talking with the other National officers, I've asked that we have the next National Convention in the State of Kentucky. We'll have Mr. Jerry Pope to be our host there. Now, I would like, on behalf of Mr. Jerry Pope, to invite everyone of you for the next Convention coming up one year from today, to be in Kentucky and we're going to work hard, I'll work with Mr. Pope up there, and we'll have another great convention, and I want to see everyone of you there. And, I'm looking forward to have Mr. Bob Barber to come up to Ohio to speak before too long at work and also the Britton boys. We want to have more men like the Britton boys, like Mr. Bob Barber. We want to have all over this nation men like this and their chapters leading our people. So, once again, I would like to say we'll be looking forward, one year from today, to have all of you in the State of

Kentucky. I thank you for your attention. (Applause)

Mr. Barber's suggestion reminded me that we should all be looking for a site for a mass out-door rally in our communities back home. In the next few weeks, we are going to be launching a campaign of out-door rallies and if you have a place that's well located on an open field that can easily be found by people, on a main avenue or highway. If possible, if people can drive onto the field, as a drive-in movie, all the better. And, if you can find such a spot in the location of your community and let us know about it, we'll try to work it into our program and have a rally there, right in your own home town. So find this location and write us and let us know about it. So, we will be here after the meeting and we're going to close with a word of prayer from Mr. (Inaudible. Mr. (Inaudible), would you close our meeting with a word of prayer?

Precious Heavenly Father, It's been a great meeting that thou hast bestowed upon us all that have attended this glorious meeting. Thou hast made it possible for many to come from far distances. Thou hast protected them in bringing them here. We had told thee to extend the same protection on their return back to their homes and when they return home, may they, in all their strength and ability, go out and go forth to serve thee and to do thy will and to do it in the way that thou would have

them to do it and continue to do so by adding new members into the party that is working for thy coming kingdom here on this earth where it will be a white man's kingdom as thou hast intended this to be when this nation was first founded back after the Revolutionary War. Lord, we thank thee that thou hast been kind and good to us. We thank thee for the leaders of this party. We ask thee to have a special blessing for them. Watch over and take care of them and their families and see that all return to the next meeting which will be held at a designated spot. In thy glory and for welfare and thy being we ask it in Jesus Christ's name and for his sake. Amen.

"OPEN SEASON ON WHITEY"

This has become the rallying cry of Black Power leaders from coast to coast. Militant Negro groups are parroting this phrase while stockpiling rifles and ammunition. The streets are rapidly becoming unsafe to travel after dark. Everywhere the White Man looks there is a young Negro eyeing either him or his wife. The White Man does nothing. The sad truth is that the braver the Negro becomes the more cowardly the Whites act.

RACE WAR COMING! You can smell it in the air in the streets of our major cities. The tenseness, the lull before the storm. That friendly little Negro paperboy may be firebombing your home before the summer is over. Those poor Negro drop-outs you feel so sorry for may be dropping you out before long. And how about the janitor at work, and your mailman, and...

YOUR SKIN IS THE COLOR OF YOUR UNIFORM! Wake Up, White Man! Face the truth! Your Jew controlled politicians have sold you out to the highest bidder. If you don't wake up now you're in for a long sleep!

WHAT YOU GONNA DO DADDY! When militant Blacks break down your door and butcher your family? And how about your wife? Remember, Negroes rape before they kill! How are you going to defend your family and home when you don't even own a firearm, and wouldn't know how to use one if you did? Well then, you had better get a weapon. And you had better learn how to use it. The Blacks aren't kidding. When they strike you are not going to stop them with apathy. It's going to take power. White Power!

COUNTERMEASURE! The only effective countermeasure against Black Power is White Awareness. It is in this direction that the National States' Rights Party moves. We teach Reason through Awareness of Race.

ARM NOW! Teach each member of your family weapon care. Learn what steps you must take to make your home a fort. Fight any and ALL attempts of Gun Registration (this is only a plot directed by traitorous elements in our Government intended to disarm Whites and leave them to the mercy of Black terrorists). Be Prepared! This may be the longest summer of your life. Or the shortest...

Join the NSRP today!

The National States' Rights Party, America's largest White Christian National Political Party is now re-organizing on a state-wide basis throughout Illinois. We are the only Political Organization which dares to inform the people of America with the true facts concerning Communism. The N. S. R. P. offers leadership at both the local and national levels. If you fear Black Power, Jewish economical enslavement, the apparent Treason of our Officials in Washington, etc., then join us now. For more information write us today.

NATIONAL STATES RIGHTS PARTY

The July, 1969, issue of "The Thunderbolt", the official publication of the National States Rights Party (NSRP), a characterization of which appears in the attached appendix, headlines the front page, "Right-Wing Beats Liberals in Los Angeles, Minneapolis, and New York". The article accompanying the headlined story notes that the mood of America is changing fast and comments on the three important political victories and three important wins for the police against the force of black mob rule. Additional articles on page 1 comment on the outcomes of elections in Los Angeles and New York.

Articles on page 2 also refer to other election victories referred to as victories for the cause of law preservation. In addition, there is a reproduced letter on page 2 described as being from "W. M., Toronto, Canada", in which the writer states he is disturbed about the course of recent events in Canada where on the city streets of Toronto one can see an increased number of West Indians and the consequent growing incidence of race mixing. The writer is quoted as saying he supports the NSRP view that this will destroy western civilization, and says he is giving consideration to the NSRP. He requests that a copy of the NSRP Constitution and By-Laws, as well as the program of Negro repatriation be forwarded to him.

Page 3 is devoted to articles mostly concerning Negroes, the lead article being headlined "White Women Raped by Negro Police Officer". This lead article refers to fifty-eight

rapes of white women in the St. Louis, Missouri; area and the arrest of a Negro police officer after his identification by some of the rape victims. Other articles on this page refer to alleged dope peddling by Negro policemen, the freeing of a Negro extremist by a Negro judge in California, and the impeachment and disbarment of a Negro judge in Delaware. The articles mostly conclude that American police departments of all Negro policemen since they are unreliable, and only an all white police force can have high morale and the spirit of true brotherhood in defense of law and order.

Articles on page 4 and 5 also refer to various racial stories such as the alleged setting afire of a New York teacher by blacks, the stabbing of a Detroit teacher in a "blackboard jungle school", as well as articles about Chicago police officers being found "not guilty" for assault during the Chicago Democratic Convention.

Page 6 contains the masthead and identifies Dr. Edward R. Fields as the Editor and the mailing address as Post Office Box 6263, Savannah, Ga. The editorial on this page comments on the swing of the right-wing in Los Angeles, Minneapolis, New York anguished nail chewing for the leaders of the Republican and Democratic parties. The editorial concludes that the greatest opportunity lies ahead in the 1970 elections and "Thunderbolt" supporters should consider running for public office.

The balance of page 6 and page 7 are mostly devoted to reproduced letters to the editor, including one from a reader identified as "R.W.H.", who states he is from the Inglewood, Los Angeles, area where he resides in the Morningside Section. The writer of this letter comments on the "swarm of blacks who have recently come into the area and notes that one of his sons in Morningside High School had give a copy of "The Thunderbolt" to a local police officer who gave it to his fellow officers at the Inglewood Police Station.

Page 8 contains a letter from a writer identified as "C. S., Hayward, California", who states he is applying for membership in the NSRP and relates that for many years he was a "Red" in one of the little socialist splinter groups. He relates various alleged personal experiences while associated with such organizations and notes that he is now applying for membership in the NSRP to "save our nation and our race".

NATIONAL STATES RIGHTS PARTY

Page 9 is captioned "Clippings from the Leftist Press", and reproduces articles from various Jewish publications such as one relating that Jewish students are often campus revolt leaders and that Jewish militants seek common ground with black militants.

Page 10 is captioned "NSRP Members Page" and is headed "Selected NSRP National Chairman". The article notes that the highlight of the recent NSRP Convention in Jacksonville, Fla., was the election of Attorney J. B. Stoner as Chairman, and Ned Dupes of Knoxville, Tenn., as Vice Chairman. The article relates that both men were elected to the ruling executive committee with Dr. Edward R. Fields, Newman Britton of San Bernardino, California, Kenneth Adams of Anniston, Ala., R. E. Eldridge of Dayton, Ohio, Gene Wilson of Jacksonville, Fla., and Peter L. Xavier of Savannah, Ga.

Another article on this page referring to the NSRP convention as a great success relates that Norman K. Anspach of Little Rock, Arkansas, was one of the speakers and he spoke of the vital need and great opportunity of enrolling today's youth into the Party. The article states that Reverend Buddy Ross of Temple, Oklahoma, addressed the audience on the close connection between Christianity and the goals of the Party. Newman Britton is related to have brought down the house with his dynamic speech and Attorney J. B. Stoner is described as reviewing NSRP activities during the past and stressing the opportunity in the future. The article states that Jerry Pope reported on the work of the NSRP in Kentucky as did Ron Rode, Manager of the NSRP Office in Baltimore, Md. Mike Landis and Roy Wake from the Chicago chapter are described as having spoken on the challenges facing the Party and Ned Dupes is noted as having talked on the Federal Reserve and Monetary System. The article identified other speakers, as R. D. Eldridge, Jimmy Britton, Gene Wilson, Dr. Fields, Rufus Britton, and James Dewitt.

Page 10 also contains pictures of J. B. Stoner, Jane Arnold, Edward R. Fields, and Norman K. Anspach.

An article on page 11 with an accompanying picture relates that Jerry Pope was named "NSRP Man of the Year". The accompanying article relates that Pope of Covington, Ky., who is the Kentucky State NSRP Organizer, was responsible for the establishment of the new NSRP chapter in Covington. The article

NATIONAL STATES RIGHTS PARTY

notes that the Covington NSRP chapter had distributed more copies of "The Thunderbolt" last month than any other chapter and that last month Pope flew to London, England, to meet with right-wing groups there "as the representative of the Party".

Page 11 also contains announcements of future meetings:

July 12 and 13 at Baltimore, Maryland;
July 11 at Gloucester City, New Jersey;
July 19 at Los Angeles, California;
June 29 at Dayton, Ohio, and Covington, Kentucky; and
June 30 at Nashville, Tennessee.

This page also contains a notice that Bob Barber would be traveling and speaking in North Carolina, Virginia, Tennessee, Arkansas, Alabama, Mississippi and Georgia, on a full time basis beginning August 1, 1969, and that meeting halls and open air fields should be secured now.

Page 12 contains a reproduced membership application for the NSRP and a list of the books and literature available for purchase.

HARASSMENT OF BUREAU AGENTS BY MEMBERS
OF THE KLAN AND WHITE HATE GROUPS
RACIAL MATTERS - WHITE HATE GROUPS

Recently, two Agents of the Tampa Office were interviewing persons who attended an organizational meeting of the National Socialist White Peoples Party (NSWPP) also known as the American Nazi Party. While interviewing one of these subjects, his brother, who had also attended this meeting, appeared on the scene. These persons verbally insulted and photographed the interviewing Agents. Those being interviewed also copied down the license number of the Bureau automobile. They were very careful not to touch or otherwise assault the interviewing Agents.

RE: HARASSMENT OF BUREAU AGENTS BY MEMBERS
OF THE KLAN AND WHITE HATE GROUPS

The August, 1969, issue of "The Thunderbolt," official publication of the racist National States Rights Party, contained an article which was an unrealistic and obviously false account of the interview mentioned above and a copy of the photograph taken of the interviewing Agents. This article, which was entitled "White Patriots Give FBI Stooges 'Bums Rush' -- Way to Stop Harassment Found," contained a new harassment technique. This article pointed out that persons being interviewed by FBI Agents should immediately call neighbors and state that the Agents attempted to entrap them into assaulting them. The Agents should be requested to repeat the "challenge" in front of these neighbors. The article went on to point out that "If he refuses, call him the cowardly sneak he actually is." If he "does repeat the challenge in front of the impartial witnesses, then you may freely administer a good thrashing."

The above represents a possible method by which interviewing Agents can be brought into apparent disrepute by means of lies perpetrated by those being interviewed. All Special Agent personnel handling Klan and white hate group investigations are to be promptly advised of this information and are to be instructed to be constantly alert for this and any other attempts to harass, intimidate or embarrass Agents conducting these investigations. All offices receiving this communication should remain alert for these types of threats. Consider same with a view in mind of future prosecution.

The investigation of Klan and white hate groups, which incorporates the Klan interview program, has been extremely successful in developing racial informants as well as stunting and containing growth of these racist organizations. In addition, this interview program has definitely prevented Klan and white hate groups from instigating acts of terror. These groups are disintegrating; therefore, we cannot let up in our programs. Good judgement and common sense are, of course, to be used in the conducting of these interviews. They should be conducted in such a manner that deceitful, irrational acts by those being interviewed cannot be perpetrated on the interviewing Agents.

It was learned that [redacted] contacted [redacted] telephonically this evening at 5:35 p.m. and asked him to join him at the "Visitation Gym" at 7 p.m. to meet with several gangs [redacted] is trying to organize. [redacted] said this is located at 900 West 55th Street in Chicago, Illinois. [redacted] arrived in the area at 7:05 p.m. to find the Visitation Catholic Church is located at 55th Street (Garfield Boulevard) and Peoria Avenue. (900 west) The gym is located in their high school and local youngsters use the gym in the evening without any supervision. [redacted] had made arrangements to meet local gang members at 8:30 p.m. in the gym. For the next hour and a half [redacted]

[redacted] toured two nearby parks, Wagner Playground Park at 51st Street and Peoria and Sherman Park. In this area many teenagers playing soft ball, etc. knew [redacted] on sight if not by name. Many recalled his arrest at Gago Park High School in May, 1969. In all cases [redacted] asked the youths to give him their first name and telephone number and he in turn gave them the telephone number of his store location of UPI on south Troy and UPI member [redacted] telephone number. At least half of the 25 or so youths that [redacted] talked to knew [redacted] High School. [redacted] told all that unity is the key and the gangs must stop fighting among themselves and also stop fighting the P.R.'s. (Puerto Ricans) Many youths complained about fighting with P.R.'s and some said they had been shot by P.R.'s in past gang wars. [redacted] assured the youths the P.R.'s would fight with them and very few youths disagreed. [redacted] advised the youths to secure hand guns and rifles and at least one each. [redacted] asked them to contact their friends and have them contact him too. [redacted] urged them all to buy white berets at a store at 63rd and Western Avenue in Chicago. In almost every case the youths quickly gave [redacted] their telephone number and suggested gangs or other youths to contact. [redacted] has

shaved his mustache in an effort to look younger but none of the youths seemed to question anything about [] or what he said. [] gave the youths no goals or plans except to "fight niggers". It is clear [] has done much work already. At the Wagner Playground Park at 51st and Peoria the young lad who works there gave [] the park telephone number and promised to contact people he knows in an emergency. This boy is about []

About 8:30 p.m. [] arrived at the Visitation Gym to find over 100 youths waiting already sitting waiting for him. They ranged in age from 12 to 20. Again [] collected many first names and numbers and gave his two numbers. Again he stressed unity, guns, white berets, the name "white nation" for the group, fighting with the Puerto Rican gangs, selecting leaders to represent each gang in white nation, regular collection of dues, etc. Again the youths seemed to accept [] words and leadership without question and only Puerto Rican question stirred any debate but all agreed to cooperate. One youth who said he was 20 and lived as far away as 95th Street came forward with his name, etc. for []. About 9:45 p.m. the group of three left the youths and travelled to [] store at

[] in Chicago, Illinois. In all [] spoke to 150 to 175 youths in the gym and parks in the three hour span, he secured close to 50 first names and numbers too. It was later learned that UPI member [] was somewhere on 53rd Street all evening doing a similar job as [] states he would like to bring 1,000 youths together in a show of force for police and press soon. [] intends to meet a few selected gang leaders on Tuesday night, June 24, at his store front. He has invited NSRO leader [] to attend that meeting. On Thursday [] says he will meet with a motorcycle gang. [] appeared impressed by the number of youths [] was able to meet and talk with in one evening and how easy it was to obtain phone numbers and names, etc. [] remains unemployed and devoting 12 to 18 hours a day on this project. In talking to youths [] makes almost no mention of UPI but all WHITE NATION. [] store front office is attractive. While the building is old the store is nicely paneled and divided into three rooms. The width of the store is about 18 feet.

The outer office is about 18 feet square. [redacted] has purchased a carpet for it. The middle room is about 18 feet wide by 24 feet and the back room is about 18 feet wide by 18 feet. A washroom is in the rear. The door and windows to the side and rear have bars on them. [redacted] has books in the front windows. He has a desk in the front office and a movie projector. [redacted] intends to purchase more furniture for the store including a sofa and chairs for meetings. He seems to have large 4 X 6 card file system on his members that remains in the store.

It was learned that a group of young men gathered at the United Patriots International Office at 5910 South Troy Avenue in Chicago, Illinois, this evening. They arrived about 7:30 p.m. to discuss the open house for the press set for Thursday July 3, 1969. On hand were [redacted] his wife and his wife [redacted] of Muskegon, Michigan, young UPI members, [redacted] and several others. During the evening [redacted] and [redacted] got into an altercation that saw [redacted] a [redacted] that required emergency room treatment and sutures at a nearby hospital at about 10 p.m. [redacted] and [redacted] drove [redacted] to the hospital. After they left, [redacted] left the store to go home by bus but [redacted] followed him out and attacked him in a nearby restaurant and CTA bus. The attack grew out of the office altercation a few minutes before between [redacted]. [redacted] was finally unable to flee on the bus. His injuries, if any, are unknown. Later in the evening [redacted] charged [redacted] with : "Being an FBI plant." [redacted] made no response to the charge. [redacted] reported that [redacted] as usual was asking many questions of all present. This is the first appearance by [redacted] at any right wing gathering in almost a year as best can be determined. It is unclear why he is now returning to the scene. It is reported [redacted] came to Chicago today and intended to stay for about two weeks but that he has had car trouble which will take most of his funds and that he now intends to return to Muskegon within 48 hours or as soon as his car is repaired. It was later learned that [redacted] left the store front offices about 1 a.m. [redacted] was unable to go to work on July 2 as he needed three more sutures that morning to stop continued loss of blood. [redacted] does not appear too angry with [redacted] and it appears he plans no retaliation. The dispute arose over NSRP literature and its value to UPI.

It has been learned that [] has printed a Praire Fire issue and an ad for his business he runs from his basement, Valley Press. Both will be in the mails in a few days. He also has printed several stickers with slogans like "White is wonderful". The Illinois NSRP mailing list numbers about 1,000 and as usual [] must contact key members for postage money, [] has given [] \$15 for postage. [] stated this may be the last Praire Fire he works on and prints. [] continues to move closer to marriage with [] stated this will end most right wing activities on his part. [] appears to have no plans to bring in J. B. STONER for a speech as had been hinted earlier and no plans for any NSRP activities of any nature. It was learned that [] did not join Dr. EDWARD R. FIELDS on his California speaking tour this month.

June 6, 1969

It was learned that National States Rights Party members [redacted] left Chicago's O'Hare airport this morning on Delta flight 373 at 10 Am. Also joining the three was [redacted] [redacted] The four arrived in Jacksonville at 1 pm EDT. Securing a National Car Rental vehicle, a 1969 Plymouth Fury III Four Door H. T. Florida License plate 2E6881, they arrived at the Holiday Inn of Jacksonville Beach Florida at 2 pm. This is at High way A1A between 15th and 16th Avenue North on the ocean. Dr Edward R. fields and his wife and three children plus NSRP office worker miss [redacted] checked into the same motel about 6 pm. All other NSRP convention visitors stayed at the Holiday Inn West on Stockton Street in Jacksonville Florida itself which was the site of the convention. The Chicago visitors joined Dr fields, his wife, children and miss [redacted] at poolside untill dark and the adults made the rounds of bars in Jacksonville Beach untill after midnight that evening. During the evening fields asked [redacted] [redacted] if he would be joining him during a July trip into California but [redacted] stated his business would not allow

him to make the trip which fields indicated would cover about ten days and include two week ends and speeches in San Francisco and Los Angeles and several other cities in California. Dr fields also asked [] if he would secure a office or store front for the Illinois NSRP. fields stated the national office could and would finance the entire cost for the first six months of the venture. [] made no comment and fields must have been disappointed but as usual he showed no sign of dis pleasure. fields stated that Chicago right wing ^{BB.} history has shown that the right wing group with a office or store front has always drawn the most support from Chicago area people. Dr fields stated that it now appeared that efforts to secure black people to return to Africa from black groups was meeting with little success but that he, De fields, was still in contact with three such groups at this time. fields stated he may soon place a block ad in the Chicago defender seeking blacks who wish to return to Africa. fields still intends to move ahead with the project and he states funds are available to send them at once.

Shortly after midnight on Saturday, June 7, 1969

[redacted] headed for the Jacksonville airport to meet NSRP [redacted] The others remained at the motel. [redacted] plane was over an hour late arriving at 2:15 AM. By the time the three drove back to Jacksonville, beach and had breakfast it was nearly 5 AM. The Chicago group was up at 9 am and spent the morning on the beach with Dr. Fields. [redacted]

[redacted] who now operates a motel some 150 miles away at Winter Park Florida with his parents was contacted by phone and agreed to meet the group at the convention later in the day. During the day [redacted] stated his sister sends \$25 each month to the NSRP legal fund.

[redacted] also asked [redacted] to purchase a \$10 ticket for a June 20, 1969 dinner [redacted] is running to honor Steve Telow and raise funds for a Chicago legal fund. [redacted] gave [redacted] \$10 saying he would be out of the city on that date. The Chicago NSRP members arrived at the convention motel (Holiday Inn West) shortly after 2 pm. In the car on the way, [redacted] got into an argument that became so heated that [redacted] called [redacted] an alcoholic, charged he was on "somebody's payroll" and ordered to have the car stopped and light

[redacted] As soon as the group arrived at the motel for the convention, [redacted] departed by cab for their motel at Jacksonville Beach. [redacted] stated he felt ill. The convention opened at about 2:25 pm. Between 170 and 190 people nearly filled the 200 capacity room. No American flag was present. The NSRP banner and a confederate flag were in place. A brief racist prayer opened the convention. There was no pledge to the flag or other sign of USA loyalty. The prayer called on NSRP members to obey God's wishes to promote the white race over "niggers and Jews". J. D. Stoner took the floor to welcome all to "this anti nigger and anti Jew convention". Convention host W. E. "Gene" Wilson spent five minutes to briefly welcome the NSRP members. In the next one hour and 15 minutes, [redacted] Newman Britton and Rev [redacted] addressed the convention. [redacted] recalled the Beria shooting of last September 1 and charged the NSRP was railroaded during the trial and charged the FBI stepped into the case to see that "the niggers were freed and we were rined". Newman Britton of California gave his

usual ^{he} loud bellicose speech. Britton stated that intended to "not ship niggers back to Africa but bury them in America and as far as I'm concerned you can start building the ovens for the Jews right now.!"

This brought wild applause from the group. The Rev [redacted] of Temple Okla. spoke next and stated he was a long time friend of the Rev Connie Lynch and Rev Lynch had brought him into the NSRP recently.

[redacted] used a heavy religious approach and he stated the bible speaks only to the white man and that all who attended the convention were called upon by God to rid America of Niggers and Jews. No press or cameramen were noted but a professional photographer with the last name of Mr. [redacted] took 11 pictures at \$5.00 each by order of Dr. Fields. Fields later stated he had notified local papers but they refused to cover the convention. Between each speech J. B. Stoner, would say: "now to continue our anti Jew, anti Nigger convention we hear next from...." Most present including Stoner would chuckle at this. At 3:50 pm a ten minute coffee break was taken but it was 4:10 pm before the convention was again called to order. At this time about 150 people

were on hand as at least 20 to 40 people did not return for some reason. This next session lasted only about one hour. The NSRP man of the year award was made to [] of Kentucky who recently returned from London England where he met with white racist groups in England. [] also spoke of the serial shooting of "my good friend [] [] stated he would fight to the death to carry on [] beliefs. [] stated he hopes to increase NSRP activity in Kentucky this year. Miss [] spoke on the woman's role in the NSRP. She appeared nervous and told how she decided to dedicate her⁸⁰ life to the NSRP, as she left her Ohio home to work in Savannah. At about 5:15 pm a three hour break was called for dinner with an 8 pm starting time set for the night session. [] then motored back to their beach motel to bring [] back for the night session. [] seemed to be over his anger and returned with them. In the evening session both [] addressed the convention. the convention. [] mentioned [] while telling of efforts to secure TV time for Dr. Fields while in Chicago. The [] speech was short and he praised national leadership of the party and said little else. [] took credit for the February 8, 1969 "right wing raid" on the U. of C. in Chicago. [] stated the majority of the people involved were NSRP members. This is not true as only four or 20 involved were NSRP members. [] also stated NSRP members had stopped a SDS speech at Wright Junior college. [] also told [] recent attack on a Chicago church with a cross bow. During the afternoon coffee break [] to photo [] and himself [] refused to be photographed. [] or James Earl Ray, was present for all sessions but did not speak. He was briefly introduced to the crowd. He said little in conversation with those attending and answered no questions of any nature. his release from prison. [] addressed the convention in the evening session. He is from Fresno California. His delivery and even voice quality sound identical to Connie Lynch. [] gave the standard NSRP speech stating Jew and Niggers must be driven out the United States at any cost. He gave no details how he would achieve this end. Dr fields addressed the convention and he also mentioned [] as he stated he would photo NSRP members on Sunday for group photo showing NSRP patches in a picture for the Thunderbolt. fields charged that John Edger Hoover whitewashed the "Jew involvement" in the spy arrests of the 1950s in his book "Masters of Deceit". fields charged that Hoover called various Jewish groups "leaders in the right against Communism" when in fact they were not. fields further charged that in an upcoming Thunderbolt issue he will expose the J. Edger Hoover foundation. fields states it is run by Jews and is a paper organization that has done little more than promote Hoovers pro Jewish book, "Masters of Deceit". fields states he hopes to make clear Hoover's involvement with Jewery in the USA.

[] arrived at the convention about 8:30 pm and he and [] spent the next two and half hours talking at pool side and were not present for the convention's evening session. [] was asked to help in the collection. It was stated that Connie Lynch needed \$1,000 for a bond before he could be released from prison. All present were asked to donate \$10. [] each donated \$10. In the first pass around the room, \$487 was collected. In the next few minutes over \$1,000 in cash and checks was collected. Another ^{RB} ~~xxxx~~ \$300 in pledges were made. The evening session ended ⁷⁶ ~~about~~ about 11 pm with a 2 pm Sunday afternoon session set for June 8, 1969. In the evening session the two brothers of Neuman Britton, [] and another brother also spoke to Convention. The parents of the Britton brothers were also present. Dr. Fields stated that the Britton brothers came up with \$2750 when the Beria shoot out happened. The final Britton brother to speak, name not recalled, but about 5:10 and 200 lbs and heavy set, spoke of "our good friend Hitler". At this point Fields got a disgusted look on his face as he looked at []. Neuman Britton spoke again just before

credibility. The father of [] was also
present. He is from the Chicago area but has been in
Jacksonville since early May of 1969. The reason is

present. It was stated that close to two dozen Ohio
NSRP members had travelled to the convention. It is
strange to note that not one ¹⁶ speaker- speaker including
Dr. Fields made any mention of the "Back To Africa" plan
that Dr. Fields seems to be so high on in private conversations.
There was no discussion of the James Earl Ray case
either. The four Illinois NSRP members arrived back at
their Jacksonville beach motel shortly after midnight.

It was learned that [] telephonically contacted [] late this afternoon. [] reported that National States Rights Party (NSRP) national chairman, J. B. STONER, will arrive in Chicago at 12:30 p.m., on Monday, August 11, 1969, from a NSRP rally in Dayton, Ohio.

b6
b7C
b7D

[] if he wished to attend a White Citizens Council (WCC) meeting to be held this evening at 7:00 p.m. at the Travel Lodge Motel at Higgins and Mannheim Road near O'Hare Field.

[] reports that two full-time, paid representatives of the group have been in the Chicago area for over a week. They have twice visited [] at his Berwyn address. The one man is from the national offices of the Citizens Council in Mississippi. He is an attorney named [] (spelling unknown). The other man is from the St. Louis area. [] reports the two are in the area to try to locate a man to work with them full time. [] reports the Citizens Council is prepared to pay one-half his salary with local people providing the other half.

b6
b7C
b7D

[] has been asked about the backgrounds of local right-wingers. [] states the man from St. Louis knew him for several years. [] seems impressed with their efforts and goals. One night this week the two men were at [] where [] became very abusive. [] reports that [] is now drunk almost every night at []'s. The White Citizens Council's goal seem unclear at this time regarding their Illinois efforts of the past week. [] reports the two men stated the only request they will make of local people is on the race issue. [] reports they will allow any stand on any local issue with only white supremacy as their one important national goal.

[] states that funds will be available for expenses and an office. [] reports it is his first encounter with them in the North and with this kind of funds.

b6
b7C
b7D

[] reported he was unable to attend tonight's meeting. He did not disclose his meeting tonight at the [] apartment.

[] also stated that a source which he was not at liberty to disclose had "new" information on [] which "looked bad." [] did not want to discuss it any more but [] questioned him and [] finally stated that it concerned information reporting [] to be a plant from a left-wing organization to learn as much about the right and its leaders as could be determined. [] reported he had not talked to [] in nine days and [] stated he, too, had not heard from [] in over a week. [] reported he got no answer to repeated calls to the store while [] confessed he had been too busy to try to reach [] listed several items that would support his contention. They included the fact that [] has made a supreme effort to contact, meet and visit the home of every known right-winger, both leaders and followers. [] seems to have no concern over police efforts to penetrate his organization. [] also states that [] is an admitted former left-winger and a number of people report [] appeared very active in the left wing as late as 1968. [] is an enigma. [] further reported that he had heard that an upcoming "Ramparts" issue will mention his name in a report on the NSRP. [] had no further details. Again, regarding tonight's Citizens Council meeting, [] reports several leaders from Mississippi will be flying in for the meeting.

August 12, 1969.

It was learned that National States Rights Party (NSRP) National Chairman, J. B. STONER, arrived in Chicago on TWA Flight 509 at about 12:30 p.m. on Monday, August 11, 1969. He was met at O'Hare Field by [redacted] Illinois NSRP leader.

[redacted] had no plans for the afternoon and STONER suggested he would like to grant a newspaper interview. WAKE then phoned the "Sun Times" and [redacted] and STONER spent about two hours from 3:00 to 5:00 p.m. with a reporter in a restaurant near the Sun Times Building in downtown Chicago.

STONER spoke mostly of the JAMES EARL RAY case and charged that "federal agents" had killed M. L. KING. He did not give further details.

At about 6:00 p.m., STONER and [redacted] met at the ABC studios on North State Street. Also present were [redacted] and their two children. The group was told to be present at 8:00 p.m. because they were early. It appears that [redacted] then became very interested in one [redacted]. She is connected with the TV show that STONER was to appear on later. At 8:00 p.m., when the group prepared to again make their way to the studio, [redacted] remained in a nearby bar where they had spent the preceding two hours. In all, the group of NSRP members and STONER spent only a few minutes in the studio. Chicago TV show host RONNIE BARRETT announced that STONER would appear with two blacks and STONER refused. When it became clear that BARRETT was adamant in having STONER appear with the blacks or not at all, STONER and the group walked out. The encounter lasted less than five minutes.

It appears that feelings ran high and the group was very tense as they drove to the [redacted] home. They arrived about 9:00 p.m. [redacted] was incensed that STONER would walk out while the rest of the group backed STONER in walking out. STONER was to have stayed at the [redacted] home and he had no hotel reservations. As the group prepared to go home at about 11:00 p.m., however, [redacted] decided that he would be unable to drive STONER to O'Hare Field on Tuesday morning, August 12, 1969. STONER had no choice but to seek a hotel room in the Loop. [redacted] then drove STONER to the Palmer House where he checked in about 12 midnight into room 1546 in a \$24-a-day room.

It was learned that [] arrived at the [] Berwyn, Illinois address today at 2:40 p.m. He was there for a National States Rights Party meeting called by Illinois NSRP leader []. Arriving in the next twenty minutes were [] Mrs. [] a Mr. [].

[] This man first became known to [] during the WALLACE campaign last year. [] and his wife and son attended a NSRP meeting in Peoria, Illinois, in April, 1969, on the 13th. It appears that [] and his wife were involved in disruption at a Cicero Catholic Church on Monday evening August 18th, 1969, when a Negro spoke at the church. [] spent the first hour until 4:00 p.m. discussing J. B. STONER's walkout on the "Chicago TV Show". [] is still incensed by the move and wanted to make clear his position. Nothing was resolved, of course, as the incident is past and all agreed nothing could be done now. [] hinted that all TV and radio may now bar NSRP speakers in the future in the Chicago area because of STONER's walkout. During the final hour of the meeting [] warned the group of an expected riot to the USA on September 24, 1969. [] claimed that he had been getting reports from "many sources". [] stated

the group of a expected riot to the USA on September 24, 1969. [] claimed that he had been getting reports from "many sources." [] stated that a number of Chicago and county police officers had been telling people of stepped up plans to cope with a riot situation and how area police forces would be used to aid the CPD. [] then produced a letter from [] of Michigan. [] had written the letter to NSRP member and KKK member []. In the letter [] stated he had reports of riots to commence in Little Rock on September 24, and spread to all major cities. He indicated martial law would be imposed and water and power supplies would be cut. [] further stated that in Chicago, Black Panthers would lead the way and take white hostages. [] warned it was best to remain out of the loop on September 24. After the "documentation" by [] the natural question posed by those on hand was "What should we do"? [] suggested no NSRP plans but simply stated he felt it was best to inform the key NSRP people that they might wish to remain off work on that day and prepare to leave the city. [] also suggested that those on hand tell everyone they could. [] then suggested a handbill to warn people of the coming riot. It was decided that if such a handbill is produced it must not bear any NSRP

b6

identification as it would put the NSRP in a bad light if the riots failed to materialize. It was also noted that the handbill could result in legal action against the NSRP or those who printed the handbill. Still []

[] felt such a handbill should be printed so "people might be prepared." No decision was made regarding such a handbill. [] reported that he was contacting a half dozen people near the Evanston area in an effort to start a North Shore NSRP chapter. It appears [] gave [] a number of names about six weeks ago from the NSRP mailing list. [] stated he wished to start a south side chapter of the NSRP and [] told him to move ahead with those plans. The meeting ended at about 5:00 p.m.

NATIONAL STATES RIGHTS PARTY

A source who has furnished reliable information in the past advised on December 17, 1969, that Dr. Edward Fields, National Director of the National States Rights Party (NSRP) and his family will arrive at Chicago, Illinois, on Delta Airlines Flight 746 arriving at Chicago at 12:56 PM. His visit to Chicago will be primarily social and Fields will visit relatives at Chicago. Fields and his family plan to depart Chicago on December 21, 1969, via car for a trip to an unknown location in Iowa to visit relatives.

A characterization of the NSRP is attached at the end of this memorandum.

The above source advised on December 21, 1969, that Fields and his family arrived at Chicago on December 20, 1969. Fields' activities while in Chicago were strictly of a social nature and Fields and his family departed Chicago on December 21, 1969, via car for a trip to an unknown location in Iowa to visit relatives of his wife.

The above information has been furnished to the following:

Chicago Police Department,
United States Attorney, and
United States Secret Service, all
Chicago, Illinois, and
Region I, 113th MI Group,
Evanston, Illinois.

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation. It is the property of the Federal Bureau of Investigation and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Nixon's Attack On Georgia Schools Sets Pattern For Entire Nation

No Mixed Schools For Washington Liberals

Those who are the loudest in condemning the principle of "Freedom of Choice" in Southern Schools are themselves doing everything possible to keep their own children out of mixed schools.

The center of the forced integration conspiracy is right in Washington, D. C. There city schools are now 94 per cent Black. This trend could have been stopped years ago if Washington liberals had practiced what they preached and sent their children to the

District of Columbia's public schools. Instead, they bus them at great expense over long distances, consuming much of the child's after-school time, to predominantly White schools in Maryland and Virginia.

The following is but a partial listing of those "gallant knights" who fight for the integration of your children — but most certainly not for their own:

Sen. George McGovern, (D. S. D.) sends his

GOV. LESTER MADDOX
VOWS TO FIGHT BACK

children to a public school in Maryland at a cost of \$2,200 per year because he is not a resident. We wish some South Dakota subscribers would write him and ask why he does not send them to the Washington schools. It would cost him nothing and his kids could walk to class.

Attorney General John N. Mitchell, the nation's chief enforcer of court-ordered mixing, sends his nine year old daughter to the exclusive and private Stony Ridge Day School in Virginia.

Vice-President Agnew sends his daughter to a Washington private school.

HEW head Robert Finch, who has incurred the wrath of millions of White Americans by pairing schools, closing black schools and busing Blacks to White schools himself sends his own children to a public school in an all-White Virginia suburb.

All those Justice Department lawyers who recently protested that race-mixing was not proceeding fast enough in the South and big cities of the North — All live in the suburbs and send their own children to predominantly White schools.

HYPOCRITES ALL

Other shining liberals who have called folks who do not want their kids in blackboard jungle schools such things as "narrow-minded bigots" and "low-brow Southern Whites" but who right now are sending their own children to private schools costing up to \$2,000 per year are Sen. Charles Percy (R., Ill.), Sen. Birch Bayh (D., Ind.), Sen. Eugene McCarthy (D., Minn.), Sen. Wil-

NIXON SLAMS GEORGIA WITH NEW SUIT

For the first time, in the history of the campaign to force integration on the White children of this country, an entire state has been asked to mix all at one time. Out of 192 school districts in Georgia, 83 have either had their federal school funds cut off or have been found not in full compliance with HEW orders.

The Georgia Board of Education has already replied that it has no power to force all local school districts to integrate because each one is completely autonomous of the other. Despite this fact the Nixon administration has issued the following demands which they want enforced statewide:

1. Develop programs for teachers and others to help in effectively integrating schools.

2. Hold up all school construction and expansion of facilities until they can be reorganized within new plans for integration. (In other words they want new schools constructed in border areas for a more "even mix" between the races.)

3. Submit plans for mixing of all 192 school districts with the Atlanta office of HEW no later than February 1st.

4. Confer with the Atlanta office of HEW and their consultants in developing said plans.

NIXON KNOWS MIXING HARMFUL

Studies carried on by the office of Education have proven conclusively that the progress of White children is retarded when mixed with Blacks. Also, negroes quickly develop an inferiority complex and fall behind the White children, thus holding back the entire class.

The studies of Dr. Jensen of the University of California have proven that the negro I. Q. is from 17 to 20 per cent lower than White children.

Every scientific study and common sense proves that race mixing hurts both races.

If integration was so good, why is it that all the fanatic integrationists in Washington (including Finch, Mitchell, Ted Kennedy, etc.) send their own children to private White schools, or bus them to public White schools out of Washington?

GOVERNOR MADDOX BLASTS HYPOCRITES

Gov. Lester Maddox, who has already vowed he would go to jail rather than carry out Nixon's campaign for racial genocide, said:

"When the President singles out one state, four and a half million people and threatens them because he doesn't like the governor of that state, it's a sad day for all of America."

"It's shameful, disgraceful, unethical and an illegal action. Nixon has picked Georgia as his whipping boy because of our criticism and resistance to administration desegregation policies. This move is contrary to his pledge to the American people made during the last election."

There can be little doubt that Nixon is also retaliating against the Southern states which he failed to carry last year. Since Nixon's own lieutenants refuse to allow their own children to be mixed with savages, we certainly are not going to. The time has come for the White people in America to rise up against Bob Finch, his HEW scum and the Nixon gang. They lied to us during the last election. Nixon promised the people he would stop cutting off funds to schools, cease enforcing busing, and give people local control of schools. He has reneged on all of these pledges.

We are now under an attack much more vicious than during LBJ's reign. The White people must resist with all the force at our command. Nixon, HEW and the federal courts must be defied. We must stop this awful thing from happening to our precious children. Now is the time for action and organization. Integration is going to destroy our school system, incite race trouble, set back educa-

Foul Play In Kennedy Case Indicated

BLOOD FOUND IN KENNEDY CAR

The daily press continues to suppress or play down new evidence in the Kennedy case.

New Bedford District Attorney Edmund Dinis has revealed that he requested an autopsy the day after Mary Jo Kopechne's body was found. He charged that "Kennedy people quickly moved in with a plane and flew the body out of the state before we could act."

At the same time it is re-

ported that blood was smeared inside the paneling of the car and on the floor mat. This would be possible only if Mary Jo had met with foul play BEFORE the car went into the water.

Many people suspect that Kennedy murdered Mary Jo and his money power and political allies are moving heaven and earth to prevent the truth from being revealed.

If Kennedy can cover up this case he definitely plans on running for president.

WILKES-BARRE, Pa. —A medical examiner and two chemists backed up Monday a contention that blood was present in the nose and on the clothing of Mary Jo Kopechne when her body was recovered from Sen. Edward M. Kennedy's car.

Dr. John J. McHugh, supervisor of laboratories for the Massachusetts Department of Public Safety, and Melvin Topjin, a chemist for the Massachusetts State Police, said tests they conducted showed the presence of blood on the back of her blouse, both sleeves and inside her collar.

In response to a question by Fernandes, Mills said he "requested that an autopsy be considered because of the circumstances of the case and the indication that a prominent person was involved, and I was carrying a lot on my shoulders. I wanted help."

Eugene Frieh, funeral director on Martha's Vineyard who prepared Miss Kopechne's body for burial, testified that "very little moisture was expelled

from the lungs" when he was preparing the body.

"I did raise an eyebrow in that I expected much more water," he said.

Frieh also testified he found a pinkish froth about the nasal area.

Another witness, Christopher Look Jr., a Dukes County, Mass., deputy sheriff, testified that he had seen Kennedy's au-

tion, and if not stopped, mongrelize the White House.

LET'S IMPEACH NIXON NOW

Nixon lied to the American people to be elected. He is now attacking us with every legal trick in the book. He has sold us out. We must fight back. Recently the NSRP launched the "Impeach Nixon Campaign." Hundreds of names have already come in, we need lots more. Will you help? The petition drive can halt Nixon's congressional drive to win a Republican Congress in 1970. It can build up such pressure that we can force him to listen to our grievances, or else give up any plans to ever being elected again in 1972.

We must unite now to fight this insidious move against our sweet little innocent children before it is too late. The future of the White Race is at stake. Order your "impeach Nixon" petitions right now. They are free. Just enclose stamps, or coins to defray mailing costs. Subscribe to *The Thunderbolt* and get your friends to do so. Help build this movement. We must build a fire under Nixon so that he will stop listening to the fuzzy minded liberals, Jews and Blacks and turn an ear to the Great White Majority which is now waking up.

liam Proxmire, (D., Wis.) Sen. Clifford Case (R., N. J.) Sen. Abraham Ribicoff (D., Conn.), Sen. Charles Goodell, (R., N. Y.), and of course none other than Sen. Ted Kennedy, (D., Mass.).

And how about the two leading Washington Blacks who have done so much to bring about school integration. First, both chose not to pick negroes as wives, and secondly, not to send their own halfbreed children to schools with fullblooded blacks. They are: Thurgood Marshall, first negro on the Supreme Court — former NAACP leader, who sends his two boys to a private school; next is James Farmer, assistant secretary of HEW, who sends both his children to private schools. Farmer says: "Washington schools have become too dangerous for my children." Even Julius Hobson, a radical black militant on the D.C. School board, sends his child to a private school.

The Supreme Court ruled in 1954 that negro children miss out by not attending class with White children. Those who are responsible for this decision and are forcing it upon the poor White middle class are not about to allow their own children to enjoy the "fruits" of race-mixing. It is our children they seek to degrade by forced submission with an admittedly savage and bestial race.

Mario Procaccino, candidate for Mayor of New York City, called this element the "Limousine Liberals." The wealthy snob element look down their noses at us Whites who have to work for a living. They really hold us in contempt and no better than Blacks. That is why they refer to us as "poor White trash" or "those Southern rednecks." When this high-living Washington crowd tells us our children MUST go to school with Blacks and threaten severe punishment

for school districts who refuse — They are then defying the intent of the U. S. Constitution which they have sworn to uphold.

We, the people, are going to regain the mastership of this country and put a stop to this suicidal policy of sacrificing our sacred, innocent, young White children to hordes of Black savages. We only have one life to live, so let us now join together and make a stand for White dignity and White preservation.

If you do not already subscribe to this newspaper, by all means mail you subscription today. Order and distribute extra copies to your friends and neighbors so that they will know that at least one strong voice is rallying the White race for victory.

We are out to build a powerful White political movement to return control of this great nation to the rightful heirs of our forefathers. Let's kick the negro - loving faggots out of Washington, and install real White he-men; men of action who love God and the White race and know how to get the job done.

ROBERT KENNEDY — STILL COSTING TAXPAYERS MONEY

One of the last acts of the Democratic administration under Lyndon Johnson was a hidden rider to an appropriation bill which included \$481,000 for a memorial to Robert F. Kennedy in Arlington National Cemetery.

For some years now, servicemen and veterans have been put on notice that space in the cemetery is becoming scarce and will soon be closed to new grave sites, except for special VIP cases. Thus we can understand the shock many career service people have expressed at the allocation of a quarter of an acre of this sacred land for a huge and grotesque memorial to the late Robert F. Kennedy.

No other former United States Senator has had such a shrine erected in Arlington cemetery. Even such outstanding American patriots as General of the Army John J. Pershing and former President William Howard Taft only have modest grave sites in Arlington.

Of course, we all know what is behind this move to immortalize Bobby Kennedy. The Kennedy family is matching this amount extracted from us taxpayers to build a monument of self-gratification for the Kennedy family.

Even a special road is being constructed to lead the public to the gravesite. It will be next to John F. Kennedy's grave, thus expanding the family's present site to make it the main outstanding "attraction" in the cemetery.

Thus the public entering Arlington Cemetery will be conducted up the road to the giant memorial to pay homage to Bobby Kennedy.

Bobby Kennedy was a very controversial figure, disliked by the vast majority of our people. He was a vindictive

er who heads the Edgartown Fire Department's scuba diver operation, told how he recovered the body.

Farrar said he found Miss Kopechne after observing a pair of feet from the right rear side of the car.

"I then went in through the broken window and observed her face was pressed in the back wall of the seat. Her hands were holding on the top of the back seat. I then proceeded to tie a rope around her neck and I brought her out through the open window head first."

Farrar said the car's windshield "was shattered but not knocked out, the two right windows were knocked out completely and shattered, the top was crushed in and a rather broad area on the right side was crushed."

"Were the doors locked?" Dinis asked.

"The only door I observed was the driver's door. The window was rolled down to within three quarters of an inch of being completely withdrawn. That door, by that window, was locked."

In a related development Wednesday night, Truman Taylor, a television newsman, said Dinis told him a "chemical analysis has revealed traces of blood inside the Kennedy car." Dinis reportedly said, "It appears the blood was smeared on the inside paneling of the rear door and on the rear floor mat."

VICE-PRESIDENT SPIRO AGNEW'S wife's maiden name is Elinor Isabel Judefind. Of course, everyone knows that "Jude" is the German word for Jew and can have no other meaning. If anyone has further information on the racial background of Mrs. Agnew, we would like to have it. Many wonder whether or not the Vice-President might be married to a Jewess

BLACK STUDIES PROGRAMS have been adopted by many colleges and universities. Yet, since their enactment, few students, Black or White, have bothered to enroll. Now that militants have gained their own way, they see that such studies are but a waste of time and have no bearing toward the earning of any degree

GUARANTEED ANNUAL WAGE was first dreamed up by the Jew Milton Friedman of Chicago, Ill. He is a multi-millionaire and president of the largest railroad in the Middle West

JAMES FORMAN, the Black radical who first demanded \$500 million in reparations from White churches, is married to a White woman. She is the British born writer, Jessica Mitford, author of the best seller exposing the U.S. funeral business, called "The American Way of Death"

UNWANTED BY ISRAEL are several hundred negroes in America who call themselves, "Black Jews". They claim to be descended from the tribe of Israelites who ventured South on the Nile many centuries ago and are thought to have settled in Ethiopia. An Israeli embassy spokesman said they could visit Israel on tourist visas for three months, but would then have to return to America, "so that they do not become welfare burdens on our state"

TRICIA NIXON, beautiful blonde daughter of our president is a Right Winger. When Georgia Gov. Lester Maddox drove negroes out of his segregated restaurant some years ago she wrote him a letter of support. Tricia said she was a staunch believer in "individual property rights" and felt Maddox's constitutional rights were violated by court orders forcing integration

SCLC GETS OFF LIGHT. When the negro Southern Christian Leadership Conference brought its slum shacks and tents to our nation's capital, its orgy of violence caused \$71,795 worth of damage to the National Park, scene of their encampment. The Justice Dept. has just now settled this claim for only \$10,795, a mere 15 per cent of the tab. You guessed it, the taxpayers are going to have to make up the difference

BILLY GRAHAM DENOUNCED racism again last month. Of course he was speaking of White people who do not want to integrate with Blacks. It was in Atlanta in 1954 when Graham made his famous talk declaring, he would "never again talk before an audience that is not integrated." On his radio program, "Hour of Decision," he is claiming a "desperate" need "for more contributions. Well, last month he paid \$50,000 for a prize bull for his ranch in Ft. Worth, Texas, proving that religion does pay

JEWRY UP IN ARMS in San Francisco after Black militant Wilfred T. Usery said: "Negro hostility toward Jews is the fault of Jewish businessmen who function as entrepreneurs (enterprise owners) in the Black community," Earl Rabb, head of the Jewish Community Relations Council, shot back, "This is a shocking racist statement."

Perhaps, but everyone knows it is the truth!

WHILE BLACK ANTI-SEMITISM is growing according to Catholic columnist Fr. John B. Sheerin, "Blacks are still ready to admit that Jews have helped them in their efforts to win a greater measure of freedom in America and a broader recognition of their civil rights." Father Sheerin went on to add a most significant statement, "It is true that both Blacks and Jews feel that their common enemies are the WASPs. (White Anglo-Saxon Protestants) Blacks do not hesitate to lump Catholics with WASPs. They feel Catholics are guilty of White racism and that the young priests and nuns who marched in Selma were not at all representative of the great body of White racist Catholics."

and ruthless politician who catered to the whims and demands of the minorities at the expense of the majority.

Now in his death he is still costing the taxpayers money, as we have to shell out almost half a million for this glorification of an enemy of White Christian America. Sen. Teddy Kennedy is still the heir to the family throne and all this memorializing of the two dead Kennedy's is planned to eventually bring the dynasty back into power.

Congressman H. R. Gross of Iowa says the allocation of this much money and scarce space is "beyond belief." The Jewish owned (Meyer family) "Washington Post" defended the extravaganzas because, "The Kennedy family has suffered so much."

Well, if another Kennedy ever is elected president again, the American people will suffer a lot more. And what about the many who have suffered at the hands of the Kennedys, such as the framed Jimmy Hoffa, poor Mary Jo Kopechne, the Diem brothers, Trujillo and countless others trampled under Kennedy heels.

Everyone is expendable and will be sacrificed if they stand in the way of a Kennedy's grasp for power.

Liberals At A Loss To Explain Animal Feet On Negro Tribe

NEGRO TRIBE is extremely primitive. Note archaic facial features and animal feet. Despite liberal propaganda, the races are vastly different.

The recent discovery of the Vadoma tribe in darkest Africa has left liberals at a loss for an explanation. They contend that there is no difference between the races, that all men are created equal.

Many anthropologists and other noted scientists have come to the conclusion that there are vast differences between the races. They be-

FACILE FEATURES OF THE APE CLOSELY RESEMBLE VADOMA TRIBE

claims that "treatments will cure such problems as frigidity, impotency and homosexuality. We accept a person's sexual attitude, irrespective of how weird it might be. If you dig it, do it."

On the basis of this "diagnosis" his patients are charged \$15 an hour for individual "treatments" by his so-called White therapists. Cleveland also gives courses at \$10 per hour for those seeking "Group Sexual Encounters." Courses listed under the titles of "Seduction" and "Sexual Techniques" were also available.

Police reported that Cleveland claimed a Master's degree from the University of Michigan, and a degree from the University of Missouri. Both have denied he ever attended their institutions. Not only that, but Cleveland has a prison record which includes convictions for house-breaking, carrying a concealed weapon and assault with a dangerous weapon.

As we go to press the obviously fake institute is still operating in San Francisco and the police say they are keeping it "under scrutiny." Even ten years ago something like this would be closed down anywhere in America.

This is just another clear-cut example of the rapid degeneracy which is sweeping our nation. Republics and civilizations have fallen under similar decadent periods of debauchery.

The loyal men of the NSRP are dedicated to forging a revival of old fashioned American traditions to cut away this Black cancer which is threatening our very survival as a White race. The day of the new National Awakening is now due.

lieve there is no relationship between the modern day White-man and the African.

New discoveries of negro tribes today find them still living under stone age conditions with features having connections with the animal kingdom.

This is the case with the Vadoma tribe which lives along the Zambezi river separating Rhodesia and Mozambique. They live in caves, trees and antbear holes, in an inaccessible jungle. They have peculiar feet which are not found on humans. A photograph on this page shows the feet splayed up the center dividing them into two parts. They have no normal toes.

Upon learning of this discovery, Liberals claimed this was a deformity and that these tribesmen are our "equal brothers." Not so says Prof. D. P. Abraham, history lecturer at University College of Rhodesia. He says:

"The Vadoma tribe's unusual feet are definitely hereditary. Their bone structure is quite different from the normal because their feet split high up on the instep and splay out in two big appendages, like an ostrich foot."

"I believe that the youngsters of this tribe have a web between their toes from birth."

"We believe that there are about 100 of them. They show elements of very ancient Stone Age features with strange ice-dog shaped faces. They have heavy, broad cheekbones and unusually large eyes."

Prof. Dos Santos, a Portuguese scientist says that this strange tribe can run at fantastic speeds. They do not climb trees, but run right up the side with their feet grabbing hold of the branches. "I am convinced they can outrun and outclimb baboons."

Their so-called feet resemble those of the ostrich. Some equalitarian minded liberals have said that perhaps the tribe cuts off the toes of the young at birth. Recent X-Ray photographs taken in Salisbury by a radiologist prove that this is not the case. There is no way to get around the fact that these animal feet are a natural hereditary trait for this tribe.

The facial features of the Vadoma tribesmen should also be taken into account.

The following features are in close resemblance with those of the ape. A very flat and spread out nose, small chin, high wide cheekbones, greater distance between nose and mouth and small upper skull.

The time has come for all educated people to realize that there are many vast differences between the White and Black races. The fact is the Black race (according to Arnold Toynbee, world's greatest historian) "has not of this day developed a single civilization nor even contributed toward one."

It most certainly cannot

help in the hereditary development of the highly civilized White race for us to allow our kind to interbreed with a species which is definitely on a much lower genetic level. We have a right and a duty to up-breed the White race and prevent the pollution of our kind with inferior races.

Negro Vadomas' feet are similar to Ostrich feet.

receives many letters from liberals who take issue with our views that the races are not equal. We have sought to prove with statistics, history, anthropology, and science, that the negro is in no way related to the White race, and have produced documented research that they are at least 250,000 years behind the White man in mental advancement.

OTHER ANIMAL CHARACTERISTICS OF NEGROES

The following features in the negro appear in apes—but not among White people.

Negro "hair" has no central duct, but is solid and can be felt like animal wool. The Negro has a short thumb, a pelvis slanted forward, big hands, small calf, longer arms, protruding heel, black color, everted lips, an animal order, groove in skull, and flat nose—ALL FEATURES OF THE APE.

Not only this, but the ape's brain weighs 20 ounces, the negro's 35 ounces, and the whiteman's brain 45 ounces. The negro skull fuses soon after birth retarding the development of the forebrain, where intelligence and reasoning centers exist.

The negro is scientifically not equal with the White race.

The Fate Blacks Plan for Whites

By James G. DeWitt

Much publicity has been given negro demands by the controlled news media. Generally the statements of such well known "Black Power" advocates as Robert F. Williams, Stokely Carmichael, and H. "Rap" Brown, have been presented in the papers and on radio and television in anything but their true perspective. However, what have negro militants really said regarding their attitudes toward the Whiteman and America? Let us examine some of the pronouncements made in recent months by leading Black spokesmen as representative of the thinking among negro activists today.

Robert F. Williams, president of the so-called "Republic of New Africa," was a fugitive in Cuba, Red China, and Tanzania, from a North Carolina kidnapping charge from 1961 until last month, when he returned to this country. While in "exile" Williams called for urban guerrilla warfare among U.S. negroes with the objective of setting up an all-Black nation in five states of the South. During a recent interview held in Dar Es Salaam, Tanzania, calling for foundation of the negro state, Williams stated:

"Give us Dixie or die." "And we intend to have it perhaps peacefully, if the U.S. government and the White Americans are sensible, and with bloodshed if they are not. . . . It would be a different kind of war, an urban guerrilla struggle. And we can win it, because America cannot defeat 22 million people within the country and not destroy itself in the process."

"We can wreck America through her industry. . . . We are on the inside. We can do it. The U. S. government had

better know this."

Further explaining his position, Williams added: "Only violence or the threat of violence has achieved anything for negroes. We plan violence if the U. S. government does not give us our country." Williams is currently under indictment for the kidnapping of a white couple in 1961 in Monroe, North Carolina.

Another outspoken Black militant is "Rev." James Bevel, self-styled "holy man" of the Southern Christian Leadership Conference, who wears a mystic beanie atop his shaved head. Bevel declares: "I hate Western Civilization. We must move to

destroy Western Capitalism."

At the time Bevel made this statement his wife was in Hanoi, North Vietnam, conferring with Ho Chi Minh.

UNPARALLELED HATRED

Sammy Davis Jr., negro movie entertainer, despairs of the civil rights movement, claiming that stronger methods are necessary "to get the black man his place in the American sun." Commenting on the activities of the late M. L. King, Davis says the "we shall overcome" approach was a great failure. He says: "Give me half a dozen black cats in leather jackets with shotguns and they will get more done than Mar-

tin (L. King) ever could." Davis, who was recently divorced from his White wife, praises Black Panther Eldridge Cleaver and the late Malcolm X as his heroes. Summing up his attitude, Sammy Davis Jr. says: "America Stinks."

Another strident voice for Black hate comes from one Bobby Wright, employee of the Chicago Board of Education and leader of the Black Caucus of the Chicago Teachers Union. In a lecture delivered to thirty Board of Education personnel at Parker High School on November 13, 1968, Wright stated: "We need members with talent. . . . if you are an assassin. . . . we need you." Continuing, he added: "We want black control of the system - of the city - of the county. This means violence. Until we get what we want - the School Board - the city - the county will know no peace." He further outlined his stand toward education by saying: "Quality education is not our concern, destruction of the system and black control is." Becoming almost insane with hate for the Whiteman and America, Bobby Wright continued: "Bring the black boys back from Vietnam. We need them here to kill Whites - not over there killing Vietnamese. . . . We are best on destroying the system - I don't know, and we have not thought about what we will replace it with. . . . We will shoot any White person that is in or that comes into our schools. There must and will be violence. We must destroy the system and this is the way to do it. . . . There are countries - China and Cuba - who are willing to, and who have offered to, finance us during our revolution. . . . We do not want integration - we

want black control. To get this we must destroy."

WHITES IN DANGER

Beyond this, one of the most shocking displays of the new Black hate campaign took place a few months back in Hickory, North Carolina. There Carroll Carter, a recent high school graduate stunned a youth gathering, sponsored by the Commission on Youth Ministry of the Lutheran Church in America, by telling the gathering that he would be "happy if every White person in the world were dead." He added: "Revenge is what we want now. . . . You always ask how you can please me. Well, you can die. It would make me happy if every White person in the world were dead."

While bringing out the above mentioned statements of Black hate made in recent months, we would do well at the same time to recall the earlier pronouncements of Stokely Carmichael and H. Rap Brown in relation to these other **S p e a k i n g** at Emory University in Atlanta some months back, Carmichael said: "We are for revolution and violence. Yes, I mean killing. Whatever it takes for our liberation, I'm for that." Earlier he spoke of "bringing this country to its knees" and "using any force necessary" to attain the goals of Black Power. He urged negroes to "prepare for a bloody revolution. Meanwhile H. Rap Brown wrote: "We must move from resistance to aggression, from revolt to revolution. May the deaths of 1968 signal the beginning of the end of this country."

We have cited just a few examples of the inflammatory statements issued by a number of negro leaders and spokes-

USURY BRINGS SKY HIGH PROFITS TO BANKS

President Richard M. Nixon's answer to the problem of inflation is to take more money out of the hands of the people so that they will have less to spend. For this reason his Secretary of the Treasury, David M. Kennedy (a banker himself) has conspired with the phoney Federal Reserve Board. He approves their unprecedented spiral of interest rate increases.

The nation's big banks have spent hundreds of thousands of dollars lobbying in every state in the union to have laws against usury repealed. All states have raised or abolished the ceilings or limitations on the amount of interest that now can be charged the people. In other words, interest now being charged the people would have landed the rich bankers in prison just a year or two ago.

The evil intent of the banks is further revealed when one realizes that they still pay the ordinary savings depositor only 4.5 per cent interest, yet charge their customers from 10 to 18 per cent interest on loans. In the past there has

always been about a 2 or 3 per cent spread on the difference between the amount paid savers and that charged borrowers.

The resulting effect is that the bankers are quickly becoming SUPER-RICH. Overnight they are showing the largest profit gains of any business in America - and this in a time when many industries are showing a drop in profits and some are in recession. For the first time in history the interest young people must pay over a lifetime for a home amounts to more than the asking price of a house. It is definitely the intention of the rich and all-powerful bankers to enslave our young people to a life of drudgery whereby the greater part of their paycheck will go to the now openly usurious bankers.

SKY-HIGH PROFITS REVEALED

In the name of "Patriotism" the bankers have six times during the past year announced rises in the interest rates. They have claimed

that "It is good for the nation that we take money out of the hands of the people so that they have less to spend on foolish things." The biggest lie of all that the banks have told the people is, The high interest rates hurt us too, because fewer people can afford to borrow.

The figures showing the profits of U. S. Banks during the first half of 1969 are now in. They reveal profit increases of as much as 30 per cent over the comparable 1968 period. (In which they also did very well.)

New York Bank of Commerce up 31 per cent, City Bank of Detroit up 35 per cent, City National Bank & Trust, Kansas City, Mo. up 36%, Exchange National Bank of Chicago up 40%, First National Bank of Birmingham, Ala. up 50%.

With the stock market down and business in general off, in a stagnant pre-recession period, the wealthy banks are showing gigantic profits at the expense of a public being squeezed dry by greedy money manipulators.

All the big giants of the banking profession had profits of at least 10 per cent, they include Chase Manhattan Bank of America (Rockefeller's bank) Manufacturer's Hanover and Continental Illinois National and others.

CONGRESSMAN PATMAN PROTESTS

Rep. Wright Patman, the nation's most outstanding crusader against Interest Slavery by the big banks charged in a recent speech before the U. S. Congress:

"Since the election of President Nixon the commercial banking industry has had a free run at the American public. They now have been turned loose to gouge the public and eventually wreck the economy."

"During the past six months, the commercial banking industry has gone to the well five times and raised the interest rate charged to prime customers. These have been the most flagrant and largest increases in interest rates which this nation has ever experienced under any Administration and under any eco-

nomie conditions. The banking industry is now running wild over the rights of the people."

"The Secretary of the Treasury, David M. Kennedy, himself a banker is sitting on the sidelines giving secret signals to his banker buddies to go ahead and raise interest rates. As a result the commercial banking industry is running wild and it knows no one in this banker-oriented administration has the courage to stop it."

"Meantime, the increases in interest rates, far from curbing inflation, are increasing prices all down the line and fueling the fires of inflation."

Thus speaks the courageous Congressman Wright, Patman of Texas. America is seeking a new political third movement which will liberate the people from the super-rich profiteers. They care nothing about the middle working class and would sacrifice the people's prosperity, progress and happiness in an attempt to chain us to a lifetime of interest debt and serfdom to the kings of finance.

LIBERALS FIGHT AMONG THEMSELVES AFTER JEW ELECTED ATLANTA MAYOR

For years the National States Rights Party has refer-

red to Atlanta as the Jew-negro capital of the South. We

made this charge because of Atlanta's huge negro popula-

tion and very large Jew population. Combined, they con-

kind of man they want in office. The negroes marched to the polls in record number (over 70% of the registered negroes voted — 95 percent of them for Massell). The highly organized Jewish community rolled up equal percentages for their "favorite son."

Only a little more than 40 per cent of the registered Whites bothered to vote because Rodney Cook was running around the negro precincts trying to convince Blacks that he was just as pro-negro as Massell. They didn't believe him because Carlotta King and Julian Bond had fully endorsed Massell.

The day before the election Massell pulled a final trick out of his hat by charging that the exposes against him in the Atlanta newspapers, by Mayor Ivan Allen and Police Chief Herbert Jenkins was because all these people were "Anti-Semitic." To tag these liberals with that ancient Jewish smear brush was really laughable to us who have been on the receiving end of that for years. Massell's record stinks so bad he wanted insurance that none of his loyal Jewish following would defect. He had them figured to a tee and Atlanta's Jews poured out of their ghettos and voted for Massell in record numbers.

newspapers, Ivan Allen and the civic leaders were against Massell because the city cannot grow and develop under him. None of the surrounding suburbs will now vote for annexation. No one wants to be under the Jew Massell. None of the White people of Atlanta will now vote for bonds to finance the city's desperately needed rapid transit system. Also, it is certain big business will now begin moving to the suburbs and the taxes will shrink. With more and more Blacks moving into Atlanta the city is assured real violence — Whites will flee to the suburbs in greater numbers and the city's once bright future is going to rapidly fade under Jew leadership.

Adding to the deterioration of this situation leaves the Liberal power block in Atlanta split wide open. Massell hates the Atlanta newspapers. He has vowed to friends he will get Chief Jenkins out of his job as soon as possible. His brother, Howard Massell and the hoodlum element will grow in influence over the police department. Police morale will evaporate and they will seek other employment.

Atlanta is headed for hard and dark times under Sam Massell. This is going to be a disastrous future which we will closely follow and record in *The Thunderbolt* and it will be a warning to others on how the city with the brightest future in America is going to be trampled under and destroyed by the hoofs of Black militants and their Jew leader who now have total power over Atlanta.

Sam Massell

IN ANSWERING Mayor Ivan Allen and Atlanta newspapers charged: "A program of anti-semitism is being directed against me because I am Jewish. Never before have I witnessed such a campaign of hate".

control Atlanta. The proof is in the pudding as the minority machine marched to the polls on Oct. 21 to elect Jew Sam Massell mayor. The new vice-mayor will be negro Maynard Jackson. Thus, Atlanta will have its first Jew ever to be elected mayor in the history of the first negro ever elected vice-mayor.

Emphasizing how Jew controlled Atlanta is the discovery that Atlanta is the largest city in America with a Jew mayor.

Sam Massell has a bad record. It is believed that he has criminal elements hanging on his coat tails and are riding into office with him. Toward the end of the bitterly fought race for mayor (against ultra-liberal Rodney Cook, who offered White Christians no real alternative) it was discovered that Sam Massell's brother Howard was visiting all the night club owners in town. He was accompanied by a police captain. Massell demanded \$1,000 minimum campaign contribution from each club owner. The Police Capt. H. L. Whalen got sick of being used in this racket and spilled the beans.

This was even too much for the Atlanta's left-wing newspapers. They came out strongly against Massell. The retiring mayor Ivan Allen, Jr., who previously was neutral in the race, called for Massell to withdraw because of the scandal.

It was revealed that Massell was promising the nightclub owners that if they made the campaign pay off, he would later allow them to operate on Sunday. (Another Jewish effort to Christians) His brother Howard Massell has long been connected with Atlanta's underworld and not too long ago was convicted of engaging in pornography.

All this failed to have any dent on Atlanta's negro and Jew communities. This is the

Blacks Burned Out In Chicago

Whenever Blacks move into a White neighborhood, there are hard feelings. White people are immediately thrown into panic when such events take place.

They have only two choices facing them. They can sell their homes — at a big loss in a changing neighborhood — or they can stay and try to keep it White.

White people do not want Blacks living with them for the following reasons:

1. As Blacks move in, the street crime rate grows proportionately.

2. Property values plunge, wiping out lifetime investments.

3. Young Black bucks harass White children, seek to become familiar with White girls, date or "touch" them.

4. Negroes do not take care of their own property and the

neighborhood quickly becomes run down and blighted.

Such circumstances are intolerable for White families who want to raise their children in pleasant and civilized surroundings. The Jews and their rich White liberal cohorts smugly advocate integrated neighborhoods for the White Middle Class.

They do this self-righteously because they have sealed themselves off from the Blacks. They live in expensive and exclusive areas where they know that no Black can ever afford to live.

NEW PROBLEMS FOR WHITES

There is a severe housing shortage in America. Many young married couples are forced to move in with relatives. The cost of new homes has skyrocketed, interest rates are prohibitive and loans

are hard to come by at that.

People cannot so easily move away from the "Black Plague" any more. Senior citizens who have paid for their homes and now live on meager pensions cannot move. Not only that, but many people who are longtime residents of old established neighborhoods hold fierce loyalties for the preservation of their communities.

For these reasons, experts predict that there is going to be more and more trouble as Blacks try to "blockbust" White communities.

The following is a recent example of this spreading problem which is most often censored from the daily press: Negro Freddie Pegues, age 37, a truck driver, bought a home in an all-White Chicago neighborhood. Pegues, who has six children, ages six months to 13, said: "The day we moved in a White neighbor called us a bunch of savages."

The following day Pegues' wife said a group of Whites walked behind their house, one poured some liquid on the back porch. A short while later one White man walked by and threw a burning rag onto the porch. The family escaped out the front door and some \$1,200 damage was done.

Freddie Pegues has now moved in with his sister-in-law and vowed not to move back. He declared: "I knew this was a White racist neighborhood. We expected some stares and harsh language, but not this. I am not moving back because I have a wife and six children and do not want them to get hurt."

If newspapers would give more publicity to such incidents, Blacks would know not to try to move into White areas. Rich liberals and do-gooders often encourage negroes to make such moves — of course, not to their neighborhoods, but into Middle Class working sections.

When the races stay with their own kind there is no trouble, mix them together and violence, discord, and hatred results. The NSRP believes in PEACE and TRANQUILITY. This state can only be achieved by total SEPARATION OF THE RACES.

FREDDIE PEGUES AND FAMILY, BACK OF HIS PARTIALLY BURNED HOME SIGHT.

The Fate Blacks Plan For Whites

Continued from Page 4
men calling for a plan of violence against White America. While of necessity we are limited in space to reproduce just a sampling of Black invective, we feel that these statements are representative of a vast campaign of hate now being directed against the Whiteman. Further evidence in support of this was the so-called "Black Manifesto" which earlier this year called for a program of blackmail of three billion dollars from the churches as a "reparation for slavery." The list of black demands and outrageous statements is an endless one, and one that is being endlessly added to.

FINAL WARNING

Whereas the "Black Power" pronouncements in fact are shocking, none of them should come as a surprise to White Americans. What is surprising, under these circumstances, is the unbelievable apathy of White people in the face of impending Black revolution and bloodshed. The Black militants see White Am-

erica as a sleeping giant. Again let us quote from one of the sources cited above, Bobby Wright, Black militant from Chicago. He states: "By the time the Whites shake their usual complacency and it dawns on them that we are out to destroy it will be too late for them." Is this negro revolutionary right? Will White America succumb to Black revolution? We of the National States Rights Party prefer not to think so. Thus we publish *The Thunderbolt* as a warning to our fellow White men. To be forewarned is to be forearmed. You can help by ordering extra copies of this issue for distribution among your friends and neighbors. Help wake them up to the impending threat of Black revolution while there is still time. Remember, in union there is strength. Therefore join together with us now to awaken others to insure the survival of America and the White Race. These are the life and death issues which are now at stake.

Whiteman—The Vote Is Your Passport To Power

We White Christian Americans are the majority in America. Through complacency we have allowed political power to slip through our fingers.

White voters are almost evenly split between the Democratic and Republican parties. Thusly, a highly organized minority bloc voting machine of Jews and negroes have voted a throw-away which ever promises them the most.

White peoples' influence has been lost in the shuffle. Only recently has there been a new revival of White solidarity which has reflected itself in surprising victories for "Law and Order" candidates, all of whom were rated underdogs.

This new wave of White peoples' interest in voting effectiveness has instilled within us the hope that a massive awakening may be near at hand.

At the same time, voter apathy is still holding us back. In the recent election in Atlanta, less than half the registered White voters bothered to vote.

The Black community was busy with sound trucks touring their neighborhoods, and jitney cabs (someone paid for them) were available for free, rides to the polls.

Another important survey recently pointed up the vital necessity of White Christians to get out and register to vote — AND THEN REGISTER YOUR FRIENDS, NEIGHBORS AND RELATIVES.

In New York City the Jews comprise 23 per cent of the population, yet they are 32 per cent of those registered to vote. They stand a big four per cent higher than their ratio.

The fact is that Jews are registered all across this land in a HIGHER PERCENTAGE than any other group in America.

This is true in other cities with big Jew populations, including Philadelphia, Miami, Chicago, Los Angeles and Atlanta — WHERE THIS RE-

GISTRATION EDGE GIVES THEM THE BALANCE OF POWER IN CITY ELECTIONS.

Control of these big cities gives them a big jump ahead in swinging these important states to the candidate of their liking in races for Governor, Senator and President.

The point we are driving at is that White people have an use this same technique to totally erase the stranglehold our enemies hold over politicians. Remember, no matter what your political convictions, they amount to naught if you are not REGISTERED to vote.

You are not ELIGIBLE to register your choice or view if you are not registered. We need a new army of White registered voters marching on the polls every time an election comes up, be it local or federal.

This is our country and we are the majority. There is no reason why we should not control the destiny of this precious land drenched in the blood of our forefathers. This is the land of the free and the home of the brave.

In order to be worthy of the mantle which now rests upon our shoulders, we must accept the challenge to stand up for God, Race and Nation. Let's climb into the political arena and throw down the gauntlet before our adversaries. Herald to one and all that we have come to take back our country in the name of our seed yet unborn.

Stand aside ye who are weak and cringing, make way for THE THUNDERBOLT MEN who are ready to do battle to save America and the White race.

Illinois Students Fight Back

Editor

The Thunderbolt

I am an 18-year-old boy who graduated from Evanston Township High School last June. About a year ago a national magazine ran an article saying that Evanston was the number one high school in the nation. What a laugh. The only thing Evanston was number one in was buckling under the absurd demands of the school's 700 niggers. The new principal, Scott Thompson, bent over backwards to appease the niggers. One of the demands (which Thompson surrendered to) was the abolition of basic classes. These classes were set up so that students of below normal intelligence would not have to compete with the more intelligent. The reason the niggers wanted these classes abolished was obvious. The majority of students in them was Black. The opposite is also true. It is rare indeed to find any black faces in the school's Honors classes. On other occasions, the niggers walked out of classes to hold

I ask, will someone tell these dumb clucks that jet planes, or any other aid, to Israel is aid to Communism and not a deterrent to Communism.

The former premier of Russia said he would bury us. With the type of people who are directing our government, it is a wonder to me that such has not already happened.

The Equality Myth

For 30 years the American people have been fed upside down philosophies until some people would not recognize the truth if it hit them in the face like a brickbat. This is especially true of our so-called "educated elite" to be found in our colleges, universities and seminaries.

Do you remember when there was no turmoil on our campuses? It was so until our so-called "educators" began to try to turn all the children out in one mold on the theory that everyone must be made "equal."

Another theory that no one dares to refute is that no Negro child can properly learn how to read until the Negro child is sitting beside a White child. This is rubbish. Learning is an individual matter. There is no magical substance which a White child can exude on a Negro child that will enable a Negro child to learn better and faster.

Haven't you noticed that the more our so-called "educators" try to integrate the races, the farther apart the races become? Why? Because the Whites do not want it and the Negroes do not want it with the exception of a few loud-mouthed agitators.

ORGANIZATION THE ANSWER

The Thunderbolt

The worst danger facing White Christians is mongrelization. The Jews are highly organized and have plenty of money. We must do all in our power to stop their plan to mongrelize us and destroy our Christian traditions. They have about wrecked our nation now. They infest our governments, control our economy, control our airwaves, which should belong to all, and they control our communications media in general. The Jews fear organization among the Christians and they hate *The Thunderbolt* for printing the truth. We must double and triple our efforts to inform fellow Christians of the grave dangers that face us and fight them with all we have and then some.

GERMAN SCIENTISTS

Editor

The Thunderbolt

The passing of Otto Hahn of Goettingen, Germany, marks the end of a notable career. In atomic research he was without peer, and with Fritz Strassmann, a co-scientist, discovered atomic fission, the basis of all atomic energy.

Einstein, a Jew, who at that time worked as a laboratory assistant in Germany, stole the formula composed by Hahn and Strassmann and fled to America. He was later hailed by the Jew press and radio as the father of atomic energy. He was, of course, an impostor and a consummate fraud.

Hahn and Strassmann, both Christians, in December, 1938, announced to the scientific world that atomic fission could be achieved by bombarding uranium with neutrons. The publication of their report revolutionized atomic science which was at a standstill and non-productive until that time.

INTERRUPTS PRIEST — GETS 2 MONTHS

A Catholic Priest was giving a sermon in Rome, Italy, last month when a hippie type leftist interrupted. The priest had just condemned the Jews for the death of Jesus Christ.

According to police who arrested the youth, the priest had just told his congregation that:

"The destruction of Jerusalem, the persecution of the Jews through the centuries should be understood as the effect of the divine curse. Pilate did not want to crucify Christ and washed his hands of the act. It was the Jewish people who are guilty, for they demanded Christ's death."

At that point the hippie, Fabrizio Fabrizio jumped up and denounced the priest as "a racist and a fool". A police officer attending the mass arose and arrested him. A local court sentenced him to two months in jail.

Second Thoughts On Capital Punishment

The death penalty has been abolished for a number of years in New York state. This defeat for "Law and Order" was brought about by organized Jewry which whipped up a frenzied campaign for the rights of "poor persecuted criminals." It is none other than Jew Jack Greenberg, long time head of the NAACP Legal Defense Fund, who has asked the Supreme Court to ban the death penalty for the crime of rape. Greenberg contends that since most rapists are negroes, such punishment is discrimination and constitutes "cruel and inhuman treatment."

It should be noted that no negro has ever been head of the NAACP. Since 1920 all NAACP Presidents have been Jews. The NAACP is a Jewish organization, not a negro group.

Ever since the abolition of the death penalty, there has been a shocking and consistent rise in murders in New York State. Most New York neighborhood businesses, hock shops, drug stores, and the like, are owned by Jews. They therefore have been the largest percentage of the victims of the vicious Black dope addict murderers.

Reacting in horror, that they are the chief victims, many New York Jews are giving second thoughts to the wisdom of banning the death penalty.

THOSE PALATIAL WHITEHOUSES

President Richard Nixon recently had his salary doubled. At the same time he bought two "vacation Whitehouses." The palatial mansion in San Clemente Calif. overlooks the Pacific Ocean and cost \$240,000.

Two additional administration buildings cost another \$100,000 plus \$150,000 more for the official entourages who attend to the president. These figures can be equalled again by the costs which are incurred by the Miami Beach White house.

While all Americans want their president to live comfortably, there should be some limit when taxpayers are having to sacrifice so many necessities in life. Every other president had only one summer Whitehouse.

We can only hope that our President will tighten his belt a little just as he encourages us to cut back on spending and wage increases.

While we are on this subject, how come it is that huge pay hikes for Congress and Federal officials are enacted so swiftly, yet Nixon tells us that our senior citizens will have to wait until next April for consideration of a small 10 per cent increase in Social Security. And, tax relief for the White Middle Class is so far off, we may not see it in our lifetime.

Writing in the "Jewish Press" Sheldon Glassman of Brooklyn warned his co-racialists: "There has recently been a great increase in the deaths of robbery and burglary victims. In many cases the victims did not resist and complied with the demands of the robber but were killed anyway."

"I feel the cause of these senseless killings is the abolition of capital punishment in New York. If these criminals had the old time threat of the electric chair hanging over their heads, they would think twice before pulling the trigger."

"Readers who agree with me should flood Gov. Rockefeller in Albany with their requests to restore capital punishment in the state of N.Y."

NEW LEFT EFFECT ON JEWS

The noted Jewish sociologist, Nathan Glazer of the University of California at Berkeley, recently addressed the "Conference of Jewish Social Studies" in New York. He reported:

"The New Left influence on American Jews, particularly the young, is very great. It is estimated that at least half of the active protesters are Jewish. (Note: Jews are only 3 per cent of the population.)"

"The pervasive influence of the New Left is turning Jewish youths away from traditional Jewish interests. Specifically, we find an indifference, and even opposition to the protection of occupations that traditionally attract Jews, such as finance, urban teaching and retail trading."

The most noteworthy part of this statement is the admission by Prof. Glazer that Jews seek to protect their monopoly over occupations, such as finance, teaching and retail trading. They jealously guard their control of these vital fields. It would therefore benefit White Christians if all young Jews became hippies and gave up trying to dominate these important occupations.

The Thunderbolt

Dear Sir:

Permissive anarchy is costly. Tolerance of racial violence, mob rule, riots and insurrections may diminish when the PRICE of "permissive anarchy" hits home. The death and destruction, of course, has been euphemistically defined as "civil disorders." Since when did mayhem and murder constitute a civil disorder! No one with just a modicum of intelligence would go along with such an idiotic definition. It is high time for all Whites to readjust their thinking about the real cause of the riots. No one, educated or uneducated, rich or poor, advantaged or disadvantaged, "ghettoized" or not, has the right to riot, burn, throw bricks and bottles, fire bombs, or threaten and terrorize. The whipping post ought to be revived for such savage, sadistic, and primitive people. (I hope I'm not being too harsh on the black, criminals and hoodlums.) It has been stated and re-stated with admirable succinctness that everybody has been blamed for the riots except the rioters. These riots were definitely not related to "white racism." They were instead a war on Whites.

The "liberals" not only have been tolerating riots and looting, but have REWARDED THE RIOTERS AND THE LOOTERS; THEY HAVE AIDED AND ABETTED THEM. Consequently, we currently have a "crime crisis." The fuzzy minded "liberals" created it! HANDOUTS CERTAINLY HAVE NOT HELPED THE CRIME SITUATION AT

ALL; IT HAS ONLY INCREASED, YOU KNOW. Our streets have been highly hazardous and unsafe for years on account of the animalistic conduct of these uncivilized people.

The blacks prefer to live by the jungle . . . African headhunter style. It is their way of life. These are the fruits of integration.

Incidentally, the black destructive students at Oshkosh State University have virtually wrecked the place.

They are entirely devoid of common decency. . . let alone "culture" and "dignity." Black morons are called "militants." They're all mouth and no brains! Some of them are now shooting off their stupid mouths at Oshkosh State University. . . and getting newspaper publicity. Like "big shots" or VIP's. The local newspapers have gone completely Negro nuts! They cater to the blacks regardless of any other factor. They foolishly fawn over them! Well, we Whites must fight fire with fire. Like the good army chaplain said, "Praise the Lord . . . but pass the ammunition."

The blacks don't build, they destroy! This is their contribution to community and country. It sure is a sad commentary. The black students at Oshkosh ought to be expelled. They bit the hand that is feeding them. They're a bunch of undisciplined and uncivilized young criminals and hoodlums. They want to have their own way Or else! Burn, Baby, Burn!!!!

Seek To Silence Race Researcher

Several months ago *The Thunderbolt* reported the findings of Dr. Arthur L. Jensen, an international renowned educational psychologist. His thorough studies into negro and White intelligence quotients (I.Q.) proved that negroes fall more than one standard difference behind Whites regardless of the environmental backgrounds compared.

Dr. Arthur Jensen describes himself as a liberal and strong civil rights advocate. At the same time he is a researcher who feels it his duty to publish the truth, even at the expense of his own political beliefs.

As a result, Dr. Jensen has become a target of the rabid Students For A Democratic Society. They recently placed a sound truck on the Berkeley campus where Jensen has long taught, demanding he be fired. Threatening phone calls have poured into his office and home. The campus leftist paper, "The Daily Californian" publishes one to three letters per issue attacking Dr. Jensen as a "White supremacist crusader" and a "hate bigot." Dr. Jensen admits, "The

S.D.S. aim is to harass and terrorize me so that I will quit." Not only that, but "The Harvard Review", which originally published his findings proving negro inferiority, has refused to sell Dr. Jensen copies of his work. He went ahead and reprinted it anyway and the Harvard Review charged he had violated their copyright. They also admitted that they wish they had not published his findings in the first place.

All this goes to prove that so-called "academic freedom" mouthed so loudly by the hippies and liberals is to be denied those who deviate from their narrow views. This surely is proof that these blind liberals are nothing but hypocrites who do not want to hear the other side of the story.

Negro Violence In Armed Forces Threatens National Defense

MORALE & FIGHTING EFFICIENCY PERILED

RACE CRISIS IN THE MILITARY

By James G. DeWitt

Within recent months negro violence in the U. S. military has reached unprecedented proportions. All three services have been hit by a wave of Black terror.

The U. S. Marine Corps has caught the worst of it. On July 20th this year, a major race riot exploded at Camp Lejeune, North Carolina, as 30 negro and Puerto Rican Marines attacked 14 White servicemen, resulting in the beating to death of a White Marine, Corporal Edward Bankston, 20, of Piquette, Mississippi. Another White Marine was treated for three stab wounds in the back. Following the July incident, three Blacks and two Puerto Ricans were charged with murder and 14 counts of assault. A general court martial conviction for these charges carries a maximum penalty of death.

Commenting in typical military understatement on the matter, Lejeune Commanding General Maj. Gen. R. McC. Tompkins stated: "It was more or less a group of people acting in a harassing manner with no premeditation." Investigation has showed that assaults at Camp Lejeune have been running about four per week. The Provost Marshal's office cited that from January 1 to the first week in August of this year, a shocking 190 assaults, have occurred involving Lejeune Marines of the 2nd Marine Division alone, 122 of which involved attacks by Blacks upon Whites.

Rep. Mario Baiggi, D-N.Y., who visited the base recently, said Marines at Lejeune had armed themselves with chains, clubs, and knives. He further stated that New York reservists upon their arrival at Camp Lejeune, "were instructed to stay in their barracks at night for self protection. They said they were further instructed to walk in groups of four or five in the event that they had to carry out any duties after dark. From this, they clearly and understandably gained the impression that strife and tension were commonplace at the base, that conditions were most unsafe."

CAPITULATION BREEDS MORE VIOLENCE

Another racial incident took place at Kaneohe Marine Corps Air Station in Hawaii. In this case, 250 Whites and negroes clashed causing 16 injuries. A third racial outbreak occurred at the Camp Pendleton Marine base in California last month which resulted in the death of a White recruit. In recent weeks, in an attempt to placate militant negroes, the Marine Corps ruled in favor of negro demands. Gen. Leonard F. Chapman Jr. handed down a decision September 3rd allowing "Afro-

natural" haircuts, the Black Power (Communist) clenched-fist salute, and soul music to be provided in juke boxes in non-commissioned officers' clubs. Chapman said he felt such concessions important "to my black Marines." Even

a negro Naval policeman. RACE MIXING HELPS COMMUNISTS

Nevertheless, by far the worst situation of negro violence in the military is that in Vietnam. There the question of negro savagry becom-

after this total capitulation to Black demands, negroes were still reported not satisfied with the three-inch limit on Afro haircuts. Commented one: "That ain't an Afro." Even so, Gen. Chapman has called for total "racial parity" within his command. He failed to take into account that negroes make up only 11.7 per cent of his enlisted Marines and only .9 per cent of his officers. Nevertheless, Marine policy aims at "racial parity."

Not only has the Marine Corps been the target of racial violence, but the U. S. Army as well has suffered at the hand of the negro. Racial tension has erupted in such widely separated places as: Ft. Belvoir, Va., Ft. Bragg, N. C., Ft. Carson, Colo., Ft. Dix, N.J., Ft. Gordon, Ga., Ft. Hood Tex., Ft. Jackson, S. C., Ft. Knox, Ky., Ft. Lee, Va., Ft. Sheridan, Ill., and Ft. Sill, Okla.

At Ft. Bragg, N.C., 200 White and Negro Soldiers clashed August 11th resulting in 25 injuries. Violence has become so common at some bases that they are considered as dangerous at night as encampments in Vietnam. Much of this negro militancy in the Army, as in the other services, has been promoted by underground New Left and Black Power propaganda newspapers circulated among the troops. Further aggravating the situation is the capitulation of the Army, like the Marine Corps, to negro Afro haircut demands and the clenched-fist Black Power salute.

The U. S. Navy and U. S. Air Force have not been spared the fate of the Marines and Army. However, the violence in the Navy and Air Force has been to some degree less severe due to the smaller percentage of negroes in these services. One outbreak took place August 16th at Quonset Point Naval Air Station, near Providence, R. I., in which a White petty officer, Howard H. Jones Jr., 22, of St. Ann, Mo., was beaten to death by

es a matter of fighting effectiveness in the face of enemy action. Black Power has become an issue in Saigon, Da Nang, and Tien Sha. Negro prisoners rioted in the Long Binh stockade last year killing one White Soldier. Negroes consider the Vietnam War a Whiteman's war, so they take out their frustrations in shootings, stabbings, and fights. Black flags reading "Black Power" in white letters are to be found in virtually every camp. At the same time, one White trooper died under mysterious circumstances after displaying the rebel flag of his Southern State. Black Muslim and Black Panther activities are widely reported in Vietnam. Negroes consider themselves in training for guerrilla warfare at home. Desertions average about 10 per day in Vietnam, most of which deserters are negroes. The Black deserters turn to the Viet Cong as a gesture of approval of the Black Power movement. Near Da Nang a group of negro turncoats formed a Black Power platoon and held regular drills near a village. The Navy faced continued incidents also at Da Nang last year. Typical of the spineless response to this outrageous breach of U. S. military security was the action of Lt. Gen. Robert E. Cushman Jr., commander of the 1st Marine Corps. His answer - biracial watch committees in every unit in his command.

WE CAN'T WIN SMALL WARS

Military policy on race, from the highest level, calls for "integration in a disciplined environment", according to Army Chief of Staff William C. Westmoreland. In other words, forced integration. In an interview last month Westmoreland boasted that "the Army has been a pioneer in integration", he claimed the Army is "proving national leadership in integration." Westmoreland neglected to correlate military integration, which was carried out between 1948 and 1952 by then Assis-

tant Secretary of Defense Anna Rosenberg, a Jewess, under executive order of the President, Truman, with the fact that U. S. military forces have failed to win even the smallest of wars since the inception of the military integration policy. Under current military directive, even off post housing must meet racially mixed standards. White careermen face loss of their careers if they show "racial prejudice".

The expected consequences of these insane racial policies in the military are several. First, the enlistment rate is higher among Blacks proportionately, and the re-enlistment rate is twice as high among negroes as among White servicemen with 42.3 per cent of negro troops signing up for additional hitches. One negro non-com explained it this way: "Even short time draftees in this case can pick up enough rank to boss Whites around... That's real Black Power." Last year the Army promoted Fredric C. Davis to the rank of Brigadier General, making him the first negro to hold that high command position in the Army. The net effect of this is that the U. S. military is rapidly being taken over by negroes. Second, the fighting effectiveness of the military is being destroyed, since negroes have never proved themselves capable of victory on the battlefield. Third, morale is plummeting. Never can there be a spirit of comradeship among individuals of alien racial backgrounds. Thus, violence and tension in the services is on the upswing - the chickens of racemixing are coming home to roost. Perhaps the military stance on race was most succinctly expressed by Secretary of the Army Stanley R. Resor, who stated that the negro serviceman "needs a commander who recognizes such slogans as 'black is beautiful.'"

RETURN TO SEGREGATION

On the other hand, our National States Rights Party solution to the military race problem calls for complete separation of the races in the Armed Forces. We further advocate the relegation of negroes in uniform to all negro units and assignment to non-sensitive duties.

There can be no other way to reverse the disastrous trend of integration which has resulted in the current racial tension, violence, mongrelization, and lower morale and discipline, and most vitally, the loss of fighting effectiveness. Until we can carry out the truly conclusive solution to the negro problem - the Back to Africa Program - we must propose a plan of segregation in the military. This would eliminate race violence and bring back normal conditions which existed before communist race-mixing was forced on our Armed Forces.

From the American Revolution in 1776 through World War II our Armed Forces were completely segregated and we never lost a war. Since integration we lost the Korean War and are fast losing the Vietnam war - against a very small and weak fifth-rate nation. No army can maintain a fighting will to win when they are forced to live and sleep with wild Black savages. Our men never know when a disloyal Black will put a bullet or a knife in their backs, or desert their position when under fire.

OUR BOYS DESERVE SOMETHING BETTER

and we are resolved to do something about it. We know you agree. Pass this newspaper on, enlist others in this crusade to save this great nation. We stand now at the crossroads of time and destiny. We must march forward to restore this nation to the standards of our Ancestors glorious past.

NEGRO TO HEAD

EQUAL EMPLOYMENT

Postmaster General, Winston M. Blount, in Washington has announced a new bit of "Reconstruction" tyranny for the people of the South. The negro supervisor of the Savannah Post Office, Benjamin F. Lewis, has been promoted to head the Department of Equal Employment Opportunity in Atlanta.

From this position he will rule over all complaints of employment discrimination in hiring and promotions in the Post Office. His jurisdiction will cover all such cases arising in Georgia, South Carolina, Florida, and North Carolina.

In other words, a negro will rule on the justification and remedy of all negro complaints of discrimination. Naturally, this will encourage more negroes to file such complaints knowing a good chance exists of receiving a favorable ruling.

This can have but one effect. Blacks will be favored and will receive promotions over Whites and further the Second Reconstruction resulting in Black domination over Whites. Like the negro non-commissioned officer said, "Man, when you gets the promotion and can be a boss over Whites, that's real Black Power."

The White man is finding the going tougher every day with government and big business cowering before the Blacks and giving them choice positions. Trying times are ahead, but the White man must steel his will for the struggle for self-preservation. The righteous soul of our Folk will triumph in the end.

RACE RELATIONS BETTER IN SOUTH AFRICA

The Republic of South Africa has the strongest laws of any nation on earth enforcing the separation of the races. The Supreme Court in America has abolished all our segregation laws which formerly existed.

A thorough study by Prof. Ben Marais of Pretoria University found that there was much less racial tension in South Africa than America. He also found that racial strife and crime were much lower under their system of keeping the two races completely separated. A much higher percentage of South African Blacks indicated their peace of mind and satisfaction with their lot in life than did the very rebellious attitudes of Blacks in America where they enjoy a higher standard of living than any African nation.

Peace and tranquility will return to America when the laws of God and nature are observed. People are content and happy when they mix with their own kind. Any reversal of this instinct results in chaos and discord which will continue unabated until a return to common sense.

"What Can I Do To Help?"

This is a question we often here. The importance of greatly increasing subscriptions is one of the best ways we know of. Many people loan their *Thunderbolt* on to others. It would be a real help for us back here at Headquarters if all these people would subscribe for themselves. This

way they would not miss an issue and would have their own copy to show others. Then they could work on their own friends to subscribe.

Unlike other publications we do not push drives for readers to subscribe for their friends. Don't get us wrong. A lot of patriotic folks send

in gift subscriptions for friends, relatives and important key people in business and civic life. They seek to alert them to the truths found within these pages. A few, very carefully chosen gift subscriptions sent to the right people can win solid converts to this crusade.

On the whole though, we have found that most gift subscriptions, people selected at random, do not renew their subscription at the end of the year. A more effective method seems to be to make up mailing lists of lots of people who might be interested and send them all one Sample Copy (at 20¢ per name — see ad page 11.) We mail these people a current issue, clearly stamped, Sample Copy and enclose a friendly invitation for them to subscribe.

We have discovered that people who actually subscribe for themselves are much more likely to renew their subscription at the end of the year. When they have their own money invested in a publication, they study it more faithfully. They become more active in enlisting others in this work. In other words, they feel personally involved and a part of this movement — which is a dynamic boost to our cause. This places more good workers in the field, spreading the truth to others.

Another big help is when you encourage others to actually sit down and mail their subscription in. We know that many thousands of White folks intend to subscribe to *The Thunderbolt*. But, like most of us, they procrastinate, place other expenses first, then mislay the form or lose our address — AND FAIL TO SUBSCRIBE. If you are an en-

thusiastic supporter, tell your friend, who says he is going to subscribe, to sit down and do it now — ask him to hand it to you and you will mail it in for him. Get him on the list! He will be grateful you encouraged him to act now and not put it off.

And how about us here at headquarters? Nothing does our heart more good and encourages us more to step up the pace of this fight than large numbers of subscriptions in the mail. We then know you like our work and your subscription is your stamp of approval. Without a constant flow of subs and orders we could not keep fighting. So, if you want to help, renew your own sub on time and aid that friend in placing his new sub in the mail without delay.

On Oct. 3 & 4 open air, out door rallies of the National States Rights Party were held in Richmond, Va. A very large literature distribution was made of the entire area. Many new members were gained and a new NSRP Chapter was chartered there. Speakers were Atty. J. B. Stoner and Bob Barber. Mr. Raymond Adams is the new Chapter Leader. Mr. Barber remained in Virginia for a week after the meeting and contacted several other groups who are interested in merging with the NSRP.

On Oct. 5 Attorney Stoner spoke to a audience made up of many of the chief right wing leaders in Durham, N. C. This was a modern indoor hall. Leaders from other groups who are anxious for further co-operation with the NSRP were also present. All agreed it was an inspiring meeting and the speakers were urged to return for another in the near future.

As we go to press, the NSRP is holding a tri-state rally and picnic near the Cincinnati, Ohio, area. NSRP supporters are coming from Kentucky and Indiana. In Cleveland, Ohio on Oct. 27th Dr. Edward R. Fields will address local Party followers. There has been a large increase in activity in this area and we are definitely having a good effect on state politics.

As advertised on this page, the NSRP will hold an important rally on Oct. 31, Thursday in Jacksonville, Fla. This will be the first time our full time traveling organizer, Bob Barber will address a local Chapter in Florida. He will be joined by Dr. Fields and a dynamic meeting is assured. Interest continues to grow in Florida and we are hearing from supporters all over the state.

Special thanks goes out to Mrs. Bob Barber who has traveled through over 25 states with Bob on this campaign, and helps him at all the meetings.

AFRICAN TELLS HOW TO SEDUCE WHITE GIRLS IN THE PEACE CORPS

Want to make it with a Peace Corps girl? Don't ask Abby, ask Mallmoto. A columnist for one of Africa's leading magazines, Drum, Mallmoto, whose identity is unknown, offers an offbeat and somewhat daring approach to counseling the African Don Juan. Mallmoto's guidelines to the seduction of Peace Corps volunteers left the U. S. Embassy officials in Kenya a bit nonplussed and a bit angry over his insinuations.

Mallmoto recommends that to get on well with a white Peace Corps girl an African should never intellectualize too much. "To meet a black intellectual kills their genius," he writes. "It disappoints them. They are out in search of raw, brute, savage Africa. They want to visit the Masais and the Karamojongs in order to see their long, naked spears. It is not equals they came to see but lover humans they have volunteered to uplift. It is the real savage brute they search for to give them a real native uninhibited experience untouched in silly niceties and sublimatory preliminaries."

Mallmoto advocates that one sure-to-work approach is to mildly accuse a Peace Corps girl of white racism. "She will turn red, then white, and protest her innocence. She will want to prove that even you can be her friend. What you do then is quote a very English proverb: 'The proof of the pudding is in the eating.' And proceed backward."

Mallmoto warns his readers that if a Peace Corps worker is a Negro the approach should be more circumspect, because some Negroes, both men and women, prefer integration when they are abroad, black power clamors notwithstanding. He suggests that if the girl is black and has a white roommate, it's better to take along a white friend. The African can then concentrate his attentions on the white girl while his partner tries his chance at creating a truly interracial situation.

Mallmoto admonishes that the best time to approach a Peace Corps girl is during the first week after her arrival in the locality. "During that week all rebellion against American racism, inhumanity, and all liberal schizophrenia is still running high. The net result is that each girl would like to prove her individuality by offering her friendship to blacks," he prompts.

The liberal press in America continues to promote the biggest lie of the century, and that is that Communism has turned against the Jews. Some years ago several Soviet spy rings were broken up in America. Almost every single member turned out to be a Jew.

To refresh the memory, a few of them were David Greenglass, Morton Sobel, Rudolf Abel, Gerhardt Eisler, Julius and Ethel Rosenberg (who were electrocuted for giving Russia our Atom Bomb secrets.)

There were many others, almost all Jews. Many American people were waking up to the fact that Communism was founded by the Jew Karl Marx, and that the New York banking family of Jacob Schiff gave the Jew Leon Trotsky some \$20 million to begin the Red Revolution and overthrow the Czars.

This information gained by

Atom Spies Were All Jews

KLAUS FUCHS

HARRY GOLD

many important American leaders gravely periled Jewish plans to entwine our nation into Israel's plans to triple its size at the expense of the Arabs. Also the Jews know that they must keep the image of their people within the mainstream of U. S. politics (always to the extreme LEFT side of every issue — to move us internally toward communism). This is designed to avoid any mass awakening of the American people to the key role the Jews play in the international Communist movement. Their pretense of being against Communism and persecuted by Communism also insures their security against the rise of Anti-Semitism and a right-wing nationalistic party which will break their grip on our economy and political picture.

The real truth is that Jews have more freedom than anyone else in Russia. They hold extremely high positions in the Soviet Government. Leon Brezhnev, (Russia's head), brags that his wife is a Jewess and his children were all raised as Jews. Two Vice-Premiers are Jews. The Jews have synagogues to worship

in, but Christian churches are closed.

THEIR POWER IN AMERICA

Jewish domination over the operation of the U. S. Communist Party is stronger now than ever before. Almost every single position of power within the U. S. Communist Party is Jew controlled.

The following is the latest list including the most recent appointment:

1. Editor of the official Communist newspaper, "The Daily World" is the Jew Simon Gerson.

2. Head of the "Longview Publishing Co." (The front set up to publish the Daily World) is the Jew Herbert Apteker. He is also the chief theoretician of the Communist Party. FOLLOWING ARE COMMUNIST PARTY OFFICERS.

3. National Organizer,

MORTON SOBELL

JULIUS AND ETHEL ROSENBERG

HUSBAND AND WIFE
TEAM ELECTROCUTED
FOR TREASON.

Mortimer Daniel Rubin, age 38.

4. An important new appointment just moved the Jew David Diskin from the Illinois State Central Committee to Chairman of the California Communist Party. This is considered a big promotion since California has the second highest number of card carrying communists in America.

5. Press Director, the Jew Matt Weinstein.

6. Party Educational Director, Jew Hyman Lumer.

7. Co-editor of Daily World, Jew Carl Winter (real name Weissberg.)

8. Party Labor Secretary, Jew George Meyers.

9. Head of the Communist Yiddish - language daily for Jews "The Morning Freiheit" is the Jew Paul Novick.

10. Editor of Communist monthly magazine for Jews, "Jewish Currents" is the Jew Morris U. Schappes.

11. Editor of the West Coast Communist weekly "Peoples World" is the Jew Al Richmond.

In Canada the local Red party is also strictly Kosher, its national Chairman is the Jew William Kashtan.

The campaign of the Jews in America to hide the fact that Communism is a Jewish dominated movement has been so intense that even a few right wing people have fallen for it. Therefore, we suggest anyone who believes the "Big Lie" should go down to the local Red party headquarters at 205 West 19th St., in New York City. Tell them that you read in the press that they have turned against the Jews.

See how quickly the hook-nosed hebes throw you out. What more proof does anyone need ???

Press Suppresses Facts In Cross Ban Case

People all across America were shocked to read about the Supreme Court of Oregon outlawing the display of the Christian cross in a city park over looking Eugene, Oregon. The symbol of Christianity must be removed from every public building, park or school in the state.

Rev. Carlton C. Buck, pastor of the Eugene First Christian Church said,

"The state supreme court's latest ruling is ridiculous. If this is not reversed, crosses in national cemeteries will have to go. Within a few years we will never again be permitted anything symbolizing Christmas or Easter."

"Chaplains will probably be asked to rip the cross off their lapel. People here were dumb-founded to think anyone would object to the cross."

The Los Angeles Times News Service carried this story to daily newspapers all across the nation — many of them printed it. BUT NOT ONE OF THEM TOLD THEIR READERS JUST WHO IT WAS OBJECTING TO THE CROSS AND WHO WAS GOING TO ALL THE TROUBLE AND EXPENSE OF CARRYING THE CASE TO THE STATE SUPREME COURT.

We had to read the Oct. 10th issue of the N. Y. "Jewish Press" to get the facts behind the story. They reveal the suit was brought by the "American Jewish Congress." The "special counsel" for the A.J.C., the Jew Leo Pfeffer declared, "The decision is a significant victory for the principle of church state separation. We trust that public officials throughout the country will recognize the persuasive authority of this rule in similar situations."

The Jewish Press said this was the first case where a state supreme court has banned the display of a religious symbol on public property. The American Jewish Congress hailed the ruling as "historic, precedent-setting and welcomed."

While the Jews celebrated another victory over Christianity, our daily press holds us in the dark as to who is behind this suit. They do not want us to become "anti-semitic." They want us to continue to shop with and support our local Jews. At the same time, these same Jews in every state have their own branch of the American Jewish Congress and are preparing a mass of suits to abolish every instance of Christian symbolism on state owned property. All this in defiance of our founding fathers who declared America to be a "Christian nation."

If the Jews were not protected by the daily press — who will not print the names of Jews behind attacks against our religion — the Jews would quickly crawl back into their shells if the spotlight or publicity were placed upon them. How many people know that the cases brought before the U. S. Supreme Court by Madlyn Murray were all financed by Jewish organizations and

all her eager lawyers were Jews.

Freedom of information is restricted in America because Liberals are in control of our "kept press." Local Jewish businessmen in every city in America can quickly close any daily newspaper by withholding their advertising for only a short time. This is the revenue which a daily must have to publish. Many other newspapers are owned outright by Jews. The Newhouse chain has the second largest number of newspapers and the largest monopoly on magazines.

If any reader needs any more information on exactly why the Jews hate Jesus Christ and his religion and all its symbols, they need only order a copy of the book, "The Talmud Unmasked" at \$1 per copy from The Thunderbolt. The full story of exactly what the Jews teach their people in the synagogue will quickly open your eyes to the extreme depths to which Jewish hatred of Christianity has plunged. This is all the more reason why we must continue to work to build up the circulation of The Thunderbolt so that people can learn "THE NEWS SUPPRESSED BY THE DAILY PRESS."

British M. P. Denounces Zionists

"The Jewish Press" of Sept. 26 reported a very interesting speech made in this country by a noted Labor Member of the British Parliament. The speaker was Mrs. Margaret McKay, a 58 year old M.P. from Clapham, England. She is a noted worker in behalf of the suffering Arab refugees.

Addressing the "Interfaith Committee" at the Church Center in the United Nations building she said:

"There are 62 Jewish M.P.s in the Labor Party delegation who are 150 percent Zionist. Prime Minister Harold Wilson is forced to yield to their pressure because of his slim majority of only 80 in the House of Commons."

She went on to add that it is a question as to whether or not "these Jewish M.P.s are representing Israel or representing Britain." Mrs. McKay also referred to the Jews as "screaming Zionists" for their fanatic demands that Britain take Israel's side during the June, 1967 war against the Arabs. She also said that the American people did not receive the true picture of the Arab side of the Middle East conflict because, "The American press is controlled by Zionists and the Congress is forced to heed the demands of this pressure group."

"The Original Mr. Jew"

A Startling Expose
I. Customs And Habits
Of The Jews
II. Degeneration Of
The Jews

Reviewed by James DeWitt

The Original Mr. Jew is a book you've probably never heard of until now. Some would consider it "hate literature", and we agree, for it exposes the hatred Jewry has for our White Christian world. We suggest that every student of the Jewish conspiracy owes it to himself to read *The Original Mr. Jew*. It's one of the most outspokenly Anti-Jewish volumes we've ever seen.

The Original Mr. Jew is a rare book containing secret information long suppressed, only now being brought to light. It was published in America by an anonymous author who was well informed concerning the history of Jewry in both Europe and America. However, much of the book is devoted to a study of conditions specifically in France and America.

In a little over three-hundred fast reading pages, the author covers a wide range of Jewish infamy. He starts by exposing the fraudulent nature of the Jewish religion, which in fact has always served as a coverup for their real preoccupation — the promotion of their own racial interests. For the Jews there can be no faith or hope. Their religion is but vanity and a traditional hodge-podge. Indeed, "what is worshipped in the Ghetto is not the God of Moses; it is the frightful Semitic Moloch."

At the same time, the Jew forever blasphemes Christianity as a part of his Jewish duty. And the pro-Jewish protective attitude of the Christian clergy in history has always been a favor returned by everlastingly vicious anti-Christian activities on the part of Jewry. Even at the time this book was written, Jewry was seeking to eliminate Christian expression in the schools, as they have now succeeded in accomplishing, thru their influence and effrontery in the field of education.

Jewish usury and avarice comes in for the extensive examination in *The Original Mr. Jew*. The author states: "a Jew never hesitates to sacrifice his reputation if he can by so doing acquire even the smallest sum of money." This strikingly reminds us of the recent Abe Fortas case. Jews have always devised every possible scheme for exploiting our people for their enrichment. Never does the Jew create or produce, but like a tapeworm, he nourishes himself off from the labor of the White Race. Interests and usury have forever been the specialty of these money lenders and pawn brokers, these Shylocks. At the same time Jewry promotes Marxist revolution and anarchy, for the further reduction of our society.

And in time of war, wars usually engineered by the Jews, the Jew is again the profiteer and vulture. Interestingly this book brings out the history of the Jewish profiteers' war

in Tonquin (Vietnam) nearly one hundred years ago, in which France lost more than thirty thousand men. Today we know that Jewry hasn't changed its tactics even in the slightest degree.

At the same time France was tied down in Southeast Asia in the 1870's, the Jewish press busily smeared their military, which eventually contributed to the destruction of moral courage in the French Army. The message of this rare suppressed book carries a clear lesson for America today.

Farther along, the author concerns himself with Jewish corruption in press blackmail, theater pornography, prostitution, extortion, hospital corruption, and gambling. He tells us how this "malignant and diabolical race" buys off lawyers, judges, witness and policemen to escape the justice due them. "In a word, the Jew corrupts everything that exists." The author asserts that "the hog is the emblem of the Jew, of the Jew who is not ashamed to wallow in corruption, baseness, ignominy and usury in order to increase his capital, and who does not find any speculation too infamous when there is a profit to be derived from it."

According to *The Original Mr. Jew*, we cannot expect Jewry to be loyal to America, for they never have, and never will, renounce Jewry, and will

always be spies. By the same token, Jews can't be considered traitors as such, since their first thought has always been for the benefit of their own race from the start. "Country, in the sense we attach to the word, has no meaning whatever to the Jews." How well the author puts it, for the chameleon-like Jew is most adaptable, he must forever be alien. This Asiatic, "serpent-like" race makes a vulgar imitation of our White culture, but even his speech, always guttural and slang, betrays him as the alien. "The Jews form everywhere a people within a people. They are neither Frenchmen nor Germans. They are Jews, and Jews they will remain..."

The author goes on to show to be false the claims that the Jews are by nature an intelligent race compared to the White man. He states as a matter of fact that, "the Jew is a born trafficker, a born liar, full of cunning and intrigue. The Aryan (White Man) is enthusiastic, heroic, chivalrous, frank and confident. The Jew sees nothing beyond the present. The Aryan is the child of Heaven, constantly preoccupied with superior aspirations." In today's space age we know this to be dramatically proven.

Another subject brought out in this book is the little understood history of Jewish ritual

murder. This monstrous practice was the dark vampire-like bleeding and torturing to death of Christian children. Satanic Jews take the blood for use in strange Talmudic rituals and rites. Most White Americans simply cannot believe such a heinous thing exists, but history proves that it does. More than this, Jewry has been given to poisoning of water supplies and spreading disease and plagues, so greatly do they hate the Christian world. "The Jew belongs to no class of civilized being." Being a mongrel race, Jews have unique physical and mental characteristics, which the author covers. He says Jews are recognizable by a peculiar odor, and that they suffer in disproportion from hypochondria and neurosis. Nevertheless, for the Jew, "even when he loses his head, he saves the cash box."

The Original Mr. Jew is not without its humorous passages. Many times the author spices his lines with a barb poked at Jewry and Jewish avarice. For instance, he declares: "if a Jew were crowned king he would find some means to get the jewels of the crown." This is only one example, but a typical one.

As a history *The Original Mr. Jew* fills a gap in our library. We feel you too will gain new insight into the facts of the French Revolution, the Paris

Commune, and the Arab - Jew conflict. The author exposes the origins of the Rothschilds, and the Rockefellers, the latter of which he hints sprung from a group of Tarsus Jews in antiquity known as the Rockefeller. You will learn the history of the degenerate "Bohemians" of the Latin Quarter in Paris, the "Hippies" of the time in an area which today is still a hotbed of anarchy and revolution.

According to the author, Jewry's inroads into our Western society have been not nearly as much the result of Jewish solidarity, which however is a reality, but the fault of the Whiteman's lack of unity in fighting the pernicious Jew. He states that "to fight the Semitic ideas is the duty of the Aryan (White) race." To this we wholeheartedly subscribe. And we agree that the "hour of Christian regeneration" is not too far off. Always the Jew, with his shortsighted perspective, brings about his own downfall by overplaying his hand, and thereby waking his victim up. The Author sums his hope for the future up by saying: "but if the Jews, these perpetual agitators, have well-nigh succeeded in shaking the foundation of society with the money they have unscrupulously acquired, the fact remains that the day is not far distant when a new society will rise that will crush them."

Nixon Steps Up Forced Race Mixing

Integration Under Kennedy And Johnson Surpassed By New Administration

"Anniston Star" Defends Blacks in Attack on Rep. Burgess

Alabama State Representative Ray Burgess of Anniston, Alabama, was attacked by a gang of Negroes on the evening of Wednesday, November 26th, while walking with his wife. Rep. Burgess, who is well known in Alabama as a fearless White patriot, nearly had his right eye cut out when he challenged four "foul-mouthed" Blacks who had shouted filthy obscenities at his wife and him on the street in Anniston. Mr. Burgess had to be taken to Anniston Memorial Hospital for stitches near his eye.

To add insult to injury, Rep. Burgess was arrested and charged by Anniston city authorities with assault with a knife (which he never had), and destroying private property.

Burgess, a patriot in his early thirties, has counter-charged the Negro who slashed his face with assault and battery and intends to further raise the charge to assault with intent to kill.

As might have been expected, the local daily paper, *The Anniston Star*, reported the incident in an entirely inaccurate manner, making it look like Burgess had started the trouble. *The Anniston Star* has the reputation of being one of the most pro-Negro newspapers in Alabama. Whenever there is a conflict between Blacks and Whites, the *Anniston* paper always defends the Blacks. In their prejudiced view, Whites are always to be blamed for Negroes' actions. Moreover, *The Anniston Star* never ceases its propaganda for integration of the races.

In answer to initial radio reports and to offset the anticipated press smear, Rep. Burgess had released a statement early the next day which was carried on radio explaining the suppressed truth of the matter. *The Thunderbolt* is the only paper to carry this important statement in full, Rep.

President Richard M. Nixon and two of his friends said: "Don't go by my words, but by my actions."

Agnew Elusis T.V. Distortors—We Name Them

A strange phenomenon has taken place in Washington, D. C. The Nixon administration has leaned over backward to appease the so-called "Eastern Establishment." Programs for integration of the races are being pushed at a faster pace than under either Johnson or Kennedy. The pull-out in Vietnam has begun and we have destroyed our germ-warfare weapons—all to appease this leftist peace at any price, "Eastern Establishment." Yet, the liberals are dissatisfied that Hubert Humphrey didn't win and they never did trust Agnew. Nixon has always had trouble with the controlled media, and he knows that if he does not put them in their place, they will nit-pick, slander, use innuendo and undermine Nixon's present influence with the voters.

This is why Nixon and Agnew have by-passed press conferences and have used TV speeches to carry their views directly to the people. The "Eastern Establishment" is a "code name" for 'New York Jews.' These Jews control all three TV networks and all the major leftist newspapers.

Vice-President Agnew came out against "The New York Times" and was immediately "blasted" by its outraged owner, Jew Ochs Sulzberger. The other paper attacked by Agnew was "The Washington Post" owned by the Jew Meyer family, which also owns the leftist, "Newsweek" magazine. When Vice-

President Agnew spoke out several weeks ago against the "effete corps of impudent snobs," he also was talking about Jews. Everyone knows that the Jews make up over 50 per cent of the leaders in the peace creep demonstrations—yet the Jews are only 3 per cent of the overall population.

Vice-President Agnew has come to grips with the Jews, but he is at a tremendous disadvantage. Because the average "Forgotten American" does not know what he is talking about! How can we guard against an internal enemy if we do not know they are the Jews? How can we rally the people to intelligently smash Jewish censorship of the news if we do not know we are fighting Jews? How can we really put the pressure on the Jews if we refuse to name them?

The Thunderbolt will have to take it upon itself to decipher for our people Mr. Agnew's remarks and alert the White Christian people to the fact that Mr. Agnew means Jews when talks about the "Eastern Establishment" and the "impudent snobs." Let's finish Mr. Agnew's speech, so that one and all will understand just what he is talking about.

VICE-PRESIDENT
AGNEW'S SPEECH—WITH
MISSING WORDS FILLED IN
At the Republican dinner in
Des Moines, Iowa, Vice -
(Continued on Page 3)

During the presidential campaign of 1968 Mr. Nixon fooled many White people with his deceptive statements on race. Many of those people whom he tricked continue to believe that Richard Nixon will perhaps give them some relief from the race-mixing tyranny of the LBJ years. Those wishful people are grasping at straws, and are in for terrible disappointments. Apparently some still don't realize that they have as president one of the slickest political operators ever to emerge on the American scene. Others willfully refuse to believe that Nixon is 'double crossing' them.

Nevertheless, the fact is that President Richard M. Nixon has dedicated his administration to a policy of unprecedented racial integration. The whole thrust of the Nixon program was best put forth by Dr. Hobson Reynolds, national leader of the Negro Elks Organization. Reynolds reported that Nixon told a meeting of Negro leaders earlier this year that the President is going to do "more for the Negro than any President has ever done." Thus, Nixon is secretly pledged to "mixing" and Negro favoritism at the expense of the White majority who elected him president last year.

Nixon thinks that he has the White vote securely in his pocket. He has decided to go all out for the minority bloc for 1972. Apparently Nixon is bothered that he received only 4 per cent of the Negro vote last year. Mr. Nixon feels that while he steps up integration, he can again fool the White majority into supporting him by such ruses as the farcical and phony attempt to appoint "conservative" Judge Clement Haynesworth to the Supreme Court. This Haynesworth appointment, much like the statements by Vice-President Agnew and Nixon himself in opposition to school busing, was simply a ruse. President Nixon has told the Negroes "don't go by my words, but by my actions." Let us now analyze just exactly what the actions of the Nixon Administration have been in the various areas of racial integration.

FOUR PRONGED ATTACK

Nixon's integration scheme can be divided into four basic categories, the first and most deadly of which is the school issue. Last year candidate Nixon came down to Charlotte, North Carolina and promised, if elected, he wouldn't cut federal funds to public schools to force racial balance. He stated "I am against busing." He pledged: "we will not tolerate busing." And he added: "desegregation shall not mean the assignment of students to public schools in order to overcome racial imbalance." He called for support of the "freedom of choice plan," which was according to the will of the people, for, wherever school busing for race mixing purposes has come up for vote it's been defeated. Busing has been vigorously opposed all over the country: from Grand Rapids, Michigan, to Birmingham, Alabama; from Boston, Massachusetts, to Pasadena, California. Candidates have been elected to local office solely on the basis of their stands against integration school busing. Thus, people were encouraged by the words of candidate Nixon against more school race mixing. Senator Strom Thurmond trusted Nixon and even went out and campaigned for him. But the sad fact was that secretly Richard Nixon never intended to make good on his pledge. His whole purpose in making the widely hailed North Carolina statement was to fool White people into voting for him.

APPOINTING BUSING FANATICS

Regardless of what Mr. Nixon said about his plans for relaxed school integration, his earliest appointments betrayed his true intent. Among the first were left-winger, Robert Finch, as Secretary of Health Education and Welfare; the radical Negro, James Farmer, as Mr. Finch's assistant; and New York's James E. Allen, better known as "Mr. Busing," as U. S. Commissioner of Education under Mr. Finch. As Attorney General he set up, his long-time law partner, John Mitchell, to administer the

Justice Department.

So Nixon set up the racemixing team that is right now attacking school districts with Justice Department suits and HEW sanctions all over the country.

BREAKS RECORD IN FILING MIXING SUITS

Some thought that Nixon had let up on school integration when he shifted emphasis from HEW guidelines and cutoff of funds, to Justice Department suits. Such was merely a change in tactics, not policy. In fact, the new Nixon policy has set a new high for school integration. Attorney General Mitchell feels that suits are the only way to get at school districts which are willing to sacrifice federal funds to remain all White. For this reason, the Justice Department is bringing suit against the boards of education of the entire State of Georgia, and a number of cities in Illinois including: the city of Chicago, Madison, South Holland and East St. Louis. Other recent Justice Department targets include: Indianapolis, Indiana; Tulsa, Oklahoma; Houston, Texas; Pasadena, California; and Waterbury, Connecticut. The latter case, in Waterbury, is particularly noteworthy in that the Justice Department is worried because the local people have set up a busing system designed to carry White children to private schools. According to the Nixon Justice Department, if busing children to school doesn't at the same time accomplish racemixing, it constitutes "discrimination." In reference to the Chicago Justice Department action, Representative Roman Pucinski, D-Ill., stated: "I know of no powers in the law that give the federal government that right."

Even the liberal President Kennedy declared in 1963: "I don't have any power to do that. And I would think it probably would be unwise to give the President of the United States that kind of power." Clearly the Nixon policy goes way beyond the bounds of even the most encroaching of laws passed by Congress, including the infamous 1964 Civil Rights Act, which stated:

"Nothing herein shall empower any official or court of the United States to issue any order seeking to achieve a racial balance in any school by requiring the transportation of pupils or students from one school to another or one school district to another in order to achieve such racial balance."

In defending the Administration's new Justice Department integration suit drive, Nixon's Secretary of HEW, Robert Finch, contends that the new strategy will be even more effective in ending White schools than was Lyndon Johnson's HEW fund cutoff approach. Nixon feels that people won't readily associate him personally with the Justice Department's attacks but the simple fact is that Nixon is the force behind the Justice Department. As James Farmer, Negro Assistant Secretary of HEW, says: "Actions speak louder than words . . . There has been no relaxation on speeding up desegregation."

NEW ATTACK ON PRIVATE WHITE SCHOOLS

In addition to the tyranny of the Justice Department, a new aspect of the federal racemixing scheme in schools was exposed recently. It was revealed that now the Veterans Administration requires prospective former GI students wishing to attend private institutions of higher learning to either make application to those "voluntarily" in compliance with HEW guidelines calling for Negro admittance or else stand to lose their government tuition under the GI Bill of Rights. Now even students or private schools, by this unprecedented scheme, are not free from the dictates of the federal government. No longer do former GIs, who have earned the privilege of government aid for education, have the freedom to select private colleges of their preference. Yet this dictate goes beyond the statutes of the VA. The complete responsibility for the new dictate belongs upon the president himself, for, under the section of the 1964 Civil Rights Act which deals with the withholding of federal funds, "no such rule, regulation, or order shall become effective unless and until approval by the President." Even LBJ never went to the excess of making such orders to the Veterans Administration. Apparently the Nixon Administration believes it has the right to interfere with the benefits due by law to veterans as another method for promoting school racemixing.

The net effect of Nixon's school integration attack (along with the recent action of the Burger Supreme Court forcing the issue immediately) is that it, in the words of Mississippi Senator James O. Eastland, "spells disaster for public education." Representative Jack Edwards of Alabama foresees that "the public-school system will become a colored-school system" under the Nixon program. The intention of the Administration was perhaps most pointedly put forth by U. S. District Judge Ben Connolly who declared in a recent ruling: "Integration is an end in itself. It is sort of a public policy that must be achieved regardless of desires of the children themselves." This is the voice of Nixon's federal tyranny.

RACIALLY MIXED HOUSING DRIVE—RECONSTRUCTION 1969

The second front in Richard Nixon's integration strategy is that of racially mixed housing. In this regard he has set out to fully enforce the 1968 Open Housing Act, which he supported under the Johnson Administration, and which went into effect the first of this year. One of the first actions

under this 1968 Open Housing Act was taken by the Justice Department in Chicago, Illinois, attacking "discrimination" in the selling of homes in that city. According to Assistant Attorney General Jarris Leonard, Chicago is "the most segregated (city) in the United States." Nixon has therefore decided, in Leonard's words, that "the major part of (the government's) resources" will be applied "to break Chicago down." Chicago is not the only target though; all over the country suit after suit is being filed by the Justice Department against all-White housing. Nixon's Attorney General Mitchell cited an 1866 Reconstruction law as the authority "to break massive Northern housing segregation." The same Reconstruction era dictate is being applied in the South as well. A housing site in Little Rock, Arkansas, is one of the latest victims of the revived Reconstruction.

Along with private housing, private clubs are coming under pressure to admit Negroes. This Whiteman's private domain is no longer considered inviolable by Washington. Again the old Reconstruction laws of 1866 and 1975 are being employed by the Administration. Apparently Nixon intends to promote a 20th century Reconstruction Era tyranny for the nation.

PHILADELPHIA PLAN—HIRE BLACKS FIRST

A third area of attack by Richard Nixon upon the White majority is that new integration drive in the realm of business and labor. The President's infamous "Philadelphia Plan" calls for forcing construction contractors who do business with the Federal Government to hire and train a quota of Negroes or else lose their government contracts. Those companies affected include some 30-50 per cent of the entire U. S. work force. Nixon's quotas are set at levels of up to above 20 per cent whereas the total population of Negroes in the nation amounts to about 11 per cent. This means that construction companies are required to burden their payrolls with thousands of untrained lazy Negroes, who would rather stay home and collect their welfare checks.

No wonder construction costs stand at an all-time high. More than any previous president, Mr. Nixon is throwing his executive weight behind the Negro hiring program. As his authority for his Federal contract action the President disregards the 1964 Civil Rights Act, which forbids "preferential treatment," and makes his instructions to the Labor Department by means of an LBJ Executive Order (#11246). Nixon is in clear violation of the separation-of-powers doctrine under the Constitution. Even the traditionally liberal labor unions have never gone so far as to demand of employers the virtually unlimited hiring of untrained Negroes.

Not only is the "Philadelphia Plan" a scheme for the city of Philadelphia, it is designed to apply all over the nation according to Secretary of Labor George P. Shultz. This means that White construction workers in every State will be laid off to make way for Black recruits. Nixon's Assistant Secretary of Labor, Negro Arthur Fletcher, urges the President toward even greater pressure against the companies that work under federal contract. The demands of Negroes against business and labor seem to know no limit, and Richard Nixon serves as the willing instrument for those Black demands. The Justice Department has filed lawsuits charging both employers and unions with "discrimination" in Maryland, New Jersey, California, and Kansas. Has Mr. Nixon himself forgotten the "Forgotten Americans," the White Majority, that elected him to the highest office in the land?

In addition to Nixon's attack on construction companies, he has moved against a wide variety of other businesses as well. Through the Justice Department the Administration is bringing pressure to bear against coffee shops, restaurants, theaters, and broadcasting stations for "discriminatory practices." The Treasury Department is threatening commercial banks with loss of federal deposits for "practicing discrimination."

The Federal Communication Commission added a new dimension to the government integration scheme last month when it ordered TV and radio broadcasters to "eliminate racial discrimination in hiring." Movie studios, along with the broadcasters, are currently being subjected to Justice Department harassment. It might also be added that while this whole design for integration in business and labor should rightfully be deplored by conservatives, few tears ought to be shed in this particular case, since the TV-radio-movie media is largely Jew owned and stands as responsible as any single agency for the racial and moral decay in the nation.

As the Nixon Administration tightens the screws down on business and labor to integrate at a new high pace, the government itself is currently hiring Negroes at an unprecedented rate. Ralph Abernathy of the Negro Southern Christian Leadership Conference quoted Nixon to have said in January of this year that the President wished "to have Black people integrated in the total government process."

As more Blacks are hired, fewer jobs are left open to prospective White employees. The net effect of the Nixon employment could well be termed: "Blacks Hired; Whites Fired."

EXPOSED: HOW BANKS ROB THE CONSTRUCTION INDUSTRY

The nation's banking community was able to recently get the states to abolish most laws holding down usurious interest rates. They are now running wild over people. The biggest lie ever told is that the banks are going broke. This is deliberately being spread by these fakers throughout the nation. They claim that inflation is cutting down on their profits and that they don't have enough money to lend. Thus they supposedly "screen" their customers more closely now when one applies for a loan. The big bankers then actually CONGRATULATE you when the loan goes through.

Then you think you are lucky and they did you a big favor. Right now 12 per cent is the cheapest car loan you can obtain. On an average loan of \$3,000 for a new car, financed over 36 months, you will pay back a total of \$360 in interest. Don't let them fool you, the average Bank's profits for the first half of 1969 was up anywhere from 30 to 50 per cent over last year. The big banks are reaping their greatest profits of all time and we and our children are going to suffer for it over the balance of our life time.

NEW BANK RACKET EXPOSED

Beginning only a couple of years ago was the idea the banks call a "kicker" to go along with the loan. The way it works is that the bank requires the large builder or developer to not only pay sky-high interest but also give the bank partial ownership of the project, or a percentage of the gross receipts of the rent.

Actually the banks are committing a crime by insisting upon such conditions for loans. Commercial banks are barred by law from equity holdings. They are able to circumvent this law by collecting a percentage of the rents. The American Banker's Association, has even gone farther and passed a resolution calling upon the nation's legislators to repeal laws forbidding them to own property.

They are able to avoid this barrier by forming holding companies and thereby operate a mortgage lending firm that is free to own property. This has outraged builders who charge they are victims of EXTORTION by the banks. If the Mafia engaged in such activities they would soon be in prison.

The National Association of Real Estate Boards has called upon the congress to enact new legislation to stop the big banks from forcing builders to "give them a piece of the action." What particularly angers the builders is that as they reduce the size of their mortgage loan, their payment to the bank grows larger. This is because a bank gets a share of the rents, and rents usually rise.

Thus far Congress has not taken the first step in enacting new legislation to protect the people from usurious interest rates or builders from extortion. The law firms of many congressmen represent banks. Until the White people organize they will continue to be victimized by these unscrupulous swindlers.

WHO ARE THE MEN BEHIND TV NEWS?

Most people think that when
they see White commentators
such as Walter Cronkite,
Huntley-Brinkley or Frank

they somehow wrote their own
words just before the show.
The fact is that these men
are mere "news readers." They
are simply reading the news
from teleprompters hid-

Often they do not know what
they are going to read to us

Just who are these shadowy

All three TV networks are
totally dominated by Jews. You
can call them, "The Eastern
Establishment," "the elite

have you, but these are all
fancy code names for just
plain old fashioned Jews.

Vice-President "Agnew" said,
"What do Americans know of
the men who wield this power?
Of the men who produce and
direct the network news, the
nation knows practically no-
thing."

He asked, what are their
what are their "backgrounds

In this issue of *The Thun-

have the answer. The reason
they are in this position of
power is because their back-
ground is Jewish. Their cre-
dentials is their common be-
lief in Zionism.

Nov. 4 Election Analysis-- Two Right-Wingers Win

There were several import-
ant election results which re-
ceived little or no publicity
in the daily press. The main
news which leftists cheered
about and used to demoralize
conservatives were the victo-
ries of John Lindsay, mayor
of New York City, Negro Carl
Stokes, mayor of Cleveland
and the Jew Sam Massell, ma-
yor of Atlanta, Ga.

With financial statements
now filed, we find that John
Lindsay spent \$2,300,000 com-
pared to \$300,000 for Mario
Procaccino and \$350,000 for
John Marchi. Lindsay did
win, but with only 41 per-
cent of the vote. Unfor-
tunately the other two more
conservative "Law and Order"
candidates split up the Anti-
Lindsay vote which amounted
to almost 59 per cent.

In usual style, liberals have
overlooked these facts and are
calling Lindsay's victory some
kind of "overwhelming man-
date." Lindsay would not have
a chance if New York had a
run-off provision for general
elections. It is clear that po-
werful and wealthy Jewish con-
tributors made the difference
by providing Lindsay with far
more than double the campaign
funds of his opponents.

New York political analyst
Peter Kiloss reports that Lin-
dsey was elected with a com-
bination of Jewish and
voters linking forces with low-
income Negroes and Puerto
Ricans. He found: "The bal-
ance in the mayoral election
was held by the city's Jewish
voters."

This was the same case in
the Cleveland and Atlanta
elections. Both cities have
from 40 to 45 per cent Black
populations. While the Jews
may seem to be in small num-
bers on the national population
scale, they are heavily con-
centrated in the large metro-
politan centers. There are
more than 100,000 Jews in
Cleveland and 50,000 in Atlan-
ta. A higher percentage of
Jews are registered to vote
than any other racial group.
Thus in all three cities the
Jews, combined with the Blacks
were able to thwart the obvi-
ous overwhelming will of the
White Christian voters.

Despite the control the mi-
norities hold over our major
cities, White people did win
several rather amazing and
significant victories, which
were all but blacked out by the
daily press.

ANTI-JEWISH CANDIDATE ELECTED MAYOR

Mr. Newton Miller (who the
Jews condemned as an "Anti-
semitic and a bigot") has been
elected mayor of Wayne, N.J.
This story began three years
ago when the now 50 years old
Miller became concerned with
the activities of Jews who
were about to become the bal-
ance of power on the Wayne
school board. Miller was
then Vice-President of the
board.

In a forthcoming election
there was vacancy of two seats
on the school board. Two Jews
entered the race, Jack Mandell
and Robert Kraus. Deciding

that it was now or never for
one White Christian to make
a stand and awaken the com-

cally said:

"Most Jewish people are
liberals, especially when it
comes to spending for educa-
tion. Two more votes and we

our Christmas celebrations
in our schools. Think of it!

"If these people take over
and many of them are friends
of mine, the Christmas season
would have, for instance, the
Christmas trees taken out of
the hallways."

The Jews of Wayne, N. J.
were up in arms. The Jew-
ish Anti-Defamation League
head, Mrs. Edith Farber said:
"I think we must demand Mr.
Miller's resignation, he is
not fit to serve."

Wayne's Rabbi, Shai Shack-
nai was almost in hysterics
that any one should dare chal-
lenge their grasp for power

and cried out:

"The Jewish people in
Wayne will survive this re-
gression to the Middle Ages.
At first Mr. Miller shocked,
pained and dismayed the Jew-
ish community. But the Jews
have consolidated and are now
confident that these remarks
do not represent the opinion of
the town in general."

Then in an arrogant threat
to retire Mr. Miller from pol-
itics, Rabbi Shakkai said let
us assure that Mr. Miller does
not represent the community
of Wayne again. Mr. Miller's
remarks and tactics and tech-
niques of bigotry will be re-
pudiated."

When the votes were count-
ed both Mandell and Kraus
were defeated. At the election

dell turned to the T.V. cam-
eras and screamed, "Bigotry

Nixon Deceives Public—

Continued From Page 2

BLACK CAPITALISM — NO HELP FOR WHITES

As Nixon moves on the one hand to force White business and labor to accept more Negroes in their ranks, he also goes ahead with his campaign scheme for "Black Capitalism," "Black Capitalism" according to Nixon, means "an expansion of Black ownership" of businesses and real "black power."

In order that Negroes may be encouraged to open up new enterprises, Mr. Nixon has set up what amounts to a subsidy program, a system of guaranteed low-cost loans — for Blacks only. Now, this "Black Capitalism" program proves that Richard Nixon is not sincere in his desire to combat "discrimination," regardless of what he says. The fact of the matter is that he practices a pro-Negro discrimination himself on a grand scale.

BLACK VOTING POWER — NATIONWIDE

The fourth and final prong of Nixon's racemixing attack against the White Majority is in the area of Negro voting power. The President intends to impose a nationwide ban on literacy tests and provide a uniform residency requirement for voting in presidential elections. According to a Justice Department staff director, Jew Howard A. Glickstein, Nixon's action would extend the evils of the 1965 Voter Rights Act currently in effect in the South to the entire nation. Both the original legislation, which flagrantly discriminates against a particular region, and the proposed nationwide design clearly violate the reserved powers States' Rights doctrine embodied in the United States Constitution. Nixon is going all out for the Black vote in 1972, and he intends to try to register as many Negroes as possible by then.

DESTINED TO FAIL

Earlier this year Rep. Adam Clayton Powell stated that relations between the Negro community and President Nixon were becoming "increasingly good." As the Nixon integration programs gains impetus, Mr. Powell's declaration gains new substance as well. While some White folks would contend that this pro-racemixing attitude on the part of the President is a bad sign, the National States Rights Party doesn't agree. Richard Nixon is by no means acting out of character, he is simply showing his true colors by all-out courting of the Negroes' favor.

Why should the President's actions come as a surprise. After all, wasn't it Richard Nixon as Vice-President who presided over approval of the appointment of the infamous Earl Warren to the position of Chief Justice of the Supreme Court in 1952? And wasn't it that same Eisenhower-Nixon Administration that sent federal troops into Little Rock, Arkansas, a few years later to force Warren's school racemixing dictate at bayonet point? Mr. Nixon was a racemixer from the very beginning. For years he was a member of the NAACP, and only last year dropped his membership during the campaign along with his standing in all other organizations.

Nixon admitted support for every civil rights bill since 1957. He supported the 1964 Civil Rights Act; he supported the 1965 Voter Rights Act; and he supported the 1968 Open Housing Act. To open-eyed observers it certainly appears as though Richard Nixon has set out to "out-Johnson" Lyndon Johnson.

Those same open-eyed observers believe that Richard Nixon is wrong on supposing that by an occasional, "conservative" statement he can take the White Majority for granted. The fact is, that by promoting a new high gear drive for integration in schools, housing, business, and voting, Mr. Nixon is fast losing the White support which elected him President in 1968. By his own choice he promises his defeat in 1972, if not his impeachment before that date. Whatever his fate, Richard Milhous Nixon is well on his way to being remembered as the worst of the racemixing presidents.

victory for Mr. Miller. The vote was along racial lines. I was defeated because I am Jewish." Then Mandell turned to Miller who was standing nearby and shouted, "You are an Anti-semitic and a bigot."

All this took place in February of 1967. Now in November of 1969 the White Christians of Wayne, N. J. (population 50,000) have elected Mr. Newton Miller Mayor. This has indeed been one of the Right-Wing's greatest victories in recent years. The daily press and Jews have maintain-

ed a death-like silence. Only Jewish publications have carried this news. In asking Mandell and Rabbi Shacknai their reaction, both replied, "No Comment."

The election of Mr. Newton Miller is proof of what White people are capable of accomplishing, once they fully realize the truth of the situation. It also is an outstanding example of the BENEFITS for a candidate taking an open stand on the Jewish problem.

White Christians respect and follow those who do not cover-down before the pushy and arrogant Jews. We need

Ted And Mary Jo Were Lovers, Says Best Friend

LATEST NEWS IN KENNEDY CASE

Mrs. Koepchne not satisfied: Mrs. Gwendolyn Koepchne has admitted to the press that there is one particular nagging question which she wants answered. She says she cannot understand why Kennedy aids, lawyers Gargan and Markham refused to call for help for Mary Jo, trapped underwater. (Where she remained alive for some time according to the experts). She said: "I don't understand it, they were not in shock, are they human?"

BEST FRIEND SAYS TEDDY AND MARY JO WERE LOVERS

Mary Jo Koepchne's closest friend in Washington, D. C. was Miss Kathy Doletto. They were both secretaries and spent many hours visiting one another in each others apartments. Miss Doletto has revealed her story to a so-called liberal underground newspaper in San Francisco after such publications as the "New York Times" and "Reader's Digest" refused to carry it.

Miss Doletto said Mary Jo was devoted to the Kennedy's and had no thoughts of marriage. Mary Jo told Kathy that "Teddy is a weakling compared to the rest of his determined family."

The 28 year old Mary Jo worked as Bobby Kennedy's secretary for years in the belief that he would save "The persecuted poor people and the colored minorities." Miss Doletto added: "I knew Mary Jo better than any of the girls. . . . She loved Bobby Kennedy with all her heart. . . . Mary Jo never told me if she slept with R.F.K., and I never asked her."

Mary Jo Koepchne almost had a breakdown after Bobby's death and friends say that it was Teddy's interest and help which got her back on her feet. Mary Jo was known to her girl friends by her nickname, Jojo. Kathy reported: "Jojo believed that Christianity and socialism were one and the same thing," and that the Kennedy's represented such a philosophy which would benefit America if they could take power.

VISIT BEFORE THE TRAGEDY

Miss Doletto told about Mary Jo's last visit with her shortly before her trip to Chappaquiddick Island. She said: "Jojo told me that Ted Kennedy had invited her to stay with him for a weekend. She would never have mentioned her affair if she had regarded it as just an affair." Mary Jo was uneasy that night. She was torn by doubts and self-recriminations but she didn't want my advice

more fine Patriots like Newton Miller who will openly oppose Jewish domination of our communities. Mr. Miller has proven that it is not a handicap to be Anti-Jewish, but a way to political victory by standing for truth and justice in defense of one's own Christian Faith.

MARY JO KOEPCHNE

Ted sought his lawyers to save his reputation instead of the rescue squad who could have saved poor Mary Jo.

or anyone else's." "Midnight Magazine" reported a sensational story on Nov. 3rd of an interview with a key Kennedy insider who said: "The Kennedy's were Mary Jo's whole life. After Bobby's death she felt as if she had nowhere to turn. Still Mary Jo remained in the Kennedy circle, and it was around this time that her feelings for Teddy began to take shape."

"She felt deeply for Ted because of the tragedies and suffering he'd had to endure. But, with Mary Jo, the feelings were more than mere sympathy. We all could see that she'd fallen madly in love with him."

"Ted had a tendency to flirt with girls anyway, and I guess you could say that's what he did with Mary Jo. She was crazy over Ted, and most of us knew it. Of course, it was an impossible situation, and she had no hope whatsoever of things working out."

"The last thing Ted could afford was a scandal. But that didn't change matters for Mary Jo. She was content to always be around anyway, where she could be near Teddy. She would have done anything for him."

"It gets to you. She loved a man she could never have, and then in the prime of life she died. And her death appears to have ruined the future of the man for whom she would have done anything."

What disturbs the public, District Attorney Dinis and Mary Jo's mother is why did not either Kennedy, or his aids Markham and Gargan call for help to rescue Mary Jo???

The head of the fire department's rescue squad on the island says they could have been on the scene within 10 minutes! Scuba Diver John Farrar and examining Doctors agree Mary Jo lived within an air pocket in the over turned car — within the time period in which she could have been saved!

There is little doubt that Mary Jo could have been saved. If any reader would have been involved in the same set of circumstances he would have been indicted with no less a charge than Manslaughter.

NEW QUESTIONS FOR TED KENNEDY

1. Why have you, Mr. Kennedy been singled out to be the first man in the history of Massachusetts to have a secret inquest with public and press barred? Your wealth and political power are the only reasons why you are able to obtain such special privileged consideration.

2. You demand that the judge in the case step down because he is prejudiced against you. (a plea since denied.) Ted, he only gave you a two month suspended sentence for leaving the scene of an accident. Do you feel that was too strong a "punishment"? Is every judge and public official supposed to grovel at your feet and meet your every whim and wish?

3. Gilbert P. Smith managing editor of "The Observer Dispatch" of Utica, N. Y. asks: "The Kennedy's say they will eventually allow the transcript of the Inquest to be made public. What are they waiting for, is it because they have a great deal to hide?"

The American Newspaper Publishers Association attacked the closed inquest as it, "affronts the cause of justice and the rights of all citizens."

4. The French newspaper "Paris-Dimanche" states that Mary Jo visited Greece with Teddy in 1968. Another Paris newspaper, "Minute", referred to a ravishing blonde whom Teddy introduced as his brother's former secretary when they visited Onassis in Greece last Summer. Both these items were repeated in the foreign affairs' letter "H du B. Reports, Volume XII, #4." Even Time magazine of Aug. 1, 1969 states: "The youngest, handsomest, and most spoiled of the Kennedy brothers had often seemed shallow and irresponsible. Apart from the famous exam-cheating episode at Harvard, there are numerous pranks — riding a bronco in the West, or landing a plane without adequate training."

(A highly confidential source, quoted in Frank A. Capell's "Intelligence Research Memo" (125) advised that Teddy Kennedy was under the influence of liquor and had interfered with the operation of the plane at the time of the crash which resulted in his back injury and the death of the pilot.

The same Time Magazine article went on to state "As for women, there are countless rumors in Washington, many of them conveyed with a ring of conviction. Some who have long watched the Kennedys can say with certainty that he often flirts with pretty girls, in situations indiscreet for someone named Ted Kennedy. At the same time, he and his wife, Joan, are rumored to have had their troubles. There is no question that they are frequently separated. On one journey alone last summer, he was seen in the company of another lovely blonde on Aristotle Onassis' yacht."

Arabs Not Controlled By Russia

PAGE 5

U.S. ZIONISTS FORCE ARABS TO ACCEPT SOVIET AID

Israel is the only country in the Middle East with a legalized local Communist Party which has elected representatives in the Knesset (parliament). Every single one of the Arab nations has outlawed the Communist Party and placed its leaders in prison.

Due to the extremely powerful Zionist lobby in America this nation has become the chief source of Israel's arms and financial support. Our Sixth Fleet is stationed off her shores to assure Israel's security in event of trouble.

Without the permission of Congress, Pres. Nixon has pledged that this nation and our armed forces will stand by the Jews and back them up in time of war. The truth of the matter is that the Arab peoples hate communism and have always been good friends of the West. Presidents Kennedy, Johnson and Nixon have gone all out to alienate the Arab nations by their overt catering to the Jews in this country. Our Ambassadors in the United Nations have been so pro-Israel that it is often hard to determine just who they represent — America or Israel.

We inflicted the greatest insult of all when we placed Arthur Goldberg in the U.N. as our Ambassador. Not only this but we directly forced the Arabs to accept limited "poor quality" aid from the Russians. We began unlimited FREE arms shipments to Israel and cut off all such supplies to the Arabs. Despite the fact that the Arabs hate Communism, that was their last chance of obtaining any weapons at all to maintain any semblance of arms.

ISRAEL A MARXIST STATE

Few people in America realize that Israel is a total Marxist State. The government owns many of the major industries and the Kibbutz farm is an exact duplicate of the Collective Farms of Russia. A great many of Israel's Jews came from Russia and maintain close ties with Soviet Jewry. Russia has even made secret agreements with Israel through their local Communist Party that aid to the Arabs will be limited to keep the Arabs as second rate military states. (Photostats of these secret agreements have been published in The Thunderbolt from sources in South Africa.)

The entire story breaks down to the simple fact that Russia is under the influence of its own Marxist Jews. (The Soviet Premier, Brezhnev, is married to a Jewess and says all of his children have been raised as Jews; also two of his vice-premiers are Jews, including Dymshits who is in charge of all heavy industry in Russia.) They are playing both ends against the middle. While the Western nations have been entwined into the Zionist trap, we have at the same time helped Israel force the Arabs into the sphere of the Russians.

Despite the fact that there is a powerful impulse to form political alignments with those helping you, it is remarkable how the Arabs have resisted any compromising of their long held anti-communist policy. The Arabs have also been smart enough to recognize the inferiority of the equipment delivered by the Russians. Not only that, but all of the Communists so-called peace negotiators have tried to get the Arabs to agree to settlements which would be to the best interests of Israel.

The time has come for us, White Christian Americans to come to the aid of our good Anti-communist Arab friends and demand that the government stop aiding the Jews. Why should our tax dollars go to aiding a country that is constantly bombing and strafing Arab villages? This is an aggressive state that seizes land and businesses without compensation, and drives men, women, and children at gun point into desert to starve. This has been the fate of some 2 million refugees!

The Arab people have a right — YES A HOLY DUTY — To fight to regain their homeland from the Jewish aggressors. Not only that, but it is our Christian duty to help them in this just goal. We cannot sit idly by and see the forces of our own nation used to subdue and enslave friendly, God-fearing, Anti-communist peoples! The time has come for action and we owe it to humanity that we rectify the tragic plight of the poor Arab people of Palestine who are now either prisoners in their own homeland or refugees barred from their own country.

MONEY MANIPULATION
Dear Editor:
In regard to the article in The Thunderbolt, issue # 118, "Millions Created From Nothing," it reminds me of what happened in Germany after World War I. In 1925, the year I and my family immigrated to USA from Berlin, and for some time prior, the German Mark was inflated, so they bought all available property. A twenty-five family house at the Alexander Platz sold for 500,000 American dollars to Jews. The Jew is a world wide parasite. The Shark within White Man's Nations, a Vulture. C. S. Whitties, Calif.

Press Clippings Prove Russia Sabotages Arab Liberation Struggle

Arabs Not Wholly On Soviets' Side

LONDON (AP) — The Soviet Union has become a major power in the Middle East but has failed to win wholehearted allegiance from Arab governments, a report published by the Institute for Strategic Studies said Tuesday.

The report suggested that the Soviet Union's involvement in the Arab-Israeli conflict has placed new responsibilities on the Russians without gaining them a corresponding ability to control events in the region.

The Soviets "Never Recognized Jordan's Occupation Of City"

UNITED NATIONS (WUP) — Jordan's occupation of part of Jerusalem. On the contrary, the representative of the USSR, at the 287th meeting of the Security Council, on May 20, 1948, stated: "... none of the (Arab) States whose troops have entered Palestine can claim that Palestine forms part of its territory. It is an altogether separate territory without any relationship to the territories of the States which have sent their troops into Palestine."

Gromyko's Trip to Cairo

Restraint Believed Urged in Mideast To Avoid New Pressures on Moscow

MOSCOW, Dec. 27 — Foreign Minister Andrei A. Gromyko's visit to Egypt last week is regarded by Western diplomats here as a reflection of the Soviet Union's concern to keep the Middle Eastern crisis under control pending a political settlement.

According to the diplomats the Kremlin appears to be genuinely interested in preventing an aggravation of the potentially explosive situation between Israel and the Arabs.

Many Arabs, he said, blame Soviet military methods introduced to the Egyptian armed forces for their 1967 defeat.

Pravda Bids Arabs Shan Use of Force To Regain Lands

By BERNARD GWERTZMAN
MOSCOW, June 6 — Pravda, the Soviet Communist party newspaper, noted the second anniversary of the Arab-Israeli war today with sharp warning to Arab extremists against the use of force to regain territory now occupied by Israel.

In an article written by a specialist on the Middle East, V. Rumyantsev, Pravda said that only through "political methods" could the territory seized by Israel in the six-day war in June, 1967 be returned to Arab hands.

Pravda said that Arab nationalist propaganda calling for total victory over Israel only helped Israel "to frustrate a political settlement."

Western diplomats here who are attuned to Middle East developments said the Pravda article seemed to reflect the general Soviet view of the current situation.

Arabs Seek New Radar Source

PARIS (AP) — A Soviet refusal to sell Arab nations a type of advanced radar has sent Arab buying missions to Italy, a country that has tried to steer clear of Middle East involvement, informed sources reported Monday.

The radar is "low sweep" equipment used in defense against the kind of air strikes that Israel employed to crush Arab air power in the Middle East war of 1967.

The reports brought denials from manufacturers in Italy. Why the Russians said no to the Arabs on "low sweep" sales was not clear.

BELOW is an outline of secret agreement between Communists in Russia and Communists in Israel. No American newspaper carried this news. It was discovered in Feb. 25 issue of "The South African Jewish Times." Article below was photographically reproduced.

BEHIND THE NEWS

"U.S.S.R. WOULD NEVER SUPPORT NASSER IN A WAR ON THE JEWISH STATE"

Kremlin said to have given assurance to Israeli Communists

By JOHN S. ADAMS

In the version of the Soviet News Agency, MAHALL, Editor and Boris Ponomarev, Secretary of the Central Committee of the Russian Communist Party, had talks with representatives of the Israeli Communist Party, consisting of Abba Eban, Golda Meir and Yehoshua.

The representatives of the two parties, the official Russian News Agency states, discussed questions of mutual interest in a friendly atmosphere and in the spirit of proletarian internationalism.

But, hardly had the Israeli Communists left the Kremlin gates when rumors began to circulate that they had received important assurances.

Yet there is reason to believe

that, if not actually an assurance, the Israeli Communists were given to understand that the Kremlin is not committed to support Nasser in his repeated plans. Foreign diplomats in Moscow reportedly attached great importance to these Kremlin conversations with the Israeli Communists.

HINTS OF "SUCCESSFUL MISSION"

To a certain extent this gesture was prompted by a desire to show Nasser that Soviet leaders understood and appreciated the situation in Israel, where the Communist Party is officially represented in Parliament, has its own press and

may criticize if not actually influence Government policy. No such conditions exist in Egypt. Hence, the Israeli Communists were treated as real friends and people of importance.

This importance was emphasized by the very warm reception which the Israeli delegates were later given in the editorial offices of the Soviet press.

More than that, the Kremlin went even further: it prepared the ground and the warm atmosphere for this visit of the Israeli Communists. A few days in advance, the New Times of Moscow published extracts of a letter from the Moscow correspondent of the Israeli Communist paper, Kol Henuh — Mordechai Kaspri.

Bible Quotations Supporting Separation Of The Races

"Ye shall keep my statutes, Thou shalt not let thy cattle gender with a diverse kind; thou shalt not sew thy seed with mingled seed: neither shall a garment mingled of linen and woolen come upon thee." -- Leviticus 19:19.

"And ye shall be holy unto me: for I the Lord am holy, and have severed you from other people, and ye shall be mine." -- Leviticus 21:26.

"Neither shall he profane his seed among his people: for I the Lord do sanctify him." -- Leviticus 22:15.

"Else if ye do in any wise go back, and cleave unto the remnant of these nations, even those that remain go in unto them, and they to you;

"Know for a certainty that the Lord your God will no more drive out any of these nations from before you; but they shall be snares and traps unto you, and scourges in your sides, and thorns in your eyes, until ye perish from off this good land which the Lord your God hath given you." -- Joshua 23:12,13.

"Now therefore give not your daughters unto their sons, neither take their daughters unto your sons, nor seek their peace or their wealth for ever: that ye may be strong, and eat the good of the land, and leave it for an inheritance to your children for ever." -- Ezra 9:12.

"And Ezra the priest stood up, and said unto them, ye have transgressed, and have taken strange wives, to increase the trespass of Israel.

"Now therefore make confession unto the Lord God of your fathers, and do his pleasure; and separate yourselves from the people of the land, and from strange wives." -- Ezra 10:10,11.

"Let now our rulers of all the congregation stand, and let all them which have taken strange wives in our cities come at appointed times, and with them the elders of every city, and the judges thereof, until the fierce wrath of our God for this matter be turned from us." -- Ezra 10:14.

"And the Lord said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do.

"Go to, let us go down, and there confound their language, that they may not understand one another's speech." -- Genesis 11:6,7.

Race mixing is from Satan; not from God. When the Children of Israel (forefathers of the White Anglo-Saxons; not "Jews") were led into Canaan by Joshua, they were told to marry within their own tribe. God has consistently punished for "polluting my blood streams." All Jewrydom is Phariseism today. The "Jews" are a mongrel people and not the people the Bible is written about. The Pharisee "Jews" are descendants of Cain. See St. John 8 and 1 John 3:12, also Genesis 3 and 4).

WEAK LEADERS INVITE DISORDERS

Dear Editor:

"Where else but in America" would a few left wing students be allowed to take over our colleges and universities, hold the deans as prisoners until their demands are met. Hundreds have been arrested and released. They have deprived thousands of peace loving students of an education. Destruction of property has run into the millions under the guise of freedom of speech and dissent. Where else but in America could thousands of Communist-inspired demonstrators be allowed to swarm up and down the streets of our cities without permits, trespassing on private property and making a shanty town of our nation's capital and intimidating our Government officials under the guise of freedom of assembly?

Where else but in America could our leaders sit idly by and allow mobs to pillage and burn our cities, loot our stores, and law enforcement officers standing by unable to stop them because they had orders from their superiors not to interfere. These riots have cost the taxpayers millions of dollars and the end is not in sight. Where else but in America has the crime rate increased faster than the population, making the streets of our principal cities unsafe for women to walk at night, especially the streets of our nation's capital. Where else

but in America and Russia have government officials taken over our educational system forcing races to mix against their will under the threat of withholding federal funds (the people's money).

Where else but in America has the nation's flag been ripped down from its moorings, spit upon and burned. Rabble rousers burning draft cards, draft board offices ransacked and records destroyed, no arrest, no conviction. Where else but in America have farmers been paid billions of dollars not to farm and produce foodstuffs when thousands of our citizens are undernourished according to the government figures. Where else but in America could you find a national debt of 377 billion dollars with interest of 18 billion per year, more than all the European countries combined, and the purchasing power of our dollar at 34¢ and going down fast. God give us men, tall men, honest men, men who can't be bought, men who won't lie, men who live above the fog, men who have backbone and guts, men who can say "no" and mean it. These kind of men will CURE America of all her ills and ails. Then we can say with pride, "America is the land of the free and the home of the brave." Remember, God is not dead, nor is liberty, and neither shall ever die. Never.

BLACK MARINES

Dear Editor:

Enclosed is a clipping from the Philadelphia (Penna.) Evening Bulletin about what Gen. Chapman is doing for quote "His Black Marines". Allowing them the black power raised fist communist salute. Things are getting bad. I am an ex-Marine, Korean War, and when I read the article I was disgusted. I wonder if Gen. Chapman will allow the German descendant and English, etc., to salute their native way, or the American Indian to salute with his "Howl".

If the Blacks can't salute like the Armed Forces have been saluting, who needs them. Their own record for running in the face of the enemy is scandalous. The men who died for their country would turn over in their graves if they could hear what Gen. Chapman is doing.

I obtained a copy of your newspaper for the first time, keep up the good work.

NSRP ON RIGHT TRACK

Dear Editor:

You will not misunderstand me any more than you fail to understand that we are at war, and with the most diabolical foe mankind can face, the Devil Himself. If anyone in political life in America knows this, you and the NSRP have been made to realize it.

The South is where reside the only kind of Americans who still have the morality, the courage, the righteousness to fight them with the only kind of weapons that can win either the support of God Almighty or gain victory while earning honor of that chivalrous, knightly kind that alone deserves the term.

You have been doing so well, growing in maturity, in means, in toughness, in sagacity, stubbornness; and daring also.

The field of any chess game, or war, constantly changes. Terrain changes as you maneuver; your own and the foe's means and home front constantly modulate. The Germans and Japanese now are our most trustworthy allies and will both play great parts during the new age, believe me and never forget this insight.

The Jews are doomed under God's law that every evil contains within itself the seeds of its own destruction. This is on our side,

G.I. Writes On Negroes In Viet Nam

Repatriation Or Sterilization

Dear Editor:

IDENTITY OF THE TRUE ISRAEL

Dear Editor:
It is high time America woke up to our National Identity, as the White Christians are the true Israel of God, or "God's Chosen People."

Too long, traditional preachers have taught that the White Race are Gentiles (heathen), and that the Jews are all there is of Israel, which is the big lie of the Serpent Race, who proclaim themselves "God's Chosen People."

Jesus told them, "Ye are of your father, the Devil, and the lusts of your father, ye will do." (John 8:44). "Cain was of the beginning," St. John 8:44. "Cain was of that wicked one," John 8:12. Jesus said, "They say they are Jews, and are not, but do lie, and are the Synagogue of Satan." Rev. 2:9 and 3:9. They call their little State (Israel).

Jacob wrestled with the Angel, and was told his name would be called Israel. Gen. 32:24-28. "God chose Israel as His Servant."

"Jacob had twelve sons. As he was dying, he blessed his sons, and placed a special blessing on Joseph, and his two sons, and said, 'Let my name (Israel) be named on them, and the name of my father, Abraham, and Isaac.' Gen. 48:16. We are called Anglo-Saxons, or 'Isaac's sons.' Do we need any plainer identification, mark? If so, there are plenty more, in God's work, the Bible."

THE SOLUTION: BACK TO AFRICA

Dear Editor:
I feel there are a large number of people that are dissatisfied with our form of Government especially the Negroes. I have heard quite a few express a desire to return to Africa. Well, why don't they? They are not trapped there. Some of them say America is the largest concentration camp on earth. I think this Government should furnish one way transportation to anyone that wants to leave. The people are starting to get "saddle sores" from this relief. These "relievers" just keep asking for more, and more. Thirty-one percent of the State's income goes to aid to dependent children. In plain words, we tax payers are subsidizing immorality and illegitimacy, some three generations of relievers. It takes eight working people to keep one family on relief. R. N. Norristown, Pa.

tion grows worse. At the end of each day hundreds of new black soldiers will have been born who will eventually take the field against us. At the end of each year their ranks will have been swollen by the tens of thousands. If we think the situation is bad now, think what it will be like a generation or two in the future. We have about 25 million Niggers now; by the end of this century their increase, plus immigration from Puerto Rico, the West Indies, and who knows where else, could easily put the number up to 50 million.

This must not happen. We cannot let it happen. But most Whites prefer to flee to the suburbs and close their eyes to the problem. However, they cannot run forever. Sooner or later the problem must be faced. Besides, the poor Whites are trapped. Financially unable to move to high-priced White neighborhoods, their unfortunate children are forced into schools and social contacts with these Black creatures of a lower culture.

A showdown is coming. We are going to have to face up to whether or not our descendants will live in a White America, or a segregated one. Of course, one cannot blame the suburb-fleers from wanting to get away from the encroaching Negro. But fleeing will only make the showdown that much more ominous and foreboding. Our culture is slowly sinking under the influx of Negro blood. Now, if people aboard a sinking ship—a ship with a hole in the bottom which could be repaired—were to scramble for the decks of that part of the ship sticking highest out of the water, instead of trying to mend the hole, we would think them crazy. Yet that is exactly what so many of our people are doing today.

Let's mend the hole in our sinking "Ship of State" by trying to do what the N. S. R. P. has long advocated—repatriation of the Blacks back to their ancestral home in Africa. And if it isn't practical to send them all back, then we should institute a program of sterilization at government expense for those remaining.

These operations would not be harsh treatment and would require no suffering on the part of Negroes. For the females of child-bearing age, it would be the tying of their tubes. For the males in the same category, it would be the simple operation which many white men are paying for themselves when they want no more children. It is of course, not castration. And we could even put a "sugar coating" on the whole thing by paying each Negro receiving the operation a cash subsidy of a hundred dollars, or so.

Repatriation and/or sterilization—the only way to solve the problem. An "extreme" solution, you say. Possibly. But this is an extreme problem, and it will take an extreme solution to solve it.

FBI WASTES TIME

Dear Editor:
Before moving to the state of Georgia we had a similar experience with the F.B.I. as did the Saunders Brothers, as told in your issue. "When they got here, we just happened to have a house full of company. They did not want to talk in front of the company but my husband told them he had nothing to hide. They looked at a vine I had growing to see if it was buggy. My husband kept quite calm all through the interrogation and gave them no satisfaction. They did not bother us again except to follow him while a Black rapist was playing havoc in the city and the city adjacent to it."

Do you suppose the F. B. I. questions of harasses each Black Panther and other such ilk, when they join up with their Seem Fals?

Why doesn't the White Christian wake up? They (the F. B. I.) typify the Klans as ignorant, hillbillies. Ninety-nine percent of the hillbillies are a wonderful, patriotic people. The F. B. I. should be so smart. Keep up the good work. Mrs. F. B. R. Mableton, Ga.

N. S. R. P. THE ANSWER

Dear Editor:
The Black plague sweeping America today is more deadly than Diphtheria. These bushy headed jungle bunnies offer absolutely nothing to society except killings, rapes, lynchings and community destruction. Their low intelligence quickly leads them to become dupes of the money hungry Jew and UGLY Communist. The Nigger is hesitant to kill the housefly, this being their National Bird. It properly represents them by its contribution, jumping from garbage heap to garbage heap, and the color fits too. Black is beautiful is it? These ugly Blacks belong with their African head hunting brothers. Their behavior in our civilized society is alien to the Whites' definition of the word civilized. The N. S. R. P. is the only answer to this Black Plague.

We recognize what is destroying America, the Jew, the Communist, the Nigger and all the left wingers that condone all the insurrection. The intelligent White American will eventually win out though. And one answer to our problem is through membership with the National States Rights Party.

Sincerely Yours,
G. T. C.

(The following is a letter written by an American soldier who has returned from Vietnam warning of the dire consequences of racial integration in our Armed Forces. This letter appeared in the Congressional Record.)

OPEN LETTER TO "MISS" CLARION-LEDGER

I recently returned from a year of combat infantry duty in Vietnam. The article "Westmoreland Lauds Negro Fighting Men" (Oct. 4, page 2, Clarion-Ledger) forces me to speak out in horror and disgust.

I had the privilege of serving all over Vietnam as a volunteer, in many major campaigns with some of the finest soldiers ever. We can be justly proud of our brave men. I brought home two Purple Hearts, was wounded twice, and served most of my time as a PFC.

I don't know why General Westmoreland said: "You can't tell the difference between Negro and White soldiers; the Negro soldier has come into his own," but let's look at the facts.

The tragedy is taking place now in tents, barracks, foxholes and during combat operations—the impossibility of integration ever working—that is, tearing our Army apart.

Solidarity—the old fighting spirit has broken down. Every unit flooded by the recent wave of Negro draftees knows this: terrible, and drastic change. Many units are now over 50 percent colored. I was fighting to win, like most of our men. But think how hard it was when we couldn't depend on Negroes, whose motto was, "Ain't nobody going to put a bullet in my head."

I heard them say it so much it made me sick.

I could trust my life to a few good buddies, but, as a unit our morale was very low. Over a year ago I saw efficiency drop as Negroes began replacing White officers. Many of these Negroes lacked proper training and imagination, or came direct from desk jobs. Discipline slackened. Combat efficiency declined.

How do you think our really brave fighting men feel to be passed over on promotions so that apparent racial quotas can be filled?

Do you hear about the leading men in uniform who are involved in prostitution rings using dope or in the seamy side of the black market? My experience shows them to be mainly Negroes.

Probably no news is heard because of the virtual immunity from punishment that Negroes enjoy. Yes, I even saw a Negro shoot a White boy and go free of any charges.

Our brave men are trying hard under these sickening conditions. Their accomplishments are an ever greater tribute to them.

Have you ever been under fire when a large percentage of your unit, which is Negro, puts its head down and cowardly refuses to fire at the enemy? Or where some of

your buddies take off for safe areas? Or balk at aggressive combat actions? It often means defeat for those brave soldiers that hold their ground and do their duty. It also means death.

Some White boys in our outfit refused to go out to the fighting. They were court-martialed, but they should have been. But Negroes who like-wise refused to fight were put on K. P. or other duties in base camp with no further word said.

A bunch of Negroes in camp tore down the flag which Governor Wallace sent us and burned it up. They then chanted: "We Will Overcome, You." General Westmoreland's remarks end: "I think in 15 years we'll see them in Congress, in local and even national office."

I vow to prove him wrong. This integration cancer is destroying our fine Army and our great nation. It is killing our brave sons in the jungles of Vietnam, as well as on the streets of Chicago. It is an outrage. Integration must be stopped and our will to win must go on forever.

Yours truly,
R. B.
Jackson, Miss.

A NEW IDEA

Dear Editor:
I'm writing to request that your fine paper devote one or two complete issues to exposing the exploitation of the Negroes by the Jew. This could then be sent to every Negro group and organization in America and help turn the Negro against his exploiter—the Jew. Jews use the Negro to attack the White race and establishment. It is time we turned the Negro against the Jew.

1. Jews dominate NAACP.
2. Jews own most business and slum dwellings in Watts, Harlem and Newark.

3. Jews do not racially integrate.

4. Jews hate White gentiles and agitate negroes to attack them.

5. Jews look down on Negroes and use them as domestics.

6. Jews formed their own police patrols in N. Y. to fight Negroes.

7. Jews blame White Christians for the Negroes' inferiority.

8. Jews do not socially or economically associate with Negroes, but urge Christians to do so.

9. Jews are the first to talk integration yet never practice it.

10. Jews give all their money to Israel and nothing to Negroes or Africa.

Here in Los Angeles Jews are holding college courses on race, etc. Yet Jews do not live with Negroes and do not want Negroes in their schools. I hope you will give this your most careful consideration.

WARNING FROM ENGLAND ON GUN CONTROL

G.I.'S IN
GERMANY WRITE
Dear Editor:

I am writing in reference to the letter you had published in Playboy Magazine. My friends and myself would like to thank you for speaking out. We enjoyed your letter very much.

We are in the Army in Germany and you just wouldn't believe the things these black people get away with in the Armed Forces.

We want you to know there are just a lot of people over here who feel as you do.

I am 21 years old and most of my friends are in their 20's also.

We have seen how the Negroes act. We see what they want. They do want white women.

I have seen so many of the German women out with them and it turns my stomach.

The Black men are animals and always have been and will always be.

My friends and myself will all be out of the Army by the 10th of July of 1970 and we aren't going to just stand by and let the Black man run over us.

I am from a small town in north central Texas. I have lived there all of my life and never has there been a Negro living there to this day. I don't intend to have to live around them for they are like animals. They don't care what they look like and have no self-pride whatsoever. I just want you to know we are all for STATES RIGHTS.

With you all the way. This letter was signed by seven red-blooded White American soldiers stationed in West Germany.

"HOW YOU CAN HELP ON THE HOME FRONT"

Dear Editor:

I feel it is my duty to write you and tell you how your paper has revealed the light to my husband and myself. We received your paper by chance one day as an employee of my husband brought it to work and he in turn brought it home.

I am White, Protestant and have been fighting Socialism, integration, Communism, hippies, Black Power and all the forces that are out to tear down our Country and Freedom-loving people. I have written to my Congressman, called on the Radio Forum Programs locally, written letters and talked to my son and daughter, their families for years about this menace. It seems I have been fighting, but not until I read your paper did I get to the very root of the trouble and what to do about it.

I received our Jan. 1969 paper this morning (we subscribed right away) and read about the Pledge on Page 55. We've been turning our T.V. off when we see Negroes trying to gobble up the Commercials and all the integration on programs, plays and movies etc. It's absolutely disgusting the way the Broadcasting

History Of Slavery In A Nutshell

Dear Editor:

The history of American society is the history of race struggle; white against black, black against white; white progressivism, shackled by black decadence. The white upper class, unwilling to employ white workers on its plantations at a decent wage, turned to Africa where the black man was doing through the Stone Age. And the white ruling class, disdainful of the white working class, took blacks out of their Neanderthal domicile and brought them to our virgin shores. And the plantation owner, booted his white brothers into the hinterland, put the Americanized Orangutans to work, and ensconced into a comfortable existence. And a comfortable existence it was! Yet it annoyed some northern love our black brother but have nothing to do with him personally, clerics. They inundated the country with literature — all calling for an end to slavery. And all the while their beloved black brothers were as passive, bovine, backward, primitive, yes decadent as ever. (Neanderthalism never dies; it doesn't even fade away!) But the Dr. Frankensteins of America persisted — and won. The beast was sanctified, blessed, then freed. And the man, a creature spread throughout the country in search of prey. Lo, it came upon the Forgotten American — white, decent, hard-working. And the headlines read Murder! Mugging! Rape!!! And the Establishment screamed Tolerance! Brotherhood!! Equality!!!

And the black decadents were propped up the Uncle Dick white upper crust, bussed into our schools, thrust into our communities. And the schools turned into blackboard jungles, and the communities into North American Bialfas.

But more and more society is splitting into two great hostile camps, into two peoples facing each other: White and Black. And the contradictions between white progressivism and black decadence become more and more pronounced every day. And the increased Black population becomes so many more integuments upon the oppressed Whites. Inevitably, inexorably the revolutionary progressive spirit spreads. The masses are aroused. The people chant revolution! Revolution! REVOLUTION!!! In vain, the regressionaries curse racist and backlash. But the people stomp on the Uncle Dicks. Then quickly, ever so quickly, the revolution begins. The knell is sounded. The fetters are burst asunder. The black decadents are expelled!

White progressives disdain to conceal their views and aims. They openly declare that their ends can be attained only by the forcible overthrow of existing social conditions. Let the ruling classes tremble at a White progressive revolution. White people have nothing to lose but their chains. They have a country to win.

Dear Editor:

Your magazine interests me because it sheds an entirely different light on American affairs to what is published in our newspapers. Only recently I heard a talk by John Carrick, Gen. Sec. of the Aust. Liberal Party (our most conservative party) in which he stated that the great majority of Negroes and Whites desired integration, the only dissentients being a few South-easterners who still did not realize they had lost the Civil War. Mr. Carrick was speaking after a tour of the United States.

Your paper suggests that integration is not a very happy affair for all most closely concerned.

The Jewish matters you raise are not mentioned in this country and indeed I doubt if they could be raised. Jews hold very influential positions and are exceedingly sensitive to any kind of criticism, even that of a friendly nature.

Dear Editor:

I was appalled to read in your publication about the Bill which was passed requiring the dealers of firearms to record the names of purchasers of arms. Beware this could be the first step in taking away your basic right to "Keep and bear arms". Take as a warning the situation in this country.

To obtain a firearm, one has first to obtain an application form from the police, after this has been filled in with such details as what you want the gun for, how much ammunition you wish to purchase at one time, how much ammunition you wish to purchase over a period of three years, you then submit this document to the police and wait while they check on you. I may add that the application goes as high as the Chief Constable. After they have checked on you and have examined your reason for requiring a gun which I assure you have to be very good, they issue you with a firearms certificate which costs five shillings. This says that you may buy one kind of gun, i.e. 1.22 rifle, and tells you how much ammunition you may have at one time, over three years and may purchase at one time. Each time that you buy ammunition the dealer marks the amount on your certificate. You may buy your gun. Having obtained the gun you

It was a pleasure to hear you speak at the Palmer House here in Chicago some time ago. Also it was a great pleasure for me to talk with you afterwards. take it and the certificate back to the police where they take numbers from the gun and record them, and copy them into your certificate. The certificate lasts for three years after which it must be renewed and you have to fill in the form that you filled in in the first place all over again. If they no longer like your reason for having the gun, as in my case, they refuse to renew your certificate and you are forced to sell your gun.

If you wish to have other guns on your certificate you get the necessary forms from the police as you did in the first place, fill them in and give them back and wait. The CID then visit you at your home to see that you have made special arrangements to look after the guns should they let you have them. Some of the arrangements are: a special room with security locks on the door, heavy bars at all windows, a safe or heavy cabinet which must be bolted to the floor. Only if they are satisfied then will they let you have additional firearms. In 1968 they passed a bill forcing the recording of all shotguns for which one has to go through a procedure much the same as I have described for a firearm.

Now all that we are allowed to possess are weak ant weapons and antique muzzle loaders which must not be used otherwise they must be put on firearm certificate.

This is the state that we are in in England now. Do not hesitate, act now, crush your gun laws before you end up like us.

I wonder, sir, if you would be willing to sell me one of your 5 x 33 Confederate Flats which you advertise in your December 1968 issue. If you could, send me a price and I will be quite willing to pay.

Yours faithfully,

WHITE RACE PRESERVATION ATTACKED

Dear Editor:

Rabbi Abraham Feinberg of Toronto, Canada states: "The solution to the racial problem is interracial marriage."

Yet, most Jews and liberals will answer "No" to the age old question, "Would you want your daughter to marry a Negro?"

They sanction the ideals of race-mixing for others, but not for themselves. There is an inherent opposition to sexual relations between the races. We must throw off the guilt complex the Leftists have instilled in our people; they want us to believe that "racial pride" and "racial integrity" are synonymous with "racial poison." The enemy is seeking to undermine the instinctive drive for racial self-preservation of our own racial stock. They are going against our grain in seeking to destroy this deeply rooted instinct. (The "Forgotten American" is about to rise up and the enemy had better watch out.)

Bob Barber Tour Completed

Bob Barber has completed his organization work for the National States Rights Party in Florida. Thus ends his summer and fall campaign of helping to build more active Chapters for the NSRP. He will spend the winter months helping NSRP organizer Neuman Britton in local Party work in the Decatur, Arkansas area.

During this past drive, Bob Barber and his loyal wife spoke and organized for the NSRP in the following states: Oklahoma, Arkansas, Tennessee, Kentucky, Ohio, Maryland, Virginia, North Carolina and Florida. The drive was a great success and this same type of activity for more open air contact with new people through meetings and mass literature distribution will resume as soon as weather permits early this spring. While Bob gets some much deserved rest, other Party leaders will continue with indoor meetings during the winter months. Notices for this activity will be published in the next issue of *The Thunderbolt*.

Attending welcome back celebration in Savannah were (left to right) Peter L. Xavier, Attorney J. B. Stoner, J. Mercer Johns, Connie Lynch, Rev. Bill Fowler, Bob Barber, Gene Wilson and Dr. Edward R. Fields.

Tri-State Conference Great Success

Early last month the National States Rights Party held the long awaited Tri-State Conference. It included members from Southern Indiana, Ohio and Kentucky. A large crowd packed the hall and listened to National Organizer R. D. Eldridge, Kentucky state Co-ordinator Jerry Pope and Dr. Edward R. Fields.

A wonderful assortment of

delicious food was served at the banquet which preceded the talks. It was prepared by the hard workers of the Dayton Chapter. Many of the members remained long after the conference officially ended with proposals and ideas for future actions to build the NSRP in the Tri-State area. Everyone agreed that this was one of the finest meetings of the year for the party. Mr.

Eldridge stressed party loyalty and the necessity of placing every other activity second to the primary task of building the Party first. Solid comradeship was established between NSRP members, many from different cities who had never met before. We look forward to more such meetings for the advancement of our common cause.

It was almost three years ago that three National States Rights Party speakers were arrested in Baltimore, Md. They were charged with "inciting to riot" when no actual riot ever occurred. The case went all the way to the U. S. Supreme Court. If the color of their skin had been Black they would have been freed.

Being White they were found guilty by the pro-communist high court. When one thinks of the tremendous destruction of Black riots and the fact that they go free, and when no damage occurred after our men spoke, their imprisonment was a real travesty upon justice.

Be that as it may, the last of the three men to be released is now free. His freedom was delayed by the stalling, dillydallying and final refusal of the so-called "conservative" states of California and Florida whose parole boards turned Rev. Lynch's parole down.

Rev. Lynch flew to Savannah after his release on Nov. 25. He was greeted at the airport by National Chairman J. B. Stoner and Organizer, Bob Barber. He is well and in good health and sends his very best regards to all his old friends.

same subject.

NSRP speaker and organizer Bob Barber remained a full month in Jacksonville to help coordinate local activities in opposition to the bills. A special prepared leaflet was issued by the Jacksonville Chapter inviting local White people to hear the outstanding NSRP speaker, Mr. Neuman Britton. The leaflet read:

"Fight the open-housing ordinance by attending White people's meetings." After giving the speaker's names, date, time and place it added: "Help fight the threat that the Black Power revolution poses against the security of Ameri-

ca. Protect your property rights, defend freedom of choice."

This was one of the best attended meetings the NSRP has held in Jacksonville in many months. Many more are planned after the first of the year.

A series of three other leaflets against the open housing ordinances were issued by the National States Rights Party under the name of W. E. (Gene) Wilson, Duval County Director. The Honorable Ray Stevens led an NSRP delegation which testified before the city council against the ordinance. Stevens told the council that the open housing and equal employment bills were: "dictatorial powers to the ma-

yor." "Jacksonville has been dubbed the 'Bold New City.' Bold enough to attempt to regulate affairs of people in the community. This bill puts dictatorial powers in the hands of the mayor. The only reason it will not be tyrannically handled will be if the man is not a tyrant."

We congratulate all the members who have actively supported local NSRP leaders in providing the White people with a program to counteract this evil legislation.

How The Jews Control The F.B.I.

Cohn's Calls To Hoover — Rosenstiel's Ownership Of Hoover Foundation

Surveys prove that a large majority of White Christian Americans are conservatives. They can be ascribed to the Right-Wing of the political spectrum.

Unfortunately there exists in America a police force that has fallen under the control of the Jews — that organization is known as the FBI. It has been built up in Jewish publications and Jewish owned Hollywood as a "hallowed institution" that should be placed beyond the bounds of criticism. As long as you are an average supporter of any White Racist organization, you will not be bothered by the FBI.

But, the moment you decide to become publicly active and a leader in your community — YOU WILL SOON BE PAID A VISIT BY THE FBI. They will in subliminal terms advise you to dissociate yourself from any criticism of the Jews. They will suggest that it is unwise to be an open leader of any group that does not like Jews. They ask questions about that group's local activities as their "excuse" for visiting you — even though they most likely already know the answers to these phony questions.

How have the Jews been able to gain such influence over the FBI? The situation has reached the point where the FBI has become Jewry's most effective weapon to silence all criticism. The visit of an FBI agent to any Patriot's home has but one purpose — NOT TO GAIN INFORMATION — but to INTIMIDATE — that individual into ceasing his work for the Rightist cause!

There is no such similar treatment of people in the left wing by the FBI. Many Leftist leaders have publicly proclaimed that they have never had a visit from the FBI. The FBI actually protects and guards their demonstrations from attacks by the indignant "silent majority." Only when the Leftists bomb buildings, etc., does the FBI ever step in.

Through very clever manipulations by two of the slickest Jews in America, have the Jews been able to build their influence within the highest echelons of the FBI. These two men are Roy Cohn and Lewis Rosenstiel.

Roy Cohn was able to successfully cultivate the personal friendship of J. Edgar Hoover during the Joe McCarthy Anti-communist investigations.

Proof of how close Cohn was able to get to J. Edgar Hoover was his ability just recently to have J. Edgar Hoover transfer three New York FBI agents out of the state before they could testify in a current case against Cohn.

Roy Cohn has been standing trial in federal court charged with "bribery, conspiracy, extortion and blackmail." In essence it is charged that Cohn bribed a city appraiser for information involving a condemnation case against Fifth Avenue Coach Lines. Cohn is both a director and a major stock-

holder in the company.

It is charged that Cohn paid Jew Bernard Reicher (the appraiser) some \$30,000 to give a favorable report greatly raising the supposed value of Fifth Avenue Coach Lines, Inc.

New York U.S. District Attorney Morgenthau had subpoenaed three local FBI agents to testify before a Grand Jury about their investigations into

ROY COHN (right) advising late Sen. Joe McCarthy.

thought control network which would squelch free speech.

This is very dangerous and is a grave threat to the progress of those who seek to save America from Jewish tyranny and monopoly. Some who are even leaders in the Right Wing have become victims of the Jewish brainwashing technique exemplified by the Jew Efrem Zimbalist, star of "The FBI T.V. Show," and

J. EDGAR HOOVER Completely taken over by Jewish Schenley liquor money.

THE REASONS REVEALED

At long last we can document J. Edgar Hoover's close connections with one of America's most influential Jews. It seems as though Hoover is deeply indebted to Lewis Rosenstiel, President and Founder of the multi-million dollar Schenley Whiskey Industry. (The makers and owners of a large part of the U. S. liquor market.)

LEWIS ROSENSTIEL Has spent millions on Hoover so that the FBI can be used to silence opposition to the Jews.

produced by the Jewish Metro Goldwyn Mayer studios. Some patriots actually believe that the FBI is some kind of "sacred cow." They falsely think that the FBI can do no wrong and must never be criticized — and should only be praised! Those who are actually on the battle front against Jew control of America know that the Jews' first line of defense against us is the FBI. The FBI moves quickly to question a sincere active Christian patriot, when the Jews complain against him.

Read on and you will learn Rosenstiel's liquor money has brought Jew power within the FBI.

Several years ago a strange book was published called, "Masters of Deceit." It was purported to be written by J. Edgar Hoover. It said Jews had no connection with Communism. But, many patriots saw in this effort a master-stroke of the Jews to whitewash their own people's involvement in the international communist conspiracy.

The McCarthy investigations proved that 95% of all the Communist spies captured in America were Jews. Also, public revelation proved Jews were in a majority in the leadership of the U. S. Communist Party. The leading spies caught were such Jews as the electrocuted Rosenbergs, Morton Sobell, David Greenglass, Judith Coplin, etc., and the loyalty of Jews all across this land was in deep question by Christian-Americans.

Right-Wing patriots couldn't believe their eyes when none other than J. Edgar Hoover himself came out to the rescue of the Jews in his book, "Masters of Deceit."

It all began back during the days when the late Sen. Joe McCarthy was exposing hundreds of Reds and other security risks in Government. (Most of whom all turned out to be Jews.) To try and ward off the smears which came streaming from the U. S. Communist Party and their liberal allies that Joe McCarthy was "anti-Semitic" — he hired two young upstart Jews as his chief investigators.

Their names were David Schine and Roy Cohn. Their insincere and brash carelessness was one of the main points which was later used by the enemy to discredit much of the good accomplished by the late Sen. Joe McCarthy's investigations.

One of the immediate aftermaths of the McCarthy era was a frantic attempt by the Jews to offset the "Communism is Jewish" label which was clearly beginning to stick. Lewis Rosenstiel, the Schenley Liquor tycoon then helped Roy Cohn set up a phony letter-head front called, "The American Jewish League Against Communism." Despite the fact that it has no membership, its press releases were gobbled up by the pro-Jewish daily press eagerly seeking to appease its big Jewish advertisers. Lewis Rosenstiel was the very first to give money to help finance Cohn's front to help whitewash Jewry.

THE J. EDGAR HOOVER FOUNDATION

In relation to all this are some highly interesting sidelights which came to light during the recent investigations into the private tax exempt foundations. Here are the facts laid out in chronological order.

1) In 1957 Louis B. Nichols

stepped down as #2 man in the FBI for a job with Schenley Whisky Corp. (with title of Executive Vice-President.)

2) Lewis Rosenstiel becomes a very close friend of J. Edgar Hoover through their mutual friend Nichols.

3) In 1961 J. Edgar Hoover gives Nichols and Rosenstiel the O.K. to organize "The J. Edgar Hoover Foundation" dedicated to "perpetuating the ideals and purposes to which the Honorable J. Edgar Hoover has dedicated his life."

4) In 1965 Rosenstiel gives the J. Edgar Hoover Foundation 1,000 shares of stock in Schenley Whiskey Industries worth \$35,000.

5) In 1966 Rosenstiel transfers \$50,000 from his own tax-exempt foundation, "The Dorothy H. and Lewis Rosenstiel Foundation" to the tax-exempt "J. Edgar Hoover Foundation."

6) In 1968, the Rosenstiel Foundation gives the Hoover Foundation an additional \$1 million in the form of bonds from the Glen Alden Corp.; which only last fall was bought up by the vast Schenley combine.

7) Rosenstiel is almost the sole financial contributor to the Hoover Foundation.

The following are the officers of the J. Edgar Hoover Foundation: Louis B. Nichols, President (Closest man to Rosenstiel); Donald J. Parsons, Vice-President and a former FBI agent; William G. Simon, Vice-President and a former Jewish FBI agent; N. J. Pieper, treasurer and a former Schenley officer; Patricia Corcoran, Assistant Treasurer and a former Nichols' private secretary employed at Schenley's.

HEADQUARTERS

The J. Edgar Hoover Foundation is located in the law offices of Attorney Robert Sayle in Washington, D.C. (Your editors are right now checking to see if he might possibly be a Jew.) The present secretary of the J. Edgar Foundation is C. D. DeLoach, right now #3 man in the FBI and a strong possible choice to succeed Hoover.

Up to press time the J. Edgar Hoover Foundation has not spent any appreciable amount of the large sums given by Rosenstiel. On June 2nd, 1969, Washington writer Maxine Cheshire revealed that Rosenstiel had purchased tens of thousands of copies of Hoover's book, "Masters of Deceit" for FREE distribution to universities, colleges and important people throughout the U.S.A.

It is thusly clear that certain rich Jews have been able to flatter J. Edgar Hoover, setting up foundations designed to appeal to his ego to forever keep his name and "ideals and purposes" alive. It all goes back to Rosenstiel

How The Jews Control The F.B.I.--

financing Roy Cohn's fake Jewish Anti-communist group to the huge free distribution given Hoover's book, "Masters of Deceit" which hands out the real deceitful lie to the effect that Jews are not communists and that Jewish organizations are the chief bulwark against Communism in America.

There you have the real J. Edgar Hoover story at long last, his own private tax exempt foundation totally financed, headed and controlled by the stooges of Rosenstiel — a man of ill fame who came into control of the liquor industry during the bloody days of prohibition to become a multi-millionaire.

SLOW MONTH For NSRP Building Fund

While most members are faithfully supporting the N.S.R.P. Sustaining Fund in response to appeals in the Party's monthly "Personal Newsletter," there has been a lessened amount of money coming into the very important "NSRP Building Fund."

Won't you help us to build or purchase the permanent Headquarters building we so desperately need? Give so that your state will be on the list next month.

to Jews . . . The majority of Jews that I am acquainted with do not like race-mixing, either for themselves, or for anyone else. Jews are also some of the biggest racists and bigots I know."

Through investigation we discovered that the owner and publisher of "Statecraft" is a Jew named Daniel Paulson. He regularly attends a Synagogue. "Statecraft" is dangerous in that its philosophy is based on materialism (its official symbol on the masthead of "Statecraft" is a large dollar sign.) It seeks to lead White Christians away from a study of real issues such as the Jew problem, race, blood and soil.

In one issue last winter "Statecraft" had an article with a picture of actor Charlton Heston (playing a Biblical scene) holding a whip — Paulson wrote in the words, "I'll teach those Blacks not to burn down any synagogues."

This cartoon conveys the idea to the reader that the Jews stand with us White Christians in the fight against Black crime! Also, that we should stand by the Jews, who Paulson claims: "do not like race mixing for themselves or anyone else." This is absolutely untrue and counter to the basic beliefs of all White-Racist-Rightists. Jews do not want their own blood mixed, but they are moving heaven and earth to mongrelize us White Christians with Blacks.

Paulson often uses a "pen name" for himself in "Statecraft," it is the Jewish "code name," Jules Maccabee. He took this "pen name" from the ancient Jewish folklore hero Judah Maccabee. It was in the year 165 B. C. that Maccabee and a band of Jewish

fighters recaptured a Temple and for eight days slaughtered hundreds of Gentiles. The Jews called this a "purification" feast and celebrate it during our Christmas. It is called Hanukkah and lasts for eight days.

Daniel Paulson is also using "Statecraft" as a means to slyly influence White Christians into backing the bandit state of Israel. Paulson is a strong supporter of Zionist Israel and defends her aggression at every opportunity.

Daniel Paulson pictures himself as a new Judah Maccabee, that is why he often writes under the name "Jules Maccabee." Therefore Patriots should beware, we must not allow this Jew to mislead Christians down another blind alley. His stand for U. S. Jewry, and Israel should be warning enough. His masthead symbol — the dollar sign — is a materialistic sign we shall not worship. We will take the Cross of Christ over that any day.

Defends Blacks —

Burgess' statement follows:

"After listening to radio news reports on the incident, I would like to say that what Vice-President Agnew said about news distortion goes double for Anniston, Alabama."

The news reports do not mention that four Negroes were involved in the incident — that it was I who was cut with a knife or razor — that Anniston has reached the lawless, gutter stage where a man cannot take his wife on the streets at night without being subjected to obscene, vulgar and loud language or cursing and rowdy actions by Negroes.

The so-called destruction of property charge against me is the result of my attempts to force four Negroes to come out of their car — after they had shouted vulgarities and after they had slashed my face.

"The hand of these lawless elements is going to be called — or we are going to surrender our town and our state to these thugs and the politicians who are afraid of them. I expect no fairness from the news media — nor from the politicians who are supporting the left-wing elements."

"I am, however, going to resist — and fight — these elements, whether they be Black Muslim, Black Panther, NAACP — or the weak-kneed political and news media forces that are supporting them."

Ray Burgess, Member, House of Representatives, Calhoun County, 501 East 19th St., Anniston, Ala. 36201
We salute Rep. Ray Burgess as an outstanding example of the young fighting White leadership Alabama and America need in government. He is a man of the Folk who calls for an end to the day of the "self-serving politicians" who spend their time padding their own payrolls instead of standing up for the White people that they're supposed to represent. Our hats are off to State Rep. Ray Burgess of Alabama.

Membership Application

The National States Rights Party is by far the largest White Racist political Party in America. Both Democratic and Republican Parties have betrayed the White People of America. The NSRP is the last hope of the Whiteman to save our White Christian Civilization.

The NSRP is the only political Party vigorously defending White Rights throughout America today. Gain the personal satisfaction of knowing that you are doing your part to bring about a better society in which to live.

Compare our Party Platform with that of the left-wing Democratic and Republican Parties. Only within our ranks can you find the full answer to the grave problems facing the United States.

Join the National States Rights Party and become an active part of the dynamic crusade to save our Race and Nation. Simply fill out the application blank below.

NATIONAL STATES RIGHTS PARTY MEMBERSHIP BENEFITS

All Members receive "The Thunderbolt" newspaper, membership card and a copy of the NSRP Constitution and By-Laws.

The right to attend Members-only meetings and vote on Party policy and election of officers; practical training in the field of political action and the opportunity to meet and work with other Party Members in your area. The deep personal satisfaction of knowing that you are a part of the largest right-wing political Party in America, forging a sword of steel that will cut away the chains that shackle the Whiteman in America.

MEMBERSHIP APPLICATION FORM

I am a loyal White Christian and wish to do my part to save the White Race from racial integration by being a member of the NSRP. Please rush my membership card. I will be proud to stand shoulder to shoulder with my brothers in the NSRP to save our Race, Nation and Faith from Communism and mongrelization.

Enclosed please find my yearly dues of \$10.00.

T. V. THREATENS PURITY OF NATION

During 1969 Americans have witnessed a startling shift in T. V. programming. The emphasis is now on building up the image of the Negro in America. He is to be a 'star', a sports hero, a persecuted individual whom we now must elevate. We are to believe that White people are responsible for all of the Black Man's problems. In every light, the Black T. V. personality is to be made the 'good guy' and White Right Racists 'prejudiced bigots' whom all 'enlightened' people should be against.

T. V. programming is designed to instill a guilt complex within all White people. Our minds are to be guiled into believing that our race owes it to the Blackman to give him more and more in every conceivable means to make him equal, despite the fact that they are not equal and never will be.

"Julia" is a major undertaking by NBC to promote equalitarian brainwashing to be piped right into your living room. It is produced by the Jew Hal Kanter, and directed by 20th Century Fox, an all-Jew company. The so-called 'star' Diannah Carroll, has been glamorized by T. V. publicity crews as an "exotic and beautiful woman." This Christmas T. V. ads are pushing the sale of doll which are supposed to be copied after Diannah Carroll. The T. V. commercial says, "have this star as your very own doll." All the major stores are pushing this as the ideal gift for every little White girl.

The format of the "Julia" story is as divorced from reality as is possible.

First, Julia is supposed to be a war widow. Her husband died in Vietnam as a fighter pilot. The fact of the matter is that there are almost NO Negro fighter pilots in either the Air Force or Naval Air units. The reason being that they cannot pass the mental tests. Black pilots are not even 1/10 of 1 per cent of the Air Force, while Blacks are over 11 per cent of the population. Yet, the T. V. writers can make "Julia" into a heroine.

Many people are victims of this subliminal suggestive message, and thusly feel sorry for this "poor patriotic Black widow," despite the fact that they all know its only a story.

In one of the first programs Julia is portrayed as a victim of prejudiced Whites. One White couple in the apartment building objects to the landlord's renting to Julia. The landlord takes a firm stand behind Julia and gives a speech about how horrible it is for any White person to object to having Negroes living in the same building. She is a poor war widow and the Whites who do not like her presence are made to look like "narrow minded bigots" and being heartlessly unkind — to a widow with two fatherless children. The sympathetic landlord makes a "brotherhood" speech and lets the Whites know they can move if they do not like living with Julia.

Reality can be worlds away from real life on T. V. There is absolutely no mention of the Black crime wave which exists in all mixed neighborhoods. It how unsafe it is for any one to venture into the streets where Negroes live. They present nothing on the effects Negroes have on property values, much less violating the inherent rights of White people to live with their own kind!

T. V. critic Rex Polier who whitewashes such T. V. shows, admits this is, "racial brainwashing: of course, such propaganda exists, but there is good and bad. Love thy neighbor is not bad propaganda." But, who is to decide just exactly what is "good", or "bad" propaganda? No poll has ever been taken to obtain the opinions of the White majority as to whether or not we feel this is 'good' propaganda to be brought into our living rooms every night of the week. A very small handful of Jews make this decision for us.

Please always remember that NBC is controlled by the Jew David Sarnoff, CBS by the Jew William Paley and ABC by the Jew Leonard Goldenson. Their underlings, all down the line are Jews, in all commanding positions. No one dares object to their decisions. This daily dose of brainwashing is bound to take hold of the mind of our children in time. It is a great danger which we cannot dismiss. Action must be taken against those who "can stop this miscegenation wave creeping into our living rooms, we mean the sponsors of these shows which pay the networks to televise them. The sponsors pay the salaries of the so-called "stars" and every one connected with the show. The shows are supposed to sell the product of the sponsor. We must let the sponsor know that we are not going to buy his products if he continues to invade our living rooms with lying propaganda which is deliberately designed to mislead our youth into becoming advocates of interracial circumstances. This is designed to lead our offspring into mixed socializing, mixed dating and mixed marriage.

The most offensive T. V. shows right now are:

"Julia" (NBC), "Mod Squad" (ABC), "Room 22" (ABC), Bill Cosby, (NBC), Leslie Uggams, (CBS), and Rowan and Martin's Laugh-In (NBC). All are alien to the traditions and heritages which our forefathers have handed down to us. Make note of the sponsors of each of these shows. You no doubt have one or more of their products in your home. Write the name of the company in care of the city of manufacture (which is always printed on the product's label.) Tell them that so long as they continue to sponsor such objectionable shows, you will buy products other than theirs and that you will urge your friends and fellow workers to go out of their way to avoid helping to pay for such shows. We the people can still hold the power of veto over what is brought into our homes via the medium of T. V.

DETAILS:

A characterization of the National States Rights Party (NSRP) is contained in the Appendix of this report.

I. ORGANIZATIONAL STRUCTURE

A. Headquarters

On December 29, 1969, physical observation revealed that the national headquarters of the NSRP is located at 8-10 Montgomery Crossroads, Savannah, Georgia.

Physical observation has verified that the office is currently staffed by Dr. EDWARD R. FIELDS, National Director; JESSE B. STONER, National Chairman; [redacted] Party Worker; and PETER L. XAVIER, an elderly man who runs errands and lives on the premises. In addition, there are two to three clerical employees with considerable turnover.

(SV T-1, 2/3/70)

Dr. EDWARD R. FIELDS and J. B. STONER are not satisfied with their present headquarters and desire to move to the Atlanta, Ga., area.

It will take about five or six months and they are contacting members in Atlanta area to help locate a site. They desire several acres of land in Spaulding, Cherokee or Forsyth County within one hour's drive of the airport, because those counties have low Negro populations.

They believe Atlanta will be a more prestigious address for the NSRP and it will enable STONER to increase his law practice. In addition, they believe there will be less police harassment for the NSRP in the Atlanta area.

(SV T-2, 11/12/69)

B. National Officers

On June 7, 1969, at the National Convention held in Jacksonville, Florida, on June 7-8, 1969, the following officers were nominated for the coming year and unanimously elected:

SV 157-871

National Chairman

J. B. STONER
Savannah, Georgia

Assistant National
Chairman

NED DUPES
Knoxville, Tennessee

Executive Committee

[REDACTED]
Jacksonville, Florida

NEUMAN RAY BRITTON
San Bernardino, California

PETER M. XAVIER
Savannah, Georgia

R. D. ELDRIDGE
Dayton, Ohio

Dr. EDWARD R. FIELDS
National Director
Savannah, Georgia

(SV T-3, 6/8/69)

The July, 1969, issue of "The Thunderbolt", monthly publication of the NSRP, on Page 10 was included the name of KENNETH ADAMS of Anniston, Alabama, as a member of the Executive Committee.

Under date of June 23, 1969, Birmingham Office advised that KENNETH ADAMS advised Special Agents of the Federal Bureau of Investigation that he was through with racial agitators. He said Dr. EDWARD R. FIELDS and J. B. STONER were "grabbing their last straw". He pointed out two bundles of newspapers which he identified as copies of "The Thunderbolt" which he said he did not want and that no one else wanted them.

On June 7, 1969, ADAMS was observed at his service station located at Anniston, Alabama.

C. National Membership

No information has been received concerning membership figures subsequent to information previously reported as received

SV 157-871

on February 4, 1969, that it is unlikely that even the officers of the organization know the actual membership, but that a reasonable estimate of active membership would be about 150 individuals throughout the country. There are also about 2,500 mail-type members who joined the organization by mail for an annual membership fee which also includes a year's subscription to "The Thunderbolt".

D. Objectives

The December, 1969, issue of "The Thunderbolt" contains an NSRP membership application form which has the following wording:

"I am a loyal white Christian and wish to do my part to save the white race from racial integration by being a member of the NSRP... I will be proud to stand shoulder to shoulder with my brothers in the NSRP to save our race, nation and faith from communism and mongrelization".

The January, 1969, issue of "The Thunderbolt" contains the following pledge for "The 80 Million Club":

"Will you take this pledge?

"The Eighty Million Club"

"Eighty million white Americans living in every state of our great republic will not submit to the propaganda now practiced by mixed up zealots trying to force integration of the races. Whenever mixed up casts of Negro and white appear together on radio, television or other programs, I will cease to listen or I will turn to other programs.

"I find great satisfaction in controlling the knob of my television and I will turn to oblivion all efforts at race-mixing. At the same time I will make a mental note of the names of the sponsors and their products and henceforth will eliminate them from my purchases, never allowing such products to enter my premises".

E. Publications

The NSRP publishes a monthly newspaper, "The Thunderbolt", available by subscription, mail order, and on many newsstands.

SV 157-871

"The Thunderbolt" continues to publish articles almost predominantly anti-Jewish and anti-Negro.

The NSRP also publishes monthly "a personal newsletter" signed by Dr. EDWARD R. FIELDS, containing certain announcements as well as comments on the news and requests for contributions.

(SV T-4, 12/30/69)

The January, 1969, issue of "The Thunderbolt" sold 30,000 copies and the total charge by the publisher was \$340. Dr. FIELDS owes the publisher, "The Walton County Tribune", Monroe, Georgia, a back bill totalling \$940. According to Dr. FIELDS, the complete cost of getting out one issue of "The Thunderbolt" is \$1,500, including publishing cost, mailing service, stamps, etc.

(SV T-2, 1/2/70)

F. National Finances

The NSRP continues to maintain two separate checking accounts at the Liberty National Bank and Trust Company, Savannah, Ga. One is under the name of National Executive Committee of the NSRP, P. O. Box 6263, 8 Montgomery Crossroads, Savannah, Ga., and the other is under the name of "The Thunderbolt", with the same address. The authorized signatures for both accounts are J. B. STONER, National Chairman, and EDWARD R. FIELDS, Director.

(SV T-1, 2/3/70)

G. State Officers

1. Arkansas

A "Personal Newsletter" dated February, 1969, prepared by Dr. EDWARD R. FIELDS, Director, NSRP, reported NED DUPES, NSRP National Chairman, announced the commission of NORMAN ANSPACH as an NSRP organizer for Little Rock, Arkansas.

II. NATIONAL CONVENTION

The National Convention was held at the Holiday Inn Motel, 555 Stockton Street, Jacksonville, Florida, on June 7-8, 1969. The Convention opened at 2:30 p.m., on June 7 with 130 to 150 persons present. There were 175 persons present at the night session on June 7, 1969, and 80 to 100 persons present at the day session on June 8, 1969.

J. Bst STONER urged members to get local members to run for office in up-coming state and local elections in their own areas.

Dr. FIELDS announced plans for large scale open air rallies throughout the country during the coming months. Members were requested to get sites for rallies and to then contact the national headquarters for speakers.

SV 157-871

R. D. ELDRIDGE announced the next NSRP Convention would be in Kentucky.

(SV T-3, 6/10/69)

III. ACTIVITIES BY STATES

1. Arkansas

Under date of September 4, 1969, the Little Rock Office advised that the NSRP has not been active and has had no organizational activity in Arkansas in the past few years.

As previously noted, [] and NEUMAN BRITTON, NSRP Organizers, are planning to spend the winter in Decatur, Arkansas, and possibly will attempt to organize a chapter of NSRP in that area.

b6
b7C

2. California

One [] Magalia, California, attempted to organize an NSRP chapter in Paradise and Magalia, California, retirement communities in the Sierra Nevada Mountains.

[] urged his friends to return on February 14, 1969, with their friends and their Bibles inferring that the NSRP was a religious or quasi-religious organization.

b6
b7C

On February 14, 1969, a meeting was held with about 20 persons present and the meeting was addressed by [] and NEUMAN BRITTON, introduced as a California leader of the NSRP.

All those present, with the exception of [] appeared to be disillusioned by the talk given by BRITTON and felt they had been misled.

(SV T-11, 4/1/69)

No effort had been made by [] to attempt to establish an NSRP chapter in Paradise or Magalia, California.

(SV T-11, 10/21/69)

SV 157-871

On July 15, 1969, Detective [] South San Francisco Police Department, South San Francisco, California, advised that on July 13, 1969, a meeting of the NSRP had been held at the Holiday Inn, South San Francisco, California, between the hours of 3:00 and 7:00 p.m. Approximately 45 to 50 people had attended this meeting at which Dr. EDWARD R. FIELDS was the principal speaker. Attendance was limited to only those who possessed invitations and displayed them at the door.

b6
b7C

Detective [] advised the headquarters of the NSRP in the Bay Area was set up at the Patriotic Book Shop, 478 Lake Park, Oakland, California, telephone number 444-0355. This book shop is operated by a Miss [] Meetings are to be held at the book shop each Saturday beginning July 19, 1969.

Detective [] advised that arrangements for the meeting room were made on the letterhead of the Patriotic Legal Fund, P.O. Box 6263, Savannah, Georgia, dated July 3, 1969, and signed Dr. EDWARD R. FIELDS. The rent for the space was paid by a check from the National Executive Committee of the National States Rights Party, P.O. Box 6263, Savannah, Georgia, dated July 3, 1969, in the amount of \$30, signed by Dr. EDWARD R. FIELDS. Detective [] advised that he had learned that another meeting was scheduled for the Holiday Inn for Wednesday, August 20, 1969, from 7:00 to 10:00 p.m. with the meeting to be held in the name of "Christian Education Group".

b6
b7C

On October 27, 1969, Detective [] advised that the meeting was held at the Holiday Inn, South San Francisco, California, on August 20, 1969, as scheduled. He stated that the meeting was principally a Bible class. He stated there was considerable anti-Jewish expression in the class.

He further advised he had ascertained that Miss [] [] American Patriotic Book Shop had stated the NSRP holds classes every Thursday evening at 7:00 p.m., however, the meetings are not for the general public but only for those who are really dedicated and interested in the NSRP. [] said the members of the NSRP generally believe there is a plot today in the United States against the white race and Christianity and there is a great decay in today's morals.

b6
b7C

SV 157-871

On July 19, 1969, the NSRP held a meeting at the Assembly Hall, Embassy Auditorium, 839 South Grand Avenue, Los Angeles, California. There were approximately 100 to 115 people present and the meeting was chaired by NEUMAN BRITTON. Those who spoke were [redacted] NEUMAN BRITTON, [redacted] and Dr. EDWARD R. FIELDS.

b6
b7C

The speakers were all the same in that their talks were definitely anti-Semitic, anti-Negro and anti-President NIXON.

(SV T-12, 7/22/69)

3. Florida

A public rally was held by the NSRP at the Second Covenant Church of Jesus Christ at 241 South McDuff Avenue, Jacksonville, Fla., the night of March 15, 1969, with 30 to 40 individuals in attendance.

[redacted] Duval County Organizer for NSRP, acted as Master of Ceremonies.

b6
b7C

Dr. EDWARD R. FIELDS was featured speaker and spoke on the ills of the Jewish people and the communist conspiracy in the United States. He spoke against the appointment of JAMES JOHNSON, Negro, as U. S. Civil Service Commissioner, by President NIXON.

(SV T-3, 3/18/69)

An NSRP rally was held the evening of May 3, 1969, at 241 South McDuff Avenue, Jacksonville, starting with a chicken dinner being served from 6:30 p.m., to 7:45 p.m.

[redacted] Minister of this church, welcomed the NSRP and any other patriotic group to use its facilities.

b6
b7C

[redacted] Duval County NSRP Director, was Master of Ceremonies.

The main speaker was J. B. STONER who generally criticized Negroes for rioting and burning while being protected by the FBI and Jews who control the money and who he alleged have political control of many large cities. He also criticized President NIXON for appointing more blacks to public office than

SV 157-871

any other President.

(SV T-3, 5/3/69)

A meeting of NSRP was held at 241 South McDuff Avenue, Jacksonville, Fla., on October 10, 1969, with 18 members present. J. B. STONER was the speaker and spoke generally against Negroes, Jews and the FBI.

(SV T-3, 10/11/69)

A meeting of the NSRP was held at Union Hall, 2873 West 12th Street, Jacksonville, on October 30, 1969, with approximately 50 persons present. The speakers were [redacted] NSRP leader from Chicago, Illinois, and [redacted] NSRP Organizer. They were generally critical of Jews, Negroes and President NIXON.

b6
b7C

4. Illinois

On April 13, 1969, the NSRP held a meeting at the Holiday Inn, East Peoria, Illinois, from 2:00 pm. to 4:00 p.m., attended by eight men and five women. It was an orderly quiet meeting apparently intended to recruit campaign workers and managers for the NSRP in the greater Peoria, Illinois, area.

(SV T-13, 4/14/69)

During the week of February 17, 1969, [redacted] NSRP member in Chicago, had been in telephonic contact with Dr. EDWARD R. FIELDS in Savannah, Ga., and FIELDS indicated he desired to appear on television and/or radio in Chicago between April 10 and 13, 1969.

b6
b7C

Four members of Chicago NSRP will make arrangements for a regional meeting to be held at the Pick-Congress Hotel, Chicago, on April 12, 1969.

(SV T-14, 2/27/69)

"The Thunderbolt" for May, 1969, reported Dr. EDWARD R. FIELDS addressed the student body of Bogan Junior College, Chicago, Ill., on April 10, 1969, sponsored by NSRP student members on the campus.

SV 157-871

On April 12, 1969, he addressed a group of NSRP supporters at the Palmer House in Chicago.

He appeared on television programs in Chicago on April 12 and April 14, 1969.

5. Indiana

[redacted] Organizer, Indianapolis, Indiana, attended a meeting of NSRP at Dayton, Ohio, on June 29, 1969, taking [redacted] with him. Dr. EDWARD R. FIELDS was present at this meeting.

b6
b7C

[redacted] and his wife with possibly two others represented the entire NSRP membership in Indianapolis and no efforts have been made to recruit new members or engage in any NSRP activities.

(SV T-6, 6/24/69)

6. Iowa

"The Thunderbolt" for March, 1969, reported that Dr. EDWARD R. FIELDS spoke for two hours on Radio Station WOC, Davenport, Iowa, March 7, 1969, on the John Allard Show.

7. Kentucky

The NSRP has only one chapter in Kentucky and that is headquartered at 1904½ Madison Avenue, Covington, Kentucky.

[redacted] Kentucky State Organizer, NSRP, reported on September 7, 1969, that local membership was 14.

The highest attendance at any regular closed meeting during 1969 was 24.

(SV T-7, 9/9/69, 10/17/69)

b6
b7C

On February 26, 1969, [redacted] Commonwealth Attorney, Madison County, Richmond, Kentucky, advised that on February 26, 1969, six Negroes involved in the shoot-out with NSRP members at Berea, Kentucky, on September 1, 1968, appeared in Kentucky Circuit Court, Richmond, Kentucky, and pleaded guilty to Section 437.015 of Kentucky Revised Statute, a

SV 157-871

lesser section of the Kentucky Riot Law of 1968, and a misdemeanor, namely, unlawful assembly. Each received a sentence of nine months in jail. A motion for probation was filed and was pending subject to completion of a pre-sentence report and a hearing on the report. J. B. STONER was present at the hearing as a spectator.

Mr. [] advised on March 12, 1969, that trial commenced on schedule on March 12, 1969, in Kentucky Circuit Court for the NSRP members involved in the September 1, 1968, shooting at Berea, Kentucky. Present were defendants PETER XAVIER, R. D. ELDRIDGE, [] and [] [] CONNIE LYNCH was not present due to his incarceration in a Maryland penitentiary. No effort was made by Kentucky officials to extradite LYNCH for this trial. J. B. STONER was defense attorney.

b6
b7C

On March 14, 1969, all five of the above were found guilty of disorderly conduct under the Kentucky Anti-riot Statute by jury trial and ordered by the jury to each pay a \$500 fine. XAVIER, [] and ELDRIDGE were each given 30 days in jail in addition to the fines.

On April 11, 1969, [] State Parole Officer, Madison County, Richmond, Kentucky, advised that the nine month sentences imposed on the six Negro defendants were probated on April 11, 1969.

b6
b7C

He further advised that also the 30-day jail sentences imposed on XAVIER, [] and ELDRIDGE were suspended and the \$500 fines for [] were each reduced to \$250. All fines were paid as ordered.

Also on April 11, 1969, a guilty plea was entered for CONNIE LYNCH for disorderly conduct under the Kentucky Riot Law. He was fined \$500 and ordered to pay \$250 of this amount. The remaining \$250 was suspended.

8. Maryland

On July 12, 1969, J. B. STONER, accompanied by about fifteen individuals apparently affiliated with the NSRP, arrived at the pavilion, Patterson Park, Baltimore, Maryland, about 6:15 p.m., and set up for a rally.

SV 157-871

STONER addressed the crowd from about 6:30 p.m. to 7:30 p.m. His speech was anti-Semitic and anti-communist and he blamed the ills of the country on the Jewish-communist conspiracy.

He received very little support from the audience and was frequently heckled. The crowd at the outset was about 125, swelled to about 300, and appeared to be mostly from the immediate neighborhood.

STONER spoke at another rally the night of July 13, 1969, at Patterson Park for about one hour, denouncing the Jews and Negroes to about 200-250 people, apparently mostly residents of the area.

He was heckled by members of two Baltimore Motorcycle Clubs, The Outcasts, and The Outlaws.

(SV T-8, 7/13/69)

The NSRP sponsored a rally at Riverside Park, Baltimore, Maryland, on August 22, 1969. The speakers were [redacted] and [redacted] local NSRP representative. About half of the audience appeared to be teenagers.

Another NSRP sponsored rally was held the evening of August 23, 1969, at Riverside Park with about 250 in the audience, most of them teenagers. The speakers were again [redacted] and [redacted]. The speeches both nights related to superiority of the white race and allegations that the Negro was being used by the Jews against the white race. The speakers were harassed by a group of 30 to 40 teenagers.

b6
b7C

(SV T-8, 8/24/69)

9. Missouri

[redacted] NSRP Leader, St. Louis, Missouri, has occasionally indicated that he planned to reactivate the NSRP in St. Louis, but that he has not done so to date.

(SV T-9, 3/31/69)

10. New Jersey

SV 157-871

A public rally was held by the NSRP at the Holiday Inn, Route 130, Gloucester, New Jersey, on Friday evening, July 11, 1969. The rally was attended by approximately 54 persons. The principal speaker was J. B. STONER, National Chairman of the NSRP, who was introduced by JEROME E. HEINEMANN.

HEINEMANN announced that the Camden Chapter of NSRP would participate in a demonstration supporting Shelton College's effort to retain its state educational status which is to be held in front of the state capitol, Trenton, New Jersey, on Wednesday noon, July 30, 1969.

JOHN GOBLE, NSRP Leader from Ocean County, New Jersey, advised his chapter has no program other than running candidates on a local level.

(The Thunderbolt, Aug., 1969)

11. North Carolina

"The Thunderbolt" for March, 1969, reported that Lloyd Jacobs, NSRP Organizer, demanded the right for the magazine stand in the lobby of City Hall, Durham, N. C., to carry "The Thunderbolt" after permission was given for a "hippie" magazine to be sold from this counter.

[redacted] Secretary of the Citizens Committee for Law and Order, Durham, N. C., advised on October 8, 1969, that an in-door rally sponsored by NSRP was held at 3:00 p.m. on October 5, 1969, at the Town and Country Sportsman's Club, 921 Junction Road, Durham, featuring [redacted] and attorney J. B. STONER who indicated they were attempting to solidify white unity and defend white rights. They urged employers to discharge Negro employees and hire white employees. The rally lasted 1½ hours and was not enthusiastically received.

b6
b7C

12. Ohio

The Dayton, Ohio, Chapter is the only active NSRP chapter in Ohio. [redacted] Dayton, Ohio, is Chairman but R. D. ELDRIDGE, Dayton, Ohio, National Organizer of the NSRP is the actual leader of the Dayton Chapter. Meetings are held regularly every other Sunday afternoon beginning at 2:00 p.m., at the chapter headquarters at 224 Oak Street, Dayton, Ohio, the street floor level.

(SV T-10, 10/19/69)

SV 157-871

RE: DR. ELDREDGE held a special meeting of the Dayton Chapter on February 23, 1969, at which the 12 members present were encouraged to obtain firearms and become proficient in the use of them so they could form a cohesive group to react when the "niggers" start trouble.

[redacted] suggested at this meeting that they buy their guns from bootleggers so that the registration would not be made a matter of record. He noted that he has a number of guns in his home including high-powered rifles, pistols and ammunition.

b6
b7C

(SV T-10, 3/4/69)

[redacted] District Supervisor, Bureau of Investigation, Kentucky State Police, Richmond, Kentucky, advised on February 26, 1969, two grouse hunters found a recently buried cache of firearms and survival equipment on February 24, 1969, on the property of [redacted]

The cache consisted of two .30 caliber rifles, one .30 caliber carbine, one .410 gauge over and under shotgun and .22, .30, .45 caliber cartridges and .410 shotgun shells, 10 cartons of power and camping and survival equipment.

b6
b7C

A Tri-state picnic of NSRP was held at the Loveland Park Center, Loveland Park, Ohio, 1:00 to 5:00 p.m., October 26, 1969, with about 85 persons present, of which 25 were children.

Dr. EDWARD RE: FIELDS and four local members spoke. They encouraged the members to recruit additional members for NSRP and to develop future political power.

The guards were outside the center and two guards were inside the center, all armed with pistols.

(SV T-10, 10/28/69)

At the meeting on July 27, 1969, it was announced that [redacted] was going to Cleveland, Ohio, to help [redacted] Cleveland, Ohio, NSRP Leader, in campaigning against Negro Mayor CARL STOKES. The NSRP has very few members in Cleveland and has had little or no activity during the past year.

(SV T-10, 8/26/69)

SV 157-871

13. Tennessee

A White People's Meeting was to be held by the NSRP at Ridgetop, Tennessee, at 3:00 p.m., August 24, 1969, in a shopping center parking lot. The NSRP was advised that the meeting was in violation of city ordinance. Only six vehicles and 13 individuals showed up at the site. [] who said he was from Chicago, was the only representative of the NSRP.

[] returned to the Noel Hotel and spoke to about 16 individuals.

b6
b7C

The rally scheduled for August 25, 1969, at Ridgetop, Tennessee, was cancelled due to lack of interest.

(SV T-16, 8/25/69)

Lt. [] Administrative Assistant to the Chief of Police, Chattanooga, Tennessee, advised on September 18, 1969, that an NSRP sponsored rally was held on August 26, 1969, at 4th Avenue and East 23rd Street, Chattanooga, on property owned by Dr. [] M. D., Rossville, Georgia. The rally was attended by about 125 whites and 25 to 30 Negroes who heckled the speakers. The main speaker was identified as [] and the rally lasted only about 45 minutes to an hour. Dr. EDWARD R. FIELDS was reported to be one of the speakers by the "Chattanooga Times".

b6
b7C

Rallies were scheduled for the same location on September 20, 1969, and September 21, 1969.

Lt. [] advised on September 22, 1969, that the rally scheduled for 6:30 p.m., September 20, 1969, was rained out.

An NSRP rally was held at the above site in Chattanooga on September 21, 1969, at 3:00 p.m., with about 200 people in attendance. The speakers were [] and Dr. EDWARD R. FIELDS. Two other speakers, not identified, were apparently NEUMAN BRITTON, third party leader from California, and [] NSRP Organizer, who were listed on the advance notices.

b6
b7C

SV 157-871

All speakers urged spectators to join the NSRP, stating there would be a local chapter in Chattanooga in the near future.

NSRP rallies were held in Courthouse Park, adjoining the Blount County Courthouse, Maryville, Tennessee, the nights of August 27 and 28, 1969. There were approximately 50 people in the audience the first night and 40 the second night. The speakers were NED DUFES, [redacted] and Dr. EDWARD R. FIELDS. All speakers were critical of President NIXON because of his policies of integration and appointment of Negroes to high positions of Government. They were against integration and the Jew-communist conspiracy. They advocated a strong third political party.

14. Texas

[redacted] Dallas, Texas, admitted on January 10, 1969, he had contacted the NSRP headquarters, Savannah, Ga., asking for the names of six persons in the Dallas area interested in starting an NSRP chapter. He received no reply and made no further attempt to organize an NSRP chapter. He said he believed in the NSRP to the extent he believed in a strong national army to protect each state and that Americans should ship all Jews out of the country and all Negroes back to Africa.

b6
b7C

The Dallas Office advised that contact with police officers and sources in Dallas, Garland and Mesquite, Texas, failed to indicate existence of an NSRP chapter in the area.

15. Virginia

Detective [redacted] Intelligence Squad, Richmond, Virginia, advised on October 6, 1969, that the NSRP held a rally at the corner of Darbytown and Miller Roads on October 3, 1969, from 7:45 p.m. to 9:00 p.m. with about 46 persons present. [redacted] and J. B. STONER were the principal speakers and their talks were anti-Jewish, anti-Negro and advocated white supremacy.

b6
b7C

SV 157-871

Another rally was held by the same speakers at the same place at 3:30 p.m. on October 4, 1969, with about 60 persons present in the audience.

The property on which the rally was held is owned by [redacted] a supporter of NSRP, who is believed to have arranged the rallies.

NATIONAL STATES RIGHTS PARTY

On January 8, 1970, an Omaha source advised as follows:

Edward Reed Fields, who is reportedly the Secretary of the National States Rights Party, was in the Quad-cities area over the 1969 Christmas holidays. While in the area, he apparently arranged for a meeting of people interested in joining the group and in starting a National States Rights Party (NSRP) chapter in the Quad-cities area.

Arrangements were made for a dinner meeting at the American Legion Hall, Milan, Illinois, on December 22, 1969, and Fields was among those present. [redacted] who operates the [redacted] Rock Island, Illinois, phone [redacted] and who lives in quarters at the rear of the store, was apparently the person responsible for arrangements and issued the invitations for the dinner.

b6
b7C

[redacted] is supposed to be some sort of NSRP official. Other persons in the area who either joined the NSRP, or who were asked to join, were [redacted] also known as [redacted] a former member of the National Socialist White Peoples Party and John R. Bishop Faction - American Nazi Party; [redacted] both believed to have been members of the Minutemen; [redacted] both former members of the John R. Bishop Faction - American Nazi Party; [redacted] Bettendorf, Iowa, businessmen; and others.

b6
b7C

Characterizations of the NSRP and National Socialist White Peoples Party (NSWPP), and John R. Bishop Faction - American Nazi Party are attached as appendices to this memorandum.

On January 17, 1970, Omaha source two advised as follows:

b6

Efforts were apparently made to reach former members of the Nazi Party, Minutemen, and the John Birch Society and many invitations were extended, though not many attended.

On January 29, 1970, a third Omaha source advised [] had been approached by [] and [] in an effort to recruit Stewart into the NSRP. The source advised [] had been contacted on several occasions, including by letter from [] which is as follows:

Subject - Membership in N.S.P.

Dear [redacted]

I am writing to inform you that you have been nominated by the post of Sergeant-at-Arms of the County Chapter of the National States Rights Party. You are to keep the contents of this letter secret and reveal nothing of its contents unless authorized.

It is necessary that you join the N.S.P. in order to qualify as an official. Presumably there will be an election of the officers other than myself, I am certain that you could win this election. The election will be held as soon as we have organized. As I have known you for over a year, I feel confident that you are qualified to fill the post. Your attitude and display of sound thinking are indicative of your abilities. As an officer you will have voice in chapter affairs not held by the rank and file membership. I would like to discuss the topic with you as soon as possible. I prefer a meeting with my deputy-designate, however we could meet in private.

Memberships in the N.S.P. are \$10.00 annually. All contributions are voluntary. I think your family would be proud to have a Party official amongst them.

The Party now has P.O. Box 3524. However
I am the only one with access to that box.
If you would prefer to call some evening
about 8:15, my number is 323-8211.
Ask for Michael so as you won't get my
father.

I am looking forward to having you
on the officer staff of the N.S.P. I expect
to hear from you soon.

On February 16, 1970, the second Omaha source advised as follows:

[redacted] of Rock Island, Illinois, is the "den mother" of the small group making up the Quad-cities chapter of the NSRP. [redacted] is apparently the chapter leader; [redacted] is a member, although exact capacity unknown; [redacted] is reportedly the second in command or assistant chapter leader.

b6
b7C

[redacted] is still in very bad health as a result of cancer so his activity will probably be limited.

[redacted] is currently attending St. Ambrose College, Davenport, Iowa, and Augustana College, Rock Island, Illinois, working for degrees in Education, and is also practice teaching at Assumption High School, Davenport, Iowa.

b6
b7C

[redacted] is working at the Davenport Bank and Trust Company, Davenport, Iowa, and they live on Fillmore Street somewhere between 5th and 7th Streets.

[redacted] have spent considerable time together recently and they are completely obsessed with their new-found mutual interest, namely the NSRP. They are actively trying to recruit new members and talk about how the Quad-cities unit will be an "Action group".

APPENDIX

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1967, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank-and-file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

The following editions of "The Thunderbolt" advised of the indicated changes of address:

<u>Issue</u>	<u>New Address</u>
June, 1960	Post Office Box 783 Birmingham, Alabama
July, 1965	Post Office Box 184 Augusta, Georgia
April, 1967	Post Office Box 6263 Savannah, Georgia

NATIONAL STATES RIGHTS PARTY (NSRP)

On August 4, 1965, a source advised that Edward R. Fields, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who actually controls the NSRP.

Issue No. 114, dated June, 1969, of "The Thunderbolt" lists Dr. Edward R. Fields as the National Director of the NSRP, as well as Editor of "The Thunderbolt."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,
Also Known As The American Nazi Party,
American Nazis, The World Union of Free
Enterprise National Socialists, The George
Lincoln Rockwell Party

On May 26, 1969, a source advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP-WUFENS) was organized by George Lincoln Rockwell at Arlington, Virginia, on February 28, 1963. It was based on the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews, and communists, through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander Rockwell.

On August 25, 1967, George Lincoln Rockwell was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967, issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that Matthias Koehl, Jr., took command of the Party after Rockwell's assassination.

APPENDIXAMERICAN NAZI PARTY -
JOHN R. BISHOP FACTION

On April 18, 1969, an Omaha source advised as follows:

After the death of George Lincoln Rockwell in August, 1967, Matt Koehl took over leadership of the National Socialist White Peoples Party (NSWPP). In December, 1967, Koehl held a meeting of about 100 members at Los Angeles, California, in an effort to unite dissenting factions. Many members refused to support Koehl and formed a new group under the leadership of Dr. James Conrad Warner using the name of American Nazi Party (ANP).

Koehl continued as the leader until July, 1968, when [redacted] briefly assumed leadership, followed by [redacted] and then John R. Bishop who took control in about September, 1968.

The October, 1968, issue of "Attack" is described as "Official Newsletter of the American Nazi Party," indicating new national headquarters of ANP was Davenport, Iowa, with John Bishop as Commander and Major Weidenfeller as National Secretary and Deputy Commander.

b6
b7C

On November 26, 1968, an Omaha source advised ANP headquarters are located at Davenport, Iowa, with John R. Bishop as Commander and [redacted] as Deputy Commander and National Secretary.

NATIONAL STATES RIGHTS PARTY

The February, 1970, issue of "The Thunderbolt", Issue No. 122, national monthly publication of the National States Rights Party (NSRP), a characterization of which is attached in the appendix, contains three articles on the first page relating to busing of children and withholding aid to school districts to effect full integration of schools. The articles commend Governor John J. McKeithen of Louisiana for his stand in urging the people of his state to defy any arbitrary busing of children and upholding the principle of the neighborhood school. One of the articles supports Governor Lester Maddox of Georgia for his stand in supporting Freedom of Choice and leading a student march on the Federal Court Building in Atlanta, Georgia, on January 9, 1970. The articles also criticized President Nixon for claiming to support the South, but on the other hand working for the defeat of two important measures the Southerners wanted to add to the Department of Education appropriations bill to permit Freedom of Choice and rule out any mandatory busing of pupils.

Articles on page 2 pointed out how the northern cities had stopped busing of students to Negro schools because of ferocious resistance of local people and urged that Federal Courts be denied the right to step in and take over operation of public schools.

Page 2 also contained a column of news flashes containing news items critical of Negroes, Jews and Ted Kennedy.

On page 3 an article appears advocating that Federal Courts be abolished because, as presently established, the system is the most tyrannical system of jurisdiction ever to befall our people. The article advocated enforcement of

federal law by local state judges elected by the people.

This page also contains an article reporting that six government tests, including the Headstart Program, the "More Effective Schools" Program in New York City, and the subsequent "All-Day Neighborhood School Program" in New York City prove the Negro is inferior due to heredity.

Page 4 contains an article again urging parents of white school children to protest and refuse to comply with programs for busing school children for purpose of integration.

Page 4 also contains an article which has appeared in this paper several times before pointing out the Vadoma Tribe in Africa has special features closely resembling an ape and feet similar to ostrich feet.

On page 5 an article appears alleging the National Association for the Advancement of Colored People (NAACP) is controlled by the Jews and the true head of the NAACP is a Jew named Kivie Kaplan. It alleges that Roy Wilkins is simply Kivie Kaplan's secretary and windowdressing. Another article on this page purports to establish that crime has jumped by 2,600 per cent in racially mixed schools between 1964 and 1968 in crimes actually occurring on school property.

Page 6 contains an editorial written by Dr. Edward R. Fields entitled "How Nixon Fools South". This editorial alleges Nixon was elected President because of his promise to halt busing and return control of the schools to local school boards. It further alleges that while Nixon is courting the South, he is at the same time forcing school integration at a faster pace than ever before. It was also critical of Secretary Robert Finch of Health, Education and Welfare for requesting the cancellation of the tax-exempted status of hundreds of southern all-white private schools.

The remainder of pages 6 and 7 contain letters to the Editor critical of Negroes, Jews, interracial dating and preferential treatment of Negroes by the press and the military service. One letter to the Editor advocating castration for rapists was signed by Hubert H. Heath, Lakeport, California 95453.

Page 8 contains an article reporting that J. Emile Vidrine, a member in good standing of the NSRP, is running for Congress in Chicago's Fifth Congressional District. His campaign headquarters are at 5910 South Troy, Chicago, Illinois 60629, telephone number 434-2845.

The page also contains an article that J. B. Stoner reports on his visit to England and shows his standing in front of Westminster Abbey. The article relates to the racial problem in England which he claims is encouraged by the Jew-controlled British Government. He alleges that the high Negro birth rate and interracial breeding and marriages will soon change it from a white nation to a mongrel dark nation.

The NSRP members' page, page 9, contains an article indicating an anti-busing rally sponsored by the NSRP was held in Jacksonville, Florida, on January 22, 1970, reporting that hundreds jammed the meeting hall and hundreds more could not get into the building. The article indicated that as the paper was going to press, two NSRP rallies have been set for the Heidelberg Hotel in Jackson, Mississippi. These meetings are billed as "White Parents and Students Mass Meetings".

This page also contains an article revealing Chairman Frank McNay of the Covington, Kentucky, Chapter of NSRP, was given a special award for his good citizenship, building unity, and having played a major part in signing up many new members in the NSRP during 1969. The award was presented by R. D. Eldridge, national organizer, at the Christmas party held at the Tri-State Office of the NSRP, 224 Oak Street, Dayton, Ohio, December 21, 1969. Also present at this party was Indiana State organizer, Mr. Weston Elkins, and his staff of officers.

Page 10 contains an article revealing that Winston Churchill was responsible for history's worst massacre at Dresden, Germany, on February 13, 1945. It alleged that 250,000 people were slaughtered in 14 hours at Dresden.

Page 11 contains an article on How To Stop Interracial Socializing by J. B. Stoner, National Chairman, NSRP. The article relates that moderation is treason to the white race and that members of the white race must either be

100 per cent for or 100 per cent against preservation of the white race. It alleges the Negroes will have only contempt for the whites who are so degenerated as to betray their own kind and join the black camp.

An article on this page also commends the wife of U. S. Attorney General John N. Mitchell for her remarks as to the "Communist Liberals" that demonstrated in front of the Justice Department, and for her opposition to the Jews.

The page contains an article indicating that \$200 was contributed to the NSRP Building Fund in January, 1970, making a total as of January 31, 1970 of \$2,141.

ISSUE #122

Gov. McKeithen: "Don't Let Them Bus Your Children"

Nixon Defeats South's Bills

Nixon and company keep talking about how they support the South and want the votes of the White people. While we hear one thing, they are telling the Blacks (out of the other side of their mouth) another story. The Negroes are promised more advancement under the Republican administration than anything the Democrats have ever handed them.

Proof of this real Anti-South policy was revealed in the administration's defeat of two important measures the Southerners wanted to add to the Department of Education's appropriations bill. One amendment would approve Freedom of Choice in the assignment of students to neighborhood schools and stop the closing of any school. The other would rule out any mandatory busing of pupils.

Bob Finch personally went before the committee considering the bill and said, "This measure could seriously jeopardize the substantial progress we have made in school desegregation." Bob Finch is nothing but a mouthpiece for Nixon and went on to add, "Approval of these amendments would mean recalcitrant school districts would be encouraged to harden their positions and districts which have complied with the law would be tempted to go back on their commitments."

This is proof compounded that the Richard Nixon administration is an enemy of the South and is working hand in glove with Kivie Kaplan, head of the NAACP to integrate the races this is in preparation for the mongrelization of the White population and the production of a high-yellow mulatto race of the future.

Gov. Maddox Leads Student March On Federal Court

All over the state of Georgia mass marches and demonstrations are being held in the fast spreading fight against forced school race mixing. Gov. Lester Maddox can be given credit for sparking this White people's revolt against the tyrannical decrees of a power mad Supreme Court.

As we go to press, motorcades of aroused citizens are converging on Atlanta from Macon, and Columbus, Georgia. They are massing to demonstrate their support for our governor and to listen to his instructions on how best to continue the fight back home.

On Jan. 9, Gov. Maddox addressed 3,000 protesting students on the steps of the state capitol. Afterwards he actually led the students in a march on the federal court building to protest directly to Federal Judge Hooper. Maddox told the cheering students:

"The ordering of teacher transfers to achieve racial balance is a criminal action by the federal government." He then read in part from a letter he had that day written to Pres. Nixon.

"I am asking that teachers quit teaching until constitutional freedom of choice has been restored, and I am pleading with parents to withhold their children from school until the education, safety and welfare of these children can be assured by returning public education to the control of local citizens."

"Unless you and the Congress act soon to stop this criminal action of the government against American children and their teachers and parents, then I intend to use what influence I have to try to get millions of them to come to Washington and stay until the federal government returns to the United States Constitution and frees our children and their schools from the police state that now engulfs them."

GOV. LESTER MADDOX LEADING THE HUGE STUDENT MARCH FROM THE STATE CAPITOL.

Governor Pledges Support To Students
Gov. Maddox then turned to the students and solemnly promised them:

"I pledge to you that I will continue to support your every effort. I will support your march anywhere and anytime. I call on your parents to be with you." (This brought on a tremendous cheer from the crowd.)

Later newsmen asked the Governor if he was afraid his open defiance of the federal courts might land him in jail for contempt. He said, "I have been in a lot of courtrooms and been threatened with jail a number of times. It is the federal courts that are violating the Constitution, not I."

Afterwards, former Gov. Carl Sanders, a Kennedy Democrat and the most notorious race mixer in the state of Georgia denounced Maddox for encouraging the students to stay out of school and urged them to remain "calm." Negro Sam Williams, head of the Georgia NAACP fumed and called Gov. Maddox the "new Adolf Hitler of America."

Despite such statements from a few disreputable politicians, the masses of the White people rallied as never before to halt the busing and transfer of students and teachers. With their backs to the wall, the White people now have turned to the offensive and the indignation and fury of our people are just beginning to be felt.

Gov. Maddox further said: "When the courts deny you freedom of choice, they are denying you your constitutional rights."

Baton Rouge, La., Jan. 20—Gov. John J. McKeithen of Louisiana has urged the people of his state to defy any arbitrary busing of children. In upholding the principle of the Neighborhood School, McKeithen said in a state wide televised speech:

"I would not permit my own children to be bused. I urge other parents to take a similar stand."

Gov. McKeithen explained that the 1964 Civil Rights Act specifically forbade forced busing to achieve racial balance. He declared he was abiding by that law in asking parents to refuse to allow their own children to be bused.

In a statement, Gov. McKeithen said, "It sounds like somebody is defying somebody."

At the same time Gov. Kirk was drawing up plans of his own to use the powers of the state to forcibly stop any busing of students.

Gov. Maddox of Georgia was visibly pleased at McKeithen's actions and said:

"I am glad Gov. McKeithen has joined with us. I predict that many other public officials will be joining us soon and that millions will refuse to surrender to these ungodly and unconstitutional edicts."

The forced busing of White children into Black ghetto schools and the reversed busing of Blacks into White neighborhood schools is the most controversial and emotional issue to ever confront our people. The people now realize that upon the final outcome

of this issue could hinge the future survival of the White race. May God grant the White people the will and fortitude to continue this monumental struggle against this unspeakable evil.

Students March on Capitol from Atlanta Stadium to Protest Transfers of School Teachers

How Northern Cities Stopped Busing

While all the pressure of the Supreme Court is now focused on cramming busing of students down the throats of Southern Whites, several Northern areas have demonstrated how militant action can halt such programs. In fact, the feelings of the people of the North are so intense that almost no politician dares raise his head in favor of busing children from his own area.

Minneapolis, St. Paul area has shocked its state board of education with the ferocious resistance of local people to the thought of busing children. Most Whites have flatly refused to allow their children to be bused. Charles E. Roberts, a White parent spokesman said: "If you try to put my kid on a bus, you'll have to put me on first — in chains." Thus far this local busing plan has been a total flop.

Philadelphia. This city now buses 12,000 Blacks into White area schools. They initially sought to bus an equal number of White children into the Black ghetto. This brought on such a torrent of protest from the all-White northeast section that not a single White child is being bused. Reports were that the parents were up in arms over the idea. Blacks also complained about their kids spending two hours riding buses. Philadelphia's Ghetto schools are notorious for dope addiction, knifings, beatings and rapes. Only an insane liberal fanatic would suggest that your child be bused. It should be noted that

not a single well-known liberal educator or politician has placed his own children in a predominantly Black school!

New York State. Here is a perfect example of how the Southern States could move to stop busing. The U. S. Supreme Court ordered a busing plan for parts of New York City. Then the state legislature, by a heavy majority vote forbade appointed school boards and the state commissioner of education from putting the plan into effect. The Supreme Court has been strangely silent over this new defiance. Gov. Kirk of Florida has a similar plan to stop busing. Other states are urged to do the same!

Newark, N. J. had a test program of busing only 37 Blacks to a White school. Board of Education officials said that "White reaction was strongly unfavorable and the program has not been renewed." Here is another case where parents simply stood up for their own children's rights and put a stop to this ridiculous busing.

Richmond, Calif. had a two-way busing plan begun in 1968. Whites bused into Black neighborhoods and visa-versa. It caused such a storm that none of the members of the school board sought re-election this year. The new board made it a voluntary plan. Not one single White parent volunteered his child, but, 1,000 Blacks did. Whites are still fighting Black busing to their

schools.

Chicago, there is strong opposition to the busing of 540 Blacks into the White Northwest section of the city. As of now there no politician dares suggest that Whites be bused into the Blackboard jungle schools.

Asheville, N. C., proves that even one-way transferring is not popular. The Black school on one side of town was closed and the 900 Blacks ordered to the White schools. Negroes are now protesting that the White school should be closed and the White children sent to the Black school. The city has no school buses and the parents must provide their own transportation.

Protect The Neighborhood School

The cornerstone of the American educational system has always been the concept of local support of the neighborhood school. It is closest for the children to attend and one in which parents can involve themselves in PTA and other school projects.

The idea of busing children into hostile, and inferior neighborhoods is placing an unspeakable burden upon the child. No self-respecting parent would permit his child to be hauled all over town just to achieve some crazy minded liberal's idea of a what constitutes an ideal balancing of the races. White Christian Americans have too much backbone to stand for their own flesh and blood to be treated in such a manner.

Get Federal Courts Out Of School Business

What right does a federal court have to step in and take over the operation of a public school? Federal courts are telling the schools who they can hire, and the ratio of the races which make up the faculty. They are zoning schools, pairing schools and transferring students!

Throughout the history of this nation a locally elected board has controlled and operated the schools. The federal court has absolutely no legal right to step in and take over the operation of your local school. This is especially true: when one considers the fact that school board officers are elected and a federal judge is appointed and he in no way represents local people. The people must not allow federal judges to cast themselves in the role of self-appointed school administrators.

tors.

The 1954 Supreme Court ruling which began integration was based on their (false) contention that it was unconstitutional to bar any child from attending any public school on racial grounds. The South instituted a policy whereby students could choose the school of their choice. Most using this "Freedom of Choice" plan chose to attend schools of their own race.

This enraged the Supreme "Snorts" in Washington and they, along with HEW are now assigning students and teachers by race — This is exactly opposite their 1954 contention that race should never be a criterion in the placement of students.

There is no doubt that the intention of the plan is to bring about the interbreeding of the

two races. Communistic liberals have long advocated the 'melting pot' idea of one race in America. They disregard all the psychology tests by both governmental and private agencies which point out that the Negro is 17 I.Q. points lower in mental ability than the average White child. An average that holds true in all comparable environmental levels.

Mixing of the races does not produce a better educational advantage for either race. It has the opposite effect of pitting White against Black and visa-versa. Assaults, stabbings, indecency and typical Negro obscenity is the rule of the day in the mixed school. It is impossible for a youth to receive an education when thrown into a Blackboard jungle ruled by wild savages.

NEWS FLASHES

CIVIL RIGHTS CHIEF OF HEW Leon Panetta reported 61 per cent of the nation's Black students and 65 per cent of Whites still attend schools of their own race, this despite 16 years of federal pressure for integration since the Supreme Court's decision of 1954.

THE AMERICAN JEWISH CONGRESS has petitioned the Supreme Court to give atheistic pacifists the same right to be exempt from war duty as religious pacifists. The AJC says it is discrimination to withhold equal treatment from anyone opposed to the Vietnam War. What we would now like to know is whether or not they would favor such easy exemptions in the event they are able to suck the U. S. into a war on the side of Israel!

RAPE BEFORE ROBBERY, an observer of Black criminology in St. Louis reports that a study proves that when a Negro first accosts a White woman, his initial instinct is only to rape the victim. When that despicable act is completed they always think of robbing the woman — as if it were a casual afterthought. Thus is the working of the mind of a modern day Black savage, which the courts have freed to roam our streets at will, turning every area in which they dominate into a hell hole of degeneracy, and crime.

AMERICA BEING JUDAIZED is the subject of a new book by the Jew Albert Vorspan entitled "My Rabbi Doesn't Make House Calls." He says: "Instead of Jews being assimilated into American culture, the reverse is happening. America is becoming Jewish. If you have no Jewish friends your future is bleak." After considering what we are swallowing on TV, in the movies and the filth on the newsstands, we must conclude that he is correct about America's Judaization.

CATHOLICS BEWARE the Jewish Anti-Defamation League has produced five one-hour movie films to be shown in parochial schools. It is to brainwash Catholic children on the subjects of "The Jews and Their Religion," "Jews in Literature," etc. This is to try and make us believe that Christianity has its base in Judaism — the latest Jew line. Philadelphia Catholic schools have accepted this program and 5,000 Catholic teachers and 250,000 children will view the film. Local Catholic NSRP supporters should protest.

SEN. TED KENNEDY has a new campaign slogan suggested to him for use in his race for re-election in Mass. It is, "Sink or Swim With Ted."

PRO AND CON DEBATE ON CASTRO was recently held in New Orleans by the Council on United Nations Affairs. Arguing in favor of Fidel Castro was Samuel J. Solomon (Leftist Jew, of course) who represented "The Student Liberal Federation."

CHRISTIAN PATRIOTS MENTALLY ILL? That is the charge made by Jew Dr. Jerome Weiner, a professor at M.I.T. He recently said, "Anti-communism has been so virulent in the U. S. that it may come to be viewed as a mental disease."

ZIONIST INTERNAL MEDDLING with the affairs of state, was revealed by Jacques Torczyner, president of the Zionist Organization in America. He called on all Jews to "intensify their efforts to influence U. S. Government opinion in favor of Israel. American Jews must stand by Israel." Thus we find another example of Jews placing their loyalty to Israel over the best interests of this country.

EXPECT PRICES TO RISE IN JEW STORES, Israeli Prime Minister Golda Meir has invited 100 of the top Jew financiers in America to meet in Israel. Due to Israel's low currency reserves, she is asking them to raise \$100 million in 1970 through the United Jewish Appeal. This is an amount over and above the \$159 million in Israeli bonds sold last year — which they hope to surpass this year. These tax free contributions will not come out of the pockets of the Jews. Their business profits will have to rise to cover them — money to Israel aids inflation — you will end up paying for it in ever increasing prices in Jew stores.

By G.A. JONES

"We have received a white heritage from our ancestors — shall we bequeath our posterity less? For countless centuries our race has been dominant among the peoples of the world — shall our children be counted among the mongrels? The white race and its culture has never survived prolonged contact with a coloured race — shall America repeat or shall America reverse history? We of this generation are to determine whether the American of the future is to be wholly white or partly black. There is no doubt as to the nation's ability to repatriate the Blacks. Repatriation is possible! It is necessary!"

Could Federal Courts Be Abolished?

During the recent mass student demonstrations against integration in Atlanta schools, some youths held signs with pertinent slogans. One read, "Abolish Federal Courts." Perhaps taken lightly at first, many people are now giving it more consideration.

When this nation was first founded there was much debate over whether or not there should be a strong federal union. The original thirteen colonies were afraid that a despotic element might gain control of Washington and force a dictatorial rule over those with differing views. When the federal courts were established, state courts were already in existence. Many of our founding fathers argued that federal law could be

still supposed to be servants of the people, like any other politician. In all actuality they are seeking to undermine and destroy our freedoms. Below we outline the undemocratic basis upon which these men seek to change our lives and destroy the traditions upon which our White society was founded.

1. Federal judges are not elected by the people from the district over which they serve.

2. Federal judges are appointed by whoever happens to be president (and our last five presidents have been left-wing liberals.)

3. They serve for a life term (unlike any other political office) and are beyond practical recall or redress by aggrieved citizens.

SOUTH CAROLINA MARCHES

OVER 3,000 parents marched on Capitol of South Carolina to protest busing. Gov. McNair is only deep South governor who has refused to help his people. He is called a Scalawag and a traitor and predictions are that his political future is over.

administered by local, elected, state courts.

Those favoring a powerful central government won over those advocating more States Rights. We are suffering from this decision in this hour of crisis. The federal court system as presently established is the most tyrannical system of jurisprudence ever to befall our people.

The Wrongs of The Federal Court System
Presently established federal courts are in complete opposition to the principles of freedom upon which this great Republic was founded. While enforcing federal law they are

We of the National States Rights Party support a total abolition of the federal judiciary system. There is no reason why elected local state judges cannot also enforce federal law. Federal Judges simply are not needed and pose a great danger to the liberty of the White people of America. We cannot have uncontrolled federal judges running wild over the rights of the people and have this nation remain a free land. The time has come for the abolition of Federal Courts in the name of States Rights and White People's Survival.

SIX GOVERNMENT TESTS PROVE NEGROES INFERIOR

SPECIAL PROGRAMS FAIL TO HELP NEGROES.

In the March issue of The Thunderbolt we reported on a long study made by the Director of the Institutes of Human Learning at the University of California at Berkeley. He is Dr. Arthur R. Jensen, a nationally renowned psychologist.

We quoted his studies of a cross section of negro and White children which proved that the average negro's I.Q. had more than one standard difference from that of White students. More important was his discovery that the differences had nothing to do with environment, but were due to HEREDITARY deficiencies. I.Q. tests all across the nation have revealed that the average negro score is about 80, while White children register a score of about 101.8.

HEADSTART PROGRAMS FAIL

More than \$300 million have been spent on Project Headstart and many millions more spent by local state boards of education to bring the negro child up to the educational level of White children. Project Headstart was a part of Lyndon Johnson's program to help some 600,000 so-called underprivileged (negro) children prepare for school.

The initial results showed that the average negro child gained some 8 to 10 points on I. Q. verbal tests. But studies by two Jewish Child Psychiatry Doctors, Gerald Alpern, and Max Wolff disclosed that the program had no lasting results. Once in integrated classrooms they fell behind the White children and this difference progressed at an increasing rate with each school year.

In Title I of the 1965 Education Bill compensatory programs were set up all across the country to help children from poor families (negroes) attempt to catch up with White children. The U. S. Office of Education in its first report on the progress of the Title I program reported that in 19 of the tests from reading comprehension to arithmetic the negro I. Q. lag was only slightly reduced. But, in ten other tests the I. Q. lag actually increased.

The second year report in 1968 disclosed that the average disadvantaged child slipped farther behind the national norms in reading and arithmetic.

N. Y. had the most aggressive program to date to bring negro grade averages up to par with that of White children. In 1965 the New York City Board of Education began project Higher Horizons involving 100,000 negro children in 76 grade and high schools.

In 1966 the N. Y. C. Board of Education reported that the program had almost no effect in improving the educational ability of negro children.

As a result New York's liberal education leaders decided to pick out a smaller number of negro children for a more intensive program to see if a more direct and comprehensive program would help negro children catch up with white children to an equal level. The program began in 1966, this time involving a much smaller number of negro children in only 21 grade schools. The

class size was cut to only 12 to 20 children. The specialization program actually cost \$1,263 per child. (Twice the regular amount spent per child.) This new program to raise negroes to White levels was called "More Effective Schools" (MES).

In Sept. 1967, the N.Y.C. Board of Education stated that "there was no significant progress among children participating in the MES program." Regrettably, they further explained, the entire program was completely useless. "The achievement test data showed that the profiles of MES schools were no different from the profiles of these same schools before the program was instituted."

As a desperate last ditch attempt to force negroes up to the class level of the average White child the N. Y. City Board of Education instituted the so-called "All-Day Neighborhood School" program. Some 7,000 negro children participated and were required to attend classes for two extra hours per day. Needless to say there was no appreciable difference between the other so-called economically deprived negro children who did not participate.

NEGROES LOWER ON A NATIONAL LEVEL

The U. S. Office of Education reported in 1965 that negro children tend to be, on an average, 3 to 8 months behind White children in first grade. This discrepancy was not corrected by the time they reached their senior year (12th grade) they are from 3 to 6 years behind the average educational level of White children.

THE COLEMAN REPORT

In 1968, the U. S. Department of Education released a study of negroes scholastic ability. They were at a loss for words to justify the results. Dr. Coleman's study completely repudiated the entire mode of thinking that holds environment responsible for educational shortcomings. Dr. Coleman found that heredity was the sole reason for the great difference.

Dr. Harry Levin of Brookings Institution, a Jewish researcher seeking to determine the reasons for negro inferiority regrettably reported in the "Saturday Review": "The literature used in testing suggests that at least 60 to 90 per cent of the variance in standardized ability tests is attributable to genetic differences among individuals."

Thus, even the most extreme liberal educators are now being forced to admit from their investigations that which we conservatives have held forth for a long time — that it is RACE and HEREDITY which make the differences in educational ability. When the U. S. Supreme Court in 1964 ruled that Whites and Blacks should be forced to attend mixed schools, they had no such research material at hand upon which to base their theories. As time passed we now have the proof that both races are absolutely NOT equal.

Anthropologists declare that the negro has a brain which weighs some 14 ounces less than that of the Whiteman. That the forebrain of the negro is almost

30 per cent less in diameter due to the small angle of the negro forehead. Also, the fact that the negro skull is 1/4 inch thicker than that of the Whiteman and the sutures in the negro baby's skull ossify at a much earlier age than those of Whites, thus retarding the growth and development of the negro brain. Scientist Arnold Toynbee estimates that the negro is some 250,000 years behind the White race in mental development and civilization. This is controlled by the genes which make us identifiable as to all the mental and personality traits we inherit from our parents going back to ancient ancestors. The negro has no genetic "background" or civilized history that could have been "recorded" in their genetic makeup.

With more scientific facts being daily discovered proving the vast difference between the races, the federal courts should most certainly move to reconsider their rulings forcing race-mixing in the schools. The simple fact is that the average negro child cannot learn as fast as the White child. That they actually never do reach the educational level of the White child. It is but common sense that the negro would be much happier in all-Black schools. It is nothing short of a sheer folly and suicidal to hold back the educational development of White children while teachers spend most of their

Recognizing these documented facts, Robert Finch should move forthwith to reverse the punitive guidelines system of mixing the races in the schools. The American people must arise and demand that the fanaticism of liberal integrationists be stopped from seeking to force their thoroughly discredited theories of equality upon our children. It is in the best interest of both races for each to seek out its own development and destiny within its own kind of folk.

The full facts on the educational differences between the races are contained within this article. You can help us to reverse and bring an end to forced race-mixing of our children by giving this information the greatest possible circulation. It, therefore, is urgent that all readers order extra copies of this issue and distribute them to your friends. If you wish we will mail them out to your mailing list at 20 cents per name. Let us demand that Robert Finch of HEW and the U. S. Supreme Court cease and desist from forcing unscientific forced integration upon our people. Robert Finch and all members of the U. S. Supreme Court are being mailed a copy of this issue with a personal plea from your editor. But, it will take a national demand upon the part of our people to put an end to school integration. Dedicate yourself today to helping this cause of truth succeed.

Liberals At A Loss To Explain Animal Feet On Negro Tribe

NEGRO TRIBE is extremely primitive. Note archaic facial features and animal feet. Despite liberal propaganda, the races are vastly different.

The recent discovery of the Vadoma tribe in darkest Africa has left liberals at a loss for an explanation. They contend that there is no difference between the races, that all men are created equal.

Many anthropologists and other noted scientists have come to the conclusion that there are vast differences between the races. They be-

lieve there is no relationship between the modern day White-man and the African.

New discoveries of negro tribes today find them still living under stone age conditions with features having connections with the animal kingdom.

This is the case with the Vadoma tribe which lives along the Zambezi river separating Rhodesia and Mozambique. They live in caves, trees and antbear holes, in an inaccessible jungle. They have peculiar feet which are not found on humans. A photograph on this page shows the feet splayed up the center dividing them into two parts. They have no normal toes.

Upon learning of this discovery, Liberals claimed this was a deformity and that these tribesmen are our "equal brothers." Not so says Prof. D. P. Abraham, history lecturer at University College of Rhodesia. He says:

"The Vadoma tribe's unusual feet are definitely hereditary. Their bone structure is quite different from the normal because their feet split high up on the instep and splay out in two big appendages, like an ostrich foot."

"I believe that the youngsters of this tribe have a web between their toes from birth until they 'grow up and start climbing trees. We believe that there are about 100 of them. They show elements of very ancient Stone Age features with strange wedge-shaped faces. They have heavy, broad cheekbones and unusually large eyes."

Prof. Dos Santos, a Portuguese scientist says that this strange tribe can run at fantastic speeds. They do not climb trees, but run right up the side with their feet grabbing hold of the branches. *"I am convinced they can outrun and outclimb baboons."*

Their so-called feet resemble those of the ostrich. Some equalitarian minded liberals have said that perhaps the tribe cuts off the toes of the young at birth. Recent X-Ray photographs taken in Salisbury by a radiologist prove that this is not the case. There is no way to get around the fact that these animal feet are a natural hereditary trait for this tribe.

The facial features of the Vadoma tribesmen should also be taken into account.

The following features are in close resemblance with those of the ape. A very flat and spread out nose, small chin, high wide cheekbones, greater distance between nose and mouth and small upper skull.

The time has come for all educated people to realize that there are many vast differences between the White and Black races. The fact is the Black race (according to Arnold Toynbee, world's greatest historian) *"has not of this day developed a single civilization nor even contributed toward one."*

It most certainly cannot

help in the hereditary development of the highly civilized White race for us to allow our kind to interbreed with a species which is definitely on a much lower genetic level. We have a right and a duty to up-breed the White race and prevent the pollution of our kind with inferior races.

Negro Vadomas' feet are similar to Ostrich feet.

"The Thunderbolt" receives many letters from liberals who take issue with our views that the races are not equal. We have sought to prove with statistics, history, anthropology, and science, that the negro is in no way related to the White race, and have produced documented research that they are at least 250,000 years behind the White man in mental advancement.

OTHER ANIMAL CHARACTERISTICS OF NEGROES

The following features the negro appear in apes—but not among White people.

Negro "hair" has no central duct, but is solid and can be felt like animal wool. The Negro has a short thumb, a pelvis slanted forward, big hands, small calf, longer arms, protruding heel, black color, everted lips, an animal order, groove in skull, and flat nose—ALL FEATURES OF THE APE.

Not only this, but the ape's brain weighs 20 ounces, the negro's 35 ounces, and the white man's brain 45 ounces. The negro skull fuses soon after birth retarding the development of the forebrain where intelligence and reasoning centers exist.

The negro is scientifically not equal with the White race.

FACIAL FEATURES OF THE APE CLOSELY RESEMBLE VADOMA TRIBE

could have been arrested. The Blacks have had sit-ins, lay-downs, etc., and won their point. Perhaps the time has come for us to sit-in until we recapture our schools.

It may take massive civil disobedience, and resistance but like Gov. Maddox has said, we must be willing to face jail if necessary to win our cause.

Survival of the White race is much more vital than spending a few days in jail. If Whites would band together to take back our public education there is no force on this earth that could stop us.

Mr. and Mrs. York have taken the initial step. Let us stand up, all for one and one for all, and simply place our children in the schools subject to our *Freedom of Choice*.

We should totally ignore the whims of any screw-minded federal despot who has the unmitigated gall to tell us to bus our sacred children into the Blackboard jungle. Now is the time for the White race to take its stand for unity and victory.

Parents Defy Orders to Bus

The White parents of 14 year-old Ray York have set an inspiring example for all White people everywhere. Ray is the son of Mr. and Mrs. Raymond P. York in Oklahoma City, Okla. Young Ray had been attending Taft School which was closer to his home and predominantly White.

The local federal usurper of schools, Judge Luther Bohanon ruled a certain number of White students be transferred to Harding High—a mostly Black school. Mr. and Mrs. York refused. Each day they would go to their local Taft school and place him in class. The school authorities took away his books and the teacher stopped asking him questions. Yet he remained.

Judge Bohanon then had the youth and his parents arrested. The parents were sentenced to 30 days for contempt. Since that time thousands of people have marched through

the streets of Oklahoma City protesting this gross attack against White people's rights.

Sen. Sam J. Ervin of N. C. recently told a cheering 1,000 people in Statesville *"It's time to take your children away from these people."* The best way to do this is to follow the advice of Gov. Maddox. If everyone would ignore federal courts and judges and pay no attention to them—No one could stop us from taking back control of our own schools.

You are free so long as you declare yourself free. You are a slave the moment you submit yourself unto a tyrant.

The Blacks have gained their way in racial matters thus far by Massive Civil Disobedience. If 1,000 White people had taken the same stand as Mrs. York and simply placed their children in their neighborhood school—No one

Black Crime Out of Control In Mixed Schools

Jew Heads N.A.A.C.P.

Many people believe that the Blacks have the brains to maneuver and manipulate the giant NAACP organization. The reason they think this is that the daily press never tells them that the NAACP has never been headed by a Black man in its entire history.

The present National President of the NAACP is a millionaire Jew named Kivie Kaplan. Before he took over the job of masterminding the Black assault on the heritages and traditions which we White Christians have long fought to protect, the NAACP was headed by another millionaire Jew named Arthur Springarn. Before Arthur, his brother Joel Springarn had run the group since 1921: It is common knowledge that the NAACP legal chief is Jack Greenberg who has directed every suit against White people's rights ever filed by the NAACP.

Jews have an unnatural hatred of White Christians and have long sought to mongrelize our offspring with the lower Black races. This would, of course lower the general intelligence of our people as much as 12 I.Q. points thus the Jews would be in a superior position to dominate over the White Christian people. (Scientific tests run by the U. S. Department of Education prove that the negro I.Q. is 17 to 21 points lower than average Whites and is an inherited trait.)

Not only is the NAACP a Jewish run organization, but so is CORE. The executive director of the Congress On Racial Equality is not a negro but the Jew Marvin Rich. Roy Wilkins is simply Kivie Kaplan's secretary and window dressing for the front office. The NAACP has always been a Jewish organization, not a Black one.

At a dinner in New York City's Hilton Hotel last month Kaplan told a crowd of cheering Jews that "our NAACP membership is now the largest in history, 461,735, up 37,000 over last year." That is a huge membership, with many of them being Jews.

One must always keep in mind that the Jews are forever fighting assimilation of their own kind through interracial marriage. They try and seal themselves off from others with their own private Jew schools, community centers, summer youth camps, fraternities and even marriage matching services for Jews only. All to keep their own race intact and thus preventing their money power and political unity from being weakened. When we advocate our race breeding with its own kind, the Jews shout "bigots" and "hatemongers" at us. The time has come for a right wing Christian political party to take power in America and

The U. S. Senate Juvenile Delinquency Subcommittee has released its latest findings. During the past four years the crime rate in integrated schools has jumped by 2,600 per cent. They found that the duties of a teacher "has been reduced to a level of keeping discipline."

A study of violent crime INSIDE buildings and grounds of some 110 integrated schools revealed 26 murders, 81 rapes, 680 aggravated assaults and 14,102 larcenies. Teachers often have to carry guns to protect themselves and walkie-talkies to call for help. The city of New York spends \$500,000 a year for 170 special armed school guards to patrol hallways in mixed schools.

One of the most shocking aspects of this violent trend is that school officials often "hush up" the violence to keep parents from withdrawing their children. Newspapers cooperate with school officials and do not publish the news, even students often do not hear all the details of what happens right in their own school.

NO WONDER WHITES DO NOT WANT THEIR CHILDREN IN BLACK SCHOOLS

It is almost unbelievable that liberals continue to express wonder at why White people do not want their children to attend mixed schools. We simply want our children to receive a decent education and not be thrown into a den worse than a reform school. It is simply self-defense for the rights of Whites that we fight against school mixing.

Most of these so-called "limousine liberals" are in the upper income bracket and live far away from the Blacks. If they exist in expensive high rise downtown apartments, their own children go to private schools. It is easy for them to tell the poor White working class that our children "gain so much social enrichment" by associating with Blacks in mixed schools. These liberals owe their high living to the labor of the White working man. We are not about to stand idly by and allow these smirking snobs to toss our innocent little children to schools festering with mild and mangy black savages.

We urge all who want to keep the White race from being a victim of these warped and fuzzy minded creeps to join the NSRP today. Let's put a stop once and for all to those who seek to destroy our sacred children.

SCHOOL CHAOS IN WASHINGTON, D. C.

The following report appeared in the Washington Daily News for October 2, 1969.

Washington's public schools were described on the Hill as terrifying blackboard jungles of rape, gang beatings, extortion, dope and senseless vandalism.

This grim picture was outlined by D. C. school and city officials who testified before a D. C. Senate subcommittee on Public Health Education and Welfare, headed by Sen. William B. Spong (D., Va.).

Anacostia principal Russ Lombardi told the panel of one case in which some youths brought sawed-off shotguns to the school. Lombardi also described a gun duel on the school front steps where one youth, not a student, leveled his .45 cal. pistol at his enemies. The enemy left but returned later with sawed-off shotguns.

Another witness said he found a bloodied hypodermic needle on the school lawn obviously dropped by one of his students

HOW VIOLENCE IN SCHOOLS IS RISING

A Senate study of 110 school districts, all in large cities, shows this increase in school crimes—

	1964	1968
Homicides	15	26
Forcible rapes.....	51	81
Robberies	396	1,508
Aggravated assaults	475	680
Burglaries and larcenies	7,604	14,102
Weapons offenses	419	1,089
Narcotics violations	73	854
Drunkenness	370	1,035
Assaults on teachers.....	25	1,801

who had just taken a shot of heroin.

"There is no question the use of narcotics in school buildings has increased," Charles T. Duncan, the city's acting public safety director told the committee. "This is indicated by the greater number of arrests that have been made for narcotic violations on school premises."

One witness told of a gang of youths who blocked a bridge leading to an elementary school in Southeast Washington. The gang, using threats of beating the younger children, extracted toll charges from the kids when they tried to walk to school. The theft of clothing and pocketbook snatchings have been commonplace, the committee was told.

"Young people seeking cheap thrills exploring or rebelling are more prone to commit irresponsible acts more defiant, bolder and much less inhibited than ever a few years ago," said John D. Koontz, associate superintendent of administration.

In spite of extensive publicity and educational programs, the problem of narcotics in the school buildings has mushroomed, Koontz complained. He also complained that in spite of efforts of the school administration, parents and cooperation of the police many more outsiders invade our schools and threaten students and teachers.

The slaying of Herman Clifford, assistant principal at Cardozo High School who was shot by teenagers who were attempting to rob the school bank last year, has made the teachers more fearful about accosting outsiders in the halls or playgrounds.

Acting School Supt. Benjamin Henley testified that between July 1968 and last June 30, \$131,837 worth of items have been stolen from the D. C. schools. During the past year the vandals smashed 43,695 window panes costing \$477,271 to replace them, he said.

At present 58 glaziers are working full time to replace all the window panes before cold weather arrives, Henley said. To solve the problem, Henley said, the chief need is for resources — "resources to provide quick communication between the school and police."

Some of the school administrators say the only way to discourage the senseless school destruction is to turn the schools into fortresses.

Officials want heavy screens around windows, double duty locks and chains on the doors, two-way communications systems between classrooms and high voltage spotlights to discourage nighttime vandals.

How Nixon Fools South

It is common knowledge among political leaders that Richard Nixon was elected president because of his promise to halt busing and return control of schools to local school boards. The speech he made in North Carolina is credited with swinging three key Southern states into the Nixon column which provided him with the necessary electoral votes to be elected president.

President Nixon realizes that in order to be re-elected in 1972 he absolutely must carry the South. As part of this plan he has developed what his aids call, "The Southern Strategy." It amounts to a pretense of courting the South, while at the same time, forcing school integration at a faster pace than ever before.

President Nixon's department of Health, Education and Welfare (HEW) is responsible for all of the plans calling for the closing of hundreds of schools and the busing of students to achieve racial balance. None of this could be done without Nixon's specific approval.

If President Nixon were really on the side of the White people he could tell the Supreme Court the same thing Pres. Jackson did. The Supreme Court had ruled that Jackson could not move Indians out of certain Southern States and onto reservations. Pres. Jackson said: "The court has made its ruling, now let them enforce it." He then called out the U. S. Army and moved the Indians — that was the end of the question.

Pres. Nixon could do the same thing! All the agents of HEW, the FBI and U. S. Marshals are under his control. He could simply issue an executive order telling them not to enforce any order closing schools or busing students. If his agents would stop enforcing the court's illegal orders, there would be no problem.

The reason Pres. Nixon is very anxious to enforce total and complete school mixing in the South during 1970 is because he wants it to be an accomplished fact by 1972.

His advisors tell him that once it is not an issue, the people will forget his hand in it all. He can then use the power of the press to switch the attention of the people to other issues and win re-election.

The big problem is that this issue will not die and will be more explosive in 1972 than ever before. The National States Rights Party will not allow the people to ever forget that Richard Nixon is responsible for the plight of our people. Not only that, but we are not about to surrender, and this issue of school busing will be hotter than ever in 1972.

The recent vicious treachery of HEW Chief Bob Finch in requesting the cancellation of the tax exempt status of hundreds of Southern All-White Private Schools should once and for all rip away the mask of hypocrisy of Nixon and his cohorts. When one thinks of the viciousness of this act, in trying to punish poor White working people who are out trying to collect money for a White school, who sacrifice by paying tuition, in many cases doing the actual labor in building and furnishing such schools — one is appalled at the depravity of our "leaders" in Washington.

Just how much repression are we supposed to take at the hands of these inhuman tyrants. The time has come for action to preserve our way of life from these underhanded and dangerous people. You can do your part in helping to awaken the people so that they will have the information necessary to fight this battle through to a victorious conclusion which will result in future preservation of the White race.

WHY MORMONS BAN NEGROES

There has been much comment in the daily press and protests from liberal groups about the Mormon churches' refusal to allow Negroes into their priesthood. While Mormons have been called "prejudiced" and "bigoted," the press has not explained the reasons why Blacks are banned.

The Mormon church is ruled by "The Council of the Twelve Apostles." Mormons believe that the president of this council is a divinely inspired revelator. All presidents of this council have declared that Negroes are ineligible of achieving Mormon priesthood. Since every Mormon is eventually considered to be a priest, this completely excludes Negroes from the Mormon Church.

For this reason you never hear of a Negro marry-

ing a Mormon. Mormon doctrine teaches that Negroes are the descendants of Cain. They also believe that a curse was placed on Cain for the murder of his brother, Abel. Hence the pigmentation of the Negroes black skin is "The Mark of Cain." In other words, the curse of God they carry down through this day.

Race-mixing liberals have long carried on the fight to have the Mormon Church to change this policy. They have refused to do so and the past president David O. McKay has commented: "If God would have us change this policy it would be revealed to us in a vision — thus far this has not happened."

Since this view forbids all interracial marriage by Mormons with Blacks, we would favor every Christian Church adopting this viewpoint.

Interracial Dating — A Black Fetish

Dear Editor:

Words play an important part in racial matters. For example, the favorite propa-

San Diego Censorship

Dear Editor:

Monday night, November 10, 1969, the English entertainers, "The Rolling Stones" were to perform in San Diego. They were two hours late, and the audience, mostly Negro teenagers, rioted. One policeman was killed, according to Tom Redden, newscaster on KTLA TV-Channel 5, in Los Angeles.

To confirm this story: Tom Redden Channel 5 TV (Independent) KTTV 5800 Sunset Blvd.

Hollywood, Calif. Zone 28

The shocking part of this story is that it was blacked out by the entire news media in San Diego. The policeman's heroic death has not even been announced. He was shot down like a dog. Neither the six TV stations, nor the thirty-two newspapers represented in San Diego, ran the story.

A partial story, was released in the San Diego Union newspaper 48 hours after the riot occurred, in the San Diego Union, which I have enclosed, but THE POLICEMAN'S MURDER AT THE SCENE WAS NOT MENTIONED! The news article was not headlined, but buried in the back section of the newspaper, at the bottom of the page, and no photographs taken. The San Diego Union is the most powerful newspaper in San Diego, owned by the Copely Press and has the most subscribers of any, in the whole city and county.

Tom Redden was the former Los Angeles police chief, with apparently strong, conservative leanings. He has been faithfully broadcasting the Negro riots, and fearlessly informing the people where they take place. He is the one who should take credit for breaking this story.

Furthermore, the schools in San Diego have been regularly looted, and much equipment and damage done. Every week end another school has violence done to it — many thousands of dollars damage done, by Negro hoodlums, and yet our press plays it down, does not identify the culprits, nor is there any capture, or punishment given to them. Many times the press does not report what riots occur.

I will try to find out who the murdered policeman is. When I do, I will write and tell you.

Thank you again for your faithfulness in publishing the news and upholding the American ideals of liberty and justice for all.

Very sincerely,
Miss A. B.

Urges Castration For Rapists

Gov. Maddox: "Negro Teachers Inferior"

It is known that Negroes from backgrounds comparable with Whites maintain a 17 I.Q. point average lower than Whites. Negroes fall steadily back until they are three to four grades behind Whites by graduation (according to figures compiled by the Coleman report of the U. S. Department of Education.)

When one projects this same genetic inferiority of the Negro race on through college we find that Blacks holding teachers degrees are inferior to White instructors with similar backgrounds.

Gov. Lester Maddox told a

news conference that there are some 5,000 to 10,000 teachers in Georgia, "most of them Black" — who are not qualified to teach. He said they were run through "degree mills" and could not meet the same standards as White teachers.

He said that to transfer such teachers into White schools would downgrade quality education for Whites. It is detrimental to the rights of White children to take away from them the same quality of education they presently receive. The Governor added that it is wrong to transfer

teachers when they do not meet the same standards of competence.

Negro parents have long realized that their own teachers were inferior to Whites. This is one reason many of them have maintained that their children cannot receive an education as good as a White child — unless they attend a White school with White teachers. In other words, they admit Black schools and Black teachers are vastly inferior to those of Whites. This is all the more reason for us Whites to absolutely refuse to allow our children to be bused into these inferior Black schools.

Dear Editor:

Over the past few years I've read, scores of times, that a White woman is raped by a Negro, somewhere in the U.S. every 17 minutes. This is the most shameful fact in recorded history of man.

A nation, or a State that will not protect it's women and children is not worthy to exist and ought not be allowed

SPECIAL TREATMENT FOR BLACKS IN AIR FORCE

Dear Editor:

I am in the Air Force and am presently stationed here in Germany for my last year. I've already been in this Air Force for three years and believe you me it's been one hell of a task having to put up with these "Negroes." You and so many more like yourself just wouldn't believe the special treatment that the "Blacks" get in the military! The supervisors are actually scared to try them in any way for fear they'll report him for discrimination. I've been stationed in Taiwan, China, North Carolina and now here in Germany, and it's the same everywhere I've been.

This subject really gets me "beated up" and I only hope that one day after my discharge that I will be able to do my share in helping the many Nigger loving White folks of America, "Open their Eyes" to the light. I pray to the Lord that the National States Rights Party will come to power. God bless you Doc! ...

U.S. BEHIND SOUTH AFRICA

It is obvious that our government officials who forbid our Navy men to go ashore in South Africa are ignoring the undisputable evidence that the racial segregation policy in South Africa is working far better than the racial mongrelization policy now being forced on the White people of the United States.

Most of the news media fail to report anything favorable to South Africa but during September and October 1963, we did get the information that Professor Ben Marais, Pretoria University, has said that "South Africa has less observable racial tension than the United States." Another dispatch tells us that Dr. Peter Becker, an authority on black African customs, said ritual murder by black Africans cannot be stamped out but must burn itself out like a grass fire. During a period of six months in 1963, six Whites and blacks were murdered in South Africa so that parts of their bodies could be used for "muti" (witchcraft medicine practiced by the blacks).

does not go along with their subversive activities. It is little wonder that the Germans believed that society would be more secure with the Jews in concentration camps.

to exist. Members of the Virginia Commission government have asserted that castration of rapists as a punishment is unconstitutional as "Cruel & unusual punishment."

I cannot go along with that at all. It is not a very painful operation and it ought not be unusual in view of the above statements. That should be done, not as a punishment, but as a necessary means of preventing repetition of crime and for the protection of our women and little ones.

The raping of white women by criminal blacks is a part of the conspiracy to destroy the white christian race. The purpose of that was clearly stated by the principal speaker at a meeting of Antichrist leaders at Budapest, Jan. 12, 1952 and it is now underway, especially in our Southland.

The white people of the deep South have spent untold millions of dollars in the effort to educate it's negro people and raise them to a higher moral, and economic level and the criminal conspirators are using some of those educated blacks to promote racial warfare.

The one world Mongrelizers, who hope to enslave all races but their own do not approve of educating those blacks, as education does not fit them for submissive rule after they are enslaved. Hence American education all along the line is under fire from the One world money master, especially in our Southland.

The white people of the deep South have spent untold millions of dollars in the effort to educate it's negro people and raise them to a higher moral, and economic level and the criminal conspirators are using some of those educated Blacks to promote racial warfare.

Every legislature in the land should now enact laws giving our courts and our juries power to order the castration of any rapists found guilty of beating a woman, either White or Black into submission to rape. All such rapists should be surgically unsexed to prevent them repeating their crime.

The law could provide that where any jury be agreed, and demand in any rape case the Judge should be required by law to order such astraction of the criminal be attended to immediately.

No other crime in the calendar is so totally inexcusable as rape and we must deal with it swiftly and efficiently if the white race is to be saved.

What Does America Owe Blacks?

FELLOW AMERICAN ORENNEMY?

Dear Editor:

What category does the black man fall into? What is his means, gains and goals? Is he to be a friend or a foe? Many questions are left unanswered. Just what is the American Negro up to?

Over the past decade, the American Negro has caused

more disturbance within our country than ever before in our history. They have become a grinding tool eating away at the heart of our free enterprise system. They call themselves citizens. Yet, have rioted against those provincial rights set down by our forefathers. You began by merely asking and your requests were granted. Your vocal cords voice only outrageous demands and screams of injustice. Increasing demands and accusations now cannot be fulfilled.

The forefathers of our country set forth rights for we Americans. These rights that were handed down to us, stained with the blood of our forefathers, are now not good enough for the Negro. Many have died in battle for the rights of liberty and justice for all. Freedom is not free. It cost our forefathers plenty. Even with the high price they paid, it was not handed to us with a clean bill of sale. We, too, have paid plenty and we must all continue to pay the full price to do our part in preserving this republic.

Somewhere along the way the American Negro has forgotten his role in this country. Perhaps it is because they

have done nothing to build up our country. You have marched and belittled and protested all our rights and virtues. Are the Negroes citizens or enemies of our once united and peaceful country?

Rabbi Smears Dr. Von Braun

One of the most valuable catches of World War II was the surrender into U. S. hands of Dr. Werner Von Braun and his famous team of rocket scientists. In their zeal to continue their fight against communism, these Germans provided us with the world's most up-to-date research data on rocket development.

It is now acknowledged that American supremacy in space exploration, including the moon landings, would have never taken place without Von Braun and his men; they still guide our Space Research Center at Huntsville, Alabama and Houston, Texas.

Recently Dr. Von Braun was invited to be the main speaker at a dinner in Philadelphia. During the evening a vile Rabbi, named Mendel Lewkowitz, accompanied by a group of Jewish thugs tried to disrupt the dinner. The Rabbi screamed at Dr. Von Braun, calling him a "Nazi" and a "war criminal" and a "murderer." Later, after police threw them out, the Rabbi told reporters that Von Braun was a part of Hitler's campaign to put Jews in concentration camps, that he thusly shared the common guilt of all Germans for the acts of the Nazis.

Of course, all of this is ridiculous. Dr. Werner Von Braun is the world's most exceptional rocket technical expert and has never been in the political arena — either in Germany or America.

All should consider how the insolent Jews behave in attacking Christians and smearing and disrupting anyone who

Keep Fighting

Dear Editor:

Some one must have sent in our name to receive a copy of your good paper. God bless who ever it was. My husband and I were shocked to say the least regarding the article, "How the Jews control the FBI." It is high time that people sought God and quit fooling around. He has promised to drive back the enemy if people will humble themselves and put on the whole armour of God.

Please send us 10 copies of the Dec. issue No. 120. We may subscribe for it later. Keep up the good work and may He protect you and meet the needs.

Sincerely,

Christianity Misinterpreted

Dear Editor:

Your paper should be read by all Christians so that they would know the Truth. Only the Truth will set them free. The politicians and people talk about Freedom but get no where because they do not know the Truth. You come out with the Truth whereas the news media and TV very seldom give us the facts.

I am a Southern Baptist and most of the preachers do not know the difference between the Israelites and the Jews. It wasn't a surprise to me that Billy Graham recently said over TV that the Jews did not kill Jesus Christ but it was the Italian soldiers. True, but who instigated and demanded his crucifixion? Billy didn't

mention about that but with most people left the idea that the Jews were O.K. and not behind most wars, integration, controlled money, are atheists etc. etc. If they would read your Thunderbolt we might be able to have good Southern statesmen influence the Congress with the help of enlightened people.

I am from Connecticut, although I have been in the west since 1924, but very few from the north know the international Jewish bankers instigated the war between the North and the South — and blamed it on the Industrialists of the North. So, keep on fighting for Freedom.

Our Leader

To the Editors

By reading the newspapers, and seeing how they are building up the massacre of Vietnamese citizens by American troops, I cannot help but to wonder why this same liberal news media failed to bring out the massacre's and atrocities that Jews committed against the 500,000 Christian and Moslem men, women and children who were then expelled from their country by terror, crime and threats from their houses in Jerusalem, Ramallah, Kahlus, Hebron and The Gaza Strip by Jew War criminals.

Zionists desecrated, profaned, destroyed and looted Christian holy places in a manner that has no parallel in history. Even murdering Mr. Matter the warden of the Garwan Tomb, and machine-gunning the tomb where Christ was buried before the resurrection.

The Zionists committed the following crimes in Palestine:

1. Alien Zionists committed aggression against the territorial integrity and national independence of Palestine.
2. A Zionist alien minority expelled over one million Christian and Moslem Arab citizens of Palestine thereby destroying their national life and violating their birthright.
3. Zionists committed many massacres, men, women and children were murdered in cold blood.
4. Zionists desecrated, profaned and destroyed Christian and Moslem holy places.
5. Zionists plundered and looted Arab homes, lands and possessions in the 80% of the territory of Palestine occupied by Zionists.
6. Zionists committed and continue to commit inhuman acts of racial and religious discrimination against those Palestine Arabs remaining under Zionist domination in occupied Palestine.

WHITEMEN UNITED FOR CHRIST, RACE AND NATION

Dear Dr. Fields,

We just received the December issue of THE THUNDERBOLT and it just seems to get better every issue. We appreciate the picture and write up of our activities, it will help us keep the momentum going.

Thomas Vukobrat was responsible for the distribution of over 6000 pieces of literature on behalf of the Party in Trenton alone for which we are all very grateful and he is in the process of writing articles for general purposes on behalf of the Party. His activities are unparalleled for the N.S.R.P. here in New Jersey.

We are still waiting word on the meeting with the Philadelphia leaders of S.P.O.R.T.S., but this weekend we are meeting with some persons interested in starting a Chapter in a new County here in N.J. John Goble has the details so he'll probably forward them to you.

Response to the Party is picking up. Fewer people have contacted us as a result of our Trenton activities and we are hoping for some more leadership to arrive in other parts of the State to really get things going. Please send us at least six copies of the NOVEMBER THUNDERBOLT. It was really great and we want to give them to some people we know can afford to contribute.

In closing we send our BEST WISHES to Rev. Connie Lynch. We hope to meet him in the near future and we are real glad he's back in action.

Respectfully yours for
the Cause,

HONOR

LOYALTY

DISCIPLINE

Mr. J. Emile Vidrine, a member in good standing of the National States Rights Party is running for Congress in Chicago's 5th congressional district. Mr. Vidrine has taken a fearless and open stand on the real issues.

Mr. Vidrine's platform calls for:

1. Investigation and removal of Communist infiltrators in Washington, D. C.

2. Stop communist indoctrination on campuses which break down racial barriers through the false doctrine of racial equality and eventually lead to intermarriage of the races. The negro is some 20 IQ points below the White man and over 10 per cent of all Blacks suffer from sickle cell anemia, a fatal disease found only in negroes or those with mixed blood — thus proving the races are not equal.

3. Expose and remove Jews from total control of all T.V. They are NBC, President Julian Goodman (Jew), CBS, President William Paley (Jew), and ABC President Leonard Goldenson (Jew).

4. Keep local police independent of federal government control.

5. Tax reform to end the legal robbery of the working people through excessive taxation.

6. Expose the Jewish force behind communism. Including the fact that a Jew, Karl Marx founded communism and that Russia's head Leonid Brezhnev is a Jew as well as Gus Hall (Jew) head of U.S. Communist Party.

7. Investigation into the reason why Israel is the only country in the world that is allowed to sell tax-exempt

bonds in America.

9. Give control of White neighborhood schools back to local people. I am opposed to forced busing, integration and pornographic sex education.

Signed:

J. Emile Vidrine
Candidate for Congress
Illinois 5th
Congressional District

Mr. Vidrine is on the ballot and is actively campaigning for Congress. He is holding meetings and distributing thousands of handbills which include the above outlined Platform. Due to his open drive to bring the truth to the people he has been viciously smeared by the Jewish Anti-Defamation League.

Edmund J. Kucharski, chairman of the Republican Party

of Cook County, Illinois has denounced Emile Vidrine, saying "We condemn this blatant campaign against the Jews and vehemently oppose him." The so-called Regular GOP organization has endorsed Edmund W. Ochenskowski for the nomination.

In mounting this all out attack on Mr. Vidrine, the local district newspaper, "Southwest News-Herald", for the first time in 25 years of publication, has come out against a candidate. They stated on Jan. 22, 1970, "Today we find that we must change this long standing policy, not to endorse a candidate, but to oppose one." They then proceeded to call Mr. Vidrine an "Anti-Semite", a "Hate monger" etc., etc. They ask for people to vote for any one of the four other candidates, but not for Vidrine.

The National States Rights Party is proud to have J. Emile Vidrine running openly as a member of this party in the Republican Primary. We warmly endorse his candidacy and wish him the best of luck.

It is the duty of all NSRP supporters in his area to do all that is within their power to help Mr. Vidrine. Needless to say campaign contributions are urgently needed before election day on March 17.

Anyone wishing to help in this election can send a donation, or volunteer for campaign work, should write or call:

J. B. Stoner Reports On England Visit

RACIAL PROBLEM IN
ONCE GREAT BRITAIN

In an earlier report, I mentioned Germany's growing racial problem. In England, I found the racial situation to be much worse. There are now over one million non-Whites in England and more enter the country every day. In addition to swarms of negroes, etc., entering the country with the consent of the Jew-controlled British Government, an even greater number enter illegally. Those who enter illegally, when caught, are not deported, but are allowed to stay and become "Englishmen." Of course, the rulers of Britain have no desire to stop either the legal or illegal immigrants.

Unfortunately, most Englishmen, the Whites, that is, practice birth control and only have small families. On the other hand, the Jewish-controlled Government pays the blacks and browns to have large families. The horrible result is that one child out of every five born in England is a negro. Inter-racial breeding and marriages, along with

a high negro birth rate, will change Britain from a White nation into a mongrel dark nation in only a few generations unless all non-Whites in Britain are settled outside that country.

It is easy to come to the conclusion that the future of the White nations of Europe depends upon loyal White ra-

cists winning national political power in America. The trouble in Europe is that the Jews are using the power of the United States Government to force the nations of Europe to submit to Jewish ownership and control and to submit to niggerization of their peoples. Therefore, the future of Europe and the rest of the world is being determined in the domestic politics of the United States. For White Christian Europe to be saved from Jewish domination and race-mixing, we Whites must win back control of America and send the Jews and blacks down to total defeat. It depends upon you and me.

Where Thunderbolt Is Strongest

People are always asking us where *The Thunderbolt* newspaper has its largest circulation. They are interested because this would be indicative of the areas of America in which people have become most alert to the racial crisis.

The Thunderbolt circulates in all fifty states. In certain areas, we are much stronger than others. The state in which we have the largest number of readers is Alabama, closely followed by California. A close third is Florida with Georgia and Ohio right behind. Mississippi is fifth and Illinois not far behind her. North Carolina is next with Texas right a close eighth. Just about tied for tenth place are Virginia, Tennessee and Louisiana.

Those are our top states, but the best news of all is that we are growing in all the others also. *The Thunderbolt* this month reached its highest circulation peak in our history.

Now that you know where people are waking up the fastest, won't you help in your state. How can you do it? Simply pass this copy on to a friend. Urge him to subscribe so he will in turn have his own paper the following month to show to others. New subscriptions are vital to the life of *The Thunderbolt*. It is not good enough just to tell us we are doing a good job. A pat on the back will not help. It's the PAID-UP subscriber which is appreciated the most and is the life blood of this newspaper. If you have been thinking of subscribing — then act now, don't wait a moment longer. Whether we awaken and save America in time could depend on your decision to act now. Be-

come another link in the chain which is going to bring down those seeking to destroy our race and nation.

Next month we will list the many foreign countries in which we have regular readers.

Chairman Frank McKay of the Covington, Kentucky Chapter of the National States Right Party was given a special award for his good leadership, building unity, and having played a major part in signing up many new members in the NSRP during 1969. Also, he heads one of the most active chapters in the Tri-State area.

The presentation was made at the Tri-State office of the National States Right Party, 224 Oak Street in Dayton, Ohio during the traditional Christmas party that they hold each year.

A large turn out attended the Christmas party on December 21st. The hall and all the extra rooms were full. Food was served by the local members, and the true Christmas spirit was in glow as White people ate in the beautiful candle lighted hall. Also present was Indiana State or-

ganizer Mr. Weston Elkins, and his staff of officers, other dignitaries attending were Mr. Jerry Pope, Kentucky State organizer, and his staff of officers, Mr. Dallas Hale of Ohio, along with his staff of officers.

Our National organizer Mr. R. D. Eldridge, was the speaker for the event. His speech was on the great unity within the NSRP, and American Christian traditions of the party. Mr. Eldridge said there can never be integration of the great White Race as long as we have great men, and women meeting in the true American way under the banner of *The Thunderbolt*. Mr. Eldridge ended his speech with "There is not enough darkness in all the world to put out the light of one candle, nor, are there Negroes in all the lands to put out the light of the White Race if we will let forth our light shine."

Pictures on this page illustrate the wide support the National States Rights Party is receiving for its Anti-busing rallies being held in Jacksonville, Fla. At the rally on January 22nd, hundreds jammed our meeting hall. Hundreds more could not get into the building and even other hundreds could not find a place to park.

The speakers were Bob Barber, Gene Wilson and Attorney J. E. Stoner. They urged the White parents to stand up for their own right and not to surrender their children to social experimentation by fanatical racemixers.

The rallies have been so well attended that the NSRP has rented the municipal auditorium which will seat thousands for additional mass rallies. This was made necessary by the giant turnout of last week in which Bob Barber and Mr. Stoner had to speak from a roof-top porch at a saddle club to accommodate the crowds who couldn't get into our packed hall. (pictures this page.)

There can be no doubt that the issue of transferring teachers and busing of children has inflamed the people more than

any other attempt that the enemy has ever made before to totally degrade our people. It is plain that the White people have had all they are going to take. Nothing makes the weak-kneed liberal shudder more than thousands of White people—holding mass meetings and marching through the streets demanding their rights. Jackson Miss.

Meetings As we go to press two NSRP rallies have been set for the Heidelberg Hotel in Jackson, Miss. The meetings are billed as "White Parents and Students Mass Meetings". The meetings are being held to demand a "Stop to Student Bussing — Fight for Freedom of Choice" and urges the people that "Militant Action is Needed Now."

The telephone at NSRP National Headquarters rings constantly with calls from different cities requesting help in organizing meetings and marches against busing. The political leaders on the local level are now listening to the voices of the people. We demand that they use the executive powers of their office to stop forced busing. We must now make sure that all the leaders of the federal government in Washington hear our demands. The best way to do this is to show them that the fire of the White people has reached a fever pitch, and turn out to your local NSRP rally and support our call to action.

Dresden—History's Worst Massacre

By GEORGE T. PARKER

Winston Churchill's destruction of Dresden, mentioned in Harry Elmer Barnes' article (Page 24) is described in this article in all its gruesome detail. During the 14-hour holocaust, three times as many people died as were killed by the atom bomb in Hiroshima.

TWENTY FOUR YEARS AGO, as Allied planes rained death and destruction over Germany, the old Saxon city of Dresden lay like an island of tranquility amid desolation. Famous as a cultural center, and possessing no military value, Dresden had been spared the terror that descended from the skies over the rest of the country.

No Anti-Aircraft Defense

In fact, little had been done to provide the ancient city of artists and craftsmen with anti-aircraft defenses. One squadron of planes had been stationed in Dresden for a while, but the Luftwaffe decided to move the aircraft to another area where they would be of use. A "gentlemen's agreement" seemed to prevail, designating Dresden as an "open city."

On Shrove Tuesday, February 13, a flood of refugees fleeing the Red Army 60 miles away had swollen the city's population to over a million. Each new refugee brought fearful accounts of Soviet atrocities. Little did those refugees fleeing from the Red terror imagine that they were about to die in a horror worse than anything Stalin could devise.

Normally, a carnival atmosphere prevails in Dresden on Shrove Tuesday. In 1945, however, the outlook was rather dismal. Houses everywhere overflowed with refugees, and thousands were forced to camp out in the streets, shivering in the bitter cold.

Little Girls in Carnival Dress

However, the people felt relatively safe; and although the mood was grim, the circus played to a full house that night as thousands came to forget for a moment the horrors of war. Bands of little girls paraded about in carnival dress in an effort to bolster waning spirits. Half-sad smiles greeted the laughing girls, but spirits were lifted.

No one realized that in less than 24 hours those same innocent children would die screaming in Churchill's firestorms. But, of course, no one could know that then. The Russians, to be sure, were savages, but at least the Americans and British were "honorable."

So when those first alarms signaled the start of 14 hours of hell, Dresden's people streamed dutifully into their shelters. But they did so without much enthusiasm, believing the alarms were false, since their city had never been threatened from the air. Many would never come out alive, for that "great democratic statesman," Winston Churchill—in collusion with that other "great democratic statesman," Franklin Delano Roosevelt—had decided that the city of Dresden was to be obliterated by saturation bombing.

To Impress Stalin

What were Churchill's motives? They appear to have been political, rather

than military. Historians unanimously agree that Dresden had no military value. What industry it did have produced only cigarettes and china.

But the Yalta Conference was coming up, in which the Soviets and their Western allies would sit down like ghouls to carve up the shattered corpse of Europe. Churchill wanted a trump card—a devastating "thunderclap of Anglo-American annihilation," with which to "impress" Stalin.

That card, however, was never played at Yalta, because bad weather delayed the originally scheduled raid. Yet Churchill insisted that the raid be carried out anyway—to "disrupt and confuse" the German civilian population behind the lines.

Dresden's citizens barely had time to reach their shelters. The first bombs fell at 10:09 p.m. The attack lasted 24 minutes, leaving the inner city a raging sea of fire. "Precision saturation bombing" had created the desired firestorm.

A firestorm is caused when hundreds of smaller fires join in one vast conflagration. Huge masses of air are sucked in to feed the inferno, causing an artificial tornado. Those persons unlucky enough to be caught in the rush of wind are hurled down entire streets into the flames. Those who seek refuge underground often suffocate as oxygen is pulled from the air to feed the blaze, or they perish in a blast of white heat—heat intense enough to melt human flesh.

One eyewitness who survived told of seeing "young women carrying babies running up and down the streets, their dresses and hair on fire, screaming until they fell down, or the collapsing buildings fell on top of them."

There was a three-hour pause between the first and second raids. The lull had been calculated to lure civilians from their shelters into the open again. To escape the flames, thousands of civilians had crowded into the Grosse Garden, a magnificent park nearly one and a half miles square.

The second raid came at 1:22 a.m. with no warning. Twice as many bombers returned with a massive load of incendiary bombs. The second wave was designed to spread the raging firestorm into the Grosse Garden.

It was a complete "success." Within a few minutes a sheet of flame ripped across the grass, uprooting trees and littering the branches of others with everything from bicycles to human limbs. For days afterward, they remained bizarrely strewn about as grim reminders of Allied sadism.

At the start of the second air assault, many were still huddled in tunnels and cellars, waiting for the fires of the first attack to die down. At 1:30 a.m. an ominous rumble reached the ears of the commander of a Labor Service convoy sent into the city on a rescue mission. He described it this way:

"The detonation shook the cellar walls. The sound of the explosions mingled with a new, stranger sound which seemed to come closer and closer, the sound of a thundering waterfall; it was the sound of the mighty tornado howling in the inner city."

Melting Human Flesh

Others hiding below ground died. But they died painlessly—they simply glowed bright orange and blue in the darkness. As the heat intensified, they either disintegrated into cinders or melted into a thick liquid—often three or four feet deep in spots.

When dawn broke, a three-mile column of yellow-brown smoke curled up into the sky. The mass of smoke drifted over the countryside toward Czechoslovakia, scattering debris the man-made tornado had sucked up.

A homeowner some 15 miles from Dresden found his garden littered with prescriptions and pill-boxes from a pharmacy in the inner city. Papers and documents from the gutted Land Register Office showered down on the village of Pirna, some 18 miles away.

Shortly after 10:30 on the morning of February 14, the last raid swept over the city. American bombers pounded the rubble that had been Dresden for a steady 38 minutes. But this attack was not nearly as heavy as the first two.

Hospital Patients Machine Gunned

However, what distinguished this raid was the cold-blooded ruthlessness with which it was carried out. Mustangs appeared low over the city, strafing anything that moved, including a column of rescue vehicles rushing to the city to evacuate survivors. One assault was aimed at the banks of the Elbe River, where refugees had huddled during the horrible night.

In the last year of the war, Dresden had become a hospital town. During the previous night's massacre, heroic nurses had dragged thousands of crippled patients to the Elbe. The low-flying Mustangs machine-gunned those helpless patients, as well as thousands of other old men, women, and children who had escaped the city.

When the last plane left the sky, Dresden was a scorched ruin, its blackened streets filled with corpses. The city was spared no horror. A flock of vultures escaped from the zoo, and fattened on the carnage. Rats swarmed over the piles of corpses.

One eyewitness to the aftermath of Churchill's scheme to impress Stalin gave this account: "Next to the tram shelter was a public lavatory of corrugated iron. At the entrance was a woman, about 30 years old, completely nude, lying face-down on a fur coat. A few yards further on lay two boys, aged about eight or ten, clinging tightly to each other. They too were naked. Their legs were stiff and twisted into the air. As far as we could make out, they were suffocated by lack of oxygen."

Worse Than Hiroshima

A Swiss citizen described his visit to Dresden two weeks after the raid: "I could see torn-off arms and legs, mutilated torsos, and heads which had been wrenched from their bodies and rolled away. In places the corpses were still lying so densely that I had to clear a path through them in order not to tread on arms and legs."

The death toll was staggering. The

full extent of the Dresden holocaust can be more readily grasped if one considers that 250,000 persons died within a 14-hour period, whereas the dead at Hiroshima numbered only 71,879.

Allied apologists for the massacre have often "twinned" Dresden with the English city of Coventry. But the 380 killed in Coventry during the entire war cannot begin to compare with the 250,000 slaughtered in 14 hours at Dresden. Moreover, Coventry was a munitions center, a legitimate military target. Dresden, on the other hand, produced only china—and cups and saucers can hardly be considered military hardware!

It is interesting to further compare the respective damage to London and Dresden, especially when we recall the schmalz put out by Hollywood about the "London blitz." In one night, 1600 acres of land were destroyed in the Dresden massacre. London escaped with damage to only 600 acres during the entire war.

In one ironic note, Dresden's only conceivable military target—its railroad yards—was ignored by Allied bombers. They were too busy concentrating on helpless old men, women and children.

If there ever was a war crime, then certainly the Dresden Massacre ranks as the most sordid one of all time. Yet there are no movies made today condemning this fiendish slaughter; nor did any Allied airman—or Sir Winston—sit in the dock at Nuremberg. In fact, the Dresden airmen were actually awarded medals for their role in this mass murder. But, of course, they could not have been tried, because they were "only following orders."

This is not to say that the mountains of corpses left in Dresden were ignored by the Nuremberg Tribunal. In one final irony, the prosecution presented photographs of the Dresden dead as "evidence" of National Socialist atrocities against Jewish concentration camp inmates!

Churchill, the monster who ordered the Dresden slaughter, was knighted and the rest of his career is history. The cold-blooded sadism of the massacre, however, is brushed aside by his biographers, who still cannot bring themselves to tell how the desire of one madman to "impress" another one led to the mass murder of a quarter of a million men, women and children.

THANKS FOR CORRESPONDENCE

Every month many hundreds of letters are sent in to the NSRP and The Thunderbolt. It is absolutely impossible for us to answer all such correspondence, as much as we would like to. All letters pertaining to actual business and orders are answered quickly. Personal letters asking specific questions are answered as time permits. Letters with general comments and suggestions are always read by the staff. While it is impossible to personally answer the many hundreds of letters in this last category we appreciate you writing. Your comments and many of your ideas are helpful and such suggestions are often put into operation. So, keep the letters coming. We always look forward to hearing from all our good friends.

How To Stop Interracial Socializing

By J. B. STONER,

National Chairman, NSRP

In carrying on the struggle for White Christian America and the preservation of our great White race, we long ago had to determine whether we were right or wrong. There is no such thing as being half right or half wrong when the existence of our White race is being determined. In this racial civil war, we are either 100% wrong or 100% right. Since God created the White race superior to all other races and created White people in His image, it is our right and our duty to use strong methods to preserve the White race that God has created and blessed. The White race has a right to live. We must not allow our White race to be put to death by race-mixing, that is, we must not allow the Jews to murder our White race by pumping the animal jungle blood of Africa into the veins of God's specially created White race.

Since our efforts to preserve the White race are 100% right, we can correctly be described as White racists. We are proud to be totally and completely for the right and extremely against all enemies of our White people.

At a time when the survival of our Race is being determined, moderation is treason to the White race. Our Lord

BOB BARKER AND
J. B. STONER AT RALLY

Jesus Christ condemns moderates and wants no part of the lukewarm cowards who have no backbone. Read what our Lord says in the Bible. In Revelation 3:14-16 our Lord says, "And unto the angel of the church of the Laodiceans write: These things saith the Amen, the faithful and true witness, the beginning of the creation of God; I know thy works, that thou art neither cold nor hot; I would thou wert cold or hot. So then because thou art lukewarm, and neither cold nor hot, I will spew thee out of my mouth." It is thus clear that the Son of God is against the luke-

warm, otherwise known as moderates. We can only win victory for White Christian America with the strong, not the lukewarm who are unwilling to take a clear cut stand for what is right and against what is wrong. The National States Rights Party is a White organization that wants nothing to do with the lukewarm. We are happy that the Son of God approves of our militant stand and of our rejection of lukewarm methods.

When it comes to the racial civil war in America, we Whites are right and our Jew and Negro enemies are wrong. There is no middle ground. We of the NSRP are determined to force all members of the White race in America to choose sides. They must either stand up and be counted as White and on the White side, or go over and join the Jews and Black savages and declare themselves to be enemies of the White race for as long as they live. Of course, when they join the camp of the black beasts, we won't have to worry about them any more because the black terrorists will cut them up and kill them. Remember, the blacks hate every person with a White skin and they hate White race mixers more than they hate White racists. The Negroes only have

contempt for Whites who are so degenerate as to betray their own kind and join the Black camp.

Gulf Between The Races

The sentimental fools and other race mixers with White skins are now caught in a crossfire between White patriots and the Black ape radicals. The middle ground between the White and Black forces is disappearing at a rapid rate and leaving the White skinned race mixers in an untenable position. Regardless of whether they want to choose sides or not, the lukewarm people who want to tolerate evil, and be half right and half wrong, are, more and more every day, being forced to choose between the righteousness of White racism on God's side and the evil of the Jews and Negroes with their Satanic Black degeneracy on the other side. By the time that the racial crisis in America comes to a head, all Whites will be forced to choose sides. That is good. As more Whites are forced to choose sides, they will choose the White side. That will guarantee victory to the White race in America. — To be continued next month.

Atty. Gen. Mitchell's Wife Does It Again

Recently the wife of U. S. Attorney General John N. Mitchell came out and denounced what she correctly termed "Communist liberals" who were demonstrating in front of the Justice Department during the moratorium peace march. She has on several occasions embarrassed Mitchell and even forced him to retract and apologize for her statements.

Now comes a real gem which was suppressed by almost all newspapers except the "N. Y. Jewish Press." They reported that Mrs. Mitchell last month left a reception at the Israeli Embassy and climbed into a limousine. Riding in the same car was Mrs. Hahn, wife of the Washington, D. C. city council attorney, Mrs. Mitchell relaxed and sighed, "Boy, I'm sure glad to get away from all those Jews." Little did she know that Mrs. Hahn was a half Jewess. She later informed Jewish community leaders of what was said. Now, if only we could have Atty. Gen. Mitchell replaced by his outspoken wife, perhaps we would be on the road to cleaning up this country. God Bless this wonderful lady.

The Thursday, January 22, 1970, issue of the Southwest Herald (5845 South Kedzie Avenue, Chicago, Illinois 476-4800) contained a lead editorial attacking the candidacy of J. Emile Vidrine for Congress. In this same issue a front page story indicated the official republican party stand would be to condemn Vidrine too. A third story in the same issue mentioned Vidrine's fund raising dinner the following night. It appears Vidrine and his candidacy is receiving much press coverage on the southwest side in local papers and small ads for Vidrine are appearing. These ads cost from \$14 to \$30 and are paid for by Vidrine or his friends. Wallace "Wally" Sowa placed one ad for \$14.

The National States Rights Party continues to receive press coverage in the Cicero-Berwyn Life for its "youth corps" program. The accounts are factual and treat the NSRP as a legitimate political movement. At this time only one or two people are involved in this "youth corps" and no meetings have been held to this date.

January 23, 1970

It was learned that a fund raising dinner was held this evening at the Hamlin club at 5701 South Hamlin Avenue in Chicago, Illinois. It was held to raise funds for [redacted]'s effort to win the republican nomination for US Congress in the 7th Illinois district. About 60 people were on hand when dinner was served about 7:20 pm and some 50 minutes after the announced 6:30 pm serving time. It was learned that about 75 tickets were sold at \$10 each. Total income then amounted to about \$750.

[redacted] paid \$3.50 per plate and paid for 72 dinners. That meant \$252 cost leaving slightly under \$500 in funds.

Among those present were: [redacted]

[redacted]

[redacted]

[redacted] ~~many~~ several young men from the arab league and numerous other well known right wingers including [redacted]

[redacted] and others. At least 75% of those present were old line known right wingers most of whom live outside the district. 25 people or less appeared to be local people from within the area. The M. C. for the evening was [redacted] who at about 8:20 pm introduced lead off speaker [redacted]. He spoke for 20 minutes on the ease of winning in the republican primary because of few voters.

Speakers number two was [redacted] He spoke for 20 minutes

saying that in this city one cannot speak about Jews. During the evening two Chicago police officers appeared and walked about the room. They were asked to leave and they did. Those he listed were the Klu Klux Klan, National States Rights Party, National Socialist (Nazi) and minute men. [] entire speech was built around his admitted hatred of Jews. Nixon Calls for Genocide Treaty

Could Outlaw All Criticism Of Radical Minorities

1,500 Attend Jacksonville NSRP Rally

The two largest National States Rights Party rallies of the year were held in Jacksonville, Fla. on Jan. 30 and 31. The NSRP has been holding a series of meetings (several each week) which have been growing rapidly in size and enthusiasm.

The popular meetings are being held to give direction to the White people's growing rebellion against school busing and faculty mixing. Recent NSRP rallies have found our halls packed, with hundreds unable to enter the building. For this reason the huge and ultra-modern Jacksonville Civic Auditorium was rented for two rallies Jan. 30 and 31. Approximately 1,500 people attended both rallies and interest has never been higher in our movement.

Numerous times the giant crowd rose to its feet to give standing ovations to the NSRP speakers. Politicians and federal judges who order forced busing were castigated and the people were urged never to obey such unconstitutional court decrees. The people were urged to back up the NSRP's efforts to bring such force to bear upon the tyrants in Washington that they will be forced to rescind such dispicable orders.

The speakers included Attorney J. B. Stoner, Gene Wilson, Ray Stevens, and Bob Barber. The Civic Auditorium rallies were opened by Rev. Miller of the First Baptist Temple Church (which also operates its own private school — grades first through twelfth). Bob Barber, NSRP Assistant National Organizer has spark-plugged the Jacksonville rallies. They have grown to the point where the NSRP is a major factor on the local Jacksonville area scene. The NSRP leadership attends and addresses many open Jacksonville city council meetings and have been consulted privately by both police and council members on area racial problems.

Much more activity is promised in the Jacksonville area and the people agree that the NSRP has the answer to uniting the White people against race mixing. The NSRP movement has won the endorsement

Bob Barber Attends Governor's Conference

On Feb. 8, four of the South's governors met in Mobile, Alabama, to try and devise new methods of fighting the forced busing of school children. They were Gov. Lester Maddox, Gov. John Bell Williams, Gov. John McKeithen and Gov. Albert Brewer.

The many Florida members of the National States Rights Party were keenly disappointed that their Gov. Kirk decided not to attend the unity conference. He had issued many statements which indicated his belief that busing must be halted at any cost. Yet, he has refused to work with any other governor or cooperate with any group. Since Gov. Kirk is facing a stiff battle for reelection next year (even within his own party's primary) many have expressed reservations as to his sincerity.

Bob Barber, Assistant National Organizer for the National States Rights Party decided that the governor's conference should know that the White people of Florida sup-

ported the unity conference and decided to protest the fact that their governor had decided to snub the affair.

BOB BARBER, NSRP Assistant Organizer, explaining that the White People have just begun to rise up.

ed to snub the affair.

With only three days to go before the Mobile conference, Bob Barber and his Jacksonville, Fla. NSRP team quickly went into action. They drafted a petition, addressed to the governor's conference, pledging assurance that the White people protested Gov. Kirk's "go it alone stand."

The morning of the conference. Continued on Page 2.

Right-Wing Patriots were shocked throughout the nation by President Nixon's call for the ratification of the U. N. Genocide Treaty. His endorsement came just two days before the convention of the American Bar Association (ABA) in Atlanta, Ga. For 20 years there has been no action on this treaty which gives the United Nations International World Court the power to enforce its provisions.

Its full title is, "The Convention on the Prevention and Punishment of Genocide." The treaty forbids attempts to "destroy all or parts of any national, ethnic, racial or religious group by killing, injury, or causing mental harm to large numbers of members of such groups."

This provision could result in such free press publications as *The Thunderbolt* being banned and could drive all groups fighting race-mixing underground. Because international treaties supersede laws within a country they have the power of abolishing our liberty and freedom.

Once ratified, the United Nations could demand that the federal government enforce its provisions against the American people. If they failed to do so, our citizens could be dragged outside this country for trial by an alien international court — such as the monstrous Nuremberg trials of the German leaders after World War Two. They had no chance for justice and real war criminals like Churchill (of the Dresden Bombings) and Stalin were never tried.

ABA REFUSES TO RUBER STAMP GENOCIDE TREATY

No president since Harry Truman has seriously tried to pass the Genocide Treaty. Nixon has today once again exposed his true feelings toward White people who do not want to have race mixing forced upon us or our States Rights destroyed.

The American Bar Association House of Delegates meeting in Atlanta on Feb. 23 voted 130 to 126 against recommending adoption of the treaty by U. S. Senate. Nixon pulled out all stops in trying to ram the resolution through (because it would have great influence upon the Senate.)

Nixon sent Rita Hauser, mulatto U. S. representative to the U. N. Human Rights Com-

mission to the ABA meeting. She claimed the minorities of the world were watching to see if America adopted the treaty. The Jew Bernard G. Segal, president of the ABA warned the delegates the "U. S. would stand alone in the eyes of the world" if we did not sign the treaty. Even worn out racemixer, Nicholas Katzenbach warned that failure to sign would indicate that America was in favor of Genocide.

The most sickening argument of all in favor of adoption of the treaty came from Nixon himself. He said: "Some of our detractors (Russia) have sought to exploit our failure to ratify this convention and question our sincerity." Nixon would have us abolish American freedom so that the communists would stop criticizing us!

RALLY AGAINST GENOCIDE TREATY

John B. Randall, a former ABA president from Cedar Rapids, Iowa said passage of the treaty could find charges of genocide being made against individual soldiers and even U. S. government officials being filed with the U. N. They would then have to answer before a U. N. tribunal, said Randall.

Groups such as the Black Panthers could charge our police with genocide and demand that the U. N. try them in a foreign country. Jews have for many years complained that *The Thunderbolt* newspaper causes them "grave mental harm" every time they see a copy. We then could be forced to stop printing the truth. There is no limit to the dangers inherent within this evil treaty.

It will be brought before the U. S. Senate for a vote in the very near future. (It will not be considered by the congressmen in the House — international treaties only go before the Senate.)

Senators are being warned and pressured that failure to pass the treaty will mean that we favor genocide! This is a total untruth, but it is an example of the extremes to which our race-mixing enemies will go to have this treaty ratified.

tors. Tell them of the dangers of the Genocide Treaty and urge them to vote against it. Get your friends to write also. The future of the right wing movement in America could be at stake in this vote.

Remember, the only race being threatened with genocide is the White race. The leftists are working day and night for mongrelization of our people with the Blacks. This is real genocide, but of course, the U. N. would never take any action to save the White race. The legislation is designed to tape our mouths closed because anything we might say in defense of racial purity causes negroes and Jews "mental harm." All that they do causing us mental harm (including busing) is alright — under the genocide treaty, we have no rights.

Time is running out, do not do another thing today, until you write both your Senators in Washington (in care of House Office Building, Washington, D. C.). They must vote against ratification of the genocide treaty if liberty is going to live on in America.

Bob Barber—

Continued from Page 1

ence, Bob Barber and four other Jacksonville members drove to Mobile, Alabama to present their petitions of more than 12,000 names gathered by our local members in only two days. News of the committee mission reached the officials of the Governor's conference. Bob Barber and his men were met at the city limits by Mobile police motorcycle escorts. With sirens blaring they were whisked through the traffic to the International Trade Club.

Crowds of newsmen and citizens stood aside while our men were ushered before the four governors. Bob Barber told them of the massive support their work had from the people of Florida. He explained that we sought to dramatize our displeasure over Gov. Kirk's inconsistent actions. The 4 governors discussed with Mr. Barber the importance of rallying the masses of the people to back up the total fight against busing. After the meeting, Bob Barber and Richard Holmes, Gov. Brewer's legal advisor stepped outside the conference. Before newsmen and T. V. cameras they gave a statement and presented the petitions. (The picture of the event is published on page one.)

It is our hope that this action shows the great deal of good which can be performed by active NSRP members in a short space of time, especially when they are alert, and coordinated in their work. Our NSRP movement is making rapid progress. We are going to bring the will of the people to bear upon the tyrants in Washington. We are going to force them to listen to the people's grievances and give us the relief which we demand.

Atty. Gen. Mitchell Sues To Stop White Records

ATTY. GEN MITCHELL TELLS RESTAURANT WHICH RECORDS TO PLAY

Mr. Wiser Lee Shaw is owner of "Bill's Lunch," P.O. Box 702, Mount Airy, N. C. In his "Juke Box" he has some White folk records including one called "Ship Those Niggers Back." Often when Blacks come in to eat, White people put money in the machine and play this record. Blacks complained about this to the FBI. So, last month Atty. Gen. John Mitchell filed a civil rights suit in the U. S. District Court in Winston-Salem, N. C. to enjoin Shaw from playing such records. He charged that they intimidate Blacks and discourage them from using the facilities.

Outrageous Affront

To Whites

This is the most extreme measure the pro-negro Nixon administration has taken yet to appease the Blacks. What right does Mitchell have

to tell a man what he can play on his record machine? What about all the nigger records which blare out 'soul' music which Whites are forced to listen to in restaurants and almost every time you turn on the radio?

It makes your editor sick to listen to such nigger records as "I'm Black and I'm Proud," or "Down In The Ghetto," or "Black Girl," and many others. Atty. Gen. Mitchell would not dare to take action against any of the Black's records which insult Whites or are otherwise offensive to us. We deeply resent the Nixon administration's attempt to come in and tell us Whites what records we can listen to. It has now come down to outright thought-control, and just one step away from communism. We hope that Mr. Wiser Lee Shaw fights this case to the bitter end and hope all our readers in the Mount Airy, N. C. area go by or write and offer their support.

White Minority --On Trial

Who built the first railroad to India? Who taught Indians how to get enough seed to plant unused fields to raise food for their starving? Who taught the Hindu, the Negro, and the Asian refrigeration? The White Man!

Who treated farming as a respected work while the Near-East (Jew, Assyrian and Asian), as well as others treated farming as an inferior occupation?

Who feeds not only his own but millions of dark skins? The White Man!

Who furnished their own countries with stable financial systems? The White Man!

Who wants to take over the White man's financial structures? The Dark Races!

Who produces more children than they, themselves can feed? The Dark Races!

Why was Africa thinly populated? The Negroes with their

constantly tribal fighting killed each other off. They couldn't feed a large population.

Why do Negro chiefs sell part of their people into slavery when the tribe gets too large?

Why do the Negroes have so little business instinct that they cannot employ their own people?

Why do White people who use birth control prosper, while Dark races who won't use it, have millions of their people die of malnutrition and starvation?

How many millions are today fed from the White man's crops grown by White man's agricultural methods by White man's energy?

Who found a cure for the Dark races Leprosy, elephantiasis, and many other tropical diseases? The White Man!

Who carried modern medicine to the dark skins? The White Man!

DISRUPTING BLACK PANTHER TRIAL at its opening in New York City for the 13 who conspired to bomb public places was Mrs. Maryann Weissman. During the opening of the trial the Jewess, Mrs. Weissman rose and cursed and booed the judge. (Apparently disrupting trials is a new policy of the revolutionaries). She admitted later to being an officer in the Communist front, "Youth Against War and Fascism." Judge John Murtagh gave her 30 days for contempt — too bad it was not 30 years.

"NEW YORK TIMES" ARTICLE ON ISRAEL had us look twice before we could believe what we were reading. It seems that some of the big Jews in America are beginning to question the wisdom of Israel always keeping the world on the brink of a Third World War. James Reston, an editor with the powerful Jew owned "New York Times" recently wrote: "Israel is weak and is counting on military strength; it appeals to justice and is not just to the Arab refugees; it asks for mercy and is merciless in attack; it craves for a decent order in the world and for principles among nations, yet scorns and even vilifies the United Nations."

"The knife is no longer at Israel's throat — it is at their back, their sides and their belly — and they have other problems, such as a vast potential Arab fifth column inside their borders."

With Israel steadfastly refusing to withdraw from any of the Arab conquered territory, the fighting in the Middle East will continue to escalate until the Arabs are given justice. In the meantime Israel is counting on America coming to her aid if she finds herself in real danger. There are many in this country who oppose our becoming embroiled in an all out war in the Middle East — especially on the side of the Jews against our long time Arab friends.

INTERMARRIAGE WITH ASIATICS is soaring in Vietnam. In 1966 some 245 G. I.'s married Vietnamese women. In 1967 there were 452 and in 1968 the figure rose to 763. Last year, 1969, it jumped to a whopping 1,212.

The huge number of Asiatic war brides coming in from Japan, Korea, Taiwan and Vietnam pose a grave threat to our continued racial purity. This is the prime reason we would like to see all our young boys brought home from these Asian lands.

GEMS FROM WRITER ERIC HOFFER recently wrote that if all Negroes in America ceased work, the result would not have much effect. But, if all Whites stopped working, the Negroes would starve.

Mr. Hoffer also wrote that an awful lot of Negroes are spending a lot of time figuring how many billions this country owes them. After all we have done for them, "the idea sounds crazy."

Another Hoffer gem: "I remember reading that it took two slaves to help a third slave do nothing. Has Negro work made the South rich?"

And one more: "Black Power loudmouths claim the Whites are imperialists holding the Blacks in colonial bondage. This is a strange situation when the imperialists have to do all the hard work!"

PREGNANT SCHOOL CHILDREN CAUSE PROBLEMS in New York public school system. Last year there were 2,487 unmarried pregnancies among girls in the 7th to the 12th grades — double the figure of 8 years ago.

In New York pregnant girls are allowed to stay in school, but officials say this has created new problems. Teachers are now forced to take quikie courses in mid-wifery. There now is an increasing incidence rate of the inevitable emergency deliveries in the classroom. Along with having to learn how to deliver a baby, teachers must know how to handle complications such as 'breech birth' and 'stillbirth,' etc.

The vast majority of these pregnant are Negroes. It is any wonder that White parents oppose such integrated experiences for our own children!

MONEY FOR HIPPIE NEWSPAPERS

Jim Aubrey, the former touted whiz at CBS has taken over as head of MGM to pull them into the black, financially. In order to bring youth into the theaters he announced the production of two Beatles movies and one adopted from convicted Jew radical Abbie Hoffman's book, "Revolution for

the Hell of it." He says he will spend a lot of money advertising the pictures in Hippie newspapers. We believe the vast majority of our youth are swinging against the leftists and this just might be the wrong move that finally sinks Metro-Goldwyn-Mayer.

Los Angeles Jew Judge Orders Busing, Negress To Enforce It

THERE SEEM to be many ways to stop busing. Photo shows some of 42 Denver, Colorado busses bombed and burned by protestors. Gov. Lester Maddox suggests students let the air out of bus tires. No doubt there are many other ways White people can stop bussing!

On Feb. 11, Superior Court Judge, Jew Alfred Gitelson, ordered total integration of Los Angeles schools. This is the largest school district in America covering 711 square miles. There are 674,357 children enrolled.

Gitelson ruled that no school can have less than 15% non-White enrollment, nor more than 50% non-White in attendance. Arthur Gardner, School Board President, in announcing the filing of an appeal to Gitelson's ruling said:

"This would require the daily busing of at least 210,000 students, many over long distances. The cost would be \$10 million during the first year, and an estimated \$180 million over the next eight years."

"An appeal is necessary to

determine what government policy shall be with respect to mandated racial balance. If school desegregation is the number one priority of the nation, then the federal government is going to have to

Nixon Bows To Zionist Pressure Danger Of Mid-East War Grows

On Dec. 9, 1969, Secretary of State William P. Rogers announced a new American plan for peace in the Middle East. It suggested that Israel first withdraw from most of the territories they overran in the 1967 war, then negotiations could begin. This program was hailed by Arab states as having definite possibilities for peace.

The Jews were outraged and denounced Rogers as selling out Israel's interest. Jews demanded and got over half our congressmen and senators to sign a statement upholding Israel's stand against the Arabs. A meeting was held by a group called, "The Conference of Presidents of Major Jewish Organizations". They arrogantly summoned the heads of both political parties to appear before them — to give their stand on Israel and submit to interrogation by the insolent Jewish leaders.

Sen. Fred Harris of Oklahoma, then Chairman of the Democratic Party told the assembled, most powerful Jews in America:

"The American stake in the future of the State of Israel is not debatable. We have no other recourse but to act favorably on Israel's need for financial help and arms."

(NOTE: In other words the American taxpayer can not debate the wisdom of pouring money into Israel, nor the fact that our youth might have to fight there.)

Sen. Gordon Allott of Colorado, chairman of the Republican Policy Committee told the conference:

"President Nixon will do everything he can both economically and militarily to assure the security of Israel. There can be no question of any weakening of support for Israel's sovereignty, security and strength by the U. S. Government. The U. S. Government has no intention of permitting Israel to become mi-

larily vulnerable." TOTAL NIXON SELL OUT

On Feb. 19th President Nixon publicly bowed to Jew pressure and in his report to Congress on foreign policy completely reversed Secretary of State Rogers sensible plan for peace. Is it any wonder that Nixon has won the name, "Tricky Dick?" Nixon bends with the wind — just any way the Jews happen to blow their hot air at the time!

Nixon said that big powers should not try and dictate a peace formula to Israel. He implied that the Jews need Arab territory as a buffer zone and reaffirmed his intention to supply more Phantom fighter bombers to Israel.

Dr. William A. Wexler of Savannah, Ga., international president of B'nai B'rith said:

"Pres. Nixon's message shows that he understands and shares our concern." He attacked Secy. of State Rogers saying: "He has poorly served American interests, prestige and credibility."

The Jews know that Nixon must have approved his own State Department's original plan, but Wexler's final blast at Rogers was intended as a warning to Nixon to never again deviate from official Jew policy again.

ARABS BETRAYED AGAIN

The right-wing paper, Al Jarida in Cairo asserted: "American mistakes are what is helping Soviet influence to spread here." Arabs have been traditionally anti-communist (unlike Israel) and want help from us — not from the Russians.

Reflecting on Nixon's pledge to send more fighter bombers to Israel — and remembering that U. S. Phantom fighters killed 82 innocent Egyptian factory workers; the Arab paper said: "Nixon is providing Zionists with more weapons with which to kill Arabs."

It is a crusade against the Arabs.

The Arab position is that they cannot negotiate for peace from a position of defeat. President Nasser has said that Egypt will agree to an immediate cease fire the moment Israel specifies a date for withdrawal from the occupied territories. Then negotiations could begin in an atmosphere of peace for settlement of the refugee question and territorial claims.

Pres. Nixon is actually sabotaging possible peace in the Middle East by blindly succumbing to Jewish dictates as to what our foreign policy shall be. Nixon's actions will serve only to embolden the Jews. They now believe they have all the wealth and resources of America to back up their belligerent attitude toward the Arabs.

It all boils down to whether or not we White Christians are going to allow the Jews to use us to destroy the freedom loving peoples of the Arab nations? We most certainly must have some voice in such decisions now being made, — to bind this nation to Israel for all time to come! The Jews have dragged this nation into other wars to save their own skins and we must dedicate ourselves to the task that this is never allowed to happen again.

POMPIDOU INSULTED

The press reports that some 200 congressman and 42 senators boycotted French President Georges Pompidou's speech to Congress. This resulted from an unprecedented Jewish call for a public snub of the French leader because he had held up shipment of arms to Israel.

be prepared to assume the costs."

Robert E. Kelly, superintendent of schools said: "appeal the case to the highest court in the land if necessary. Compliance with the order would mean virtual destruction of the school district."

Judges Arrogant Orders

In issuing his order for massive busing, Judge Gitelson lashed out at the school board for "slavishly" adhering to a plan of building neighborhood schools. He castigated the school board for complaining of the costs of busing as, "merely an exercise in mathematics."

Gitelson said Negroes and Mexicans, who attend schools with their own race "do not achieve as well as other children." The judge did not tell the people that Negroes are admitting they create Blackboard j u n g l e type schools. Also Negroes do even poorer in mostly White schools. Tests have shown that they hold White children back. Therefore, our children are being asked to sacrifice quality education on the altar of race mixing!

The Jew Gitelson then insolently said: "No pupil has a right to select and determine the particular public school which he shall attend. Open enrollment (freedom of choice) may not be used since it does not encourage integration."

In other words, people like Gitelson are going to tell us which school our children are going to be bused to. Fortunately, Judge Gitelson is a state judge and must face reelection this summer. The day

after his ruling, seven other candidates filed for his job. Negress Heads Los Angeles Busing

The present so-called voluntary busing program in Los Angeles is headed by a Ne-

gress, Dr. Verna Dauterive. Reports indicate she was chosen because almost all of the several thousands now being bussed are Blacks. Yet, the Negress will be in charge of all future mass busing.

Dauterive says: "There will be some resistance, but once the children make friends, the parents will get used to it. The program is well worth while."

She admitted that Negroes right now are about the only ones favoring busing.

The most interesting part of this story is that the one ordering the busing in Los Angeles is a Jew and the one to implement it is a Negress. It is no coincidence that throughout the country we find the Jew promoting, financing, and pressuring White Christians into further integration with Negroes. This is but one more example of the dual combination of this very destructive force.

WHAT THE OTHER SIDETHINKS

The communist "Daily World" of Feb. 4 carried an article signed, "Worried Jew Philadelphia, Pa." It said in part:

"This is a time of revolution of the world colored peoples for an end to colonialism, and of working classes for an end to the exploitation of labor, the fate of Jews rests with the success of world change."

Supreme Court Usurps States Rights

Amid all the controversy as to whether or not the Supreme Court of the United States has power to declare acts of the states invalid or unconstitutional, we lose sight of the fact that it is unconstitutional for the Supreme Court to declare even an act of congress an invalid or unconstitutional. Let's look at the constitution.

Sec. 1 of Article 1, states "All legislative powers herein granted shall be vested in a Congress of the United States." Section 5 the powers of Congress are listed in 18 paragraphs.

Sec. 1 of Art. 2 states in part as material in this letter, "The executive power shall be vested in a president of the United States of America."

Sec. 1 of Art. 3 states, "The judicial power of the United States shall be vested in one Supreme Court, and in such inferior courts as the congress may from time to time ordain and establish." Sec. 2 provides that judicial power shall extend to all cases, in law and equity, arising under this constitution, the laws of the United States and treaties made, or which shall be made, under their authority. The section goes on to enumerate additional powers, but there is not a single word that gives the court power over the laws of a state.

Then there are the amendments commonly called the Bill of Rights. Amendment 9 states "The enumeration in the constitution, of certain rights, shall not be construed to deny or disparage others retained by the people." The 10th amendment states "The powers not delegated to the United States by the constitution, nor prohibited by it to the states, are reserved to the states respectively, or the people."

From these provisions of the constitution several things are self evident.

1. That all powers not delegated by the constitution are reserved to the states or people.

2. The constitution provides three distinct branches

of the government, namely the legislative, executive and judicial, whose powers are set forth in the constitution and who have no powers except as set forth.

3. No place in the constitution does the Supreme Court have power to pass on the laws of the states granted to it and no where does it have the power granted to it to declare acts of the congress invalid or unconstitutional. It just assumed that power a number of years ago and I understand that when that power was assumed there was much controversy, but both the executive and legislative branches let the court get away with such assumption, so that now we take it for granted that it actually has the power in the constitution.

4. If the Court gets away with such power, then we actually have no constitution at all, but only what the judges may say is the constitution. In other words the Supreme Court may amend the constitution at any time by a simple holding that it does say such and such a thing, and without changing a single word of the constitution.

The Supreme Court is establishing a dictatorship over America.

Open Your Ears & Eyes . To The Truth

Dear Dr. Fields:

I have been reading your paper for some time. It is the only paper I read for I do not trust these daily papers and magazines anymore, so why waste my time reading them?

I wish every American could and would read your paper so they would know the real truth about what is going on in our government and America.

Some Americans are wrapped up in what our government is doing and can't see just what is going on. Some are too dumb and smart at the same time to read or listen to the real truth. They

Race Trouble In Canada

Dear Sir:

A good friend of mine recently introduced me to Thunderbolt. I was greatly heartened to learn that there is actually someone, somewhere who has the initiative to present the white man's viewpoint to the world.

I am a freshman at the University of Waterloo. It is hard to describe the shock and revulsion I felt when I saw so many Niggers here on campus.

The majority of these Niggers are from the United States. They have come here under the pretense of acquiring an education. The truth is that they are either draft-dodgers or ever worse, subversive communists, trying to undermine our University.

In political-science lectures these Niggers have the audacity to get up and express their biases, un-American opinions concerning the war in Vietnam. It seems to me that these Niggers pose a greater threat to freedom of White America than do the

blood-thirsty communists in North Vietnam.

If the White God-fearing Christians of America hope to survive as a race they must stand up for America. They must not only rid America of the Black aliens but also of the lily White liberals who side with them.

God Bless You

The major political parties pass laws that are contrary to the wishes and best interests of the White Christian majority. The National States Rights Party proposes to pass laws and control judicial decrees so that they reflect the true wishes of the majority. ADL And FBI Set Up Mississippi Murder

We are indebted to the *Los Angeles Times* for exposing the most shocking story of an illegal FBI-ADL entrapment, set up for the purpose of killing two leading right-wing patriots. The story detailed how the FBI, working with the Jewish Anti-Defamation League raised \$79,000 to pay two pimps to entrap patriots into a position where police could then execute them.

Jack Nelson an investigative staff writer for the *Los Angeles Times* in the Feb. 13th issue reported that Ray Moore, head of the FBI in Mississippi decided that Thomas A. Tarrants III and Joe Danny Hawkins had to be stopped. The FBI felt these two men were leading much of the militant right-wing activity in the state.

Nelson wrote: "Kenneth Dean, director of the Mississippi Council on Human Relations, recalls Moore saying that money was needed to solve the crimes." He added: "The situation in Mississippi was considered so grave by the Jewish community that A. I. Botnick, director of the (Jewish) Anti-Defamation League's regional office in New Orleans, helped raise funds to pay informers and participated in the original discussion about the trap with the FBI and the police."

Jews Help Form Murder Plot

The Jewish community leaders in Meridian and Jackson, Miss., along with the ADL co-ordinator Botnick, agreed to raise \$69,000 for the deaths of Tarrants and Hawkins, plus another \$10,000 for the intermediary (a sell-out lawyer, who was an ex-FBI agent).

Jack Nelson reported that A. I. Botnick made several trips to Meridian "to talk to Jewish leaders about the necessity of raising money to help the FBI." Although an innocent pregnant Christian girl Mrs. Kathy Ainsworth had been murdered during the ambush, Botnick told Nelson, "We were dealing with animals and I would do it again."

The FBI had arranged for two pimps, named Alton Wayne Roberts and his brother Raymond Roberts to set up a trap for Tarrants and young Danny Hawkins. The FBI had Roberts (who was an FBI spy inside the Klan) set up a plan for the bombing of a Meridian Jew civil rights leader's home (one Meyer Davidson).

Once this was done, Nelson writes: "The following day *Scarborough* (a Meridian detective) and FBI agents Frank Watts and Jack Rucker met with A. I. Botnick, who, according to a *Scarborough* memo, told them a group of interested citizens (Jews) had arranged to fly \$25,000 in \$20 bills to Meridian."

Proof Of Death Plot

The Jews, FBI and Meridian police did not want to take any prisoners in the trap they were setting, and this is evidenced by Jack Nelson's article which stated, "Police men who sprung the trap say they expected a gun battle and

A nationally syndicated story published by the *Los Angeles Times* a few days ago revealed how Mississippi Jews paid \$36,500 to have Kathy Ainsworth, a pretty, 26-year-old, White schoolteacher, murdered.

never thought either Klan member would be taken alive."

That they did all within their power to kill young 21 year old Tarrants as witnessed by the Nelson article. It told how Tarrants reported that he was gunned down in Meyer Davidson's yard without warning. Police then shot pregnant Kathy Ainsworth

FBI agents were guarding Davidson's house along with 12 Meridian policemen dressed in black and hiding in the darkness. The FBI were notified by pimp Alton Roberts 45 minutes ahead of time that a lady, Mrs. Kathy Ainsworth, would be with Tarrants. Despite the fact she had no record and the police had no information that she had ever been involved in any illegal activity, nor whether or not she knew what this trip was about, they decided to go ahead with their murderous plans to kill all involved.

This fact led even the liberal *Los Angeles Times* to give their lead editorial to the theme, Law Enforcement Has Limits. Their Feb. 13 editorial stated in part:

"Therefore, using money supplied through the New Orleans regional director of the Anti-Defamation League, the police and the FBI paid two informers to lure two Klan members into a trap. . . . The authorities later discovered Kathy Ainsworth (the only one to die in the trap) was connected with the White Knights, but the police and the FBI have found no evidence linking her to any crime. . . ."

Traitorous Pimp

ALTON WAYNE ROBERTS, The Judas FBI pimp set up the murder, not for 30 pieces of silver but for \$30,000.

"Thus . . . to stop terrorism — the police put themselves in the position of acting as Mrs. Ainsworth's judge, jury and executioner."

The *Times* says that such dangerous acts, "diminish respect for the law," and "bring the law into disrepute."

The editorial went on: "No matter how great the provocation, the police can

never take it on themselves to decide who is guilty, who is innocent; who is to live, and who to die."

Here is a clear case of the Jew ADL in cohorts with the FBI setting up a trap which involved a young girl who was then executed according to plan without any attempt at providing her with the constitutional protections of arrest and trial. To try and "entrap" anyone into a crime is a crime itself — and the FBI and Jew ADL are clearly involved in such an illegal undertaking in this case. Jack Nelson writes that the FBI was tipped off by their paid pimp Alton Wayne Roberts that a girl would be with Tarrants. Nelson says

this new development was ignored by the FBI and the plan ordered to proceed.

Let us again emphasize that this was a joint FBI and Jew ADL killing, because Nelson wrote: "During the meetings, (setting up the murderous trap) the FBI agents participated in all negotiations for information and in all payments to the Roberts brothers, according to *Deet. Scarborough*."

Pimps Get Short Changed

The two lowly pimps, Raymond and Alton Roberts were only paid piecemeal up to the time of the trap, and received only \$19,000 in blood money. When the Jews learned that Roy Moore said he would give the two pimps \$10,000 more (of the Jew's money) if they would testify against Tarrants. The Roberts brothers refused but demanded more money from the Jews, threatening (according to Nelson) that if they didn't get their money for setting up the trap "Meyer Davidson had better get his money and go back to Israel."

The Jew businessmen decided that they had better not welch on the deal and offered to pay the Roberts brothers half the agreed amount since only one of the chief Klan leaders (Tarrants) was captured. The two lowly pimps accepted the terms and Nelson reported: "Three Jewish businessmen from Jackson drove to Meridian and gave the Roberts brothers \$17,500 as a final payment." So the Roberts brothers got nothing for Kathy and her unborn baby's deaths — they were nothing to the Jews.

Jews Not Through Framing Christian Patriots

The Jews in Mississippi have long sought to frame Sam Bowers and put him into prison. They do not care that he is guilty of no crime, he is a White Christian leader and head of the White Knights of the KKK. For this reason they have raised \$150,000 to pay anyone willing to take the witness stand and lie in order to place him in prison.

Jack Nelson documents this evil Jew conspiracy thusly stating: "In an interview, *Deet. Scarborough* said that Jewish interests had pledged to make \$150,000 available for testimony linking Bowers to the terrorist attacks." *Scarborough* (with FBI approval) made the offer to the Roberts brothers, but they prudently declined. They had hoped their names would never be revealed in the first place.

Jack Nelson also quotes Kenneth Dean, a young civil rights activists in Miss., as telling about a conference he had with ADL head A. I. Botnick in New Orleans stating:

"Botnick told of being asked if he would make a contract somewhere in the North, such as Chicago, to have two Klansmen liquidated." He quotes the Jew Botnick as telling Dean that the one responsible for the trouble in Mississippi "should be killed." "Botnick told Dean that he could arrange for such a 'liquidation' and that there would be no investigation."

DOCUMENTED PROOF: JEW

By: Dr. Edwar

JEW BEHIND RACE-MIXING IN AMERICA

The purpose of this article is to prove, through documented evidence Jews in America are the prime movers and guiding force behind the massive attempt to mongrelize the White Christian people with the Black Race.

Of course everyone realizes that there are many gullible and brainwashed Gentiles working toward this same end. But the movement to mix the races in America is most definitely sparked and financed by organized Jewry in every city of any size in America containing a formal Jewish community.

The first question which arises is why are the Jews so fanatical in their zeal to integrate the races and why do they intensely resist mixing of their own blood with either we White Christians, or the Blacks?

THE ANSWERS ARE COMPLEX

In order to understand Jewish thinking on this matter, one must first recognize that the Jews are a very unique people. The Jews are bound to one another by three different means — which no other people in the world have in common.

1. The Jews have one religion — Judaism!
2. The Jews are of one nation — Israel!
3. The Jews are of one race!

Race is defined as a group of people who have inbred their own kind for centuries and exhibit like features and characteristics. Thus the Jews of today are a tight-knit race, and highly conscious of the great gulf which separates them from White Christians.

Gentiles do not have even the basic rudiments of unity existing in Jewry. We are of many different churches, different nationalities and from divided language groups of Europe. Feuds, wars, jealousy and hatreds have always divided our White Folk. This division has made it easy, for a skillful and highly organized Jewish minority to dominate us. If anyone is in doubt about Jewish control over our daily lives, let them check on who owns all the stores on Main Street. Find out who controls the three T. V. Networks. (Sarnoff heads NBC, Paley (Palensky) heads CBS and David Goldenson heads ABC.) Check who controls Hollywood, or which racial group controls many of the giant combines buying controlling interest in thousands of formerly Christian owned companies in America!

HERE ARE THE FACTS

Within each Jewish Community in every city of any size in America the Jews operate numerous organizations. They are designed to guide and control the lives of every Jew. They are also designed to give the Jews a tremendously powerful single voice in American politics. Almost every Christian politician lives in dread of offending his local Jewish community. He knows that if he does not tread softly, listen to their every demand, endorse aid to Israel, sale of Israeli Bonds, support United Jewish Appeal — the Jews will vote for the man against him, spend a fortune to elect his next opponent, and direct the local daily press in a hate campaign against him.

All the small Jewish clubs and social groups are united under the American Jewish Committee. All Jew businessmen belong to a secret society called "B'nai B'rith" and they have their own secret spy agency called the "Anti-Defamation League." These are the groups that harass Right-Wing Patriots and seek to control elected politicians and the daily press. But, their most important mission of all, is to integrate the White Christian people to produce an indolent, Mulatto race for the future.

FROM THEIR OWN MOUTHS — THE JEWS REVEAL THEIR PLANS

The following are especially selected quotes from the most important Jewish leaders in America concerning the integration of the races.

Aaron Goldman addressing the National Council of Jewish Women said: "We Jews have played a significant part in securing laws for Negroes that guarantee equality. We have raised the expectations of American Negroes and must not allow them to become frustrated, angry, and desperate if their dreams fail to materialize. The Negro must enter the mainstream of American life."

Mrs. Joseph Willen, president of the National Council of Jewish Women reported on April 9, 1968 that: "Jewish parents must intensify their fight in behalf of the American Negro's struggle for racial justice and economic opportunity. Our children ask us to look forward, not backward. We cannot bind our young people to us by reciting past persecutions. We must set an example for Jewish youth by intensifying efforts in behalf of increased employment for Negroes and to aid anti-poverty programs. This is the best way to combat White backlash."

Sen. Jacob Javits addressing the National Commission of the Jewish Anti-Defamation League in 1967 said: "The Negroes struggle for equal rights is of vital importance to American Jews, and is the most important struggle in the United States. Jewish support of the Negroes' aspirations for equality should be regarded as a badge of honor."

Sen. Javits called for massive aid to Negroes and asked for the taxpayers to provide \$35 billion over the next 10 years to raise the Blackman up to the level of Whites. He also called for the adoption of a guaranteed annual wage at double the amount called for by President Nixon.

Philip M. Klutznick, Vice-President of the Anti-Defamation League at the same convention said:

"Jewish communities have set the pattern in the area of 'social action' in America. The outpouring of Federal funds for poverty programs during the next 25 years will give the Jewish community an opportunity to redistribute their resources and redirect their energies in the most meaningful religious, cultural and special educational activities for Jews that history has ever known. Major Jewish organizations must unite to set up long range survey communities to establish the goals and priorities of American Jewish communities over the next three decades."

(IMPORTANT NOTE: Readers should re-read this last paragraph. Jews run the poverty aid and urban renewal programs in many cities. It is not an admission that this tax money is being used by Jews to build political power for Jews!)

Saul M. Linowitz, former ambassador to the Organization of American States, told the Zionist woman's order, Hadassah at its 53rd meeting at Miami Beach: "The bedrock for civil

rights is nothing less than economic rights, school integration and the right to vote."

Rabbi Arthur J. Lelyveld, addressing last year's American Jewish Congress meeting in Miami Beach said:

"All of us must be prepared to make any sacrifice necessary to achieve an effective program aimed at achieving economic justice for the negro. We must make the economic sacrifice of paying higher taxes to win the more important war on poverty at home."

Former Justice Abe Fortas, (removed from the Supreme Court for taking bribes from the corrupt Jew financier, Louis Wolfson) told a dinner of the American Jewish Committee in July of 1968 in New York City:

"The battles of the non-Whites for equality in America are essentially the same as those of the Jew, and the Jews must help in his struggle."

Albert Vorsepan, addressing the National Federation of Temple Sisterhoods in Miami Beach on Oct. 28, 1969, said:

"We Jews should know something about the outer limits of frustration and rage of the Black Communities. We who have suffered better understand the anguish of the Black man today."

Theodore Bikel, Jewish folk singer and star in the play, "Fiddler On The Roof" in a speech of July, 1969, in a Jewish temple in Honolulu said:

"A strong commitment to civil rights is implicit in Judaism. We must speak out against discrimination."

Rabbi Maurice N. Eisendrath, president of the Union of American Hebrew Congregations, on Oct. 26, speaking in Miami Beach called for a five year moratorium on the space program and an immediate ceasefire in Vietnam. The rabbi said this would free billions of tax dollars which could be immediately funneled into the Black ghetto: "Call it reparations or simple justice, but some form of restitution is owed to the Negro. America must rush massive aid to the Negro the way aid has been rushed to the Jews of Israel."

JEWS RAISE MONEY FOR BLACKS

Jewish publications are filled with countless articles about Jews raising money for militant negro causes. The Emma Lazarus Federation in New York City raised thousands of dollars for Martin Luther King's now infamous Selma, Alabama march. Each year Mrs. Edward M. Warburg, wife of the multi-millionaire international Jewish banker, raises millions for the United Negro College Fund.

The most sensational and publicized fund raising dinner was held by wealthy Leonard Bernstein in his plush Park Avenue apartment for the 21 Black Panthers on trial for bombings in New York City. It was a sight to behold, in Bernstein's elegant duplex apartment, the Jewesses in evening gowns, welcoming Black Panthers wearing wild beards, bushy Afro-hair styles and blue jeans.

The wife of the famous director of the New York Philharmonic, Mrs. Bernstein said later to the press:

"This was not a frivolous party, but a chance for all of us to hear what's happening to them. They're really being treated very inhumanely. The trial of the 21 New York Black Panthers has had me very upset."

Thus Rabbi Feinberg urges our White Christian people to

by helping mongrelize the White race through inter-
racial marriage!

DIFFERENT STORY FOR JEWS

Here we find the great contradiction in Jewish teachings.
While preaching the most extreme forms of race-mixing at
inter-religious meetings and on college campuses in the
press, on T.V. and Hollywood, the Jews tell their own youth
a completely different story in the confines of the Synagogue.

the "New York Times." "Intensive Jewish education must
cover youths between 13 and 18". He said that unless they
are warned of the dangers of inter-marriages, "The whole
fabric of the Jewish structure will suffer irreparable harm
and damage."

"Rabbi Pesach Z. Levovitz, president of the Rabbinical
Council of America said in the "New York Times," Jewish
"religious leaders must exercise all of their influence to
stop mixed marriages between Jews and non-Jews. Those
who marry out of the faith disappear within the preponderant
Christian religions and cultural community."

DON'T DATE NON-JEWS

England's Chief Rabbi, Immanuel Jakobovits recently made
a visit to New York, and in point blank terms declared:

"Jewish teen-agers shouldn't date non-Jews . . . Inter-
faith marriage is something we view with horror, almost as
apostasy. For Jews the problem of intermarriage is the prob-
lem of sheer survival. Countless Jewish martyrs did not die
for their faith so that we might fritter away our heritage."

We would like to ask the rabbi; What about White Chris-
tians whose countless ancestors fought and died so that our
race might be preserved? Is not the blood line of our people
worth saving in the light of the importance the Jews place
on this question? The Jews are not called "bigots" and
"race prejudiced" when they fight against inter-marriage
for their own kind. Yet, these same leftist Jews attack and
vilify every White Christian who dares stand up for racial
purity for our folk.

WHY THE JEWS SEEK THE MONGRELIZATION OF THE WHITE CHRISTIAN PEOPLE

The most cleverly contrived scheme in the history of race
relations is now being employed by the Jews to break down
the resistance of the White race. It is an elaborate plan to
make White people ashamed of the color of our skin. It is
deliberately designed to give us an inferiority complex where-
by we will feel compelled to bring about our own racial de-
struction to rectify the superior position we naturally hold
over the Black race.

It is even more clearly spelled out in a book writted back
in 1912 by a Communist theoretician named Israel Cohen
of London, England. It is titled, "A Racial Program For The
Twentieth Century" and has been published in the Congres-
sional Record of June 7, 1957, and even entered as a paid ad
some years ago in the Atlanta newspapers by Gov. Lester
Maddox (then a prominent restaurant owner). Israel Cohen
wrote:

"We must realize that our Party's most powerful weapon
is racial tension. By pounding into the consciousness of the
dark races that for centuries they have been oppressed by
the Whites, we can mold them to the program of the Commu-
nist Party. The terms colonialism and imperialism must be
featured in our propaganda. In America, we will aim for a
subtle victory. While inflaming the negro minority against
the Whites, we will endeavor to instill in the whites a guilt

complex for their exploitation of the Negroes.

"We will aid the negroes to rise to prominence in every walk
of life, in the professions and in the world of sports and enter-
tainment. With this prestige, the negroes will be able to inter-
marry with the Whites and begin a process which will deliver
America to our cause."

SELF-HATE INSTILLED WITHIN WHITES

This is the most diabolical plan ever conceived, to instill
"self-hate" within White people so that we will embrace
the Black race in order to "up-lift" them to our level (an
impossibility). The plan goes much further and is a master
hoax fostered by Jews upon our people.

CHARGE WHITES GUILTY OF NEGROES' CRIMES

In March of 1968 Lyndon Johnson's "Commission on Civil
Disorder" issued their report on the bloody and destructive
negro riots which swept many of our major cities that pre-
vious summer. The full time staff director of the Commission
was the Jew David Ginsburg. With a \$1 million dollar budget,
and 200 employees Ginsburg spent 7 months "investigating" the
riots. The final report, which he personally drafted found:

"Of the filth, crime and slums in which the Negro lives,
White institutions created it. White institutions maintain it,
and White society condones it — White racism is essentially
responsible for the explosive mixture which has been accu-
mulating in our cities since the end of World War II."

The crux of the million dollar report was that — WE WHITE
PEOPLE ARE TO BLAME FOR THE NEGRO RIOTS! Many
Americans openly expressed their outrage at Ginsburg's find-
ings. But most people missed the real point in question, that
this was a brazen attempt to instill an inferiority complex
in masses of White Christian Americans in one grand sweep.
We are supposed to feel guilty for the oppression Blacks have
experienced in the past. Now we should want to throw our-
selves at the feet of the negroes and beg for their forgive-
ness. The Jews would like for our vast masses to adopt the
attitude of the young White girl from San Francisco, whose
story was reported in The Thunderbolt. She said she was look-
ing for a negro man to marry, so that in her own individual
way she could try to make up some of the oppression Negroes
had suffered.

Of course the truth of the story is that the American negro
has a far higher standard of living than negroes have in ANY
of their own countries in Africa. We do not owe the Blackman
anything. In fact the negro has shown us the height of in-
gratitude to the fact that we lifted them out of jungle savagery,
gave them sanitary homes for the first time, jobs, welfare,
free medical care, poverty aid and free food.

But, David Ginsburg says that we have not done enough.
His Riot Commission report advocates raising the negro to a
real life of luxury by the following methods:

1. The spending of \$10 billion a year on poverty aid and
welfare.

2. Create 2 million federal jobs for Blacks. Guarantee
every negro a job.

3. Provide a Guaranteed annual wage to all negroes who do
not want to work.

4. Build 6 million new dwellings for negroes in White
suburbs with either subsidized or free rent.

This is Ginsburg's plan to chain the White worker to a
lifetime of tax slavery to make the negro an elite class of
citizens upon whom we third class Whites owe a free living.

NEW JERSEY'S LITTLE RIOT COMMISSION

Also in 1968, former New Jersey Gov. Richard J. Hughes
appointed a "blue ribbon" committee to investigate the bloody
Newark riots. Once again a Jew named Sanford Jaffe, wound
up as executive director of this commission. You guessed it,
he also found that White people were guilty of the crimes of
the blacks! Sounds unbelievable, even insane, yet when you
control the news media, you can make the righteous seem
wrong and change lies into truth.

The Jaffe Commission found the following:

A. National Guardsmen used excessive force in shooting
rioters and looters.

B. Police antagonize negroes, thus encouraging them to
disorder.

C. More Black police are needed as well as civilian review
boards.

D. Elimination of bail is needed so negroes can be released
from jail with less difficulty.

E. (following point is quoted word for word because it is
so hard to believe anyone would claim this:) "Widespread
violence in the nation's urban slums would have happened
sooner had not the Negro been patient, and forbearing."

F. Jaffe's final point absolved the negro of any blame for
the riots and said there was no organized conspiracy behind
the rioting.

COMMUNIST PARTY FOUGHT FOR RACE MIXING

The 1928 Civil Rights program of the U. S. Communist
Party was written by Joseph Pogány. This was the first polit-
ical party in America to adopt a civil rights program and the
major parties copied them after World War Two.

Pogány was a Jew, born in Moscow and sent to America in
1928 to help build the U. S. Communist Party. Using the alias
Joseph Schwartz, he wrote the following program which the
Reds adopted and distributed all over America.

Two other fund raising parties have been held in New York by millionaire Jews to raise money for the murderous Black Panthers. John Simon, Jew editor . . . V. panelists Ben- net Cerf's Random House Publishers, gave a similar party, as did Jew film director Sidney Lumet.

LAWYERS FOR MILITANTS ARE JEWS

In almost every case of radical militants who are caught burning, killing and bombing, we find Jewish lawyers ready to defend them. Eldridge Cleaver, who fled the U. S. to escape prison was represented by the Jew Charles Garry. The New York 21 are defended by the Jews Gerald B. Lefcourt and Sanford Katz. Of course everyone knows that the "Chicago Seven" (4 were Jews) revolutionaries were defend-

ed by the Jew legal team of Leonard Weinglass and William Kunstler.

Jew lawyers are also pushing for integration of White suburbs. A Harvard trained lawyer named Roger N. Bellen- son heads "Westchester Residential Opportunities, Inc." They purchase homes in fine White neighborhoods for \$16,000 up to \$50,000 and then resell them to Blacks. Bellen- son was a former housing director for the Urban League. Both the Rockefeller Foundation and (Jew) Aaron Norman foundation have given tax free grants to further his work.

"The New York Times" of Sept. 19, 1966, really let the cat out of the bag when they admitted: "The Jewish community has long been the financial backbone of the civil rights movement . . . No special commission on race is needed to arouse Jewish support for civil rights activity in the South . . . Jewish support for civil rights is still high."

And, of course, we all know that Jack Greenberg is the head of the NAACP Legal Fund and is responsible for filing all

of the suits which have resulted in so much suffering by innocent White children forced into mixed schools by this Jewish conspiracy.

JEWS URGE WHITE CHRISTIANS MARRY BLACKS BUT URGE OWN KIND TO MARRY JEWS ONLY

Rabbi Abraham Feinberg of Canada has won the nickname, "The Red Rabbi" for his visits to North Vietnam and efforts on behalf of communist causes. In the Maclean's Review magazine of Sept. 6, 1967 he said:

"Until we learn to fust our ingrained fears of sexual relations between the races, the end of the race problem will not be in sight. Only when we no longer raise our eyebrows at the sight of a Negro holding hands with a White girl will the West have begun to tear the racial poison from its vitals. Such a change will involve an inside-out remodeling of the White psyche, for our fear of mixed marriages is deeply rooted. But the change must begin sometime. Why not now?"

"If anything, the law should encourage, not forbid, the intermingling of 'bloods'. Marches and civil-rights demonstrations can dramatize the immediate imperative of justice. Religious teaching can now enunciate the challenge of brotherhood. Fair-employment laws and other civil rights legislation can protect minorities from overt discrimination.

"ONE WORLD, ONE RACE . . . the deliberate encouragement of interracial marriages is the only way to hasten this process. And it may be that time is growing short. The dominance of our world has begun to shift, like cargo in a listing vessel, from the White races to the colored."

Thus Rabbi Feinberg urges our White Christian people to surrender the blood of our forefathers and commit racial suicide by helping mongrelize the White race through interracial marriage!

DIFFERENT STORY FOR JEWS

Here we find the great contradiction in Jewish teachings. While preaching the most extreme forms of race-mixing at inter-religious meetings and on college campuses in the press, on T.V. and Hollywood, the Jews tell their own youth a completely different story in the confines of the Synagogue. Dr. Immanuel Jacobovits, Chief Rabbi of England, said in

OFFICIAL 1928 COMMUNIST PARTY PROGRAM

1. Abolition of the whole system of race discrimination and insure full racial equality.
2. Insure Negroes the right to vote.
3. Abolish all Jim Crow laws and forbid discrimination against Negroes in selling or renting houses.
4. Abolish all laws forbidding intermarriage of persons of different races.
5. Assure full integration of public schools and universities.
6. Equal admittance of Negroes to railway stations waiting rooms, hotels, restaurants and theatres.
7. Full integration of the Army and Navy.
8. Allow negroes to join all labor unions.
9. Equal employment opportunity for Negroes.

Every single one of the Jew Pogony's original Platform points have today been adopted and put in force by both of the Jew influenced Democratic and Republican Parties.

MILLIONAIRE JEWS BACK THE BLACK REVOLUTION

Some people find it difficult to understand how a millionaire Jew can be a staunch supporter of the Black Militant Communist Revolution. It is because of their Jewish nature according to one of the richest Jews in America, Max Fisher of Detroit. Max Fisher owns the Marathon Oil Co. and the Fisher Theater chain. He sits on the board of directors of Michigan Consolidated Gas Co. and Michigan Bell Telephone Co., is chairman of Fruehauf Trucking Co., a director in Allen Industries and Srahan Printing Co., and a partner in the huge \$150 million Somerset Park apartment project in Troy, Mich.

Being a militant revolutionary has not stopped him from declaring himself a Republican and is George Romney's chief campaign fund raiser. He recently represented President Nixon at a meeting of Jewish leaders in New York City. He told them Nixon had assured him Israel would receive all the aid she needs. On the negro question, no one can claim to be more radical than Max Fisher, who the "Detroit News" of Feb. 23, 1969 quotes:

"My fellow Jews must enter the great American Equal Rights Revolution. The growth of the Black Power concept is healthy because there was no leadership before. Militancy and turmoil are good, because it shows that the Negro is himself concerned and involved. We are in a revolution and the Negro has to be allowed to develop. I think that through my Jewishness I have a feeling of what the Negro wants. It comes from an empathy that springs from my Jewishness."

Or take the Jew Saul Alinsky whose activities are financed by the Jew owned Midas Muffler Co. Alinsky heads a radical group called F.E.C.H.T. They led riotous picketings and demonstrations by Blacks demanding jobs at the Kodak Film Co. in Rochester, N. Y. They succeeded in blackjacking the company into giving them hundreds of jobs.

Alinsky now operates a school for Black revolutionaries — still financed by the Jewish owned Midas Muffler Corp. Recently he said:

"Just think of all the hell we kicked up in the past with only four or five organizers. Now we will be turning them out by the hundreds."

NAACP — A JEWISH ORGANIZATION

Last but not least is the NAACP. The largest and best financed of all the groups fighting for the mongrelization of the White race. This organization has never had a negro as its head.

For the first 35 years of the NAACP's formal existence it was run by two millionaire Jewish brothers. Joel Spingarn was president of the NAACP from 1929 until his death in 1939. Thereupon his brother Arthur Spingarn ran it until 1966. Due to old age, he turned the presidency over to Kivie Kaplan, a millionaire Jew shoe manufacturer from Boston, Mass. He heads it to this day. Roy Wilkins is merely his secretary and front dressing for the outer office.

The real mastermind behind the NAACP's massive legal offensive which is almost solely responsible for the destruction of all the South's laws and traditions keeping the races separate, including all the major school mixing decisions, were suits brought by Jack Greenberg, Jewish head of the NAACP legal and Defense Fund.

The Jews visualize themselves in a never ending cold war with the White Christian people. They know that we are an independent and freedom loving people. The Jew knows that our individualism springs from the restless creative spirit of our race. They know that eventually our White race will revolt against Jewish economic, cultural and racial domination of our people.

They have but one hope, to put the White race to sleep through assimilation with the lazy, mindless, leaderless, shiftless and slave like Negro race. As Mulattoes our future descendants would make obedient workers under Jewish masters. The Jews are organized to prevent assimilation of their racial blood with either we White Christians or the Blacks. They stand to be the only race in the future which will be mentally alert if mongrelization conquers our unborn descendants to come.

We are now, TODAY in a life and death STRUGGLE for racial survival. We are faced by a tight knit, political machine which is hell bent upon using its money power to destroy our White Folk. The time has come for every White man, woman and child in America to take his stand. The National States Rights Party provides our fellow White brothers with

Mississippi's Kathy Ainsworth

KATHY at her school desk.

Words can't do her justice. They just can't put over how singularly attractive she was. In her mid-twenties, she was of slender build; always erect, yet relaxed. No one ever saw her anything less than immaculately neat. Her voice was low and well modulated; yet when she spoke everyone listened, and her soft but carefully enunciated words could be understood in every corner of the room. Her gentle spirit irresistibly entwined about one's heart, and before you knew it, she could understand and share your innermost thoughts.

Kathy was a teacher — a real teacher, the kind who is born, not made, who put the welfare of her students ahead of every other consideration. It was thrilling to hear her tell about how they responded to the heroic story of our country and of our forefathers. Patriotism and Christianity were part of the curriculum in Kathy's classroom. Children who came under her tutelage grew to like school and enjoy it. They began to catch a glimpse of how much there is yet to be learned, and the pursuit of knowledge became a joy. Every child who had the good fortune to be in her room for a year will be a better, stronger patriot, and a truer Christian as a result.

Other teachers, and the girls who shared an apartment with Kathy, could not understand her "differentness." They subscribed to the theory that "to get along, you've got to go along." This philosophy had no place in Kathy's make-up. When the odds were 1000/1 against her, she was no more hesitant in expressing her opinions and in standing up for what she considered right, than she would have been had the odds been 1000/1 in her favor.

"If the world hated you, ye know that it hated me before it hated you," John 15:18. Christians can expect persecution, and in every age there have been those whose adherence to the faith cost them their lives, even as His faithfulness cost Jesus His life. And at His death, He was accounted a transgressor, and executed between two criminals. Thus the attempt to make a follower of Christ appear in the eyes of the world to be a criminal, is over 1900 years old. But thanks be to God, which giveth us the victory through our Lord Jesus Christ. We have much to be thankful for — for the privilege of knowing Kathy; for the winsomeness and accomplishments of her short life; for the knowledge that she has entered into the joy of her Lord; and that she will be among those who, having gone on ahead, will be there to welcome us when our time comes to cross the threshold.

the best fighting attack program in existence to defeat this evil conspiracy.

Remember that your life upon this earth is but a very short one. We are placed here to create a decent and wholesome society in which our children can be raised and propagate. It is our duty to keep the race separate so as to provide for the everlasting continuation of future generations. This is our God given mission upon this earth. Are you doing your part while there is yet still time to preserve the White race? It is a task more important than your personal life itself. Sacrifice and struggle lie ahead and we must be prepared to give our all for the SALVATION of God's real "Chosen People," — The White Race. Our White Race is responsible for the concepts of Liberty and Civilization which we have given to the entire world.

Always remember the following quotation from the late Sen. Theodore G. Bilbo who fought all his life to maintain the separation of the races:

"If our buildings, our highways, our railroads should be wrecked, we could rebuild them. If our cities should be destroyed, out of the very ruins we could erect never and greater ones. Even if our armed might should be crushed, we could rear sons who would redeem our power. But if the blood of our White race should become corrupted and mingled with the blood of Africa, then the present greatness of the United States of America would be destroyed and all hope for civilization would be as impossible for a negroid America as would be redemption and restoration of the Whiteman's blood which had been mixed with that of the negro."

ADL And FBI Murder—

Continued from Page 5

Illegal Actions Will

Be Stopped

The increasing power of the State of Israel has increased Jewish belligerence and arrogance on a world wide scale. The Jews clearly now have become so emboldened by their success that they have decided they have the power, use terror and even murder against White Christian Patriotic Leaders.

The Thunderbolt has long warned Patriots of the fact that the FBI is part of the Jew terror machine in America. The Jew ADL uses the FBI as a pipeline for frame up money that goes to pimps chosen by the FBI to give lying testimony against patriots. The fact that the Jew Botnick says he can have people "liquidated" and there will be no investigation is all the more proof that the Jews control the FBI, because they are the ones supposed to be in charge of such investigation.

Hawkins Charges Plot

Deliberate Murder

Joe Danny Hawkins (the Jew ADL offered two FBI pimps \$36,500 if he could be lured into the Meridian murder trap) has given a statement to reporter Terry Keeter of "The Meridian Star." In reply to the plot to kill him and Tarrants young Mr. Hawkins said:

"The killing of Mrs. Kathy Ainsworth was definitely murder. The whole plan was to kill Tommy Tarrants and I. It was murder and conspiracy to commit murder. It's not justice-by a long shot."

"Maybe the state will take some action against this police power and prosecute them like they have other people. Maybe they will do something against the ADL and FBI and convict them. Justice is justice."

"The White Christians have been persecuted, I think Jack Nelson made it light on the feds. I think he knew more than he used. We've had people in Meridian gathering information on their own time, gathering it free, on who set the trap. I think you know tried to kill Tommy Tarrants. The way they shot him up."

While hoping to kill Tarrants and Hawkins, the FBI and ADL actually succeeded in murdering two innocent people — Kathy Ainsworth and her unborn baby. This is the ruthless and vicious political machine which must be rooted out of America if freedom and liberty are to survive.

Fail To Stop Jackson, Miss. NSRP Meeting

Speakers at Jackson, Miss. meeting: Left to right, Dr. Edward Fields, Bob Barber, Attorney Percy Stanfield, master of ceremonies, and Joe Hawkins, sponsor.

The National States Rights Party held a kick off rally in Jackson, Miss. to begin its new organizational campaign for members in that state. It was sponsored by outstanding patriots, Joe Hawkins, his wife Johnnie Hawkins and son Joe Danny Hawkins. They were instrumental in promoting the meeting through the distribution of handbills and radio announcements. This is the same family which provided the leadership and inspiration which made "The White Patriot" magazine possible.

No sooner had Dr. Fields arrived in Jackson, Miss.

Mississippi than he learned that great pressure had been brought to bear to have our meeting stopped. In fact, without notifying either Dr. Fields, or Joe Hawkins, the manager of the hotel actually "cancelled" our meeting, removed our name from the Hotel Heidelberg's bulletin board, and told all callers that the meeting had been cancelled.

Later Bob Barber and Dr. Fields met with the manager of the hotel. He explained that the FBI had put pressure on the owners of the hotel to cancel the meeting. (Note: the FBI never uses such tactics to cancel meeting halls of the revolutionary radical left).

of forced school mixing and the threats to the very survival of the White race which is at stake. A four point program was laid out for the people to demand adoption by the legislatures of the Southern states to stop federal tyrants from destroying public education for White children. They included:

1. Use of the executive power of the Governors of the various states to seize schools closed by federal despots to reopen them for the White people. They should be staffed by teachers, ministers, or parents in order to provide education for our White children.

2. The people should refuse to allow their children to be bused to any school outside their neighborhood. The White people should physically place their children in their school according to their God given right of freedom of choice, and stand guard with other parents to make sure that no person of evil intent dares try to remove or transfer them.

3. All counties ordered to bus children to achieve mixing should sell or junk their buses and cease using tax money to service buses or pay bus drivers.

4. The White people should take back control of their own schools and run them as they deem fit. No federal judge has ever been elected to be a school board member or a superintendent of school. Therefore, the White people should kick them out of the school business. Blacks have taken over control of their community schools in New York City, and we have the same right to take back control of our own White community schools.

This is the program of the National States Rights Party for White people to regain control of White Schools for White people. This is an all, or nothing, fight for the very survival of the White race. We are determined that this struggle will not be lost. The time has come for all to unite behind this cause and come to the aid of their fellowman.

The NSRP will be holding more rallies in the weeks ahead in Mississippi. They will not be cancelled — as we do not allow anyone to cancel an NSRP meeting. The people are going to learn the fearless truth, despite efforts to suppress our meetings. We will not be stopped. With leaders like the Hawkins family and the many new people swelling our ranks the hour of victory for the White race is not far off. We urge all Mississippi supporters to do all within their power to push the NSRP movement forward so that political power will be returned into the hands of our White kinsmen.

BRAILSFORD NEW MARYLAND LEADER

Bill Brailsford has long been an active NSRP member in Baltimore, Md. Last month he was named by National Chairman J. B. Stoner to be Maryland State Co-ordinator for NSRP.

Mr. Brailsford has participated in numerous party demonstrations and has always been 100% loyal to the NSRP national leadership. He has worked his way up through party ranks to his present new position of trust and responsibility. Mr. Brailsford will soon announce a new organizational campaign for his state.

Judas Iscariot And The FBI Informer

By MISS JANE ARNOLD
What type of person will betray his friend? History's prime example of a betrayer is Judas Iscariot. Today's example is the FBI informer. There is a striking parallel in these examples that history tells us.

Judas Iscariot betrayed his Lord and Master with whom he was a close associate and friend. Iscariot did this treacherous deed for the promise of money from the Jews. Money from the Jews meant more to him than the life of his dearest friend.

The FBI is an organization of betrayers. They are a secret police whose purpose is to stop the activity of White Christian Americans. The life work of an FBI agent is to spy, inform against, betray, and frame-up White Christians because the Jewish community wants them out of the way. Times have not changed much, as the FBI represents modern day Judas Iscariots.

What White man has reached the bottom of degradation so that he would become a liar for hire against his own race? There is no end to the effect a lie from a paid informer may have. Innocent people may spend their lives in prison and some are murdered senselessly without a trial. White Christian patriots must suffer persecution so that FBI may receive some money from Jewish sources.

Aside from the Jew pay-offs, the FBI wastes millions of the taxpayers' money to hire men without character to harass patriotic American citizens. All this serves the purpose of the anti-White, anti-Christ Jews. The American taxpayer must pay for his own destruction!

In his classic work, *The Inferno*, Dante describes the places of the various sinners in his descent through Hell. Dante sees fit to place the treacherous, the betrayers of trust at the very bottom of Hell. The FBI is organized treachery. Such massive betrayal holds a unique place in the world.

Dayton NSRP Gives \$1,029 To Building Fund

All supporters of the National States Rights Party will be pleased with the new NSRP building fund report on page 10. February was the largest month yet for the fund.

We are particularly indebted to the Dayton, Ohio NSRP Chapter, #42. This is one of our oldest active chapters and their loyal support has always been outstanding. This month they got together and raised \$1,029 for the NSRP Building Fund.

A dynamic magazine, dedicated to fighting for the principles of White Supremacy has just merged with *The Thunderbolt* newspaper. *The White Patriot*, published in Jackson, Miss. by Joe Danny Hawkins and his mother, Mrs. Johnnie Hawkins have decided to join forces with *The Thunderbolt*.

Their brilliantly edited magazine, with brightly colored cover was given wide distribution in Mississippi. We are pleased to begin sending the readers of this fine publication *The Thunderbolt* during the coming year. We hope they will transfer their loyalty to our publication and do all withing their power to build our circulation in Mississippi. The people of this great state have suffered more persecution at the hands of Jewish Anti-Defamation League and their puppets, the FBI, than has any other state.

The Thunderbolt is the only publication in America that is totally unafraid of fighting and exposing the Jew ADL and FBI plots against White Christians. Therefore, we welcome all the readers of *"The White Patriot"* aboard and promise you real action and victory over the enemies of our race and nation in the months ahead.

The individual amounts from the members of the local Chapter are listed on page 10.

This is our biggest boost to date and by far the largest contribution raised by any single Chapter of the NSRP. We are very grateful for their help and it is an act which will not be forgotten by all who are working so hard to insure that the NSRP one day in the near future has a permanent Headquarters building.
